News Pitch

Good afternoon and welcome to the Surrey Hire Stadium.

A warm welcome to our visitors Fareham Town, players, management, committee and supporters.

We continue with our FA Cup campaign following our 4-1 win over a Shaftsbury in the previous round. Today is our first ever meeting with Fareham Town who currently play in the Wessex league and we are expecting a tough encounter from the team from Hampshire.

Last Saturday we put in another professional performance away at Banstead Athletic. Three tremendous goals with the pick off the bunch coming from Carlo Santoro. Carlo controlled a high ball on his chest with his back from goal, turned and it flew in from fully 25 yards, an early contender for goal of the season already!

Despite it being early in the season we have had two departures from the club, Dennis Gorman and Connor Blanchard, we wish them well in their new ventures. In coming we have signed defender Victor Ocansey and striker Chris Manangu, a warm welcome to our two signings and we wish them well for the season ahead.

On Bank Holiday Monday we host local rivals Sheerwater here at the Surrey Hire Stadium, kick off 11.30am. This is

our first meeting with Sheerwater for over five years and one we are all looking forward too.

A week today we begin our FA Vase journey with a visit to Storrington who are based in Sussex. We are running a coach to the game with seats priced at £15 and available to reserves from the bar. All support would be appreciated.

The U18s kick off their league campaign here on Tuesday 10th September as they host Leatherhead followed on Tuesday 17th September in the FA Youth Cup where will host either Steyning Town or Godalming Town.

Coming up on Saturday 21st September we will be hosting a football quiz night. This is a great social evening and importantly a fundraising event. Tickets are £10 which includes a fish & chip supper with teams of four required. To book your place or team please speak to any club official on match days.

Enjoy the game, thank you for your continued support.

PROGRAMMES

The View From The Dugout

Luke Tuffs - First Team Manager

Good afternoon and welcome to the players, supporters and officials of Fareham Town FC.

The FA Cup is very special and I think the dream for all clubs of our level is to reach the 1st Round proper and have the prospect of an away tie against a Football League club.

For players, management and supporters it's what we go to bed thinking about, youngsters playing out the road to Wembley in their head over and over again.

It is also very important to clubs of all levels at Non

League as with it comes the prize money that can help keep a club afloat in what are increasingly difficult times.

Fareham will be a tough test and have started very well in their campaign. I have been friends with a number of Fareham managers from by-gone times and they always build strong competitive sides down there so it'll be a good game for the neutral for sure.

As for us, well I think we are starting to find our feet. Week 2 ended for us after our win at Shaftesbury with a 0-0 draw against CB

Hounslow which I feel we shaded, and a 3-0 win over Banstead Athletic on Saturday.

The early defensive mistakes we were making in the first couple of games are hopefully a thing of the past and it's a credit to the boys that we now haven't conceded in open play in over 3 games.

We are now also starting to find our rhythm together going forwards. It's not easy - and on Saturday we need to remember there wasn't a single player in the squad that remained from last season but we have an excellent group that are gelling quickly.

Hope you enjoy the game - and see you all in the bar after!

Tuffs

THE BUILDBASE FA VASE

FIRST ROUND QUALIFYING

SATURDAY 31ST AUGUST 2019

STORRINGTON v KNAPHILL

THE ROAD TO WEMBLEY BEGINS

Opposition

The Away End

Fareham Town

There has been organised football in Fareham since the 1880's, but Fareham Town Football Club in its present form was formed in 1946 from an amalgamation of three local clubs.

The new club played initially at Beaconsfield Meadow (now housing) before moving to Bath Lane and progressed from the Portsmouth Senior League to the Hampshire League, reaching the First Division of the latter in 1953.

During our time in the Hampshire League the club won every honour within the County - the League on eight occasions including five consecutive seasons from 1962/3 to 1967/8, the Hampshire Senior Cup was claimed three times and every other County Cup once. A successful Sunday side, the Fareham Centipedes, won the FA Sunday Cup in 1974.

There are newspaper records going back to the very early days

where the club applied to the local authority to move to a purpose built sport stadium here at Cams Alders in 1946, but it wasn't until 1975 that the club moved to Cams, and we joined the Southern League in 1979 gaining promotion to the Premier Division in 1982. In 1989 despite achieving 51 points we were relegated from the Premier Division - still a record for a relegated club.

In 1998 the club for financial reasons, made the, at the time, controversial decision to play at a lower level and joined the Wessex League Premier Division where we have remained to the present day.

The club have reached the FA Cup First Round Proper on four occasions, the last occasion being in 1988 when after holding Torquay United to a 2-2 draw at Plainmoor, we were defeated 3-2 in the replay at Cams.

We have reached the semi-final of the FA Trophy in 1986/87 before losing 2-0 on aggregate to the eventual winners Kidderminster Harriers.

During the run to the semi-final stage Conference Clubs Scarborough and Barnet were both beaten on their own grounds and these two went on

to top the Conference table at the end of the season.

The club's last major honour was a shock defeat of odds-on favourites Farnborough Town to win the Hampshire Senior Cup in 1993.

Now under current Manager Pete Stiles the club is looking ahead to the future with optimism and excitement and becoming a pivotal pillar of the community in the Borough of Fareham. We have a flourishing youth section with teams aging from 6 through to U18's and have obtained full FA Charter Standard Status for both our Adult and Youth sections, awards were are immensely proud of.

Previous Players to have moved to play in the Football League:

Kevin Bartlett - Notts County, WBA
Steve Claridge - Too many to mention!
Darren Foreman - Barnsley, Scarborough
Ray Hiron - Portsmouth
David Leworthy - Tottenham Hotspur, Oxford United
Kevin Maddock - Willem II Tilburg (Netherlands)
Paul Moody - Southampton, Millwall, Fulham Oxford

Ross Casey (Goalkeeper) - Ross is a vocal keeper who commands his area and instills confidence in his defence. He's previously played for Horndean and Lymington.

Luke Douglas (Goalkeeper) - Dougal first played for the club as a 16 year old and passed 300 appearances towards the end of last season. Also scored once v Folland Sports. In the same Southampton Youth team as Gareth Bale and Adam Lallana.

Shawn Benjamin - (Defender) - There's not many Internationals playing in the Sydenhams League, but Benji played for St Vincent & The Grenadines in their World Cup campaign for Russia 2018.

Archie Wilcox (Defender) - experienced centre back who joined the club last summer. Formerly played for Petersfield, Moneyfields and Eastleigh.

Ethan Jones (Defender/ Midfield) So composed for one so young. A bright future is on the cards for this likeable young man who is also at Pompey ITC.

Garry Moody (Defender) - Another new to the club last summer after previously playing for AFC Portchester and AFC Totton. Pete's no 1 target at the time who has terrorized many a forward in previous seasons.

Leigh Shadbolt (Midfield) - Londoner leigh returned to the club after a brief spell in the Hampshire league. A manager's dream who's guaranteed to always give 100%.

Tom Froggatt (Midfield) - A solid,

no nonsense player who wears his heart on his sleeve. Crowd favourite.

Tom Settle (Midfield) - A new face at the club last season Tom has settled into the side. Spent two seasons at Portsmouth FC. He has plenty of experience at this level for Blackfield & Langley and AFC Portchester.

Ashley Tattersall (Midfield/ Forward) - The heartbeat of the side. Ash has previously won the supporters players of the season for 3 seasons in a row and it's easy to see why. Defenders never get a minute's rest. A crowd favourite who's played over 300 games for us.

Lewis Stockford (Midfield) - Joined from Baffins Milton Rovers. Deadball specialist Leigh was at Pompey and Hawks. His arrival is a statement of intent by the club.

Gary Austin (Forward) - Returned to the club in February 18 from Moneyfields. A prolific scorer for the club in his previous spell as he was at Moneys and Horndean.

Simon Woods (Forward) - Returned to the club last season after a spell at AFC Portchester. Finished top scorer last season.

Luke Slade (Forward) - Luke is a free scoring winger/ striker who joined us this summer from Hampshire league Paulsgrove.

Levi Herndandez (Midfield) - Exciting midfielder who has played in the Spanish league. Joined us this summer from Tenerife side San Jose Tablero.

Curt Robbins (Forward) -

Another to join from AFC Portchester where he was a prolific scorer for their reserves, but rarely got a look in at first team level. His goals to games ratio to date for us suggests he can also score freely at this level too.

Scott Hamilton (Forward) - joined the club from Sunday football and his all action performances have quickly made him popular with team mates and supporters alike. Previously played Hampshire League football for Fleetlands.

Aaron Kerby-Dickinson (Midfield) - Promising young midfielder who numbers Gosport and Sholing as his former clubs.

Pete Stiles (Manager) - Pete was part of the back room staff at AFC Portchester doing every job possible except manage the first team and aren't we delighted we gave him his opportunity to manage at this level.

Took over in January 2017 and was instrumental in a remarkable turn around of the clubs fortunes. When he joined we were bottom, come the end of the season we finished 12th and had the 2nd best record in the Wessex League for the last 20 games.

Pete is assisted by Matt Powell, Mark Jones & Sam Dixon

Desert Island Discs

With — Josh Francis

If you were stranded on a desert island and could only take the following with you what would it be?

Which song? Insomnia by Faithless

Which book? Sir Alex Ferguson's autobiography

PLAYER

Richard Ossai - A fine keeper signed from Camberley Town FC that is a dependable and comforting figure behind any defence.

Sean Fallon - The only remaining 'Knapper' from last seasons squad, Sean is a great shot stopper that is thought of highly by everyone at the club.

Les Sackey - Les has joined us from Marlow FC where he was a big part of their Step 4 Play off campaign last season. Les was formally a pro with Scunthorpe United and his technical ability is a testament to this.

Josh Francis - Josh is quick and has a fantastic range of passing. Excellent 1 v 1 defender. Josh joins us from Badshot Lea.

Aaron Jewell - Aaron is very much a Jewell and is a solid centre back with great communication skills. Aaron is 1st team captain this season and joins us from Step 4 side Thame United.

Dale Burnham - Knappers supporters will recognise Dale as an enemy of bygone times after many successful seasons at local rivals Westfield where he won this league. Strong and dependable, Dale is a great signing!

George Spires - George is a former Portsmouth youngster that spent last season at Hayes & Yeading. George has great game understanding, excellent feet and is a superb late addition to the squad.

Owen Davies - Owen has impressed since joining and will be a big part of our season. Strong, intelligent and an absolute winner. Owen has previously been with SCR & Ashford Town.

James Vass - Vass was part of Tufts' Hampshire Youth Cup winning squad a few years ago. Important around the dressing room, a great left foot but unfortunately an even greater turning circle, Vass joins us from Frimley Green FC.

PROFILES

Sam Bangora - Sam is as technically excellent as he is intuitive. Sam joins us from Marlow FC, and has an honour that not many can claim - Sam has won the FA Youth Cup whilst being a part of the Chelsea FC academy!

Carlo Santora - Carlo joins us from Binfield FC where he was a fans favourite. Still only 20, Carlo has a fantastic change of pace, good feet and is well on his way up in the world.

Kane Fitzgerald - Watching Kane play is like watch a Swan on a lake - The ball glued to his feet Kane can change direction like the wind and open games up. Still only 20, Kane joins us from Bostick Div 1 Play off finalists Bracknell Town.

Sam Bello-Ballogun - Sam is energy personified and has great feet to match. A great guy & a great catch, Sam joins us from Camberley Town FC.

Jay Welch - Jay is another former professional in our ranks having signed for Aldershot Town from the Academy in 2014. Jay has a

superb range of passing and dances elegantly around the field with the ball at his feet. Jay joins us from Marlow FC.

Dan Band - Bandy is a very important member of the team that joins us from Guildford City. Good in the air, loves a challenge and an absolute winner that will be a big part of us.

Nathan Mampono - Nathan is one of the youngest members of the team and joins us from Welling Utd Academy. Good feet, good trickery and a good game understanding, he is one for the future!

Dan Taylor-Roberts - Is he Dan Taylor or is he Dan Roberts? We aren't actually sure who we've signed here. The one thing we are sure of is he's got an excellent cross and will link very well with the strikers. .

PLAYER PROFILES

Marcus Mealing - One we worked hard to get over the line, we beat off interest from a number of Step 3 & 4 clubs for his signature. Great technique, great game understanding and a lethal finisher. 'Mealo' signs from Marlow and has over 300 Southern League appearances to his name.

Lee Collier

Martin Cook

Matt Bunyan - 'Bunners' is well known in the local circuit and is seen as one of the best strikers in the area. A big part of the successful Camberley side of a few years ago, he is hard working, a natural leader, and a fantastic aerial presence to name but just a few of his many attributes.
