

Age-grade Affiliation & Membership

A very warm welcome to our new players and welcome back to our returners. We hope you had a good off season and a restful break, and that you are looking forward to the season ahead at Yarnbury RFC.

Please read and follow the step-by-step instructions below. If you are renewing player affiliation please go to [How to Renew for a Parent / Guardian?](#), if you are transferring from another club then please look at [How to transfer from another club?](#), if you are new then please look at [How to do a new affiliation for a Parent / Guardian?](#), it will ensure you end up affiliating your children to play and not yourself!

[If you are affiliating/renewing a player in U7 to U16 then please upload a recent photograph of your child or replace the existing photograph if the previous one is more than two years old.](#)

Photographs will only be used in the creation of the player passport, a requirement of Yorkshire RFU, our constituent body. The photograph will only be available to club administrators and your child's Team Manager or Coaches in a secured pdf file.

You will see a link to an RFU Support Guide for every section below, so please do take a look at these helpful written and video guides for a step-by-step walk-through.
