## SIX NATIONS 2024 TICKET APPLICATION

Dear Club Member,

You are invited to apply for the following 6 Nations Matches. Only **FULLY PAID** members can receive tickets. Demand will exceed allocation, so an application does not guarantee tickets.

Please complete and return ASAP. If successful, we will **then request payment from you. Payments not received in 7 days will result in the loss of your allocation. (Sorry – but we cannot spend days or at times weeks chasing money)**

The prices below are the ONLY tickets we have available. We **add a £5 per ticket** admin fee if you are successful.

Due to expected demand, initially we will limit allocation to 2 tickets per application per match. But please indicate if you would prefer more. If we have extra tickets, **we will try to help.**

Ticket prices have gone up again. We will try to get the price you request – but you may be offered an alternative.
