Chairman's Welcome – David Gardner

This is the 25th year since the founding of the Club. What an amazing journey it has been! I hope you enjoy the memories and mementos in this edition of the Handbook, and we hope to enjoy some celebrations later in the season.

The summer of 2022 sees the 1sts playing in Division 2 of the Worcester League despite finishing a very creditable third last year in Div. 3 following a reshuffle over the winter and a new captain for the 2nds in Chris Tulacz. Off the field, the club continues to invest in our facilities with a new electronic scoreboard in place and a new roller on order.

I'm sure Division 2 will provide some challenging moments for the 1st XI but I've no doubt they can rise to the occasion and continue to do us proud under Ryan's leadership. Playing the highest level of cricket possible can only drive our own standards up which will benefit the whole club.

Chris Tulacz takes over from Dave Robinson who I'm sure will continue to churn the runs out and do a sterling job behind the stumps for the 2nds. Chris is an avid student of the game as well as a classy batsman and high-quality fielder who will enjoy the extra challenge of captaincy and continue the fine example set by both Robbo and his predecessor Nick Freeman.

Hard work behind the scenes by Club Secretary and all-round legend Nigel Shore helped secure a continuation of Sunday cricket for the third's home games meaning they get to enjoy the excellent facilities at the club under Alun's excellent continued leadership.

Our junior section continues to thrive and I continue to be in awe of all who work so hard behind the scenes and at matches and training to ensure our youngsters are given such great opportunities to enjoy themselves and develop as cricketers.

As I mentioned at the beginning, the Club continues to invest in our facilities and after purchasing a new bowling machine last year, we've purchased an electronic scoreboard which is installed and ready to go for this season and a new heavy roller has been ordered to replace our current antique version. Our most valuable off-field resource remains though our groundsmen who put such effort into both preparing excellent wickets each week and the ongoing facilities maintenance that makes the Club such a great place to come.

On a more sober note, 1st team scorer Bob Beynon has recently had an accident on his bike and is currently recovering in hospital from a serious head injury. Our thoughts go to Bob and his family and I'm sure everyone wishes him a full and speedy recovery.

Here's to another great 25 years!

David Gardner (Chairman)

B&LCC club clothing at Clubsport

For all our players, we have an excellent supplier for our Club-branded shirts, training tops, shorts and warm hoodies - **Clubsport** in Bewell Street (behind All Saints church). You can also shop online at: <https://bit.ly/2uCtP2j>

We recognize that young people grow quickly and constantly buying new sports gear can be expensive. So as usual we plan to have a second-hand sale of kit at very low prices. If you have any used clothing in good condition, please bring it along any training night.

All-girls Dynamos

We have always welcomed girls as well as boys equally to the club, and some have gone on to be extremely good players. Our present intake of All Stars and Under 9s has a high number of girls. But numbers always tended to fall off at older age groups.

Girls' and Women's cricket has a bright future, and we want to be part of that, doing all we can to give girls the opportunity to play. So this year we are starting a girls-only ECB "Dynamos" programme of coaching. It will be a fast and fun introduction to the game and teach all the basic skills.

Leading on, the next step of the plan is to form a mixed age-group girls team, playing similar teams from other local clubs.

New season, new league, new players and new goals. After a very strong season last year we managed to gain promotion into Division 2 of the Worcestershire League, which we all know was thoroughly deserved.

This season as captain will be the toughest one yet but hopefully if we continue to build on our performances and team morale there's no reason why we can't compete. Realistically the aim is to finish mid-table and or at the very least stay up. With the present core of the team plus some new recruits and with the quality of cricket we have played over past years there is no reason why this isn't achievable.

I'm into my third year of captaining now and I can honestly say I'm both excited and privileged to captain for such a great club and such a great group of lads. I'm backed 100% and it makes my job a lot more exciting and a lot easier so I'm very grateful for the support.

As second team captain, this year I hope I can lead the team into the division above to help strengthen and further advance, primarily the club and also the side. It will need a lot of commitment to training and self-development and I'm sure we will rise to this challenge and opportunity.

The past few years, the team have bonded together incredibly, making our Saturdays extremely enjoyable and fruitful. I know this will only strengthen our resolve moving forward. I just ask for every player to support his team mates, train well and strive to better their performance week after week, whether it be with the bat, ball, in the field or with their positive supportive manner.

If you are sitting at your desks working mid-week and are remembering the great time you had on Saturday playing cricket, hungry for more action, then we are on to a winning formula.

Chris Tulacz

3rd XI Captain's Report

Bartestree and Lugwardine CC 3rd XI 2021

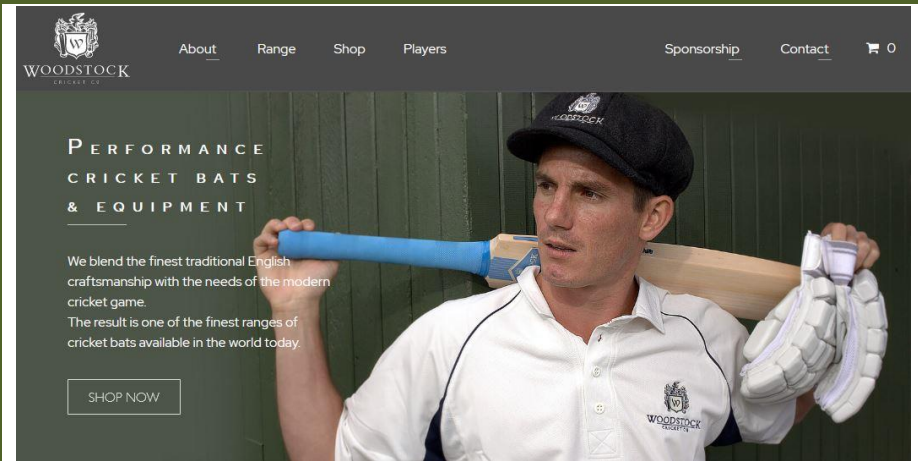

Mark Chapman Ryan Clements Isaac Tyler Ewan Page Oliver Featherstone Finley Manning
Ed Pritchard Andy Kalwaites Alun Evans (Captain) Richard Fisher David Bradbury

My aim for the thirds remains, as ever, to enjoy the game of cricket. I want to involve as many people in the game as possible, from those returning to the game, to introducing promising juniors to the senior game. I will do my best to ensure that everyone in the team has a part to play in the game. I have also had a few fathers who want to join their sons on the pitch brilliant! Having managed to persuade my reluctant teenager to play a game for me last season, I know how that feels.

The league has been re-organised this year. First half, all teams will play each other, after that, the league will split with the top six teams separating from the bottom six. This is probably the best way to ensure the maximum amount of cricket for everyone. Home Sunday games are still going to be a thing, which is a bonus. Being able to play up at the 'tree is a massive plus for us.

I'm looking forward to the season, and hope that all players have a good time. Sticking some wins on the board would be the icing on the cake.

Alun Evans

The image shows a screenshot of the Woodstock Cricket Co. website. At the top, there is a navigation menu with links for 'About', 'Range', 'Shop', 'Players', 'Sponsorship', and 'Contact'. The main heading reads 'PERFORMANCE CRICKET BATS & EQUIPMENT'. Below this, a cricketer in a white shirt and black cap is shown holding a blue cricket bat and white leg pads. The text on the page states: 'We blend the finest traditional English craftsmanship with the needs of the modern cricket game. The result is one of the finest ranges of cricket bats available in the world today.' A 'SHOP NOW' button is visible. Below the image, a green banner contains the text: 'Bartestree & Lugwardine members and parents are entitled to 20% discount at Woodstock, using code BLCC20'.

The spirit of cricket

What is that elusive thing, “the spirit of cricket”? Any attempt to pin it down ends up using words like fair play, honour, respect, decency, honesty – concepts which seem quaintly out of fashion these days. Yet we all somehow know what it is, and that it brings out the best in us – and that is why it remains relevant even in highly-charged competitive cricket.

We try to teach our youngsters the rules of behaviour on and off the pitch; to play hard and play to win, but to:

- respect the opposition and applaud their successes,
- play fairly, whether the umpire sees you or not,
- accept umpires’ decisions without dispute, whether or not you think it was wrong.

You will find the spirit of cricket all summer, intangible but real, in a friendly word, applause for an outgoing batter, a handshake, a sporting gesture, a drink together after the match. Playing the game in the right spirit teaches valuable lessons in how to live life, and will make long-lasting cricketing friendships.

Memories of 25 years of B&LCC

Graham Jones

25 years since B&LCC was formed. A quarter of a century, unbelievable, no wonder I feel so old.

In 1997 we held a meeting in the village hall, open to anyone interested in forming a new cricket club, we had no idea what sort of response we would get but luckily we had a good turnout and the club was created with me elected as its first chairman, a job I held for the next 20 years.

Though the club was formed in 1997 its roots go back to the early 1990's when a few of us all had children of a similar age attending the local school and playing junior football for the newly formed football club.

My involvement began one Saturday afternoon when along with my wife Linda and our two young children Andrew and Claire we were attending the local village fete at the old village hall. I was approached by Nigel Shore who said he was trying to get a few of the junior football dads together for a regular Monday evening knock about at St Mary's school and perhaps a drink afterwards at the Crown and Anchor, would I be interested, of course I was, little realising the affect that that moment would have on the rest of my life.

I can't remember all those who turned up that first Monday evening but along with myself and Nigel were my brother Kevin, Sean Powell, Steve Beech, Rauri Wargent's dad Paul, Chris Frith, Ron Williams and his cricket mad son Chris and a few others whose names escape me.

Luckily Sean Powell had managed to get hold of an old bag of kit, including stumps and a couple of bats as none of us has anything. As time went on we were joined by a few others including a young Gopher aka Nick Freeman (very enthusiastic but couldn't hit the ball off the square) and a

Bartestree and Lugwardine Cricket Club Handbook 2022

young Andy Rogers along with his dad Peter. We continued to meet on Monday evenings over the next few years eventually playing our first match one Sunday afternoon at the old Bulmer's ground against a pub team from the Bromyard area. We won with both Steve Beech and Paul Wargent hitting 50's.

When the old village hall closed and the new site became available we had the opportunity to create our own ground. So under the directorship of Nigel, the most enthusiastic, energetic and driven man I know, we began giving up our weekends to create new football and cricket pitches.

Filling in dips, levelling and returfing areas of the football pitch and digging out and laying tons of surrey loam to create a new cricket square under the expert guidance of Tom Langford.

We had great fun raising funds by having a pig roast and 'It's a knockout' competition on a sweltering hot Saturday at the primary school. Steve Beech and me getting up at first sparrow fart to hogtie the pig to the spit and light the fire to allow for the 10 hours cooking time. We then spent the rest of the day working at the bar serving copious amounts of very frothy lager.

And so back to the beginning, the meeting was held at the new village hall and the cricket club was created. As I've said I was elected as chairman, Ian Smith was secretary and Peter Rogers was treasurer. Ron Williams, Richard Fisher and Chris Frith were committee members, Ron and Richard of course still are.

At our first committee meeting it was decided that we would apply to join the Hereford and District cricket league, we also decided on our club colours of green and gold. I also made it clear that admin was not my strong point and I would leave that side of things to those that could, but I

Bartestree and Lugwardine Cricket Club Handbook 2022

would happily work on the ground, and so I became groundsman. So off I went along with Ian Smith on a 2 day course at New Road, home of Worcester CC to learn how to prepare a cricket wicket. This is a job I love doing and have now been doing for the last 25 years.

Our first league game was the following May, away at local rivals Woolhope, we lost but the bug had bitten, we were a competing cricket club at last.

We also played in the Hereford evening league and this is where I first met Derrick Jones who ran the league, we also played against him when we played the police side in a friendly. Also playing were Ian (Taff) Beddoe and Dave (Robbo) Robinson - they all of course ended up at BLCC.

After a couple of years we decided to leave the Hereford League and join the Marches League, we also started a 2nd team with Ron Williams as captain. Colin Rees became 1st team captain bringing a high degree of competitiveness to the side that was missing before.

In our 2nd year we started our first junior side. The U11 side included Rauri Wargent, Tom Shore, Guy Thompson, Craig Beech and Andy Jones all of whom went on to play senior cricket for the club. Rauri and Andy are still involved of course. Andy who never misses a game has become our most “capped” player for the club.

The junior section remains one of the most important aspects of the club, with fantastic coaching bringing players through in to senior cricket, and giving youngsters the skills and love of the game to which they can return later in life.

It is amazing how the club has grown over the last 25 years, becoming one

Bartestree and Lugwardine Cricket Club Handbook 2022

of the biggest and best equipped in the county with a fantastic pavilion, state of the art nets, an electronic scoreboard and the BBQ shack.

The 1st and 2nd teams now play in the Worcester League and the 3rds in the Marches League and we are lucky enough to be able to watch some high quality cricket at Bartestree.

Though many people are involved in making this a great club, one person must stand out for his vision and tireless work and that of course is Nigel, we owe him a huge debt of gratitude.

I finally stood down as chairman in 2018 after a couple of years of ill health kept me away from meetings. I have been replaced by Dave Gardner with Nick Freeman as vice chair, both of them are extremely capable and are doing a great job.

I now spend my time at the club working on the ground with my fellow "Oversite committee" members, Derrick, Geoff and Ron. Preparing the ground, drinking coffee, eating biscuits and putting the world to rights.

It has been a wonderful 25 years, I've met some fantastic people and made some great friends both young and old. Thank you all.

Graham Jones, Hon. President, B&LCC

Graham (centre) with late mum Bronwen, brothers Geoff and Kevin, plus two more unrelated Joneses – Derrick and Jenny – all tremendous stalwarts of the club.

Breaking News

Our weekly email newsletter **Breaking News** goes out to around 400 members, ex-members and supporters on Sunday mornings every week during the season, carrying reports on all the matches played that week, Senior and Junior, plus up-to-date League tables and statistics.

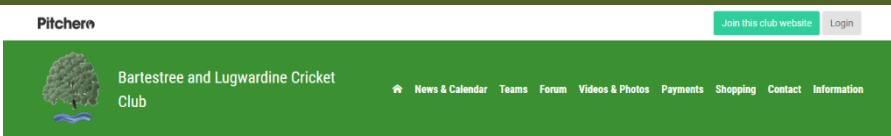

Our President and groundsman Graham Jones is also a superb photographer and his professional-standard telephoto action pictures of the home games are a highlight of every **Breaking News**.

Play-cricket website

Play-cricket is the ECB's national website for all clubs and leagues, where all the results and stats are fed-in and presented. We have our own club website where you can search for any information or historical statistics as well as the latest results and tables.

PLUS – now we have live scoring of most of our matches, so if you can't get to the ground, you can follow the match ball by ball on our Play-cricket website -

<http://bartlug.play-cricket.com/>

Pitchero is our do-everything site for the latest news, availability, team selection, communication results and reports. All Club registration and payments are now made through it.

Download the **Pitchero Club App** on your phone for all fixtures, selection, availability and match news.

CARPETS & FLOORING

Investing in the future of the Club

Bartestree and Lugwardine CC has never been content to stand still, and we take advantage of every possible opportunity to invest in new facilities and equipment. We have successfully applied for grants for coaching and for equipment from the ECB and the local association of cricket officials. We are also very grateful for some extremely generous donations.

In the last year we have acquired a new Bola bowling machine, the electronic scoreboard, ergonomic chairs for our scorers, the new patio and picnic benches and the widened roadway. A brand new roller will also trundle along soon, partly financed by an EWCT interest-free loan and partly by a generous grant from the Clive Richards Foundation.

CARPENTRY & BUILDING CONTRACTORS LTD

We are a family-run business operating in and around Herefordshire. All of our services are fully insured and carried out by friendly, qualified tradesmen to the very highest standard.

Charitable giving

Who are we?

Conrad Energy is the largest platform for flexible energy generation in the UK.

We are an Independent Power Producer (IPP) focused on flexible power generation, battery storage and energy management services for network and commercial customers. We specialise in innovative energy solutions that provide critical grid support to 'keep the lights on'.

Across our 50+ sites, either in development or operational, we are dedicated to supporting our critical national infrastructure and the UK's energy transition to a low-carbon economy.

Junior Cricket

ALL STARS

Bartestree AllStars ★🏏 Cricket is a great opportunity for our 5-8 year olds to get into cricket.

We run our programme to suit the juniors we have signed up. Last year we were over-subscribed with over 30 boys and girls attending each week. We start with those who have never picked up a bat or ball before and teach them the basics of throwing, catching, bowling and hitting a ball.

During the 8 week programme on a Thursday evening from 5.15pm - 6.15pm (starting 12th May) all our kids enjoy fun games, and have support from our qualified coaches and trained “activators”. If you would like to get involved and help then please contact the club.

UNDER 9s

Excellent turn out again for the under 9's last year, with 20 children regularly turning up for training on Thursday nights. Thanks to coaches Marcus, Ryan and everyone who helped with such patience and enthusiasm.

This age is when a real love of cricket can be born, so as well as teaching skills, we try to make it as exciting and fun as possible – hitting a boundary

or taking a wicket is celebrated just as much as if they were in the 1st XI already!

We had a few fixtures on a Sunday morning with the likes of Burghill, T & W, Dales and Luctonians cricket clubs. We did lose a few matches to rain though so hopefully we will have more luck on Sunday morning this year and the kids can get a game or two. This year sees us having fixtures against Brockhampton, Ledbury and Eastnor. Dates for all these fixtures are available to view on the Pitchero Club App.

UNDER 11s

Incredible numbers last year, and we are extremely grateful to all of you for coming along and playing your cricket with us. I believe we had 37 boys and girls on the books last year and this year has already started with excellent numbers again.

As with the under 9's we had some fixtures on Sunday mornings, playing pairs cricket in all the league fixtures and a proper 20/20 game against Luctonians in the cup. Truth be told we lost pretty heavily in the cup but then held our own throughout the league season, winning matches against Ledbury quite comfortably, losing a tight one with Eastnor and then a remarkable last ball draw away at Brockhampton.

Bartestree and Lugwardine Cricket Club Handbook 2022

I have high expectations for the under 11 team this year, hopefully we can get a cup run going and win a few more league matches. We will have a few more internal club matches to enjoy as well; I think most of my Sunday mornings are now booked up with some form of cricket match going on.

As we did last year we have only one side that plays in league fixtures which is a maximum of 10, sometimes 8 in a team depending on the opposition. Not all children will be able to play in these games. That is why I have scheduled 5 in-house games across the summer so that everyone will get a chance to play a cricket match on a Sunday morning in their whites and on a proper wicket.

Please bear in mind that some of the children will be playing hard ball cricket for the first time, so when it comes to selection I will only pick those who I think are ready to play in this type of match safely. Lots of kids in this age group will have 2 years at this level so they will get plenty of opportunity in time. If anyone has any questions about this then please do come and talk to me about it at practice. All match details are already loaded up on Pitchero so please get your diaries out and mark your child's availability.

Phil Anderson

UNDER 13s and UNDER 15s

The Under 13s and Under 15s train together on Wednesday evenings, with matches on Mondays and Tuesdays. We are lucky to have the services of coaches Pete Gale (ECB Level 3 – that’s really good!) and Nick Ashton, as well as our own qualified coaches.

The season started early, with five indoor training sessions in March, which should have got them in good form for the real start of the season.

Both squads have some prodigious emerging talent, and we hope that this will now translate into a successful competitive season in the Herefordshire Junior League and the two Cup competitions.

There are moves afoot to start an Under 17 League this year, and we will try to involve some of previous years’ Under 15s as well as the most mature of the present squad.

We always hope that leaving the Under 15s at the end of the season is not the end of cricket for our youngsters. Many have gone on to play for our senior teams – indeed our present 1st XI captain was an U15 player not many years ago! Alun Evans’ 3rd XI provides the ideal transition to the senior game. But for those who prioritize other activities after Under 15s, they do so with all the skills they need to take up the game again in later years – cricket is a lifetime sport.

Junior Fixtures

Under 15

Under 13

Under 11

Under 9

We normally try to list all Junior fixtures in the Handbook, but experience has shown that so many fixtures get re-arranged due to rain or teams dropping out etc. Result – everyone gets confused! So this year we simply list the groups of clubs that we will be playing in.

All the fixtures will be available, up-to-date, on both Play-cricket and our Pitchero website and the Pitchero Club App on your phone.

These are the Herefordshire Junior League fixtures – our teams are also entered in the HCB and ECB cup competitions.

Mementos of 25 years

First ever match – Chairman's XI v. President's XI, May 1998

Bartestree and Lugwardine Cricket Club Founding Meeting

19th September 1997 - Village Hall, Bartestree

1. Present

Sid Jones, Geoff Jones, Chris Williams, Ron Williams, Graham Jones, Paul Davies, Peter Mann, Connie Mann, Mollie Griffiths, Sean Powell, Mark Townsend, Paul Riddell, Paul Sockett, Giles King-Salter, Peter Rogers, Chris Cook, Ian Smith, Nick Freeman, Andrew Rogers, Chris Frith, Richard Fisher, Nigel Shore, Tom Stewart (part-time).

2. Apologies

Noel Pritchard, Arthur Morris, Bryan Caffelle, John Davies, Derek Godfrey, Paul Wargent, Kevin Jones, John King-Salter. All those offering apologies had expressed willingness to participate and help in various ways.

3. Chairman

The Secretary of the Playing Fields Association, Nigel Shore, took the chair.

4. Introduction

Nigel Shore explained the work which had been done so far by the PFA in establishing a new cricket square with 9 wickets, and in purchasing equipment. Sufficient funds were now available to construct good quality cricket nets with an artificial surface, and to buy sightscreens, a scoreboard, and a wicket mower. Very good quality cricket facilities would therefore be in place by Spring 1998, and the PFA wanted to foster the formation of a local cricket club to make full use of these.

5. Discussion

A show of hands from those present, plus other names suggested, indicated that approximately 26 people were interested in playing at some level on a regular basis. Further questioning showed that around 18 would be prepared to play regular league cricket on Saturdays; the remainder would prefer to play without such a regular commitment.

NIGHTWATCHMAN.

Number 1.

Autumn 2002.

The Newsletter of Bartestree & Lugwardine Cricket Club.
Compiled by Derrick Jones Tel 01432-263920.

1.

I thought this might be a good idea to keep members informed during the close season. If anybody has items for inclusion please contact me, I intend to do two editions each close season, one in the Autumn and one in the early Spring just to keep members in touch with club developments.

2.

Forthcoming Attraction !
Committee Meeting Friday 1st November 2002.
Annual General Meeting, Friday 22nd November 2002, at the Hall.

3.

Indoor League Cricket.
We have again entered a team, six a side in the Bromyard Indoor League for the winter. Our first games will be on Sunday 24th November are thereafter every two weeks. We compete against Dales, Whitbourne, Brockhampton all second teams and Bishops Frome, Brinsty and finally Frome. Again any players who have not played before and wish to

About Outback

These days firing up the barbecue is a lifestyle choice enjoyed by around 18.5 million adults in the UK, as at-home eating and entertaining takes the number one spot in summer leisure activity – with two in three households owning a barbecue grill.
