27 August 2013

Dear Member

2013/14 Subscriptions

A warm welcome to the new season and what better way to get the season underway than by prompt payment of your annual subscription. An aggressive programme of cost engineering has enabled us to maintain the prices charged for the previous few seasons namely:

- Full membership: £80 - reduced to £60 if paid before 30th September
- Associate/Gents/Student/U21: £40 - £30 before 30th September

It goes without saying that the club costs a great deal of money to run, and that without your subscriptions we simply cannot survive. Don't rely on others to fund the club.

Payment:

- Bank transfer to Bank of Scotland Account: 0027 4267, Sort Code: 80-11-00
- Cheques posted to the above address or left IN AN ENVELOPE behind the bar

If paying by bank transfer then please use your name as a reference and send a confirmation email to enrfcsubs@gmail.com. As I am in the process of updating the club membership database then please include the following information either on the reverse of your cheque or on your confirmation email:

- Name
- Postal Address
- Phone number
- Email address

I appreciate that we already hold this information for most people, but much of the information is out of date.

I look forward to seeing many of you in the near future. The first XV has home fixtures on 14th and 28th September. Forthcoming social events include a musical afternoon and a race night on 15th and 21st September respectively. And of course the Autumn General Meeting which is set for November 25th - this was very poorly attended last year so get this in your diaries now; it is so important in ensuring that members are involved in the running of the club.

Thank you once again for supporting the club.

Andrew Bernard
(Honourable Secretary)
