8. PLAYER ELIGIBILITY - TEAM SELECTION

8.1 On any date a club's teams for its matches must be selected in line with the Principles of Fair Selection (Appendix 4).

8.2 The GMS provides for the management of a club's teams selection in line with the Principles, however the ALMC reserve the right to determine at any time:

8.2.1 if a club is in breach of the Principles; or

8.2.2 if the requirements as shown in the should be overridden in specific scenarios to ensure the Principles can be met.

9. TEAMS, MATCH SHEETS & RESULTS

9.1 Match Sheets

All match sheets and results will be managed using the GMS.

9.2 Players

A player whose name appears on the match sheet showing those players eligible to play in a match will be deemed to have played in that match.

9.3 Team Officials

9.3.1 All Grades - Each team may have a maximum of three team officials who are permitted to be in the bench area and a qualified medical doctor if available. The role of any official is to be included within the match sheet.

9.4 Deadline for submission of information

9.4.1 All players and any team officials participating in a match must be uploaded onto the match sheet on the GMS as below. By doing so the team confirm that each player listed is eligible to play.

Grade 2-5 – before match

9.4.2 The ALDS has the discretion to apply flexibility for this at Grade 4 and Grade 5

9.4.3 The home team must confirm the score (or if the match is postponed or abandoned) as soon as possible but no later than as below,

Grade 2-5 - 2000 hours on the day of the match

9.4.4 Both teams must confirm full details of goals, cards and injuries as below.

Grade 2-5 - 2000 hrs on the day after the match –Goalscorers, Yellow & Red Cards, Injury report

10. DRESS

10.1 Standard kit regulations are as below and should be the aspiration at all Grades. It is accepted however that at some Grades these may not be achievable, and variance is accepted in line with Appendix 6.

10.2.1 Field players must wear uniform shirts and knee length socks.

Women's matches - Field players shall wear uniform shorts, skirts or skorts.

Men's matches - Field players shall wear uniform shorts.

10.2.2 Any additional clothing (e.g. cycle shorts, leggings or long-sleeved under-shirts) must be of the same colour as the corresponding item of clothing shown on the team-sheet.

10.2.3 The second named (away) team shall wear shirts and socks that contrast with the home team.

10.2.4 Goalkeepers must wear shirts contrasting with those of both teams and must wear protective equipment as specified in the current Rules of Hockey.

10.2.5 Players shall wear shirts individually numbered on the back with the number allocated on the team-sheet. All numbers shall be no less than 8" (20cm) in height and shall contrast with the colour of the shirt. Taped numbers may only be used in an emergency.

11. UMPIRES & MATCH OFFICIALS

11.1. The responsibility of appointing competent umpires, for the servicing of ALMC requirements, to matches falls to the, Area Officiating Committee, Welsh Hockey Umpires Association or Club as appropriate.

11.1.1 Where Clubs are responsible for appointing to a match the home club must appoint both umpires unless the away club requests to appoint an umpire. A request must be received 5 days prior to the fixture and once requested the away team must appoint an umpire unless agreed by the home team.

11.2 The appointing bodies above may appoint a Match Official to matches and their duties and responsibilities in relation to these Regulations are shown in Appendix 8.

11.3 All umpires must be registered members of the England Hockey Officiating (EHO) club. An unregistered umpire can complete their registration up to 24 hours after the relevant fixture has been completed.

11.4 The table below outlines the requirements for umpires at each Grade of competition.

A definition of competence for Grade 5 matches if an umpire is not Level 1 Unassessed, can be found in 11.10.

	Grade 1	Grade 2	Grade 3	Grade 4	Grade 5
Level of accreditation	Level 3	Level 2	Level 1 Assessed	Level 1 Assessed	Level 1 Unassessed
Acceptable level of accreditation as minimum (where agreed by ALMC)	Level 2	Level 1 Assessed	Level 1 Unassessed	Level 1 Unassessed	No formal accreditation required
Who to conduct appointments	NPUA	Area Officiating Committees where possible, otherwise clubs	Area Officiating Committees where possible, otherwise clubs	Area Officiating Committees where possible, otherwise clubs	Clubs
Can umpires be switched at half time?	No	No	No	No* (unless agreed by ALMC and opposition captain)	Yes

11.5 If at any match an appointed umpire is unable to officiate, whether through no appointment or non-availability, non-appearance of an independently appointed Umpire or injured during a match, every effort must be made by both clubs to provide accredited to the above acceptable level of accreditation as minimum for the relevant grade of competition.

11.6 Clubs must endeavour to use a club umpire before the use of players involved in the match, but in the absence of one or both club umpires, the club that has not provided an umpire in accordance with its obligations shall withdraw one player from their side and that player shall act as umpire. If there are not two club umpires available to officiate, then the match may only be played as a League match if both Team Captains so agree.

11.7 If - under 11.5 or 11.6 above - an umpire is found (either club umpire or player) but is not accredited to the required standard, if both captains agree the match can still be played as a league match

NOTE: Wherever reasonably possible the emphasis should be on reaching agreement and playing the match.

11.8 In the event that no suitable umpire is found or captains do not agree:

11.8.1 If an agreed umpire cannot be found and the original umpire was appointed by the Area Officiating Committee or if an umpire injured during the match – then the match must be postponed and replayed in line with slip date Regulations. No penalty awarded in this circumstance.

11.8.2 If an umpire is found but is not accredited to the required level and both captains do not agree then the League fixture must be postponed and played in line with slip date Regulations.

11.8.3 In all circumstances, even when an agreed umpire is found, where the original umpire should have been supplied by one or other of the teams then the appropriate penalty may be applied to the team who failed to supply an umpire of the appropriate level.

11.9 There can be no appeal or complaint against any decision (or non-decision) of an umpire on the field of play during a match.

11.10 To be deemed a competent umpire for Grade 5 competition, the umpire will need to demonstrate (through their performance) the following competencies:

- Understanding of the rules having completed The Online Rules Test
- The ability to keep the match safe
- To make decisions fairly, with a sense of justice and integrity
- To umpire the match with their colleague co-operatively, for the benefit of the players.
- To allow the match to flow for the benefit of the player experience.

11.11 Any issues regarding umpire conduct shall be dealt with by the appointing body

12. DISCIPLINE

12.1 Conduct

12.1.1 It is the primary responsibility of clubs to regulate the behaviour of their players, officials, members and spectators. By participating in the League clubs confirm that they have established an internal disciplinary procedure to deal with serious disorderly, abusive, offensive or improper behaviour by players, officials, members and spectators prior to, during and after any League match either in person or on social media. This extends to behaviour toward League officials.

12.1.2 Any behaviour deemed to meet the criteria as shown above, may be the subject of a Disrepute Complaint and dealt with pursuant to the Disrepute Offence Regulations, or will be dealt with by the ALMC.

12.2 Yellow Cards

12.2.1 Players in the League shall be subject to incremental match suspensions from League matches for yellow cards that they accrue throughout the season in matches in the Leagues. Yellow cards will be recorded on the GMS and the responsibility for applying suspensions rests entirely with the player's club.

12.2.2 The following suspensions shall apply to each individual:

Four yellow cards in a season = 1 match suspension;

Two further yellow cards in the same season (i.e. six in total) = 1 further match suspension;

For each further yellow card thereafter in the same season = 1 further match suspension.

12.2.3 The suspension is to be applied for matches involving the team a player has played most matches for (if this is equal the player will be suspended from the higher ranked team) unless advised otherwise by ALM.

12.2.4 The club of any player who is to receive a suspension must immediately contact the relevant ALDS. Any suspension imposed as a consequence of this Regulation shall take effect on the date of the next match that the team in which the qualifying yellow card was issued unless otherwise determined by the ALDS. If that match is postponed the ALDS will confirm the date of the suspension. If a player is issued with a red card as defined in Regulation 6.3 of the Red Card and MMO Regulations, the red card shall be counted as 2 yellow cards for the purposes of this Regulation.

12.2.5 In the event that a player is issued with a red card that is not a red card as defined in Regulation 6.3 of the Red Card and MMO Regulations, any yellow card(s) issued to the same player in that match shall still be counted for the purposes of this Regulation.

12.2.6 If a player or team official from the bench is issued with a yellow card the on-field captain is removed from play for the duration of the suspension. If a player or team official from the bench is issued with a red card the team has to withdraw a player from the field of play for the remainder of the match.

12.2.7 Cards and Suspensions for yellow cards under this Regulation will not carry over from one season to the next.

12.2.8 The failure to suspend a player under this Regulation will be treated as playing an ineligible player.

13. POSTPONEMENT OR ABANDONMENT

13.1 Priority

Unless postponed due to weather or travel as below a team may only postpone a match if they are playing a higher priority fixture on the date of the match. (See Appendix 5 for Priority list for coming season)

13.2 General

13.2.1 Immediately prior to the commencement of a match, or once a match has started, the decision on whether it should be postponed or abandoned is determined by the umpires in consultation with the team captains. Safety of players shall be a key factor in any decision making.

13.2.2 In the event of a match having to be abandoned, the ALDS will decide on the action to be taken after receiving a report from the Umpires and teams. Such a decision may necessitate a replay of the fixture, dependent on the circumstances at the time of abandonment.

13.2.3 In the event of a postponement and/or replay of an abandoned match:

13.2.3.1 In the first half of the season - the match must be replayed on or before the first designated slip date when both teams do not have a higher priority fixture, unless otherwise agreed by both teams and the ALDS (see Appendix 5 for slip dates for the current season).

13.2.3.2 In the second half of the season - the match must be replayed on or before the first designated slip date when both teams do not have a higher priority fixture or may be played prior to the slip date if agreed by both teams (see *Appendix 5* for slip dates for the current season).

13.2.3.3 The agreement of both teams and ALDS or ALMC is required before a match can be postponed. If teams disagree the ALDS or ALMC shall make a ruling whether to postpone or not.

13.2.3.4 In the event of the home team wishing to postpone a match the away team shall, at its own cost, have the right to inspect the ground prior to a decision regarding postponement being reached.

13.3 Procedure for Bad Weather & Associated Travel

13.3.1 Pitch

13.3.1.1 The home team should use the following procedures.

13.3.1.2 The home Team Admin should ascertain from the visiting team the latest time of notification of cancellation, i.e. when they intend to depart for the pitch venue. If an overnight stay prior to the match is expected, this time should be adjusted accordingly. If it is clear that the pitch will be unfit due to weather earlier than the above time, the visiting team should be informed immediately.

13.3.1.3 It is the responsibility of the home team to inspect the pitch prior to the above-mentioned departure time. The Team Admin and/or a member of the club or team's leadership should do this and a realistic view must be taken at this stage. They should check with Met Office (www.metoffice.gov.uk) to confirm weather conditions for the next 24/48 hours. All teams should use the Met Office as a standardised reference for weather conditions. If the pitch is unfit and is likely to remain so, the match should be postponed, and the following action taken:

- notify the visiting team.
- notify the Umpires and Match Officials if appointed
- notify the relevant ALDS.

13.3.1.4 Once the teams and umpires if appointed have arrived, Regulation 13.2 above shall apply.

13.3.1.5 If a team fails to follow the above procedures and, when all parties arrive, it is clear that the pitch was, and patently has been, unfit prior to the times outlined above, the teams and umpires if appointed will be asked to submit a report for the consideration of the ALMC who may take action as it deems appropriate.

13.3.2 Travel

13.3.2.1 The away team should use the following procedures.

13.3.2.2 The away Team Admin should check with the Met Office (www.metoffice.gov.uk) and Highways England and/or Highways Wales (www.trafficengland.com or www.traffic.wales) to confirm weather and travel conditions and guidance for the next 24/48 hours). All teams should use the Met Office, Highways England and/or Highways Wales as a standardised reference for weather/travel conditions.

13.3.2.3 If guidance is that you should not travel and this guidance is that this will not change prior to intended departure the match should be postponed and the following action taken

- notify the home team.
- home team notify the Umpires and Match Officials if appointed
- home team notify the relevant ALDS.

(NOTE: Whilst it is accepted that no system of match postponement can be perfect, teams are requested to try and ensure that matches are postponed in sufficient time for visiting teams and officials to be saved the time and expense of wasted journeys.

14. TROPHIES

14.1 Any club that wins a perpetual trophy must arrange for it to be returned at the club's cost to the ALMC by 1 February, unless otherwise agreed by the ALMC. ALMC will advise the club if the trophy is to be engraved or not engraved in advance of this. The cost of any additional engraving or a replacement if a trophy is misplaced by a club will be invoiced to the relevant club.

15. FAILURE TO HONOUR A FIXTURE OR FORFEITURE OF A MATCH

15.1 If a team fails to honour a fixture, or forfeits a match, it shall be deemed to have lost 0-5 and the opposing team shall be awarded three points and be deemed to have won the match 5-0. This is subject to any remission or further penalty, for example points deduction, revision of score or fine, requirement that the fixture be played, that the ALMC may impose in line with Breach of Regulations & Penalties.

16. BREACH OF REGULATIONS & PENALTIES

16.1 The provisions contained in these Regulations are without prejudice to anything contained in the EH Code of Ethics, but any club or team or individual found to be in breach of these Regulations may be subject to further penalties, as detailed below, in addition to any penalty imposed by any EH Disciplinary Body

16.2 For breaches of any or all of these Regulations, and/or the EH Code of Ethics, the ALMC shall, at its absolute discretion, have the right to impose any penalty, including, but not exclusively, the deduction of points, fines and suspension of players, and has power to make teams play matches away from their home venue. These may be applied within the current and/or subsequent season.

16.3 When imposing any penalty, the ALMC shall have regard to any recommendation that may have been made by any relevant Disciplinary Body under the provisions of any Regulation included in the EH Code of Ethics.

16.4 Appendix 6 gives details of the standard tariff of penalties for breaches of these Regulations.

17. APPEAL PROCEDURE

17.1 There can be no appeal against the decision of an umpire or appointed Match Official.

17.2 Clubs and teams have the right to appeal against a decision of the ALMC as set out in this Regulation.

17.2.1 The Appeal to the Area Appeal Panel must be commenced by an Appeal Notice (Appendix 7) marked for the attention of the Area Appeal Panel sent to and received by the ALM not later than 3 days after the Appellant has been notified of the decision to be appealed against. The full Appeal, including copies of all documents and the written statements of any witnesses upon which the Appellant intends to rely in the Appeal must be sent to and received by the Appeal Panel not later than 14 days after the Appellant has been notified of the decision to be appealed against.

17.2.2 The Appeal Notice should be sent by email to the ALM. A deposit of £100 must be sent within 14 days after the Appellant has been notified of the decision to be appealed against. This will be returned, all or in part, if the Appeal is successful. As soon as reasonably practical after receipt of the Appeal Notice, the Chair of the Area Appeal Panel shall give directions for the further conduct of the Appeal.

17.2.3 The Chair of the Area Appeal Panel may, upon the application in writing made by or on behalf of the Appellant, stay, suspend or vary any penalty that is the subject of an Appeal pending determination of the Appeal, and, in exceptional circumstances, may extend the time for appealing upon such terms, if any, as the Chair may think fit. The decision of the Chair shall be final.

17.2.4 Save where the Chair of the Area Appeal Panel directs otherwise, all Appeals will be dealt with in writing by email unless the Appellant requests an oral hearing, in which case the Chair of the Area Appeal Panel may direct an oral hearing.

17.2.5 As soon as reasonably practical after the receipt of the Appeal Notice, the Chair of the Area Appeal Panel shall give directions for the further conduct of the Appeal.

17.2.6 Any other club that may be directly affected by an Appeal shall, as soon as reasonably possible, be notified of the Appeal and subsequently the outcome of the Appeal.

17.2.7 Where there has been an oral hearing of an Appeal the decision of the Area Appeal Panel may include a direction that the Appellant shall pay all or part of the costs of the Appeal to be summarily assessed by the Area Appeal Panel.

17.2.8 If an Appeal is not allowed in full, the Area Appeal Panel may impose any sanction that the ALMC could have imposed.

17.2.9 The decision of the Area Appeal Panel shall be final.

APPENDIX 4 – PLAYER ELIGIBILITY & TEAM SELECTION

1. PRINCIPLES

1.1. For clubs to have reasonable flexibility in managing player selection.

1.2. For teams in a competition to be selected in hierarchical order and comprise of players who reflect their level of ability within their clubs, based on availability on any one day and are not selected at a level lower than their usual level to strengthen a lower team.

1.3. To ensure that all clubs feel competition is 'fair' and that large or small clubs are not disadvantaged by the application of these Regulations.

1.4. For Players to be able to play and not be 'unselectable' due to League Regulations.

1.5. Enabling simpler administration

1.5.1 Electronic Match Sheets are mandatory at all levels to support simpler administration

- To provide clarity and simplicity, including building logic into the GMS to maximise compliance;
- To eliminate subjective administrative intervention wherever possible;
- Initially to focus on flagging potential breaches rather than blocking selection to team sheets;
- For the GMS to provide the data to improve systems and Regulations over time;

1.6 Grades

The new Area adult hockey leagues pyramids and the National League are aligned to a number of Grades. The application of Regulations will be different at different Grades to ensure that the expectations are commensurate to the standard of play.

2. FAIR SELECTION SUMMARY

2.1. Movement down teams in a club is subject to some control. Movement up teams in a club is unrestricted.

2.2 Players 'doubling up' is permitted at lower Grades as a last resort to get matches played if clubs have insufficient available players to field a team without doing so.

2.3 Movements are more restricted at higher Grades than lower grades.

2.4 In a team's last 4 matches of the season restrictions vary to ensure fair conclusion of League competition.

3. FAIR SELECTION SUMMARY TABLE

Grade	Movement of a player between a club's teams selected from one match to the next.		Doubling up on same day (these are the maximum number of players for a club, not for a team)		A team's last 4 matches of season
	Up	Down	Field Player	GK	
1	Unrestricted	Max 2 teams	Not permitted	Not permitted	A player must have played minimum of 50% of their matches for the selected team or lower teams
2			Not permitted	Not permitted	
3			Not permitted <i>(unless a club's lowest team is at Grade 3 – max 2 players)</i>	Yes <i>(or as GK and outfield player)</i>	
4		Max 3 teams	Max 3 players*		
5					

(*or unlimited if a designated Development team in Grade 5)

4. DOUBLING UP

4.1 Doubling-up is where a player plays for two teams from their club on the same day. It is permitted at the Grades as shown above under the following conditions:

4.1.1 Clubs may include players who are doubling-up in more than one team. However, this must be in the lowest or second lowest ranked team, and any subsequent teams doubling-up must be in ascending team order unless otherwise agreed by ALMC

4.1.2 The lower ranked team that includes a player doubling up as an outfield player may not have more than 12 players selected for the match.

4.1.3 The ranking between teams that a player doubles up for can be no more than two unless otherwise agreed by ALMC

4.1.4 Any player who is doubling up may not have played for a team the previous weekend that is higher ranked than both the teams they play for when doubling up.

5. WALKOVERS

5.1 Where a club has insufficient players available to fulfil all its fixtures on any one day it must forfeit matches starting with the lowest ranked team, followed by the next lowest ranked team unless agreed by ALMC.

6. LAST 4 FIXTURES OF THE COMPETITION

6.1 For a team's last four matches in any Division in the League season as well as complying with the above a player playing for a team lower than a club's 1st XI must have played a minimum of 50% of the League matches they have played in that season for the team they are selected for, or a lower team.

7. MATCH DATES

7.1 Fixtures are issued on scheduled dates on weekends. Where a fixture is moved to another date within 5 days of the original date, or where NL matches are scheduled on a different day, then for the purposes of these Regulations the match will be treated as if it was on the relevant Saturday.

8. TEAMS WITHOUT A MATCH ON A DATE.

8.1 On a date where a team does not have a match but other teams in their club do, e.g. a spare week or a rescheduled match, a player must have played a minimum of 50% of the League matches they have played in that season for the team they are selected for, or a lower team.

9. SELECTION EXEMPTION PASS (SEP)

9.1 In order to meet the Principles it will be necessary to override the system. This is provided by a Selection Exemption pass from the ALM or ALDS issued at their discretion in line with a nationally agreed framework and process. There will be a process to request this in advance. This can be provided to manage specific scenarios as shown below and can be issued for a specific time period.

10. HOW WILL ISSUES BE MANAGED CONSISTENTLY ACROSS THE COUNTRY?

10.1 Representatives from the eight Area Leagues and England Hockey will meet regularly and share issues to work towards a consistent approach to these. We will issue updated Scenarios to include any new issues.

11. SCENARIOS WHERE, IN GENUINE CASES, EXEMPTIONS WOULD APPLY

11.1 Player returning from injury

For example if a regular 1st team player at Grade 1 is injured for a number of weeks and wants to return with a match in the 3rd team

11.2 Player who has not played for a number of weeks

If a player has played early in the season and then does not play until the last four weeks of the season and has not played 50% of matches for a team they wish to play for or a lower team.

11.3 Doubling up players from a team higher than a club's lowest or second lowest ranked team

This may be required if the lowest teams are both away from home or match times clash and players from these teams are unable to double up.

11.4 England Hockey League matches not on Saturday

In principle NL matches not on a Saturday are seen as part of the same round of matches. Therefore players cannot double up, in genuine cases where a player is playing a peripheral role in an NL match then an exemption to play may be permitted.

Examples of where this is fair would be this would be a goalkeeper who is benching and would only play due to injury, a young player gaining experience and playing only a small part in the NL match (indicatively less than 15 minutes), or a genuine 2nd team player (or 3rd in the case of 2nd teams in NL) who is taking part in the NL match to ensure a squad can travel to a match.

Examples of where this is not fair would be where the player is a regular outfield player NL player for the team (playing more than 50% of matches for the NL team), where it's a NL team player returning from an absence (e.g. holiday, short injury), where it's a player that starts a match on the bench but is expected to play a significant part in the NL match (20 minutes or more).

11.5 Emergency issue

For example where a Club's 1st XI goalkeeper is injured in a warm-up and their 4th XI keeper is available but has played earlier in the day. A club can request a retrospective exemption. Also to allow player to return to their normal level the week afterwards

12 FAIR SELECTION FAQs

12.1 Why are we moving away starred players systems?

We know from the feedback from clubs via the survey that we did in 2020 that clubs feel that starred player regulations are too restrictive and do not always support clubs trying to select teams fairly. The new GMS gives us a chance to try something different. We can analyse data from each match to see what matches an individual plays in – in effect a dynamic starring system and this data determines what level a player is at, rather than * applied at set points in a season.

Also the further you go down a club's teams the harder it would be for starring to be effective as players will move between teams week by week.

Starring can also lead to some players being unable to play if they are dropped or unable to travel to an away match

There are also always "floating" players in higher teams' squads, not starred but who would be free to move between teams.

Generally clubs will pick players for the "correct" team.. If clubs are not doing this then it will be clear from the data and ALMC can take action. Regulations also exist to prevent any artificial strengthening of teams at the end of the season or for rearranged matches.

12.2 Why isn't there any restriction on players playing for a higher team one week and a lower team the next?

We know that a club's availability can vary very significantly week by week. If there is a high unavailability in a higher team one week players need to be able to go up to play for that team and then return to their usual team the week after.

If a higher team doesn't have a match on any date or at the end of the season there are restrictions to prevent a lower team being artificially strengthened with other players.

If a club decided that as its 1st team was playing a weak team one week they would swap a number of players from their 2nd team and strengthen that team this would be seen on the report of the match and the ALMC could take action

12.3 Do you plan future developments?

Yes, We will continue to review and revise based on our knowledge and experience. However we will be able to do this with rich data. In time it is envisaged that we can apply players ratings based on the team they play for within a club, e.g. if they play all their matches in the 1st XI their rating would be 1, or half in the 1st XI and half in the 2nd XI their rating would be 1.5. We may be able to use this data in order to set parameters to select teams fairly. Outside of the actual match this could be further developed for further engagement opportunities.

APPENDIX 8 – DUTIES AND RESPONSIBILITIES OF APPOINTED MATCH OFFICIALS

1. AOC may appoint a Match Official (MO) to league matches with duties and responsibilities as below

2. Matchday Administration

2.1 The MO shall check that players and team officials present correspond with information listed on a clubs' teamsheet and officials are in line with Reg 9.3.1. Only those listed may enter the designated bench area.

2.2 The MO shall record all goals including scorer and type of goal, yellow and red cards during the match.

2.3 The MO shall time the suspension applicable for the issue of any green or yellow cards by the Umpire. The period of suspension shall commence when the player has returned to the designated bench area. For the avoidance of doubt a player or team official who is temporarily suspended from play must sit calmly and quietly throughout the period of suspension and may not be involved in the match in any way. It is the responsibility of the Team Manager to work with the MO to ensure that this is done.

2.4 The MO shall check that the record of the match as per Reg 2.2 is agreed by both teams and umpires on the conclusion of the match.

2.5 The MO shall check that the record of the match is correctly submitted to the GMS by teams. Any variance of this shall be raised with the ALDS

3. Powers of Suspension

3.1 The MO may direct any player or official to be removed from the designated bench area for indiscipline. This will involve the person concerned leaving the playing area, as directed by the MO, for the remainder of the match. Any serious instances involving either an individual or affiliated body MAY be reported as a Disrepute Offence under the Disrepute Offence Regulations. For the avoidance of doubt such action by the MO does not require the team concerned to withdraw a player from the pitch for the remainder of the match.

3.2 The MO may draw the attention of the Umpires to any incident of indiscipline by any player or official from the designated bench area. The Umpires may then impose such personal penalty as they think fit. If the Umpires permanently (red card) or temporarily (green or yellow card) suspend a player or official from the team bench, this will require the relevant team to withdraw a player from the pitch for the duration of the suspension.

3.3 Any person permanently suspended from the match under Regulation 2.1 or 2.2 may not enter the field of play or designated bench area until completion of the match, which shall include any period of cool down on the field of play after the match.

4. Reporting

The MO shall report any significant variance to the League Regulations by either team to the ALDS

5. Club Appointed Match Officials

A Club Appointed MO should undertake the duties as shown in Clauses 2. and 4. above, Clause 3 does not apply.
