Good evening and a warm welcome to our guests this evening Bookham FC.

After two games in charge of we find ourselves still searching for our first win under my management, despite creating plenty of chances in both matches, our failure to defend set pieces have cost us maximum points twice. In the 2-2 draw against Farleigh Rovers we lead twice but conceded within five minutes of each goal which was extremely disappointing, we had chances to win the match but could not convert and in the end we were happy to come away with a point despite dominating for much of the game.

On Saturday we lost to CB Hounslow 2-1 and I feel our failure to prepare for the game properly cost us dearly, players turning up late and one not turning up at all is not the way you go about winning matches, players will soon have to realise that if we are to compete and want to start climbing the table then preparation is key to success, I've spoken to the players after the game and pointed out what I expect of them and hopefully they have taken that on board. I am hoping to bring in a few new faces in the next few weeks to provide stronger competition for places in the squad, how ever with it being mid season it's a lot harder to sign players from other clubs, but we will get there eventually.

Lastly I am delighted to announce that Steve Potter has joined the coaching set up as assistant manager, which completes my coaching team alongside 1st team coach Paul Thornton, Goalkeeping coach Matt Edwards, assistant coach Tom Davis and Graham Thornton, together we are working tirelessly to bring in quality players to this fantastic club and I feel that we can start a winning run and hopefully that is from tonight with three much needed points.

I hope you enjoy tonight's game and your stay at Knaphill Football Club.

Phil

# the news in red and black

all the latest team news from redding way

Good evening everyone and a welcome to our players and officials from Bookham, for this their first visit to our venue after being relegated from the Premier Division last season. Our opponents have like us, been in the lower depths of the League over recent weeks, last Saturday Bookham lost 6-0 at home to Staines Lammas, whilst Knaphill had a 2-1 defeat at CB Hounslow.

Our last home game came 10 days ago against Farleigh Rovers, which still left the team searching for maximum points after leading 2-1 with goals from Craig Knowles and Michael Pym, and allowing Farleigh to level, as we finished with just a point. From our three wins this season, one of them came at Farleigh, 4-1 back in August. On Saturday the Hounslow game marked the halfway stage of the Division 1 programme, so tonight we try and kick start our season yet again, with Knaphill looking to make an impact in the first of seventeen games remaining of the second half of the League schedule.

As far as results are concerned the sequence over the last two and a half months have proved the most lean spell as far as results are concerned. With many players leaving the Club, only Craig Woodley remains from the team that started the season with us. It is now becoming a rebuilding programme, with many changes in the current squad, and the injection of new players in the team.

On Saturday, against a mediocre side, Knaphill created plenty of chances but had some poor finishing, with a defence not dealing adequately with their opponents, similar to the previous game against Farleigh. CB Hounslow opened the scoring after 48 minutes, but Knaphill had to wait until the 80<sup>th</sup> minute for the equaliser with a header from Michael Pym. However, within three minutes the home side made it 2-1 from a penalty after Sean Harvey had handled a shot which denying a possible goal, for which he received a red card. But a second equaliser did not materialise as Knaphill were left point less.

Manager Phil Ellery has signed several new players since arriving at the Club, and by showing more urgency and positive thinking in their play, the blend of these players and the rest of the team can produce the right result, which, once we have broken the long sequence without a win, progress will be made, and the quicker we will get out of the bottom six clubs the better. So come on lads, let's get into a winning mode, so that we can give a serious challenge to Guernsey when they visit Redding Way next month.

Knaphill Reserves secured a convincing 5-2 win over Brockham in the Surrey Intermediate Cup ten days ago, and last week Knaphill Youth U18s bowed out of the Midweek Floodlit Cup competition when the tie against Walton and Hershaw Youth went into extra time and still without a goal scored, it was then penalties which saw the home side through to the next round. More news on Reserves, Youth, and Ladies teams elsewhere in the programme.

Fixtures coming up sees Knaphill away to Sheerwater this Saturday 26 November kick-off 2.00pm, followed by a visit to Feltham on Saturday 3 December(3pm) building up to the visit of Guernsey to Redding Way on Friday 9 December kick-off 7.30pm.

Tonight we will be seeking maximum points to give the team a boost and start an upward trend in the League table.

Enjoy the game.....

## Late Drama

Despite plenty of goal scoring chances, Knaphill failed to come away with any points in a game against a side that shouldn't have proved too difficult to beat. Enforced changes in Knaphill's line up saw the visitors taking a while to settle, and it was the home team that showed their early intent, but were denied by a couple of fine saves from Knaphill keeper Dan Pritchard.

Knaphill's first goal scoring opportunity came after 13 minutes when Paul Wetherall fed a through ball to Warren Collins who could only shoot tamely at the keeper. Stephen Coultas then had an opportunity, but the effort was gathered by the keeper low down at the foot of the post. On the half hour mark, Jordain Pearce was to deny CB Hounslow the breakthrough with a timely clearance near the goal line, and five minutes later the home side struck the crossbar, and another effort was denied by Pritchard's point blank save, both chances taking place when the defence should have been more alert to danger.

Three minutes into the second half and CB Hounslow took the lead, but Knaphill should have equalised two minutes later when Craig Woodley was in a good position for scoring, but fluffed the opportunity. Then in the 51st minute, Knaphill were denied a penalty when Coultas was pushed by the keeper in the 18 yard box.

On the hour Craig Knowles header was just wide. After 70 minutes, Charlie Macaskill made a fine goal line clearance as the visitors defence faltered, not for the first time in the game. Knaphill's equaliser eventually came after 80 minutes when substitute Michael Pym headed home, which then saw a bit more pressure was being put on the home defence.

But the score did not stay level for long when in the 83rd minute substitute Sean Harvey handled near the goal line, denying a possible goal, and received a red card in the process. From the resulting penalty CB Hounslow made it 2-1, and despite Knaphill's late efforts to snatch a second goal, the penalty was enough to give their hosts maximum points.

Knaphill: Pritchard, Watts, J.Pearce, Macaskill, G.Pearce, Collins, Wetherall(Pym 54mins), Woodley (Harvey 68mins), Wilson, Coultas, Knowles.

## Club History

The club was set up in 1905, when it was known as "Great Bookham FC" and also known as "Bookham Blues" but it was not until 1921 that the club became affiliated to the Surrey FA.

Our clubhouse today seems light years away from the days when players changed in the cowshed and the game could not start until the local farmer had chased the cows off the field that doubled as the pitch. After the Second World War the club ran three teams and in the 1960's enjoyed its greatest successes with league and cup doubles in successive years. If you listen to the opinions of some of the older members of the club, they would have you believe that this was Bookham's best ever side. Funny how time plays tricks on the memory.

The club now runs three Saturday teams and four Sunday teams as well as a thriving vets team for those who refuse to hang up their boots. We also have a very successful colts section with football catered for all ages from seven to seventy at the club. In recent history Bookham FC have had their most successful season in terms of the standard played and in their final league positions. We have finished third in the Combined Counties first division in seasons 2003/04 & 2004/05 after finishing fourth in the Surrey Senior League in the two previous seasons.

Bookham's 1st team managed by Glyn Mandeville once again finished in third place in the Combined Counties League division 1 in season 2005/06 and achieved promotion to the Premier Division. Season 2006/07 saw Bookham face many new challenges as they moved up into the Combined Counties Premier Division and after a long season finished 18th in what was a steep learning curve in the Premier. In Season 2007/08 Bookham reached a milestone in their history entering the FA Cup for the 1st time losing to Lordswood FC from Kent after a replay in the extra preliminary round. Bookham finished 17th in the league scoring more goals and more points than the previous year, the improvements made although not earth shattering are what the club wants steady achievable progression year on year.

Season 2008/09 under the continued stewardship of manager Glynn Mandeville and his assistant Tony Knight saw the club again make steady progress, with a 15<sup>th</sup> place finish and bettering all tallies from the previous season.

The progression was halted last campaign though in what proved to be a testing season for Bookham Football Club. A crippling injury list as well as losing many key players to local rivals saw Bookham reach March with only two league wins to their name. Players did return from injury towards the back end of the season and a late rally almost saw the club pull away from trouble but in the end the deficit was too big to overcome, Bookham finishing 2<sup>nd</sup> bottom in the league and only relieved with clubs not meeting the ground grading to be able to come up to the Premier.

The 2010/2011 saw many changes at the club. 1<sup>st</sup> team manager Glynn Mandeville and 1<sup>st</sup> team coach Tony Knight both left the club to fill roles at Ryman league Merstham. Last season's reserve team manager and long serving player Andy Taylor took over the 1st team manager role aided by Kevin 'Bling Bling' Ward, who having played for the first team has decided to concentrate on management affairs. The Reserves were under the watchful eye of James 'Titch' Leitch who having endured an injury ravaged few seasons with problematic knee surgery has decided to also focus on management.

The 2010/2011 season saw Bookham yet again in the lower reaches of the league and struggling to deal with injuries and playing inconsistencies despite rallying towards the back of the season, it simply wasn't enough and the club were relegated back to the Combined Counties Division 1 for the first time in 4 years. With the expected overhaul of players with no fewer than eleven of last year's 1<sup>st</sup> team squad moving to other clubs it has been a pre season of rebuilding and aiming to get some much needed youth into the 1<sup>st</sup> team and reserve team squad for the 2011/12 season.

Bookham chairman Simon Butler has taken over the reins as 1<sup>st</sup> team manager and will be assisted by Kevin Ward and Andy Taylor who performed admirably last season in extremely difficult circumstances. The reserve team will continue to be under the stewardship of James Leitch who brings in a new right hand man in Michael 'Moggy' Blackwell, probably the worst footballer to ever grace the hallowed Dorking Road turf.

**HOME OF THE KNAPPERS ON THE NET**

After last week's comfortable 5-2 Surrey Intermediate cup win away at Brockham we expected a tough game against form side Westfield who had won their last 4 league games. We were able to field a similar side to the Brockham victory but had a very different afternoon suffering a 9-0 defeat.

Going forward in the first 10 mins we had a couple of 1 v 1 chances which we probably should have done better with but for some reason we looked all over the place when Westfield had the ball.

Simple things like not getting close to our opponents, sticking to runners and or taking care of the ball quickly got exposed and Westfield went into half time a comfortable 3-0 ahead.

The second half was just as bad for us and ended up in being humiliated by a decent Westfield side but not a team any better than sides we have beaten or at least competed with this season with the same type of squad.

While we know that having a reserve set up where we regularly blood 16 year olds and this week had 10 players 19 years or younger in the squad can cause us to be inconsistent we didn't expect this type of defeat.

The U18 lads, and we had 5 in the squad Saturday, regularly compete against higher level teams. In their last game they held Walton & Hersham to 0-0 after 120 mins only to lose on penalties so we know they have the potential to complete at this level. In the season and a half Knaphill U18 have been playing we have produced at least half a dozen players who are regular 1<sup>st</sup> team players at CCL level or higher and a load more that have played on a semi regular basis, having them come through our reserves has been important for their development.

Going back to the hiding we got from Westfield, we as a management team will look at what we did wrong, we will ask the players to do the same this and we will aim to bounce back next week.

# ladies & u18's girls update

with nick croshaw

**This is the first time that Knaphill FC have fielded two Ladies/Girls sides, as Adie Wilson's former U16 Wanderers joined Roy Lawrence's Ladies team at Knaphill FC.**

After The Ladies successful first season at Knaphill with a League and cup double in The Surrey FA's Ladies League, they moved up to The London & South-East Regional Ladies League Division 1, which has proved to be quite a challenge. The new U18's have joined the Surrey County League in the U18 Premier Division.

The Ladies started the season with major issues over player availability as Goalkeeper Jenna Morris had a three match suspension from last season to complete and influential captain, Leanne Sands was injured and unable to play in the early games. Despite this a 4-1 home victory against Garston Ladies started the league campaign of brightly. However since topping the table on the first weekend, they have slipped down to currently lie 10<sup>th</sup> out of 11 teams.

Further injuries and unavailability have made life very difficult for the management team, however the stirring performances that have been put in have not resulted in any further points. Some games have seen multiple goalkeepers as injuries have occurred and no substitutes available; two games have seen defeats from last minute goals conceded. Has this meant the girls are downhearted? Far from it! They are even more determined to show their skills and teamwork and many have played on despite being injured to the effect they could no longer run or tackle, but they did not want to let the team mates down.

Adie Wilson's U18 team has developed over the seasons to become one of the best in the county and probably further afield as well. They currently play in the Surrey County U18 Girls Premier Division and are currently leading the table on goal difference. Most of the girls will have another season at the U18 level where they can hone their skills and teamwork before joining the senior squad over the next 18 months. By then we hope to have one of the strongest ladies squads around.

Both teams played at home, Redding Way, in the County Cup on Sunday 20<sup>th</sup> November in a double header. First up were the U18's who played Fulham Compton OB Ladies (currently top of the senior sides Division), in a tense match the younger Knaphill side acquitted themselves, but fell to a narrow 0-1 defeat.

The senior squad then took on local rivals Westfield Ladies. There is some history in this game as two years ago Westfield came to Redding Way for a County Cup quarter-final tie which saw a comprehensive 5-0 win for the visitors, their prize was a home draw to Chelsea Ladies in the semis. The Knappers tried their hardest to overcome an opposition who play a division above them, but failed to score in a 0-3 defeat.

**Sunday, 30 October 2011: Knaphill v Luton Town Reserves - Home Win was awarded**

# we've got youth on our side

Gary Taylor's U18 squad has endured an up and down season so far with three defeats followed by five wins, then another three defeats. The season started with a lot of new players and it took a while for every-one to gel to together; attacking didn't seem to be a problem, but not conceding soft goals was!

It was a cold and misty night in Sandhurst that changed the fortunes with a 45 second, two goal blast in the dying seconds which snatched victory from the jaws of defeat. From that game came another league victory at Alton Town (1-0) and three cup wins away to Horley Town (4-0), home to Guildford City (6-3) and away to Holmer Green (5-1). This made a big difference to the confidence levels in the squad and each game was entered with an air of invincibility, however the world came crashing down when Alton Town visited and took revenge for their home defeat by coming away from Redding Way with a 1-0 victory of their own. A trip to Fleet Town saw a disastrous last 10 minutes when 3 goals were conceded to lose (1-4) and heads were viably dropping.

Last week saw a County Cup tie against Walton & Hersham at their charismatic Stompond Lane ground go for 120 minutes without a goal, although Harry Maynard had the ball in the net only to be disallowed for a very marginal offside. The trouble was hitting the target in the penalty shoot-out. Only Harry Maynard scored, three other players all missed the target and with Walton & Hersham showing clinical finishing, the game was quickly over. Club Secretary Bryan Freeman, an old boy of Walton & Hersham, had a pleasant surprise when he was presented with a history of The Swans by our hosts, which was a nice gesture which is always appreciated.

The season still holds much for the team with two cups still to be contested. A trip to Flackwell Heath in the League Cup is scheduled for the 1<sup>st</sup> December at their ground in High Wycombe. Eversley will be the visitors in January for The Grant-McLellan Cup 2<sup>nd</sup> round, a tournament in which Knaphill made the final last season. The league campaign continues with 6 home games still to play (1 in December, 3 in January, 1 in February and 1 in March). So come on down to see the future of Knaphill, a number of which have already played for Knaphill 1<sup>st</sup> & Reserve teams, all Youth Team home games are played on Thursday and kick off at 7.30pm.
