Minis in action on the first team pitch

The minis are pictured in action on the first team pitch. One of the benefits of our investment in the floodlights has been our ability to host more junior games on the first team pitch and in the case of the minis - all their games are now played on the first team pitch. This is a fabulous introduction to the sport for these young players and we shall be keeping an eye out for them returning to this pitch as regular first team players.

The AK U12s arrived at Wilmslow for their Festival.

Having won all our group games scoring 21 tries and conceding only 2 and were into the final where we came up against Sandbach A who had also won all their group games. The first half started evenly but ended 2 1 down at half time. We started the second half with a lot of possession but just couldn't break through the solid Sandbach defence. With tiredness creeping in, Sandbach managed to run in two late tries. This was a bruising encounter with AK giving their all but Sandbach were the better team were worthy victors. Our boys were magnificent giving their all and demonstrated a great attitude throughout the day making the coaching team very proud.
