Action to Consider	Action to Take	Responsibility
Updates to the COVID-19 risk assessment	The FA have said that Clubs have the right to, and should, update the COVID-19 risk assessment on an ongoing basis and according to the individual needs and circumstances of each individual Club. This could mean going adding additional (but not removing) restrictions in place in order to ensure that football can return safely.	BF
All participant self-health check before any session takes place at Otley Town AFC	Everybody who visits Otley Town AFC should self-check (or check their children) for COVID-19 symptoms before they set off to the Club. If somebody is displaying one or more of these symptoms, they and their household should isolate until a negative test result comes back. They must not set off to Otley Town AFC.  According to PHE, the symptoms of COVID-19 are:  - a new continuous cough - a temperature/fever - a sudden change in/loss of sense of smell and/or taste - shortness of breath - sore throat - feeling generally unwell - persistent tiredness  Additionally, anybody who has been in close contact with, or lives with, a suspected or confirmed case of COVID-19 must remain at home.  Anybody who is self-isolating whilst they, or anyone within their household, is waiting the results of a COVID-19 test must not set off to Otley Town AFC.  As with all previous Stages of the Roadmap - all visitors to The Old Showground must still self-health check before setting off to the Club.	BF
Social distancing in place between visitors and club volunteers.  24th March UPDATE: Clubhouse is to remain closed until further notice.	Use Otley BID COVID support pack to mark out social distancing on floor with tape and display posters to remind people of the need to remain 1m+.  Signs to remain in place to remind people of the need to be cautious and sensible as we enter Step 4.	BF
Spectators are not allowed to attend fixtures until at least 12th April.  10th April UPDATE: Clubhouse is to remain closed, however, the bar can now open for outside service only from	Have a set service area at the bar with Otley BID tape to mark out queue areas to prevent people gathering at the bar. Bar service to be from a table at the main door - bottled bar only. This prevents using glasses and table service to protect our volunteers.  Service to resume from the bar. People encouraged to be outside where possible.	BF
Spectators are currently not allowed to attend.	Open up external toilet block to increase toilet provision. Use signs where necessary to inform visitors. Internal toilet area closed. All toilets now open.	BF
17th May UPDATE: The Clubhouse is

now allowed to open following the new guidance. Visitors must remain in groups of 6 (or two households).  Spectators are now allowed to attend, but must remain in groups of maximum 30 and must maintain distancing from other groups.	Tables removed and replaced to ensure that they only accommodate groups of no more than 6.  Visitors will be encouraged to remain outside to maximise safety for all.  Tables remain distanced within the Clubhouse. People advised to remain outside whilst the weather is nice to reduce the risk to volunteers and visitors within the Clubhouse.	BF
19th July UPDATE: Legal restrictions no longer in place, however, we strongly recommend all visitors to exercise caution and maintain social distancing where possible	One-way system in place for entry/exit to the clubhouse. Enter via the fire door at the side of the building, exit via the main door - this is to reduce risk of breaking social distancing to enter the clubhouse if patio in use. Clubhouse closed to the public.  Clubhouse is now allowed to open following the latest guidance. Visitors must remain in groups of maximum 6 whilst inside the building. When the building is occupied, doors and windows must be left open to maximise ventilation in the clubhouse.  Clubhouse now open. Tables remain distanced and arranged in groups of 6, which will remain the advice to visitors People advised to sit/stand outside whilst the weather is nice.	BF
Seating areas to be rearranged to ensure social distancing.  24th March UPDATE: Clubhouse is to remain closed until further notice.	Single seats to be removed from the clubhouse and set in place to ensure social distancing can take place. Use Otley BID tape to block off certain areas of fixed seating.  Clubhouse remains closed.  Clubhouse now back open - tables arranged to maintain groups of 6.  Tables remain in groups of 6 and this advice is recommended to all visitors to Otley Town AFC.	BF
Spectators are not allowed to attend fixtures until at least 12th April.	Utilise plastic seating and outdoor tables on the patio to increase seat provision.	BF
10th April UPDATE: Clubhouse is to remain closed, however, the bar can now open for outside service only from 12/4/21  Spectators are currently not allowed to attend.	Wherever possible use outdoor areas to increase visitor space - consider blocking off car parking in front of the clubhouse to enable this to take place. Additional plastic seating (minus tables) to be used in new space. People encouraged to remain outside whilst the weather is nice.	BF

Contact with ball and equipment should be reduced where possible.	BF
Parents are not allowed pitchside during training sessions to avoid the training bubble being breached. 24th March UPDATE: Parents MUST remain in their cars. Failure to do so, will result in the bubble closing.  17th May UPDATE: parents need to ensure that they remain in groups of no more than 30 outside and must make sure that they are adequately distanced from the field of play so as to not disrupt the training bubble in place.  Parents reminded to be cautions and encouraged to distance from others. Should remain behind the respect barriers.	BF
Due to the smaller nature of the pitches at junior football and in line with best practice from WRCFA and guidance from the Leagues, we will operate a "one parent per child" spectator policy for junior football to ensure social distancing is maintained. 24th March UPDATE: The FA state that only one parent/carer per player is allowed pitchside, if space allows for social distancing to take place, if not, parents MUST remain in their cars.  17th May UPDATE: spectators must remain in groups of 30 and must make sure that they remain well behind the Respect lines.  Parents should follow opposition protocols and remain behind Respect lines.	BF
All teams should ask the Opposition for their COVID protocols before accepting a fixture. The	BF

	coach/administrator for each team is responsible for making sure that opposition protocols are shared with all participants.  Managers encouraged to follow all protocols all clubs have set in place.	
	When confirming a home fixture, the administrator/coach should inform the opposition of Otley Town AFC's COVID policy and protocols to ensure that opposing sides adhere to the guidelines outlined above.  No need to ask about the COVID policy, but be mindful of our Club's position.	BF
Junior training in team bubbles.	Each junior team has been given their own allocated slot to train and play in. This includes a gap between starting and finishing new sessions to enable social distancing in the car parks.	BF/KA/Rsu/AF/SE
	There must be a 15-minute window after a training session to give the team the chance to clear the site before the new team can begin to start training.	BF/SE
Social distancing in changing rooms/showers.  24th March UPDATE: Changing rooms and showers are closed until further notice.	Opposition are not allowed to use the changing facilities until further notice. 3rd team will use the bottom two changing rooms and enter through the door. 1sts/2nds will use the top two changing rooms and enter through the garage. All external and internal doors and windows will be opened before any players arrive and will be left open for the duration of the day.  Opposition can use the changing rooms when there is only one game at home in order to maintain distancing.  Fixtures to remain staggered. Opposition can use changing rooms if required.	BF/KA/Rsu/AF
8th April UPDATE: Changing rooms and showers can now be used.	When setting up the changing rooms, shirts will be placed with social distancing in place (hence two changing rooms per team). Team talks and tactics will be done outside to avoid unnecessary waiting inside the changing rooms. Players/coaches encouraged to minimise time spent inside the changing rooms.	BF/RSu/AF /JH/AH/NG/RS
	Showers and changing rooms will be cleaned and disinfected after every use.	BF/RSu/AF/JH/ NG/KA
