

TARTAN 10s

Flexible rugby for people who just want to play!

Thinking about getting back into rugby but not quite ready to make the full commitment? Why not try Tartan Tens? The concept is simple, 10-a-side contact rugby for guys (18 and over) who just want to play, at a time and a place that's convenient for them.

Over the course of September we'll be running events at four venues across Scotland – Glasgow, Edinburgh, Dundee and the Borders. Our aim is to help adult males re-engage with rugby through an informal and social format of the game. Everything is simplified, from the rules to the number of players – it's about getting people on the field and having fun!

Getting involved couldn't be any easier, simply pick a venue close to you, sign up online and turn up on the day ready to play. The cost of participation is just £3, which we ask you to bring along with you.
