CHAIRMAN'S WELCOME

Good afternoon and a very warm welcome to the players, officials and supporters of today's opposition Nuneaton Borough. We do hope you enjoy your short stay with us before having a safe journey home.

There was a big win for Jimmy Ginnelly's side on Boxing Day against Tamworth and it saw them leave the foot of the table - a position no one thought they would be in at any point in this season. It just shows you have to be "at the races" so to speak every time shirts are pulled on, or you will suffer the consequences. We all at Barwell hope that both clubs get the necessary points to be competing together next season at this level.

All fans will know what Jimmy did in his time with us, and I would like to go on record and thank him for helping establish us at this level of football. I'm sure he will eventually get his beloved Borough back to where all Nuneaton fans want it to be.

A big thank you to all the fans who helped the team as the 12th man to get us a much needed win over local rivals Coalville Town on Monday. The team as a whole put in tremendous performance, putting smiles on a lot of Barwell faces.

I hope, as we go to press, that no injuries have been sustained in that win, meaning we can put a strong side out for today.

Finally I would like to wish all fans, sponsors, committee members and volunteers of Barwell FC a happy and prosperous new year.

Today's match & ball sponsor is Jason Ashby of UK Flooring Direct. As ever thank you for your continued support

Enjoy the game today.

Match Report

Barwell 1 Coalville Town 0

Monday 27th December 2021

Barwell secured a narrow win over neighbours Coalville Town in this Christmas fixture at the UK Flooring Direct Stadium. It was Ben Stephens who grabbed the only goal of the game to make it 14 for him this season so far. The game, played in front of a large crowd of 804, saw plenty of chances for both sides and Max Bramley did well to stop the Ravens from scoring - the first time that has happened in a league game this season.

There were early chances for Ross Oulton, but the Barwell man shot over the bar, and for Tim Berridge of Coalville. The Coalville striker put a header just wide from a good cross. Ben Stephens then tested Tomasz Bukowski after five minutes when his shot almost caught the goalkeeper out but he did enough to save it.

Tristan Dunkley did well to block a Connor Smith shot close to the line, after the ball had pinged around in the Barwell box. The initial danger had been caused by a Luke Shaw corner that wasn't cleared properly. Shortly after this, Berridge had a run and a shot but he blazed it over.

After 21 minutes, there was good play by Lucas Powell and he won a corner. The corner was headed towards the goal, Bukowski pushed the ball on to the underside of the crossbar. It then came down and bounced on the line and was cleared. Some of the Barwell fans were saying it had crossed the line before the keeper reached it but the goal was not given. Dunkley then followed up with a shot but it hit the post.

At the other end, Bramley made a good save from Tom McGlinchey shot and then Alex Dean shot over. The ball had caused a scramble in the Barwell box and Coalville claimed a penalty but the referee ruled it out. Billy Kee then met a Dean cross with a header that went just wide.

Match Report

Barwell 1 Coalville Town 0

Monday 27th December 2021

The goal came on 28 minutes. Tristan Dunkley received the ball out on the wide and controlled it well. He made a great cross to the penalty spot where Ben Stephens was lurking unmarked. The Barwell striker made no mistake in burying it past Bukowski to give Barwell the lead.

McGlinchey should have done better after a good move for Coalville saw him played in on goal. He looked to be one on one with Bramley but he overhit the ball and the chance went begging.

Barwell almost doubled their lead after a mix up in the Coalville defence but Ben Stephens couldn't capitalise. Max Brogan, impressing in a start for the home side, then brought out a good save from Bukowski as the Canaries looked to extend the lead.

The chances kept coming for Barwell as Brogan had another shot saved and then Stephens shot just over but the half ended with just the slender advantage for the Canaries.

Half Time: Barwell 1 Coalville Town 0

Coalville had a good start to the second half and enjoyed some spells of possession. Tim Berridge had a shot saved when one on one with Max Bramley and then Kyron Stabana made a great block to stop a Connor Smith shot from threatening the goal. Billy Kee also had a free kick that was straight at the wall as the home side continued to stand firm against each Coalville attack.

William Warren and Ashanti Pryce came on for Barwell as Guy Hadland looked to secure the three points for his side.

Match Report

Barwell 1 Coalville Town 0

Monday 27th December 2021

Harry Bower brought out a save from Bukowski with a shot on 67 minutes but it was the away side who had the better of the half's chances. Bramley did well to deny substitute Tyrell Waite by getting down low and smothering the ball at his feet. The new signing for Coalville had scored the winner for Tamworth in Barwell's first home game this season.

Alex Dean had a shot that was saved by Bramley. Dean had been played the ball from a short corner and shot from outside the area. The ball rebounded to Waite but a Barwell defender got a clearance in just in time. Lucas Powell then made a fantastic block to throw himself in front of another Waite shot.

With 6 minutes left, Bukowski was called in to action again. He made a brilliant double save from Brady Hickey and William Warren to earn applause from all sides of the ground. For Barwell, however, it was a chance to secure the points that had been wasted. The Coalville keeper then tipped a Warren shot just over the bar.

The game was brought to an end and the Barwell players were able to celebrate a home win. Max Bramley received his man of the match award and was cheered heartily by the Canaries faithful.

NUNEATON TOWN / BOROUGH - Club Nickname: 'The Boro'

Recent History:

March 2008 saw a take over from the board that had run the club from 1991. The new directors soon found they had inherited excessive debts despite the sale of Manor Park to property developers.

The new club reverted to its former name of Nuneaton Town and were demoted two divisions from Conference North to Southern League Division One.

Opposition History

Nuneaton Borough

Following the demotion to the Southern League Midlands Division the club gained promotion following a 1-0 play-off final victory over Chasetown at Liberty Way.

The next season, 2009/10, Nuneaton found themselves in the Southern League Premier Division with several teams that were spending vast sums chasing promotion.

After a slow start the team went on a fantastic run that saw them beaten only once at home and included a run of 14 straight victories, narrowing a 24 point gap between the leaders Farnborough to just 2 points at the end of the season.

Again, the play-offs beckoned and a 6-0 thrashing of big spending Brackley Town in the semi-final saw home advantage given to Nuneaton who faced Chippenham.

The final went into extra time and it was befitting that a local player, Eddie Nisevic, who had come through the ranks, got the winning goal returning Nuneaton to the Conference North.

Nuneaton's return to the Conference North for the 2010/11 saw them start well and remain in the top six up until Christmas, where they gained top spot until the last week in March.

Eventually after other clubs played their games in hand, Nuneaton finished just outside of the play-offs.

Fortune smiled on The Boro when the club above them, Eastwood Town, were prevented from taking part in the play-offs due to a technical problem.

Nuneaton faced AFC Telford Utd in the Play Off Semi-Finals but went down 2-1 on aggregate.

Opposition History

Nuneaton Borough

The 2011/12 season was to see Nuneaton gain promotion back to the Conference Premier for the first time in 10 years.

After maintaining a high league position throughout the season Boro' were dealt a blow as the season entered its final few weeks when an administration error led to a 6 point deduction.

This seemed to spur the team on and a final day 3-2 victory at Blyth Spartans ensured their play-off place.

A superb semi-final 2nd leg victory over Guiseley, with a goal from Andy Brown in the last minute of extra time, meant that Boro had to travel to Gainsborough Trinity for the Play-Off Final.

Again Brown (ironically the player concerned in the admin mishap) was the goal hero in a game that saw Boro claim a 1-0 victory amid wild scenes of delight amongst the travelling supporters as the club won their place back in non-league's top tier.

The 2012/13 season saw Boro pitting their wits against the countries non-league elite. Up against many full time clubs it took a while to get to grips with their new environment but Boro's team spirit and work ethic never waivered.

Despite spending much of the season in and around the relegation zone a terrific run towards the end of the season saw Boro eventually finish in 15th place.

The 2013/14 season surpassed all expectations with Boro leading the table early on and featuring in and around the play-off positions for most of the season. After manager Kevin Wilkin left for Wrexham, results tailed off in the last month or so of the season but they still finished in 13th position. A new manager, Brian Reid, was appointed and oversaw the last 3 games of the season.

Opposition History

Nuneaton Borough

Season 2014/15 marked the Club's 125th Anniversary. However, Boro made a poor start and this resulted in Brian Reid being replaced as manager by Liam Daish. Despite the managerial change Boro were in the relegation zone for most of the season and finally finished bottom of the table. Liam Daish parted company with the Club at the end of the season and was replaced by Kevin Wilson shortly afterwards.

In season 2015/16 Kevin Wilson was joined by former Forest favourite Steve Chettle as the club looked to bounce back at the first attempt. A 3 point deduction cost them a place in the play-offs as they finished 6th. They reached the Birmingham Senior Cup semi-final beating AFC Wulfrunians 10-0 along the way before being beaten by Birmingham City at home.

In season 2016/17, after a difficult start, Kevin Wilson left the club and was replaced as manager by Tommy Wright. A nine match unbeaten run helped them to league safety and to reach the FA Trophy 3rd Round before bowing out to York City, they eventually finished in 12th place.

Season 2017/18 saw Boro again struggling at the wrong end of the table when, in October, manager Tommy Wright quit the club to take over at Darlington. He was replaced by Tunisian Dino Maamria who turned the teams fortunes around, guiding them to mid-table safety. This remarkable turnaround earned him a move into league football when he was appointed as manager of Stevenage in March 2018. Gary Charles took charge for the remainder of the season with Boro finishing in 13th place.

Season 2018/19 saw the club revert back to their former name Nuneaton Borough after overwhelming support for the change from supporters. Nicky Eaden was installed as manager with former Boro player Lee Fowler as his assistant. However, the Club was in turmoil off the pitch and almost went out of existence on several occasions. Only the staff and supporters outstanding dedication kept the Club alive and the arrival of lifelong Boro fan Jimmy Ginnelly as manager, and subsequently chairman, saw the Club survive.

Opposition History

Nuneaton Borough

Inevitably such turmoil had an impact on the playing side and Boro were relegated from the National League North. Season 2019/20 - the season that never was! Boro competed in the Southern League Central Premier Division and whilst always in touch with the leading pack spells of indifferent form saw them flatter to deceive. The season was ended early, and declared null and void, due to the Covid-19 pandemic with Boro 3 points outside of the play-off places although crucially a number of rivals held games in hand.

Season 2020/21 - a second season that fell victim to the Covid-19 pandemic. Only 8 league games were played and with an injury ravaged squad Boro made an indifferent start. However, shortly before the season was curtailed a number of influential players returned to fitness and Boro were beginning to click. The season ended with Boro 4 points outside of the play-off places.

THE APPEAL of football at Christmas showed its popularity once more even in challenging conditions for supporters.

Despite Omicron cases rising over 100,000 in England and the weather being as wet and windy as ever, fans still turned out in big numbers for the festive fixtures.

Attendances in Non-League have been impressive after fears the pandemic may put off some spectators returning to matches. But football – coupled with the hard work of club volunteers – has shown it can be a safe space. The failed European Super League plan is likely to have also benefitted the lower levels with some supporters turning their back on the top-flight.

Non-League's affordability remains as does the 'real' feel of attending matches and standing on terraces. The game at these levels is continuing to grow and the Boxing Day schedule provided further proof of that.

Stockport County welcomed 8,896 for their Boxing Day clash with Altrincham. It was the highest crowd on the day outside of the Championship and the club's biggest league attendance since 2008.

Elsewhere in the National League, there was 3,830 at Torquay United in their game against Yeovil Town. A crowd of 3,759 was at Hayes Lane for Bromley's televised fixture with Southend United as 3,699 took in the local derby between Aldershot Town and Woking.

In National League North, AFC Fylde and Chorley had 2,608 spectators while the derby between Spennymoor Town and Darlington saw a crowd of 2,404. There was also 2,082 at AFC Telford United for the visit of Chester.

Dorking Wanderers welcomed a record crowd of 2,048 on National League South and put on a show with an 8-0 victory over promotion rivals Havant & Waterlooville.

Tonbridge Angels had the next highest of 1,669 against Maidstone United followed by Oxford City with 1,208.

The Northern Premier League had a combined total of more than 30,000 in attendance for their final games of the year on December 27th. There were ten four-figure crowds across the four divisions, including more than 2,000 at FC United, Matlock Town and Marine. A total of 12,213 fans went through the turnstiles in the 11 Premier Division games, averaging at 1,110 per game.

In the West Division, the average crowd was even bigger coming in at 1,155 across the seven games, including a 2,150 sell-out for Marine's local derby with Bootle, who won 3-0. There were 1,679 at Clitheroe for their 5-1 win over Colne, while 1,100 saw Leek Town win away at Kidsgrove Athletic. There was a four-figure crowd in the East Division too, where Marske United lost at home to Stockton Town in front of 1,250.

Horsham hosted 1,284 for their fixture with Lewes in the Isthmian League Premier while 1,314 were at Bury Town against Stowmarket Town in the North division. In the South East, Herne Bay won 7-2 against Whitstable Town in front of 1,119.

Banbury United attracted their biggest league attendance for 52 years of 1,221. The Southern League Premier Central leaders beat Stratford Town 1-0. Bromsgrove Sporting had 1,658 against Stourbridge and Hednesford drew 1,142 for their game with Rushall Olympic.

In the Southern League Division One South (Step 4), Frome Town's crowd was 1,103 for their 3-3 draw with Melksham Town.

Phoenix club Macclesfield FC, at Step 5, had the biggest attendance on December 27 of 4,353 and there was 972 at Step 6 side Steeton AFC.

The depth, and support, of the English pyramid continues to be incredible.
