

## BSJFC Membership refund policy

The club offer a FREE trial period of 3 weeks for players to test out the club. If a player goes ahead and joins (pays a membership fee) there are associated costs to the club relating to insurance, training kit, coach support, players kit etc. which the club has to meet even if the player later leaves.

Given this the club have decided that, inline with other clubs in the area, refunds will be made only in 'exceptional' cases. The players coach can assess this and if applicable will notify the BSJFC committee ([committee@bsjfc.co.uk](mailto:committee@bsjfc.co.uk)) of the case so a decision can be made.

Refunds would only be:

- A refund of **66% of the membership fee**
- Available if requested before 1 January of that season
- Only given in exceptional circumstances.

Refunds will not normally be given if a player chooses to stop playing for BSJFC such as moving to another club. Refunds may be given if a player is unable to play as they are moving away or have been injured.

If you have any queries about the process please contact [regsec@bsjfc.co.uk](mailto:regsec@bsjfc.co.uk) and we will be happy to help.
