

Dear All,

I have no doubt you are looking forward to your yearly subscription reminder letter.

Given our investment in the club coaching and playing staff, and the challenges of Covid-19 and the rise of costs from our suppliers we have had to increase our subscriptions for the 2021/22 season.

We are also withdrawing the option of pre-paying Match Fees up front. This will allow us to simplify the collection of match fees for captains and also reduce our administration costs. All match fees will now be done through pitchero. If you don't have the app - download it onto your phone!

As we have already started incurring costs as part of pre-season, we would really appreciate it if subs could be paid by the 11th October. If you wish to sign up to the Direct Debit option, please do so as soon as possible, but at least by 1st October to allow the payment schedule to start.

After the 11th October you will not be eligible for selection and you will be charged £40 extra on top of your subs. If you have any issues with these timelines please contact Tina (admin@brombeckshockey.com) in the first instance or me (details below).

A number of positions as officers within the club will be offered at discounted membership rates.

- Chairman : 100% discount on annual subscriptions and match fees.
- Mens or Ladies Club captain : 50% discount on annual subscriptions
- Treasurer : 50% discount on annual subscription

Full job description are available on request from admin@brombeckshockey.com

New Members discounts

We are continuing to offer discounts to **new members** or those who have been away from the club for 3 seasons. We are also offering a referral bonus for existing members who refer new members of £40. The name of the referrer must be included by the referee at the time of paying their membership on Pitchero. Both memberships must be completed before the above deadlines. There is no limit to the number of new members you can bring to the club. If the membership is cancelled before the end of the season the bonus will be deducted from any refunds. Any questions please direct these to admin@brombeckshockey.com.

All memberships should be purchased through the club website and Pitchero:

<https://www.brombeckshockey.com/payments>

Please also ensure that you have updated your contact details including emergency contact details.

Covid-19

Please remember that the Pandemic is far from over. While we hope and trust that we get a full season in, there is the possibility of disruption.

Should there be the need to cease hockey activity for an extended period, the club will investigate, in collaboration with our members and the financial position of the club, a view on the 2021-22 seasons subscriptions including the potential for refunds to be offered should a significant part of the season be lost without any hockey activity.

Match Fees

All match fees for the coming season will be £10.00. This applies to all matches, league, cup and friendly. It also applied to all players - senior, student and junior. Once again this is aimed at simplifying administration.

It would be very much appreciated if you could make every effort to pay your subscriptions (or sign up for Direct Debit) before the deadline set out above.

Treasurer

This year I will be standing down as Treasurer and we are looking for a replacement - having done the role for over 5 years it is time for someone else to take over the reins. The role is not a difficult one and much of the day to day is done by our administrator. For more information please drop either myself or the chairman an email and we can discuss the role in more detail with you.

Best Wishes

Charles Darby
