Abingdon United • Club History

The club was formed in 1946 when a group of ex-service men decided that the town could support two football clubs. The first meeting to form the club was held in the local Anchor Public House on the bank of the River Thames, as there were no club facilities. They joined the North Berks League and within two seasons had won its Charity Shield. The following year 1953/54 they won the league and cup finalists.

The club had its sights on higher things and five years later entered the Hellenic

League. Since then it has remained in this league and during this time had success in the lower divisions. In 1965/66 they won the Division One Challenge Cup and the following season were the cup finalists.

No further honours came the club's way until winning promotion in 1976/77 to the Premier Division. After a struggle at this level, relegation back to Division One came after four seasons. With a more ambitious approach, the club bounced back into the Premier League where it has remained ever since. It also won the Division One Cup in the same promotion year. Senior status was achieved in 1985 allowing it to be eligible for the F.A. Vase, County Senior Cup and in 1989 entered the F.A. Cup for the first time.

A Members Room, Function Room, Covered Stand and Floodlighting have been completed in recent years to improve the off pitch facilities. 1996/97 has seen the club complete its 50th season and it's most successful. United won the final of the Berks and Bucks Senior Trophy and also winning the League's Floodlit Cup. The highest ever league position was attained when finishing as Runners Up in the Hellenic Premier Division. The following season again saw success come to Northcourt Road with retaining the County Senior Trophy, Hellenic League Reserve Championship and Allied Counties Youth League winners.

BANBURY UNITED FC - A BRIEF CLUB HISTORY

Banbury United's genesis is to be found in Spencer Villa, a works club formed in 1931. Friendly matches were played on a ground on the town's Middleton Road. The club joined the Banbury Junior League for the 1933-34 season and won the championship at their first attempt. They changed their name to Banbury Spencer in 1934 and moved to their current ground for the start of the 1934-35 season in which they competed in the Oxfordshire Senior League. This too they won at their first attempt. During the season they were elected to the Birmingham Combination for the start of the 1935-36 season.

After the war, Banbury resumed in the Birmingham Combination and turned professional for the 1946-47 season. In 1947-48, with attendances averaging 3,500, they finished runners-up in the league and reached the first round proper of the FA Cup for the first time, losing 2-1 at Colchester United, at that time a Southern League club. The next season the ground attendance record was broken when 7,160 turned up to see Banbury lose to Oxford City in the third qualifying round of the FA Cup. The same season also saw Banbury reach the final of the Birmingham Senior Cup, losing 2-1 to Nuneaton Borough. Banbury's manager at this time was Jimmy Cringan, who had joined them in 1936 and was to remain 'The Boss' for no less than 25 years until his retirement in 1961.

The status of the Birmingham Combination began to decline in the early 1950s. At the end of the 1953-54 season the league disbanded and, along with most of its remaining clubs, Banbury joined the Birmingham League. In 1959-60 they reached the final of the Birmingham Senior Cup for the second time, again losing to Nuneaton, this time 1-0. In 1961-62, Banbury reached the first round of the FA Cup for the second time, travelling to Third Division Shrewsbury Town and losing 7-1.

The Birmingham League continued to expand and became the West Midlands League in 1962. This coincided with the effective independence of the football club, the Spencer company having all but ended its association. The club name remained unchanged, however, until April 1965 when, with the club's finances suffering – attendances had fallen to a historical low – a group of local businessmen bought the club. Banbury Spencer became Banbury United.

The new owners were ambitious and were looking to a higher grade of football. Former Chelsea, West Ham, Arsenal and England player Len Goulden was installed as manager. During the summer of 1966 Banbury were elected to the Southern League. Significant improvements were made to the ground. Floodlights were installed and the famous old railway coaches that had been used as changing rooms were removed and replaced by a new clubhouse.

United then embarked on an unbroken 24-season run as members of the Southern League. They came close to league honours in 1967-68 when they finished in seventh place in the First Division, just two points and three places behind Rugby Town who were promoted to the Premier Division. The first round of the FA Cup was reached twice more; in 1972-73, United lost 2-0 at home to Barnet, then a Southern League club, and the following season, after a 0-0 draw at home, they lost 3-2 away to Fourth Division Northampton Town in a replay. United twice reached the last sixteen of the FA Trophy, losing 1-0 in a replay to Hereford United in 1970-71 and, in 1973-74, by the same score in a second replay to eventual Southern League champions Dartford.

From the late 1970s United's fortunes declined sharply as debts mounted. The ownership of the ground was given up as security against the club's debts. On the field the team was also struggling, finishing in the top half of the table just twice in twelve seasons after 1978. In 1990, United finished 21st of 22 and were relegated for the first time in their history, starting season 1990-91 in the Hellenic League.

Those fans who expected a quick return to the Southern League were to be disappointed. However, from 1997 onwards a revived and expanded committee brought about such an improvement in financial circumstances that the club was ready to aim for promotion. Former Oxford, Newcastle and QPR player Kevin Brock was appointed first team manager for the 1999-2000 campaign.

BANBURY UNITED FC - A BRIEF CLUB HISTORY (continued)

United's form up to Christmas of 1999 was good but they entered the New Year no fewer than nineteen points behind leaders Highworth Town. In only eight weeks they overhauled their rivals with a run of 13 consecutive victories and remained unbeaten for the rest of the season. A 3-1 victory at Wantage Town clinched the Hellenic League championship with two games remaining and Banbury United were back in the Southern League.

United took a couple of seasons to find their feet in the Eastern division, finishing 13th and 15th. Eighth place in 2003 was their best in the Southern League in 25 years. That was equalled the following season, enough to qualify for a play-off for a place in a reformed Premier division in the restructured non-League pyramid. Banbury beat Sutton Coldfield Town of the Western division, coming from behind to win in stoppage time in extra-time.

A difficult first season in the Premier division (2004-05) was followed by a much better second. Seventh place in season 2005-06 was an improvement of ten places but thirteenth in 2006-07 was a big disappointment. However, it was troubles off the field that made the headlines. Club accounts showed a large deficit and big cuts were made to the playing budget. Shortly after the season ended, manager Kevin Brock resigned, citing the cuts as his reason for leaving after eight years. His departure was the first of six changes of manager in the next eight years as United went into another decline.

Relegation was avoided in 2009 as the annual bout of resignations and demotions elsewhere in the Pyramid resulted in a reprieve. In 2012 a last-day victory ensured safety. Season 2013-14 began well enough – United were eighth in the table in early February – but more drastic budget cuts were applied. Another player exodus resulted; there followed the most embarrassing run of defeats in the club's history as the team plummeted to 19th, conceding 43 goals in nine games. The dismal form continued into the 2014-15 season and the inevitable occurred. After 11 years in the Premier division level the club was relegated for only the second time in its history and was placed in the South & West division for the 2015-16 season.

Change, however, was on its way. For a year fans had been discreetly working on a takeover. Advised by Supporters Direct, the umbrella organisation for supporters trusts, the supporters club launched its bid towards the end of the season. Agreement was reached with the existing board and in May 2015 the club appointed a new team manager, ex-Oxford United player and Brackley Town and Oxford City manager Mike Ford. He had to assemble a new squad from scratch. Early form was moderate with only four wins from the first 12 games but the team hit form to win 24 of the next 30 and finish runners-up to Cinderford. A nervy victory in the play-off semi-final against Winchester set up a final showdown with third-placed Taunton. In front of more than 1,200 spectators, the club's biggest attendance for more than 21 years, United won 2-0 to regain their place in the Premier Division at the first attempt, a remarkable achievement for a club that had been on its knees a year earlier.

Those supporters who had thought that after relegation and the takeover a season of consolidation was a realistic target saw their expectations exceeded but even the most optimistic followers might not have anticipated that upon their return to the Premier Division United would enter the last month of season 2016/17 challenging for a place in the play-offs. Only over the Easter weekend did their hopes disappear but a final position of sixth was the club's best in the post-2004 Pyramid. Though this was followed by a creditable ninth place finish in season 2017/18, season 2018/19 was rather a disappointment, albeit never in serious danger of relegation, with the club finishing down in 17th place. Last season the club were just outside the play-offs when the season was abandoned due to the coronavirus pandemic.

May 2020 would see Mike Ford leave the manager's post after five years, to be replaced by former Coventry City, Brighton & Hove Albion and Oxford United defender Andy Whing who immediately brought in former Oxford United striker James Constable as a player and Assistant Manager

Football Trivia

Scottish Invasion

Before the 1886-7 season, Scottish clubs were allowed to compete in the FA Cup. Queen's Park twice reached the final, in 1884 and 1885, losing on both occasions to Blackburn Rovers. Five other Scottish clubs competed during this period as well: Hearts, Partick Thistle, Glasgow Rangers, Renton and Cowllairs

Giant Killers

Queen's Park Rangers became the first Third Division side to win a major trophy when they beat First Division West Bromwich Albion 3-2 in the 1967 League Cup Final. The feat was even more remarkable as Albion had taken an apparently impregnable 2-0 lead.

All Aboard

Getting shipwrecked is not something that many footballers have to worry about, but it happened to the Raith Rovers squad in July 1922. Embarking on a tour of the Canary Islands aboard the steamer Highland Loch, the party was horrified when the ship ran aground off the north-west coast of Spain and the entire crew and all the passengers had to rush for the lifeboats. Although, one of the lifeboats sank, everyone fortunately got off the ship safely. Bravely the Raith squad carried on their tour to the Canaries the next day aboard a P&O ship. And to their enduring credit the Scottish side won all four matches.

The Inner Game

Having spent six weeks in a coma, 15 year-old Gareth Knight recovered consciousness after being played a recording of the match between Bolton Wanderers and Reading in the 1995 First Division play-offs. Gareth, a Bolton fan, was revived after hearing his team defeat Reading in a seven-goal thriller, 4-3.

Indoor Football

The first indoor arena used in a World Cup was the Pontiac Silverdome in the US city of Detroit, which was one of the venues for the 1994 World Cup finals.

Football Trivia

Come on England !

During Euro 96 thousands of Scots fans began cheering on England in one of the most unexpected displays of support ever witnessed in international football. However, there was more than a degree of self-interest in their enthusiasm for the 'old enemy'. Scotland were playing Switzerland at Villa Park, where they were struggling to extend their 1-0 lead in order to progress to the quarter finals. England, playing in the same group as Scotland, were leading Holland at Wembley. As radio commentary, listened to avidly at Villa Park, broadcast England goals flying in and as the score line rose to four England goals to none for their Dutch opponents, it looked as if England's winning margin might be sufficient to take Scotland with them to the next stage as group runners-up. Then the Dutch spoilt it all, scored a late consolation goal, and went through ahead of Scotland on goal difference.

Everton of Anfield

Despite the long association of Liverpool FC with Anfield, Everton FC were in fact the first football club to play at the famous ground. Everton rented a field in Anfield Road to play its games until there was a split in the club over rent for the ground. One part of the club retained the name Everton, but moved home to take up residence at Goodison Park, leaving the other part to continue playing at Anfield under the new name of Liverpool Association FC.

One million or not

In February 1979 the Birmingham City and England striker, Trevor Francis, made headline news when he became the first player sold between English football clubs for £1 million. The transfer fee itself amounted £999,999; reputedly, Forest manager Brian Clough had pegged it £1 short of the magic million because he did not want the landmark fee to go to his new signing's head. When additional sums were added – VAT, the contribution to the Football League Provident Fund and Francis's own cut – the total sum paid was £1,180,000.
