Welcome from Chair

A warm welcome to Woodley Netball Club (WNC) and the forthcoming season.

I hope that whichever squad/training session you are joining, you will find it a happy environment with all the Woodley players and coaches.

At Woodley Netball Club we aim to provide training for all abilities which will develop your netball and match play opportunities to your level.

I very much look forward to meeting you all on court at some point throughout this coming season.

Margaret Duncan - Woodley Netball Club Chair

Introduction from Senior Coach

Welcome to Woodley Netball Club & thank you for enquiring about playing for us. If you are looking to start playing, move clubs, progress your development or simply to play netball to stay fit & healthy we can help you. If you are new to the club you are welcome to come along for 3 taster sessions and then we ask you to make a decision as to whether you would like to stay at the club or not.

We have our Open & U19 South Regional teams who play on Sundays and one team in Berkshire Prem League on a Saturday afternoon (Harriers). Four teams playing in the Saturday morning Bracknell league (Tempest, Spitfires, Comets & Ansons) and one team (Hornets) in the Wednesday evening Reading league.

All senior squads train indoors at Bulmershe Leisure Centre, Woodley. Further info can be found on our website www.woodleynetball.co.uk. Any queries please just let me know.

Hope to see you at training soon.

A huge thank you to our army of volunteers who help keep the club running smoothly. We always need more help, particularly coaches, umpires and assisting with some of the key tournaments including a residential netball weekend. If you can spare a few hours occasionally, please contact [Karen](#); the more people we have the more we can spread the load and keep everyone focused on the teams and their netball.

The Club is happy to contribute to coaching and umpiring courses.
