A Dialogue with Dan

Good afternoon and welcome to kirklington road for todays fixture against ST Andrews FC

I will start this by introducing a new recruit to you all. Evan Fortune West is a player I have been after for a while and in the build up to the Newark Town game I managed to finally get him on board. He brings power, pace, an eye for goal and the extra bit of quality we need.

Along with Evan we welcome back Harvey Thomas to help make us more solid and also Tom Bedford who has been coming back from Uni sporadically but now will travel back every week. Three big recruits for the run in.

We haven't stood still all season and have tried everyday to bring in players that will make us stronger. Football can be frustrating, One minute you can have a player more or less signed only for them to be offered what they would class a better deal and make a U-turn. I know it can be frustrating from a supporters point of view. But believe me we are constantly busy.

The aim now is to rectify this season. I am very self aware and very self critical so I know more than anyone what needed to be done better on the field and Some weeks things looked to be turning but consistently it hasn't been good enough

We have set a task to the lads, they know what they need to achieve to be successful and the reward they will get from it. This was evident for 90 minutes last week against Newark Town. We came away from that game with a 1-1 draw and in truth created the better chances in the game to have won

We have to use that performance as a momentum builder now and push on, 12 cup finals remaining and the standard of performance has been set.

Today we welcome ST Andrews FC. The reverse fixture was early in the season, we travelled there with a scratch squad and lost 2-0. We know where strengths were and know that today will be a tough game.

A warm welcome goes to all St Andrews, supporters, officials and players hope you enjoy todays game .

The Wren's Warble

By Paul Fryer

The weather continues to disrupt and the 'must win' trip to Selston FC has been rescheduled for Wednesday 6th March.

The battle for survival is well and truly on with Selston FC, Asfordby FC, Sandiacre Town, Southwell City and Lutterworth Athletic FC in the mix and still to play. It will take a run of consistent performances to have any chance, but last Saturday's performance at Newark Town giving us a glimmer of hope.

The game at Newark was full of passion and effort and for me the most pleasing bit was we did it for ninety minutes, something I haven't been able to say in many matches this season. It was marked with the return of a couple of players from injury and a new acquisition in the shape of Evan Fortune-West. In all honesty I think we shocked Newark who were probably counting on the three points and by the end were disappointed with just the point. I love it when sides start getting on at the referee and their own players, it's usually a sign they not getting everything their own way and you are competitive.

There are twelve cup ties between now and the end of the season with some carrying a greater importance. It's easy to write down the possibilities and the ones we have to win, but you win nothing on paper!! Injuries and the weather may well play a part and we are moving into at least two-games a week territory if there are any more postponements.

As for the League title, it will take a major loss in form by Bourne Town if they don't achieve it this year. Clipstone FC should make the play-offs and Newark Town should be there or thereabouts. As for the other place it's up for grabs. Fortunately for us we have already played the top five home and away, with the exception of Clipstone FC.

Well today is the first of three Saturday's at home, so let's get behind the team and hopefully get the points in our quest for survival.

Enjoy the match

Leicester St Andrews FC

History

Rifle Butt and origins

The Rifle Butt public house on New Bridge Street, Leicester was demolished along with a whole community to accommodate the extension of the Leicester Royal Infirmary. The licensee of the "Butts" as it had become known was the former Leicestershire Wicketkeeper, Paddy Corrall. The lads whom drank in the club at the time were all sports mad. There was a boxing ring, a gym upstairs and a pub darts team who were "M&B" Champions many times. The football team played friendly matches from 1965. In 1973, when the public house along with the surrounding houses was demolished, it was decided to enter a league and named the club after the newly built estate in its place, St Andrews.

Years in City League

The club was accepted into the Leicester City League and during the following twelve year period won forty-four honours including the Premier Division Championship on four successive occasion and the Junior Cup twice between the first team, the reserve team and the "A" team..

Leicestershire Senior League

Over twelve months starting in 1983, the clubhouse at Canal Street was built entirely by the club's highly talented committee. The club was elected to the Leicestershire Senior League in 1985.

Since their election the club added a further forty-one honours between first, reserves and youth team including:

Three-time champions and four-time runners-up of the Leicestershire Senior League, four-time League Cup winners, three-time Rolleston Cup winners, 1997 Westerby Cup winners, two-time Leicestershire Junior Cup winners and three-time Leicestershire Combination champions. The club in this period reached the Fifth Round of the Fa Vase in 1994-1995.

Recent history in the East Midlands Counties League

In 2008, the club was founder members of the East Midlands Counties League formed of senior league clubs from Leicestershire, Derbyshire and Nottinghamshire. In the inaugural season with a talented side the club finished a creditable 9th in a highly-competitive league.

Following the loss of a majority of the players, a rebuilding process ensued over the following two seasons. This culminated in a 4th place finish in 2011-12 under manager Clem Dublin. The following season seen a change in management and makeup towards a very young squad, who eventually finished 16th.

Andy "Pepsi" Purple was appointed first team manager for the 2013-2014 season. Pepsi's managerial record was exceptional with massive success with Blaby & Whetstone's first team along with cup and league trophies with the St Andrews reserve side. Along with a crop of quality youth players from our all-conquering Under 18 side brilliantly managed by Andy Ward and Sean Hickey, Pepsi signed a number of high-class, experienced players. This blend of talented youth and experience along with Pepsi's managerial skills proved to be a good formula with early promise indicated by a brilliant away-win against eventual champions Thurnby Nirvana and the Saints topping the table for much of the first half of the season.

The season seen a remarkable 8 game winning run in the FA Vase leading to a Semi Final tie against West Auckland of the Northern League. After a pulsating goalless draw in the North East, the Second Leg was played out at Canal Street in front of a record crowd of just over 1,600. A terrific strike on the hour by 17 year-old Brady Hickey put the Dreads ahead. Sadly two West Auckland goals in the last ten minutes denied the club a Vase Final and a dream trip to Wembley.

The exertions of the incredible Vase run had taken a toll on the league. However for only the second time in our history, a very tired St Andrews side won the Leicestershire Senior Cup to end an incredible season.

The 2014-2015 season was another unforgettable season, playing scintillating football all season, the team looked like worthy champions only to be a pipped in controversial circumstances to the title by Bardon Hill on goal difference..

The 2015-2016 season ended with the club winning the East Midlands Counties League and gaining promotion to the Midland Premier League and step 5 status.

A good finish in the Midland Premier League of 7th was a fantastic achievement but unfortunately players moved on to bigger clubs so we had to rebuild and contend with a sideways move to the UCL. Due to all the changes the team struggled last season and we found ourselves relegated into Division one.

## A moment with Bob.

Most people at the club know our 'Golden Goal Seller' Bob Holmes and as well as telling would be punters of the 'special offers', he is also known for his humour. Ok I'll let you be the judge of that.

Yesterday my son emailed me asking why I didn't do something useful with my time.

Like sitting around playing on my computer is not a good thing? I asked.

Talking about 'doing something useful' seems to be his favourite topic of conversation.

He said, 'he was only thinking of me' and suggested I go down to the Women's Institute and hang out with the ladies.

I did this and decided to have some fun at his expense. I emailed him and said I had joined a Parachute Club. He replied, "Are you nuts? You're 65 years old and now you're jumping out of airplanes?"

I told him I'd even got a Membership Card and emailed him a copy.

He immediately rang back and screamed, Mum this is a Prostitutes Club, not a Parachute Club!!"

I replied, I'm in trouble again, I really don't know what to do. I signed up for five jumps a week!!"

The line went quiet, and his wife picked up the phone and said that his son had fainted.

Life at 65 years old can still be fun....

# Unexpected but Deserved

## Newark Town FC 1 v 1 Rainworth MWFC

By Paul Fryer

A visit to Newark Town is daunting at any time of the season, but when they sit third and you are bottom of league even more so.

A new face and a number of the squad returning coincided with a performance full of determination and passion for the full ninety minutes. Last week it took Rainworth less than a minute to take the lead before eventually capitulating, this week it took six minutes but although they conceded they battled to the end for a well-deserved point.

Newark had the first effort on goal, but debutant Harry Wakefield's effort was well wide of the far upright. Three minutes later a defensive pass was intercepted by Callum Brooks who quickly found Tommy Bedford whose effort beat the despairing dive of Theoron Avery-Brown.

Two minutes later and Rainworth were almost caught out when a dangerous cross was headed over by Ryan Smith. The game was end-to-end and when Brooks broke clear Avery-Brown did well to tip his goal bound over the crossbar. From the resultant corner debutant Evan Fortune-West's effort was blocked for yet another corner.

The game continued at a mad cap pace and James Leverton did well to gather an effort at the near post. However, in the 18th minute he could do nothing when a quick turn by Wakefield found him half a yard and his fierce drive from a tight angle found the bottom corner.

In past games this had usually signalled a Rainworth capitulation and whilst the pressure continued to build from Newark there was a determination throughout the team that today wasn't going to be one of those days. Alex Hales goal bound header was blocked by Mason Gee at the expense of a corner. From the resultant corner Leverton did well to tip Lucas Cotterill's effort over the crossbar.

A minute later Newark's Jamie Lloyd made an excellent clearance as Brooks ran onto Bedford's astute cross. Leverton continued to impress when he did well to gather Wakefield's free kick on the edge of the area. Four minutes later and Hales had the ball in the net but he was well offside.

Wakefield continued to cause the Rainworth defence problems and he went close in the 32nd minute but he pulled his effort the wrong side of the upright. Two minutes later and Rainworth should probably have retaken the lead when Gee intercepted just outside the area. However, he agonisingly put his effort inches the wrong side of the upright with Avery-Brown beaten.

Newark then went close when Coterill's effort clipped the top of the crossbar and then shortly afterwards his effort was straight at the keeper. Rainworth continued to pose a threat at the other end and when Bedford set up Fortune-West his curling effort was just too near Avery-Brown. The pattern continued until the half time whistle with both sides locked at 1-1.

The first effort of note in the second half saw Rainworth break and Brooks pulled his cross into the path of Fortune-West, who missed it and Bedford's follow-up flew over the crossbar. Minutes later and this time it was Fortune-West's cross that was crossed invitingly, and Bedford was inches away from converting.

Rainworth made their first substitution bring on Mason Wilson-Rhiney for Connor Dimaio and a couple of minutes later they brought on Reece O'Donnell for Gee. Shortly afterwards Oliver Brown did well to deny Sam Wright at the expense of a corner. Unfortunately for Brown he had to be replaced by Ryan Faulconbridge as he was unable to continue.

Rainworth still posed a threat and when Fortune-West set up Bedford in the 72nd minute, Avery-Brown did well to block his goal bound effort. The game continued at a pace but both defences held out and at the end Rainworth got the point which was the least their performance deserved.

Survival is in Rainworth's hands and they know that they need performances like today's to have any chance.

RAINWORTH MWFC: Leverton; Thomas; Brown (Faulconbridge); Fletcher; Arnold; Dimaio (Wilson-Rhiney); Gee (O'Donnell); Nettleship; Bedford; Fortune-West; Brooks.

Subs (not used); Wilkinson; McKernan.
