Chairman's Welcome – David Gardner

It seems like it was only yesterday that we were all gearing up for a new season with indoor training in full swing and ground preparations underway thanks to the band of silver foxes we'd be lost without.

Typically the first day of the Worcester League season saw rain followed by a glorious Sunday so we can be reassured by some things being as they ever were but these strange times mean life has changed for everyone.

Hopefully for most of us this will only be a temporary pause and we can try to enjoy the slower pace of life but for those who have been more affected by the new disease I extend my thoughts and deepest sympathies as does everyone at the club I'm sure.

We all wish we could flick a switch and go to different, happier times but, in the immortal words of Gandalf the Grey, "so do all who live to see such times. But that is not for them to decide. All we have to decide is what to do with the time that is given us". So let's all try to make the most of this time, keep ourselves fit and healthy mentally and physically so we're raring to go when we can finally get out on the hallowed turf again!

Thanks to the hard work of the committee and groundsmen you can rest assured we'll be ready to go as soon as we can safely get some cricket played.

When that day comes, the first team will welcome a new captain in Ryan Trattell, fresh from a winter playing in New Zealand where he took to the field with a number of international players. I know he is very keen to put his own stamp on the team and bring some of the things he learnt in the

land of the long white cloud. Thanks of course go to Marcus for his efforts while he was first team skipper, he made a Herculean effort last season in what was a very unforgiving league.

Dave Robinson and Alun Evans continue as second and third team skippers, both will be hoping their batting form continues when we can get going again and I know they will both be very keen to carry on developing their teams and building on last season's results. Whilst the seconds flirted with relegation all season, victory on the last day of the season thanks to centuries from Robbo and Chris Tulacz saw them escape by the skin of their teeth. The thirds scored some fine victories over some strong teams and continued their tradition of introducing young players into adult cricket which paid off with a number of match-winning performances from the juniors.

Our commitment to developing our young players remains as strong as ever, as well as introducing a mentor for players transitioning from junior cricket to adult cricket, the committee welcomed Ryan Clements and Stan Lunt on board to represent the views of our juniors.

Last season saw our excellent band of coaches put in so much effort with all of our junior teams who all saw some great success on the field. Particular thanks must go to the inimitable Phil Anderson for his work with the All Stars and Under 9s. I must also thank everyone who helped out in the BBQ shack which was such a hit, providing a social focus on Junior evenings and raising funds for the Club.

Finally, thank you to our sponsors, who generously advertise with us. The income from them enables us to invest so much in coaching and equipment. Without their help, everyone's membership subs would be at least £30 higher! So please support their businesses in return.

That's enough from me so stay safe, wash your hands and we'll all see each other again soon.

Officers and Committee 2019-20

President - Graham Jones

Chairman	David Gardner
Vice-chairman	Nick Freeman
Hon. Secretary	Nigel Shore
Hon. Treasurer	Richard Fisher
Club Captain	Richard Fisher
1 st Team Captain	Ryan Trattell
2 nd Team Captain	David Robinson
3 rd Team Captain	Alun Evans
Club Welfare Officer	Ron Williams
Fixtures Secretary	Derrick Jones
Youth Representatives	Ryan Clements Stan Lunt
Committee Members	Phil Anderson, Andrew Jones, Lyndsey Manning, Paul Clements, Tom Strangward

We have two new Youth Representatives this season – both Ryan Clements and Stan Lunt starred in the Under 15s and impressed in the Senior teams and are a very welcome addition to the Committee.

Ryan Trattell takes over as 1st XI captain with the blessing and support of retiring skipper Marcus Ashcroft. Parents Lyndsey Manning and Paul Clements join as Committee Members. All very welcome – this is a strong and representative Committee to take the Club forward,

The Committee meets every month and is here to run the Club for you, the members. So if you have any brilliant suggestions, or if you think something is not right, please do just speak to any of the people above, and you can be sure it will be taken forward.

1st XI Captain's Report

1st XI 2019

Sam Bowen Dave Gardner Will Munn Ryan Trattell Marcus Ashcroft Andy Jones
Mike Spink Nick Freeman Tom Strangward Jack Trattell Ben Simpkin

Firstly I want to say what an honour it is to have been asked to be first team captain after having played in the side from such a young age. I'd like to say a big thank you to Marcus for doing such a good job for the last 3 years. I have learned a lot from him.

After a few disappointing seasons hopefully this one will be a turning point. With a couple of new faces coming in, and dropping a division, we will be looking forward to a lot more wins. The main area of weakness has been in our batting but with the coaching we have planned and a bit more application from our top six, this season will be different. Let's just hope we can play some cricket!

I will try my best to ensure we are the best team in the league at those things that need zero cricketing ability, but just effort and attitude. I hope to finish mid-table as absolute minimum, make this a year of consolidation after a few rough ones, and then aim for promotion again.

Ryan Trattell

2nd XI Captain's Report

With the last game won at Kiddy, celebrations of our survival in the division took place at the club. I was disheartened a few weeks later to find that we had been relegated due to the restructuring. But then found that we had been promoted again a shortly after that without a ball being bowled, funny old game cricket (restructuring again).

So on to this season, it is my hope that we can get some cricket played and continue where we left off. Players having recovered from injuries and finished exams should help to bolster the club's numbers and availability, and we can be in a position to field our strongest teams each week thereby showing the league how good we really are. Neither the firsts or ourselves should have been in those positions, it was just one of those years. So let's hope we can get our whites back on, get out there and smash the ball to all parts of the ground, and bowlers tickle those timbers.

Dave "Robbo" Robinson

3rd XI Captain's Report

(So many of the above squad played at times for the 2nds and the 3rds – so we only have one photo to cover both teams!)

This will be my second year as 3rd team captain, and I'm looking forward to it. Despite finishing second last, it was not a season of complete doom and gloom. There were some seriously good, stand out performances.

My aim, this year, assuming we can play some cricket, remains the same. To play enjoyable cricket in a competitive way. To introduce juniors to the adult game, and basically, just to have some fun.

St. Mary's will again host our home games, with an added net to protect our neighbours, so I'm looking forward to some big hitting from our batsman! And as we're only bowling from one end for the same reason, I'm expecting our bowlers to be super accurate.

So, let's hope we can get out there, enjoy ourselves, score loads of runs and take a shedload of wickets.

Junior Cricket U-11, U-13, U-15

(The U-9s and All Stars haven't been forgotten – they have separate write-ups further below!)

Junior cricket is really at the very heart of this Club. With coaching on Wednesdays and Thursdays, Junior matches on Sundays, Mondays and Tuesdays, and several U15 and U13 players turning out for Senior teams on Saturdays, there is no escaping the vitality and enthusiasm that the youngsters bring to the Club all summer.

Last season started with our players better prepared than ever, thanks to the Winter Training sessions organized by Darren Abbott and Seng Yeo, and run with the help of our senior coaches.

Quality coaching continued through the season, and it showed in the match results. All our teams put up consistently strong performances. The U15s and U13s had some truly stand-out performances, ending in mid-table, and the talented and promising U11s would have been second top.

We have continued to try to balance the satisfaction of a team win, with the desire to give all players a fair amount of participation in every game. The nature of cricket makes that hard, but the coaches do their best and the players appreciate it.

Team spirit has been excellent throughout, and in this game the determination to play your best for the team and not just for yourself is paramount.

Under 15s with coach Chris Tulacz

Our junior coaches and team organizers worked really hard and we owe thanks to Darryl Hinksman and Chris Tulacz for running the U15s, Ron Williams and Chaminda Koralalage for coaching the U13s and to Lyndsey Manning and Isobel Warner for organizing the U13 matches. Tom Strangward and Nigel Shore ran most of the U11 matches.

The Under 13 team after an outstanding win

The talented Under 11 squad with parents

Parents – New coaches and helpers needed!

Our aim is to coach our youngsters all the way through the age groups up to senior cricket. But to make that a success, we always need parents to step forward and help with coaching and organization.

Most of our coaches have started with the Club when their children were young, and followed them through, being trained and gaining their coaching qualifications as they go. Some stay forever, but others move on when their children reach adulthood.

We need a constant renewal of enthusiastic parents to join us. It is more fun than you can imagine and a great way to share your child's development and interest. We can arrange coaching courses if you wish. Please have a chat with Phil, Ron or Nigel if you would like to get involved.

**Individually Italian since 1999.
In Hereford, Gloucester, Worcester, Cheltenham, Shrewsbury, and
Birmingham, plus many other locations in the UK.**

THE NATIONS FAVOURITE BARBECUE

UNDER 9s

Our Under-9 squad continued to attract new young players and we now have a large age group and some very promising talent.

Phil Anderson was ably assisted by Alice Stockdale, Ryan Trattell and other coaches. They always seemed to end the evenings with big smiles, thrilled with the enthusiasm of the children, and definitely ready for a burger.

The Under-9s played in multi-club Sunday morning Festivals once a month. It was not a great format this year as they ended up playing the same teams over and over. The plans are now to have more festivals and a greater variety of opposition. They did however manage to beat local rivals Brockhampton on every encounter.

A word from Under-9s coach Phil Anderson ...

I hope everyone is safe and well. I am optimistic we will get some cricket in the next few months and that we can see the girls and boys enjoying getting their whites dirty again to the despair of parents watching on the side-lines!

So to last year, as I try and jog my memory, the first things that come to my mind are twofold, it rained a lot – even when we actually got a game started it then chucked it down, not just a bit of drizzle but raining heavily with everyone running off to the pavilion either at Bartestree or Brockhampton, and secondly we hardly lost a game!

It was a great season for us when we managed to get a full game in, not just about winning (which we did most of the time) but the way everyone played as part of a team, they worked hard for each other and supported one another in the field. The fielding had improved enormously in the last year, we took nearly all catches available and created many run out opportunities.

We had a very young side so the majority will still be able to play for the team again this year which is very exciting and has me wanting this pandemic over as soon as possible, not for me to go back to work but for us to get together as a cricket team again and show everyone in Herefordshire what a good under 9 team we have got!

Stay safe and I will see you all soon - Phil

ALL STARS

Following up from the first fantastically successful season in 2018 as one of the top county centres for the ECB All Stars programme, we ran another excellent programme last year.

The concept is to introduce children aged 5-8 to cricket. Parents register online, choose a Club, and for £45 receive the clothing, bats and balls that you see in these pictures, and 8 sessions of coaching at the Club.

It was again an outstanding success, with 25 children signing up and having a wonderful time every Thursday afternoon with our team of helpers led by Phil Anderson and Alice Stockdale with support from Tharindi Attalapitiya, Ron Williams, Chris Frith and Ryan Trattell.

Before corona virus hit, we already had a good number signed up for another All Stars season, but like everything else it is now on hold.

A visit from the All Stars Mascot, Twinkle! (a.k.a. Ron Williams).

Club Portraits

Ron the Chameleon

As is the custom I have been asked to do a pen picture of a club member for the Handbook. I did have a couple of ideas but settled on Mr Dependable, a man of many parts, (some of which are not working very well but that's age). Who am I talking about? - none other than Ron Williams.

I first met Ron in about 1999 when I played in a social cricket match at Bartestree for a Hereford Police side. I was impressed with what I saw and the welcome given to us, so that appealed to me.

In 2000 I made contact with the club asking if they would be interested in me playing for Bartestree, within hours I had Ron on my doorstep carrying signing on forms. If I was to tell you, that day changed my life in so many happy ways which still continue to today, even though I retired from playing in 2009.

Ron has played as full a part in the development of this club as any. I could not begin to list all the Roles/Hats he has worn or carried but whatever the task he just gets on with it in his own quiet way and gets it done.

What some of you may not know is that Ron is a fully qualified scrounger. When we decided we wanted to equip our workshop with some basic tools instead of having to go home and fetch a spanner or drill etc. when required, Ron took on the role with relish. He visited former employers at Carpenter Goodwin in Leominster and relieved them of several hundreds of pounds of tools and a state of the art big shiny toolbox.

Ron would be the first to admit he has never been a high quality cricketer, but he has always taken part, captained, contributed, cleared up and looked after a generation of youngsters as they developed through our lower sides to progress towards the senior sides. He has coached nearly every age group and I suspect many will recall their earliest cricket experiences involved to some degree Ron Williams offering support and encouragement to attain higher standards.

When we first formed a 2nd XI in 2000, it was Ron who selflessly dropped from the 1sts to captain and organize the new side, and the same in 2003 when we created the 3rd XI – Ron volunteered to take the drop and put the next 6 years into making the 3rds a vibrant team, dedicated to developing our young players.

Ron is currently our Club Welfare Officer, a role that suits him admirably given his fatherly but firm manner with club members or anybody involved within the game.

In January 2019 he joined a number of us oldies in the Oversight Committee, a totally unofficial group (Graham, Geoff, Richard, Nigel, Ron and I). We took on tasks within the club to look after the facilities throughout the year. We get together on a Tuesday and Thursday morning out of season, identify tasks, have some coffee and cake and enjoy the banter. Important for all of us at our age. Ron brought his mechanical skills to the party and of course his scrounging ability was most appreciated.

So there you have it, Ron Williams, gives a whole new meaning to the overused word Stalwart, nobody knows what he does until he does not do it, and he does it in spades.

Thanks Ron, we all love you.

Derrick Jones

Breaking News

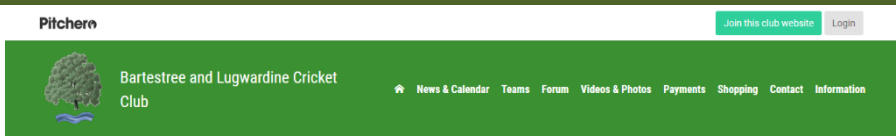

Our weekly email newsletter goes out to around 350 members, ex-members and supporters every week during the season on Sunday mornings, carrying reports on all the matches played that week, Senior and Junior, plus up-to-date League tables and statistics.

For a few years we also issued a monthly roundup, **The Nightwatchman** with stats and photos, , but as has grown it became just too much work! So now **Breaking News** carries superb photos of the week's action as well.

Play-cricket website

Play-cricket is the ECB's national website for all clubs and leagues, where all the results and stats are fed-in and presented. We have our own club website where you can search for any information or historical statistics as well as the latest results and tables.

<http://bartlug.play-cricket.com/>

The screenshot shows the Pitchero website interface. At the top left, the word "Pitchero" is displayed. To the right, there are two buttons: "Join this club website" and "Login". Below this is a green header bar for "Bartestree and Lugwardine Cricket Club". On the left of the header is a logo featuring a tree and a cricket ball. To the right of the logo is a navigation menu with links: "News & Calendar", "Teams", "Forum", "Videos & Photos", "Payments", "Shopping", "Contact", and "Information".

Pitchero is our do-everything site for the latest news, availability, team selection, communication results and reports. All Club registration and payments are now made through it.

We know it is not perfect, and can be annoying at times! But it is the best we have found, and is really valuable tool.

Make sure that you are registered and part of the B&LCC family.

<https://www.bartestreeandlugwardinecricketclub.org/>

B&LCC clothing at Clubsport

We have an excellent supplier for our Club-branded shirts, training tops, shorts and warm hoodies - **Clubsport** in Bewell Street (behind All Saints church). You can also shop online with them using this link: <https://bit.ly/2uCtP2j>

The Oversight Committee

What do cricket groundsmen do during the long winter off-season? Typically they nurse their pints, grumble about football, and wait for the new grass to grow.

But not our willing lads! This winter Derrick Jones, Graham and Geoff Jones and Ron Williams decided to meet up on Tuesday and Thursday mornings to do all the many repair and maintenance jobs around the ground, playfully christening themselves “the Oversight Committee”. Since October they have:

- Set up a proper workshop and toolkit in the big shed
- Repaired the scoreboard
- Cleaned, maintained and re-built the pitch machinery
- Mended the picket fence
- Installed benches around the field
- Thinned out the copse behind the nets and Pavilion
- Painted the benches and Pavilion handrail
- Strengthened the BBQ hut roof, and fitted a scorer’s table
- Cleared gutters and drains
- Repaired cisterns and benches in the Pavilion
- Fitted new large TV in Pavilion
- Cleared leaves from the nets
- Fitted an extractor hood in the BBQ Shack
- And much more

Richard Fisher has also put his shoulder to the wheel, and helped with cleaning the sightscreens, plus the big job of killing and removing the many tufts of grass and weeds which are determined to take root in the nets carpet.

Of course it is fun too, good to get outdoors with a valuable task, and great banter besides, with a break at 11am for coffee and cakes and setting the world to rights. Not many clubs could boast such a dedicated bunch of helpers. Tremendous thanks to them all!

The BBQ Shack

The barbecue shack swung into action at the start of the 2019 Junior season – open on Wednesday and Thursday training evenings. A great success from the start – we fed some very hungry youngsters and coaches who may have only had time for a hurried snack before training.

The BBQ was also popular on a Saturday morning to feed the hungry senior players preparing for a long afternoon in the field, and at special social events, including the wonderful afternoon of the World Cup Final.

We got through about 500 burgers and 400 sausages – all first class meat from Tupsley Butchers and G&R Tudge.

A great huge thank you to all the parents and helpers who made it possible. So many people were willing to help out that it wouldn't be right to try to list all their names. As well as the chefs, the helpers who sold the coloured tokens on arrival were indispensable to making the whole business run smoothly.

Despite going home reeking of smoke, everyone was happy to lend a hand. The good news is that over the winter we have acquired an extractor hood, so it should be a much more pleasant experience in future. And a new “BBQ Shack” sign, courtesy of Clare Woods.

You can see from the photos that there were a lot of laughs as well!

We've come a long way since this, in the summer of 2018!
