WELCOME

To all Members, Players, Sponsors and visitors, a 'warm' welcome to Old Leamingtonians RFC!

A very 'not so warm' welcome to the Crofts to everyone, particularly to our neighbours Leamington RFC, it is fantastic to host you for these special matches.

I am delighted to see our junior teams in action in tonight's Warwickshire Cup games. I have really enjoyed watching the action from this competition so far that has seen some great sporting displays in the group stages against multiple clubs across Warwickshire with a fantastic standard of Rugby.

Thank you also to our referees all from the Warwickshire Society of Referees appointed for Cup matches as follows:

Under 14s vs Newbold - Reilly Deviner

Under 15s vs Leamington - Jack Price-Kean

Under 16s vs Leamington - Kyran Flynn

Let me take this opportunity to wish you all a very Happy Christmas.

Please enjoy the facilities, keep warm and enjoy a glass of mulled wine!

Lucas Wager
Old Leamingtonians Mini & Junior Chairman

Welcome from Leamington M&J Chairman

What's not to enjoy about a game of rugby under the floodlights between 2 neighbouring teams. Matches between Leamington and Old Leamingtonians have always been competitive and played in the right spirit, and I am sure this evening will be no different. Leamington Spa is lucky to have two clubs which strive to provide the best experience possible for children in the local area to play and enjoy rugby, and the healthy banter between the two Mini and Junior sections simply adds to nights like this.

Tonight we see two matches where there is an added incentive of progressing to the next round of the cup and I am sure this will bring out the very best in the teams playing. Regardless of the result the sides will shake hands and enjoy the evening ahead together with our hosts for the evening OL's.

That just leaves me to say thank you to OL's for hosting this evening and may the best team win.

Looking forward to a great evening of Cup Rugby

I would like to welcome all the players, parents and supporters from Leamington and Old Leamingtonians who have come to watch on this Cup Quarter final evening. There is fierce healthy rivalry between the clubs and I hope that this evening we get to see some great Rugby. A first double header of games under lights for the local derby is quite an occasion and we hope that all four teams enjoy the atmosphere and hospitality here at The Crofts. An earlier win for OL's in the group stages of the cup will no doubt have fired up the Leamington U15 squad to gain revenge and we look forward to a hard fought encounter.

Old Leamingtonians U16s Look Forward to Ending the Long Wait

Some solid form in the group stages resulted in victories over Earlsdon, Nuneaton and Old Laurentians. As a result Old Leamingtonians U16s qualified for the knockout stages of the Warwickshire Cup as the county's no.1 ranked team, thus earning a home draw for the highly anticipated quarter-final against Leamington RFC.

A couple of seasons have passed since the two teams have locked horns, so it will be fascinating to

see how both squads have progressed since their last encounter as Under 14s. Recent form would suggest that the Moorfields outfit will start as underdogs, but Old Leamingtonians will be taking nothing for granted against their local rivals. Indeed, several of the opposing players have become familiar with each other's strengths at regional level and will be wary of the threat their leading players pose.

Regardless of result, I'm sure both squads have been looking forward to this evening's encounter and will wish the victors every success remaining rounds of the county cup.

MOO DESIGN

DISCOVER THE SECRET OF BEING HEARD OVER THE NOISE OF YOUR COMPETITORS

"We All Just Want To Be Seen And Heard." Danielle LaPorte

Have a quick look at your web design or branding. Do you feel that it sets you apart or does it blend into your industry landscape? Do you think that it might be holding your business back? Most business owners do.

I'll let you into a secret. Most branding and design companies play it safe and produce designs that look like the rest of your industry. Why? Because they believe your competitors must have cracked it, so just copy them. This type of lazy thinking keeps your business shackled to the floor.

MOO Design takes calculated design risks that separates companies from the rest of the pack. We're not right for every business, but when there is a fit the results are impressive. Good morning and welcome to the Crofts for today's Warwickshire Cup Quarter Final against our visitors from Newbold RFC. I hope both teams put on a great spectacle for the fans today.

We have not had the pleasure of locking horns with Newbold before today so they come to us as something of an unknown quantity. However they matched our results in the group stages and were good value to qualify despite only playing two matches so our team today can take nothing for granted and must be on top form to hope to move on to the semi-finals in January.

Injuries and absences due to holidays have forced our hand this morning and there are a number of changes from the team that was originally earmarked but recent matches have proved to me that we have

a great strength in depth and so I am more than happy that our replacements will step up to the plate if required.

Please enjoy the game.
