# **DISCIPLINE FOR CLUBS WITH JUNIOR/MINI SECTIONS**

Following numerous problems a meeting was held in January 2008 to discuss above, with particular reference to Discipline of Players, Coaches and Spectators. Procedures for Clubs and Referees was also reviewed by Task Group comprising Yorkshire Sec.; Junior/Min Sec.; Youth Discipline Sec; Yorkshire Refs Sec., plus input from Yorkshire Disc. Sec. John Sheppard made an in depth report which has been distributed to those attending. A synopsis is that, the procedures are there but are not being implemented. Listed below are major Bullet Points, it is essential that these are adopted and adhered to.

Yorkshire RFU follow RFU Disciplinary Regulations set out in RFU Handbook 2008-2009 Section 10, pages 360 to 375 and sanctions listed in appendix 3 on page 381. Information is also available on RFU Website.

The Senior Club Committee is responsible for all Disciplinary matters. The Senior Club Secretary is Club Contact. Sanctions could affect whole Club and all teams.

## **1. Players up to and including Under 12**

Clubs and Referees are encouraged to be sensitive and aware of transgressions and coaches should withdraw players rather than have them dismissed. Informal advice and guidance is best, but record should be kept for internal club information.

## **2. Club Players from Under 13 to Under 18 and all Inter School Players**

When a player is dismissed, all Referees, including Coaches/Teachers/Club Refs, must complete the RFU Discipline Report. All Refs, Clubs, Schools should have these available at all games. It is expected that all Clubs/Schools will submit any report. Society Referees will follow Society reporting guidelines; all other referees should report to Schools and Youth Disciplinary Sec. by post or email.

Clubs must, on receipt of Referees report, convene a Disciplinary Panel and, following guidelines in Section 10 Schools and Youth Disciplinary Matters; apply Sanctions as per Appendix 3. Report of action/sanctions must be advised to S/Y Disc. Secretary. Head Teachers take place of Disciplinary Panel in Schools. Report Forms are on RFU Website. Club Panels usually comprise of three members including at least one from Senior Club.

## **3. Abuse of Officials**

Players abusing officials will be dealt with in the normal way; all players must be made aware by their Club/School that sanctions will be severe.

Abuse of referees by Coaches, spectators and parents will not be tolerated and all Referees will use the Match Official Abuse Form. Society Referees carry these forms; Clubs and Schools should have copies available for non-society Referees to use. Serious misconduct of this nature will be reported to the Senior Disciplinary Sec.

## **4. Abandonment of Games**

Very occasionally games are abandoned due to actions of players or problems from touchline, any game that is abandoned in this way must be reported to the Disciplinary Secretary by the Referee; both clubs must ensure such notification is made. Page 367 of the RFU Handbook lists "ill discipline on part of coaches, parents and adult supporters as prejudicial to the interests of the game" responsibility for dealing with report is allocated to the Yorkshire Disciplinary Committee. Any person or club found guilty of behaviour resulting in a game being halted will receive the most severe sanction. It is essential that parents have confidence that matters such as these are being "dealt with promptly and properly"

## **6. Misconduct contrary to Spirit of the Game**

Abuse, threatening or racist comments; offensive chanting; trashing of changing rooms and offensive comments on web sites are all issues that need to be dealt with firmly and promptly, they have no place in our sport. All incidents must be reported. If clubs or schools have resolved between themselves then the report should include outcome and action taken.

# CODE OF CONDUCT FOR COACHES, MANAGERS AND VOLUNTEERS

## **Prohibited practices for Coaches, managers or volunteers**

**Coaches, managers or volunteers, including all professional staff, must never:**

- a) Take young people to their own home or any other place where they will be alone with them
- b) Spend any amount of time alone with young people away from others
- c) Take young people alone on car journeys, however short
- d) If it should arise that such situations are unavoidable they should only take place with the full knowledge and consent of someone in charge in the Club/governing body and/or a person with parental responsibility for the young person. In exceptional circumstances where a coach, manager or volunteer cannot obtain the consent of the someone in charge in the Club/governing body and/or person with parental responsibility for the young person then if it is in the welfare interest of the young person, paragraphs 2.1(a) and 2.1(c) do not have to be followed. If this occurs the adult must record the occurrence with the Club/governing body welfare officer.
- e) Engage in rough, physical games, sexually provocative games or horseplay with children/young people
- f) Take part as a player in any dynamic contact games or training sessions with young people. If there is a need for an adult to facilitate learning within a coaching session through the use of coaching aids e.g. Contact pads, this should be done with the utmost care and with due regard to the safety of the young players
- g) Share a room with a young person unless the individual is the parent/guardian of that young person
- h) Engage in any form of inappropriate sexual contact and/or behaviour
- i) Allow any form of inappropriate touching
- j) Make sexually suggestive remarks to a young person even in fun
- k) Use inappropriate language or allow young people to use inappropriate language unchallenged
- l) Allow allegations by a young person to go unchallenged, unrecorded or not acted upon
- m) Do things of a personal nature for a young person that they can do for themselves unless you have been requested to do so by the parents/carer (please note that it is recognised that some young people will always need help with things such as lace tying, adjustment of Tag belts, fitting head guards and it is also recognised that this does not preclude anyone attending to an injured/ill young person or rendering first aid)
- n) Depart the rugby Club or agreed rendezvous point until the safe dispersal of all young people is complete
- o) Cause an individual to lose self esteem by embarrassing, humiliating or undermining the individual
- p) Treat some young people more favourably than others; or
- q) Agree to meet a young person on their own on a one to one basis.

## **Positions of Trust**

- 1** All adults who work with young people are in a position of trust which has been invested in them by the parents, the sport and the young person. This relationship can be described as one in which the adult is in a position of power and influence by virtue of their position. Sexual intercourse or touching by an adult with a child under the age of 16 years is unlawful, even where there is apparent consent from the child. A consensual sexual relationship between an adult in a position of trust within the rugby setting and a child over 16 years of age is contrary to the Policy and Procedures for the Welfare of Young People in the Sport of Rugby Union.
- 2** Adults must not encourage a physical or emotionally dependant relationship to develop between the person in a position of trust and the young person in their care.
- 3** All those within the organisation have a duty to raise concerns about the behaviour of coaches, officials, volunteers, administrators and professional staff which may be harmful to the children, young people in their care, without prejudice to their own position.

# Playing Up and Playing Down – Under-age and Over-age Players U17 – U12

There has been some confusion over the eligibility of players at specific age groups and some of the regulations have changed. What follows should clarify the situation but detailed statements appear in the 2008-2009 RFU Handbook to which specific reference should be made. This information is also available on-line at [www.rfu.com](http://www.rfu.com) then select the Rules and Regulations site which open in a new window.

## **Section 6 of the Rugby Continuum deals with Age Grades U7 to U12**

A player's age grade is determined by their age at midnight on 31 August at the beginning of each Season.

6.1.1 The age grades are as follows:

- U 7 and U 8 (stage 1) - both age grades play Mini Tag Rugby to the same rules with qualifications.
- U 9 and U 10 (stage 2) - both age grades play Mini Rugby to the same rules with specific modifications.
- Under 11 and Under 12 (stage 3) - both age grades play Midi Rugby to the same rules.

6.1.3 During the course of each Season, players may only play rugby with other players in their age grade unless they are permitted to play with players from a different age grade under a dispensation.

6.1.4 When participating in Fixtures or Festivals, the Club and/or School must inform the coaches and match officials of opposing teams of any dispensation being applied and identify each player concerned.

## **6.2 Dispensations**

The following dispensations apply as exceptions to the age grade provisions above. The need to ensure that player safety is not compromised when applying any of these dispensations is stressed since players of different age grades/development will be playing together and the duty of care owed to players means it may not always be appropriate to allow a player to take advantage of a dispensation.

### **6.2.1 Training Dispensation**

During internal Club or School training, players may train together and play internal training matches together in the following groups only:

- (a) Under 7 and Under 8 squads;
- (b) Under 9 and Under 10 squads;
- (c) Under 11 and Under 12 squads, although **no Under 13 player** is permitted to train with an Under 11 or Under 12 squad in any circumstances.

### **6.2.2 RFU Special Dispensation – Playing Down U7 - U12**

The vast majority of children, with correct coaching, can play in their correct age grades but in exceptional circumstances, where the safety of the child may be compromised due to a developmental disability (physical or behavioural), application may be made to the RFU for an individual dispensation permitting a player to play down one age grade. Such dispensation will last for only one Season. Application for such dispensation should be submitted to the RFU Tournaments & Competitions Director and should be accompanied by documentary evidence or signed statements confirming the player's disability. For the avoidance of doubt, special dispensations to play outside of their true age grade will not be granted to players merely because they appear to have skills inferior or superior to their team mates.

### **6.2.3 6 Year Old Player Dispensation**

To encourage recruitment, children may enter the Under 7 age grade immediately they attain their sixth birthday. Players aged 6 or over may not however take advantage of this dispensation if it will result in their training or playing with Under 9s playing in an Under 8 team. Clubs and Schools are advised that the

introduction of players under the age of 6 into Mini-Midi Rugby squads may invalidate the compulsory insurance cover provided by the RFU for players in those squads and for their coaches and/or match officials.

#### 6.2.4 **12 Year Old Player Dispensation Playing Up**

In addition to any Team Dispensation, where a School or Club does not have enough players to form an Under 12 squad, Under 12 players may play with an Under 13 side but only with written parental consent. A Club or School may use this dispensation if it has more Under 12 players than are required to complete a squad.

### **6. Special Dispensation for Schools & Clubs with Small Number of Players**

*Note this is an unusual occurrence and needs to be formally documented*

#### (a) Dispensation:

- (i) To allow age bands rather than single age grades. I.e. U7s with U8s; U9s with U10s; U11s with U12s
- (ii) Dispensation to be for one season at a time.
- (iii) Teams to play in Continuum Rules of Play for the younger age grade. I.e. Under 7 Mini Tag; Under 9 Mini Rugby; Under 11 Midi Rugby
- (iv) No more than half the players on the pitch at any time in a [game](#) should be from the older age grade
- (v) Teams can play in friendly fixtures after advising the opposition and gaining their consent.
- (vi) Teams cannot take part in competitive Festivals (unless they comply with the existing Continuum age grade regulations)
- (vii) The Continuum Age Grade Dispensations 6.2.1 & 6.2.2 are not applicable to those granted this Special Dispensation.
- (viii) For the purpose of this dispensation a 'team' means 10 players for U7/U8, 14 players for U9/U10 and 18 players for U11/U12.

#### (b) Approval:

To be granted by the RFU Tournaments & Competitions Director upon receipt of:-

- (i) Application from the Club/School Secretary with a signed declaration showing numbers of players in each age grade
- (ii) This to be certified by [CBRDP](#) (7-18 Chair) / RDO.
- (iii) A declaration by each age group Coach that the children in the proposed age grouping are capable of playing in the proposed amalgamated two year age banding.

#### (c) Conditions:

- (i) The age group Coach should be qualified and have completed a recognised Child Protection course
- (ii) The coach must discuss with the parents, the differences in physical development of all the children in the proposed age band and how it affects their child before obtaining their consent.
- (iii) The parents must be fully briefed by the coach concerned on how their child could cope with the differences in physical development between the children in their two year age band.
- (iv) Players must be registered on the RFU Youth Registration System.

## Playing Up and Playing Down – Under-age and Over-age Players U13-U18

There has been some confusion over the eligibility of players at specific age groups and some of the regulations have changed. What follows should clarify the situation but detailed statements appear in the 2008-2009 RFU Handbook to which specific reference should be made. This information is also available on-line through [www.rfu.com](http://www.rfu.com)

Youth Rugby covers Under 13 to Under 18 Age Grades and the regulations are set out in the handbook from Page 407 onwards.

The regulations make it clear that youth rugby players should play in their own age grade unless they fall within the following exceptions :

- (a) Very talented or physically developed players in the U13; U14; and U15 age grades may play up **one** age grade with appropriate permissions.
- (b) Those in the U16 and U17 age grades may play up **two** age grades
- (c) In very exceptional circumstances where a young person's safety may be compromised due to a developmental disability (physical or behavioural) that young person may play **down** one age group.

Note – very exceptional circumstances which need to be formally recorded. This means the use of over-age players is not likely to be allowed. The majority of the regulations in this sections relate to players playing up and there are further guidelines for allowing a player to play up.

When a team plays at an age grade it is the responsibility of that team's Club to ensure that all the players representing the Club are eligible at that age group. Whilst the responsibility may be delegated to a Team Manager or Coach it remains the Club's responsibility.

If a club suspects that their opponents are fielding over-age players then they should ask for confirmation from the opposition that their players are eligible.

If a team declares in advance that they are fielding over-age players, or if they admit when challenged that they are fielding over-age players Clubs should not agree between themselves to break the regulations so that the game can go ahead. Playing over-age players other than a very exceptional circumstance as indicated above may invalidate the compulsory insurance cover provided by the RFU for players in those squads and for their coaches and match officials.

In such circumstances the game could be played with reduced numbers – 13 a side – as a friendly. In competitions the Club unable to field an eligible side would forfeit the game. It is hoped that a friendly would still be played to give the eligible players a game. Note players can play up to complete an eligible side – see above.

Coaches should have the passports of players available to be checked against the player at the start of EVERY game. Any concerns about player eligibility may then be resolved.

# YOUTH REGISTRATION

All Clubs are required to have a Youth Registration Officer who is responsible for ensuring all Mini, Junior and Youth Players are properly registered with the RFU through the RugbyFirst System. Clubs are also now able to transfer players from other clubs already registered on Rugby First in the same way as Adult Player transfers, with a Notification of Transfer being generated which can then be sent to the player's previous club. All Registrars are required to be CRB checked by the RFU due to the nature of the information they have access to. A User Name and Password can be obtained from the RugbyFirst Helpdesk, details below:

RugbyFirst Helpdesk: Tel: 0870 999 2003 (calls charged at National rate)  
Email: [rugbyfirstsupport@therfu.com](mailto:rugbyfirstsupport@therfu.com)  
Hours of operation: Monday, Wednesday, Friday and Saturday from 11.00-15.00 and 16.00-19.30.

From September 2008 Club Registrars are able to print off ID cards from RugbyFirst for their Mini, Junior and Youth players.

## **How to Print the ID Cards**

From the main Registration Menu choose "Reports" and then "Player Registration Card by Club" and under player type choose "Youth". Click on "Generate Report" and the pages will appear with the ID cards. Click on the "Print" icon to print or to download click on "Export" and create the file as a PDF.

Once pages are exported to PDF, single cards can be selected from a page if necessary. Open a new Word Document and open the PDF file in Adobe Reader. Click on the "Snapshot" icon (looks like a camera) on the toolbar in Adobe Reader. Position the cross over the top left corner of the card to be printed and stretch the frame over the outer border of the card. When you let go of the mouse button the selected card will be copied to the clipboard. Switch to the Word document and click "Paste". This can be repeated for multiple cards to allow you to print a batch at a time.

## **Plastic Pouches for ID Cards**

Once the ID cards have been printed, clubs will be able to add the players photo and then laminate the cards. The RFU no longer supply plastic pouches for ID cards.
