

The Spencer Villa Fund

"Directly supporting the team on the pitch"

For many years supporters have suggested making donations into a player fund that would directly supplement the weekly player budget. Now that we have achieved supporter owned club status we are going to launch this initiative.

As owners of our club we are offering the chance to donate funds that will be ring fenced to improve the player budget. To budget properly we need people to commit to a regular payment, ideally by Standing Order, although cash donations can be made. Many initiatives like this are being run at other supporter owned clubs and have been very successful.

REMEMBER THIS MONEY WILL GO DIRECTLY TO, SUPPLEMENT AND NOT REPLACE, THE PLAYING BUDGET.

We know many supporters have joined as members; bought a Community Share; are in the 100 Club and pay to come to games. This is only for people who think they can give a little more, but remember even £5 per month will help if we all pull together. Every little helps!

It's a practical way for us, the owners of our great club, to provide impetus on the pitch. A larger budget can improve the squad, increase the likelihood of a winning team which can bring larger crowds – a virtuous circle!
