# KICK-OFF

with Bryan Freeman

## Welcome to Redding Way

Good afternoon everyone. Today we welcome to Redding Way the players and officials from CB Hounslow for a quick return fixture between the two teams, also welcome to our three match officials for this Division One encounter. It was just nine days ago that saw the previous meeting which on the night produced a 3-0 win for Knaphill and stretched their unbeaten run to ten matches which has included nine wins. That result put us in 8th place in the table, albeit for less than 48 hours!

With no game allocated to us last Saturday, and with all other teams playing, by the end of the day, we had slipped back to 10th position without playing! There are now four clubs on 40 points, including Knaphill, and two teams Eversley and Hartley Wintney, are just above Knaphill on goal difference. One of the four teams, Farleigh Rovers(11th) produced the surprise result of the day beating leaders Farnham Town 2-0. The biggest score of the day came at Hayes Gate who were hammered 9-1 by Worcester Park.

Plenty of goals too at South Park where the home side trounced Farnborough North End 7-0. At Cobham, it was Sheerwater who produced a good result, gaining a 2-0 win over their hosts. The current top four in Division One reads: Farnham, Bedfont Sports, South Park, Worcester Park. The latter two Clubs have chalked up 165 league goals between them so far this season!

Since Knaphill's last home game, the 1-1 draw against South Park, it's been a maximum haul of points from the last two away games. In the 3-1 success at Sheerwater two weeks ago, Knaphill trailed briefly to a Sheerwater goal on 28 minutes, but the lead was short lived as Ricky Hogsden equalised on the half hour mark, with Joe Turner making it 2-1 five minutes before halftime. Woody Cardona extended the lead after 70 minutes to make it 3-1 and give the visitors their fifth win on their opponents ground since joining the CCL in 2007.

Our next game was against CB Hounslow played at Bedfont Sports FC, and a 3-0 win for Knaphill, the goals coming from Jack Williams on 62 minutes, Alex Lumley making it 2-0 ten minutes later, and Joe Turner completed the scoring in the 77th minute as Knaphill recorded their 9th win of their unbeaten sequence. First team match reports, plus news and reports of our Reserves and Youth team can be found elsewhere in the programme.

Following several delays in commencing the installation of the floodlights, work finally got underway this week, and with the Stand already in place, we hope to be playing our rearranged fixtures for midweek under the lights during April with 7.30pm kick off. From the last weekend in March to the first week of May, we are scheduled to play 10 games (Saturdays and Midweek), eight of them in April.

Next Saturday 26th March, we are away to Feltham (who play at Bedfont Football & Social Club, Hatton Road, Bedfont), and the following week 2nd April, Frimley Green are the visitors to Redding Way kick-off 3pm.

Enjoy the game.....

Bryan

## **HELP WANTED**

Do you have time and interest  
to help out at Knaphill?

We're always looking for people  
who have interest in football to help  
at the club.

# TOUCHLINE TALK

With Joint Manager David Freeman

Following our last home game against South Park in which our visitors ended our winning run since the turn of the year we quickly returned to winning ways with a hard fought win over local rivals Sheerwater at the recreation ground the following Saturday. Like most derbies it was a tight affair until our hosts took the lead however, we responded straight away and then went onto win the game, although we were not able to relax and see the game out until we scored our third. Our last fixture we faced today's opponents CB Hounslow Utd in what proved to be a comfortable night's work and could and should have been out of sight by half time however, not everything goes your way when you want it too and credit to the players who stuck too there task and they thoroughly deserved the 3-0 win.

I have said since Adie and myself took over that if we go in front in games we always go onto to win and in all but two matches we have done that but also recently we have managed to come from behind against South Park to salvaged a draw and we nearly won it at the death and against Sheerwater we again came back from being a goal down but this time we went onto win the game so we have proved we have got what it takes to get ourselves back into games.

Both Adie and myself are fortunate to have a good bunch of honest, hardworking players who all have contributed to our turn around in fortunes this season. Some players have played more of a roll then others but those who have played a bit part have also contributed to our recent success and in that time they have been very patience. This include players such as James Wills, Jack Ball and Sean Harvey, all good players who have shown a great attitude despite there lack of match action.

As we all know it's a squad game and between now and the end of season everyone will continue to be part of what we are trying to achieve here.

Its no secret we have been trying to bring players into the club to strengthen our options but despite some of these players pledging to sign, for some reason they back down at the last minute and decide to 'leave it' until the summer, plenty more fish in the sea so they say!

We were without a game last Saturday which gave some squad players some much need game time with the reserves. It also gave the returning Nick Darnell a chance to get 90 minutes under his belt following his ankle injury he picked up against Westfield back in January and hopefully he will be back in action with the first team on a regular basis soon.

Speaking of injuries no date's have been set for the return of defenders Mikey Ford and Dan Cox. Fordy has been sidelined since the beginning of January with torn ankle ligaments and is at least three weeks away from a return to training. In that game against Feltham it was his full debut so no doubt it has been a frustrating time for him not being able to play as he waited patiently for his chance in the first team. Coxy is slowly making progress following his knee injury and he is currently undergoing treatment so hopefully we will see him playing again soon.

Tom 'Oddie' Davis is recovering well following his serious knee injury and is having rehabilitation work, hopefully it wont be too long until we see playing again.

As you can see the floodlights are in and almost completed. Personally I am very proud of what this club has achieved in such a short time with people no longer at the club and to the current crop of players and non players still involved, everyone has contributed to what you see around the ground at the moment and long may it continue.

Lastly I would like to welcome Roy Wright and his players to Redding Way today. We have a good record against CB Hounslow here since our arrival in the Combined Counties League so hopefully that will continue this afternoon.

Enjoy the game...

## February Player of the Month

The Player of the Month Award for February has been awarded to goalkeeper Richard Shelley.

Shelley has been in outstanding form recently in particular the 1-1 draw against South Park a fortnight ago.

Shelley is seen below being presented with his trophy by chairman Terry Chapman before the recent 3-0 win over today's opponents CB Hounslow Utd .

## FA Vase 2011-2012

Knaphill Football Club are pleased to announce that we will be competing for the first time in The FA Vase next season 2011-2012.

This is following the installation of the new stand, the floodlights and the hardstanding which will be started and completed during the close season. This will be another special part in the club's history and our biggest cup competition to enter to date.

## End Of Season Presentation Day 2011

Knaphill Football Club are pleased to announce that the annual end of season presentation event will be held on Saturday 14th May at Redding Way.

Breaking away from the traditional shirt and tie evening, the club have decided to hold an in-house football tournament involving the first, reserves and youth teams.

The days events will also include a BBQ and presentation of trophies.

More details to follow soon...

### Ground Development Update

At last the contractors are beginning the long awaited installation of the floodlights. Their progress has been held up by the recent wet weather, which has delayed the use of the heavy machinery used to erect the pylons. The stand was dropped into place on February 11<sup>th</sup> and the lights were supposed to follow shortly afterwards. The decision to delay the installation was the correct one, as no-one wanted the damage that would have been caused to the pitch surrounds.

As we have been waiting for four years for these developments to be completed at Redding Way and with the completion of the project so close, it is not surprising that this latest delay has led to much frustration from all parties concerned. At this moment in time we are currently scheduled for 4 1<sup>st</sup> team games, 1 Reserve team fixtures and 4 Youth team matches including a Cup semi-final tie against Hanworth Villa/Cobham due to be played in the second week of April.

The first game under lights should be the Reserves game against Farnham Town Reserves on the 29<sup>th</sup> March, while the first team should have their first experience under lights on the 5<sup>th</sup> of April playing Eversley. All kick-offs will be at 7.30pm and the usual warm welcome will be extended to all our visitors both old and new.

The completion of this part of the ground development is only the beginning of the works that need to be completed to bring Redding Way up to the standard required by the FA to play at this level and above. There will be hardstand to be completed around all four sides of the ground, although one side will need to be completed during the summer to comply with the Ground regulation requirements for the FA Vase. It has been a dream of the club since gaining 'senior' status to compete in the FA Vase and the FA Cup, hopefully this dream will be realised in early August when the boys run out in the preliminary round of The Vase.

Once promotion has been gained to the Premier Division a further 50 seat stand and additional covered standing will need to be installed as well as a tannoy system and an additional entry to the ground.

All of this costs money and although we have had great support from the Borough Council and The Football Foundation, we have had to pay our share of the costs and will continue to do so. If you can offer any support either practical or financial please contact Chairman, Terry Chapman, with your proposals.

### Youth Cup Semi Final

Knaphill U18's will face Cobham U18's in the semi finals of the Grant McLellan Cup after Cobham's 6-3 win over Hanworth Villa U18's on Monday night. A date is yet to be confirmed however the tie will be played before 14th April and will be played here at Redding Way.

The winners of the tie will face either Hartley Wintney U18's or Bedfont Sports U18's at Ashford Town FC on Thursday 28th April.

### Latest from the treatment room

Defender **Mike Fordis** making slow progress with his ankle injury he picked up in his full debut against Feltham on the 3rd January. Fordy tore ligaments on both sides of his ankle during the 3-1 win at Redding Way and he is set to be sidelined for another 3 weeks.

Defender **Dan Cox** is still sidelined with a knee injury and a return date as yet to be set for the former Godalming Town player. Midfielder Tom Davis is currently undergoing rehabilitation following his serious knee injury against Staines Lammas in January.

# WHAT HAPPENED HERE

Knaphill notched up their seventh win from their last nine games in the comfortable 3-0 success over CB Hounslow at Redding Way in the corresponding fixture last season. Despite having to make a couple of changes from their previous game with Wesley Harrison coming in for the suspended Ricky Hogsden, who was missing only his second game in 32 this season, and Martin Cook receiving a late call up to the side in place of keeper Richard Shelley, out through illness.

The first half hour saw Knaphill very much in control with plenty of possession, creating chances and a mid-half goal burst producing three goals within the space of four minutes. They should have been one up after just seven minutes. Defender Dan Cox delivered a neatly worked cross, which was fumbled by the keeper, the ball came out to Matt Baker, who could only provide a half hit shot from six yards which slid past the far post. Cox had an effort wide on 19 minutes, before Harrison glided his shot into the side netting three minutes later.

Then Knaphill prised open the visitors defence after another fine cross from Cox was sliced into goal by a defender to make it 1-0. A second goal came 90 seconds later, when defender Gavin Brainch sped into the 18 yard box to plant his shot into the far corner of goal. But the best of the three came from the hardworking Dan Cox who, from the edge of the box, rifled home an excellent goal to give Knaphill a commanding 3-0 lead. Plenty of pressure from Knaphill was put on the visitors defence as they glided through with some fluent moves, but there were no more goals to add to their three goal burst of the first half.

The second half did not quite have the same zip in their play as in the first 45 minutes. Had some chances been capitalised on, then it could have produced at least another couple of goals.

One was from a penalty after 77 minutes, when Chris Fox was upended in the 18 yard box, but Ian Savage's weak spot kick sailed past the post. Another of their scoring opportunities came near the end when Nick Darnell was in a good position to score a fourth goal from close range, but fired inches wide of the post.

# MATCH REPORT

Saturday 5th March 2011  
**Sheerwater 1 Knaphill 3**  
Combined Counties Division One

## Derby Joy!

Knaphill made it eight wins from nine matches since the beginning of January with a 3-1 success over local rivals Sheerwater on Saturday. It was the fifth time the visitors had beaten their hosts at their venue since joining the CCL. The match produced plenty of action, with attacking play from both sides, but after going behind on the half hour mark, Knaphill replied quickly and went on enhance their points tally with 25 now gained from their last nine games.

It was a quick pace start that was to produce chances for both teams. Sheerwater were looking dangerous on the counter attack whilst Knaphill had early opportunities from Turner and Baker in the first five minutes. Sheerwater went very close to opening the scoring in the 19th minute when Jamie Daltry's header came back off the post during a spell that saw the visitors needing to be alert to stem Sheers quick breaks.

Knaphill were denied what appeared to be a clear cut penalty after 23 minutes when Chris Fox was upended in the box, the only outcome being a corner to the visitors. Two minutes later Cardona's cross was met by Hogsden whose effort was erratically delivered over the bar. With action swinging back to the other end, Sheerwater took the lead in the 28th minute after the Knaphill defence had failed to cut out a corner, and from six yards Jake Olekszy took his chance well to make it 1-0.

The lead however was short lived as two minutes later Knaphill were level. Lee Gamble's well flighted cross from the edge of the 18 yard area reached the far post and Ricky Hogsden was in the right place at the right time to tap the ball home for the equaliser. This made the visitors add more pressure on the home side, and in the 40th minute Joe Turner's scuffed effort on the volley from 20 yards gave Knaphill the lead.

A determined Sheerwater were trying to get back into the game early in the second half, and Sam Connelly went close with a header which was over the bar after 56 minutes. Plenty of possession and generated moves from both teams, but the ratio of goal scoring chances were reduced for a while. But with 63 minutes gone, Knaphill were denied another penalty, even clearer than the one in the first half, as the hard working Fox was again fouled in the box, but no spot kick.

Knaphill made it 3-1 in the 70th minute when Matt Baker's header came back off the bar and Ed Cardona planted his header past the keeper from close range to give the visitors a 3-1 lead from which they were now looking comfortable with. Although Sheerwater had their best chance to reduce the arrears near the end as Chris Wye headed over, Knaphill held firm to reap another three points.

Knaphill's next fixture is this Thursday evening(10th March) when they play CB Hounslow Utd at Bedfont Sport FC, kick-off 7.45pm.

Team: Shelley, Williams, Lumley, Murphy(Harvey 84mins),Gamble, Brainch, Hogsden, Turner, Fox(Wills 77mins), Baker, Cardona(S.Wilson 77mins).

Scorers: Hogsden(30mins) Turner(40mins) Cardona(70mins)

**01753 214600**

[www.circleexpress.co.uk](http://www.circleexpress.co.uk)

Brian Murphy's return to Knaphill in January this year has given him an encouraging comeback in the first team. Brian has kept a regular spot since taking over in midfield from the injured Nick Darnell at the end of January. His first game was the 4-0 win away at Frimley Green, and of course has been part of the team that has chalked up nine wins from their past 10 games.

Born in County Cork on 13<sup>th</sup> November 1986, Brian's start in football came when he was 11 years old at school, he then went on to progress with local junior teams including Bracknell based Forest FC, now disbanded. Going up to a higher level as he got older, Brian was to play for Wokingham Youth in the Allied Counties League, and Aldershot, before moving on to Bisley in a three year spell in the Hellenic League, gaining a League Championship medal.

The 24 year old midfielder has had two spells with Hellenic League side Finchhampstead, the first one seeing him as captain of the team. In between the times there, Brian played his first season at Knaphill who he joined in August 2008. But the 2008/09 season was over on at the beginning of November when he broke his fibula and tibula in the match against Chobham at Redding Way. At the time it was estimated he'd be out of the game for up to 15 months. He has played 10 games from the start of the season until the beginning of November.

**NAME - BRIAN MURPHY**

**SIGNED FROM - FINCHAMPSTEAD**  
**KNAPHILL DEBUT - WORCESTER PARK**  
**AUGUST 2008**

## GETTING TO KNOW...

# BRIAN MURPHY

When I last interviewed Brian back in August 2008, I asked a couple of questions about his football – What are your best qualities – “Everything, all round talent!” and What are your worst qualities – “Don't have any”, was the reply to that one. Today, Brian feels he's not quite at 100% form, but getting there by every match.

What was the difference between the current team and the one he played in 2008? “Well, several players then are still in the squad today, but there's more buzz from players and management now, whereas before, two or three players would have the edge over the others, and now all are playing an equal role in getting the right result” said Brian.

Any improvements? “Yes” added Brian, “Richard Shelley and Lee Gamble could add more banter, and Ricky Hogsden needs better dress sense”! Meanwhile, back on the pitch, Brian's certainly enjoying his football, and like the other players, will be striving to keep the unbeaten run intact.

# MATCH REPORT

Thursday 10th March 2011  
**CB Hounslow Utd 0 Knaphill 3**  
Combined Counties Division One

## Knappers Cruise To Victory

Knaphill's progress in 2011 continued as they chalked up their ninth win from ten games in their unbeaten run, with a 3-0 win over CB Hounslow on Thursday night. The amount of possession and chances, had Knaphill dominating large periods of a goalless first half. But the second half produced three goals and three worthy points which moved Knaphill up to 8th in the table.

Knaphill had the best of the opening exchanges, with three efforts stemming from free kicks. James Wills first opportunity after seven minutes went straight at the keeper, then Brian Murphy's shot had the keeper diving to his left to save. A forceful free kick from Matt Baker from around 30 yards, went agonisingly past the post, and minutes later on a roaring run, saw him home in on goal only to see his effort just over the bar.

Up until then, CB Hounslow did very little to cause keeper Richard Shelley any problems as the defence dealt comfortably with the home side's attacks. Knaphill continued to seek a breakthrough, with Baker heading over the last chance of the first half to find the net.

The second half saw some early opportunities for both sides, the closest scoring chance came early in the half when Chris Fox had his shot only partially saved by Archibald as the ball came out to Ricky Hogsden who from six yards scooped his shot over the bar in after 48 minutes. The home side showed more pace and direction as they too were looking for an opening to break the deadlock. But that was to come from Knaphill as they went ahead after 62 minutes when defender Jack Williams delivered a thunderous shot into the far corner from 25 yards.

Not to rest on their laurels of a single goal lead, Knaphill made it 2-0 after 72 minutes and involved another defender, as Alex Lumley weaved his way into the 18 yard area to shoot past the keeper. Soon after the goal, CB Hounslow were down to ten men with a player being sent off following a hard tackle on Brian Murphy.

Although the home side's attempts to reduce the arrears came to no avail, it was Knaphill who took a commanding lead in the 77th minute following a mix up with defender and keeper, which allowed Joe Turner to grab the easiest opportunity he'll ever have to score, by virtually walking the ball into goal to make it 3-0.

Team: Shelley, Williams, Lumley, Murphy, Gamble, Branch, Fox(Wilsh 81mins), Turner(Darnell 84mins) Hogsden, Baker, Wills.

Goals: Williams(62mins), Lumley(72mins) Turner(77mins)

Subs Not Used: Rogers, Lofflar

Booked: Shelley

**GETTING THE  
WELCOME MAT  
OUT FOR...**

**REDDING WAY  
SAT APR 2  
K.O 3PM**

## **FRIMLEY GREEN**

This will be our third encounter with Frimley having met in the Southern Combination Cup earlier in the season in which we lost 2-0 and more recently we met in the league where we ran out 4-0 winners at the recreation ground courtesy of goals from Chris Fox, Joe Turner *pictured*, Matt Baker and Ricky Hogsden.

The last time Frimley visited Redding Way was the second game of last season when they cruised to a 3-1 win.

**REDDING WAY  
TUES APR 5  
K.O 7.30PM**

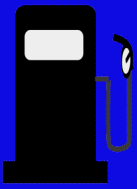

## **EVERSLEY**

The last time the two sides met was back in September and despite a bright opening and five corners in three minutes it was our host's who took the lead after some poor play on the halfway line by Knaphill which led to Eversley's Sam Scully opening the scoring on 15 minutes. However Knaphill responded well with efforts from Ricky Hogsden and Chris Fox.

Knaphill deservedly drew level on 56 minutes after some good build up play saw Chris Fox clinically finish from inside the penalty area. Both sides created half chances as the half wore on but it was Eversley who looked to have taken all three points when Stephen Taylor bursted into the penalty area and slotted the ball under the advancing Richard Shelley in the Knaphill goal on 79 minutes.

However all was not lost as after picking the ball up just inside the Eversley half, Ricky Hogsden (pictured right) advanced towards the Eversley goal and with defenders backing off him, Hogsden unleashed a fantastic 25 yard strike which hit the underside of the crossbar and went in on 83 minutes.

Two minutes later and Knaphill went in front for the first time in the match. After Matt Baker was sent clear he was upended 20 yards out and from the resulting free kick Baker hit an unstoppable strike which cannoned off the crossbar and rebounded out only for Jack Ball (pictured below) who was the only player from both sides to react, slotted the ball in from close range much to the delight of the Knaphill bench.

**FILLING  
UP FOR...**

**THE ORCHARD  
SAT MAR 26  
K.O 3.00PM**

**FELTHAM**

Without a game in five weeks and only their second outing in nine weeks, Knaphill returned to winning ways with a 3-1 win over fellow strugglers Feltham at Redding Way back in January.

Goals from Dan Cox (pictured), Matt Baker and James Wills ensured the new management team of David Freeman and Adie Wilson got off to the best possible start to the new year.

The Knappers should have increased the scoreline with James Wills and Matt Baker guilty of missing open goals and the home side rode their luck on a couple of occasions but were grateful to Richard Shelley in the Knaphill goal who pulled two point blank saves.

**GREEN LANE  
FRI MAR 15  
K.O 7.45PM**

**HARTLEY WITNEY**

Knaphill's poor start to the season continued on with a 2-0 defeat to Hartley Wintney at Redding Way back in early September.

A bright opening from both sides but it was the visitors who took the lead with another calamity give away goal. Hartley added a second with two minutes remaining to leave the Knappers reflecting on chances missed and another poor second half display.

# RESERVES YOUTH

with Andy Martin

It was not a coincidence that for our away victory against CB Hounslow we had a more senior feel to our squad. At the end of the day our job in running the reserves is to help 1<sup>st</sup> team players get back into the 1<sup>st</sup> team and develop reserve players so they can make the step up.

Realistically at the moment we have a lot of potential but not too many immediate options for the 1<sup>st</sup> team. As we get more senior players back from injury, suspension etc I expect our younger players to develop quicker with 'on the field' coaching. Development is not just on the pitch it is off it with preparation pre-game and interaction post game. Clean boots, correct attire, time keeping, communication with management, team building, becoming 'club men' are all factors on how quickly players will be viewed as senior potential rather than junior players filling in for a game or two. Winning at reserve level isn't everything but it is important and getting more of a balance will help this.

## Match report

Saturday March 12th 2011.

CCL Reserve Division 1

## CB Hounslow Reserves 1 Knaphill Reserves 4

Our squad was strengthened by the experience of 1<sup>st</sup> team players Nick Darnell, returning from injury, and James Wills plus we welcomed George Pearce giving us a more mature start line up.

We started the stronger and opened the scoring after some good work from Jack Bishop was finished well by Fraser Wilsh. The home side replied quickly with a free kick that wasn't dealt with to make it 1-1 after 15 mins. Goals from Tom Chisholm, James Wills and Jack Bishop gave us a comfortable 4-1 lead at half time. The second half saw us not allow CB Hounslow any chances but we were disappointing in terms of our end product.

Team: Taylor, Philips, Kipping, Ball, Loffler, Wilsh, Chisholm(c), Darnell, Pearce, Bishop, Wills. Subs: Carolin (60) Lumley (70) Bowers (80)

## Strong Foundations and a Bright Future

As the news off the floodlights being installed reverberates around the ground, we can only look forward in our planning and preparation for next season. We have a talented selection of 16 and 17 year olds currently performing well at the highest level, who will be eligible for next year so the foundations are strong and (not only the lights) but the Future is bright.

Our last two games have seen the U18's play local rivals Camberley Town twice in 8 days. There is something about local rivalry which seems to generate its own special atmosphere. "The Old Firm", "United v City", "Liverpool v Everton", The Toon v Sunderland and the latest which is up there with the aforementioned, Knaphill U18's v Camberley Town U18's in the ACYL.

First off it was our home league game at Hanworth and we were to be fair, overrun at times by a 5 man midfield, before going one down to a well taken strike 15 minutes in from the league's leading goal scorer Kieran Carey. Our commitment never faded in the first 45 minutes and we worked hard to get a goal back before half time, but to no avail. Just before the half time whistle Camberley were awarded a penalty which was superbly saved by Louis Martin diving away to his right. The save injected spirit and believe back into the side.

The half time break was used to focus our attentions on what we do well, moving the ball quickly and passing with awareness of space and our teammate's movement off the ball. We also reorganised our shape going with a 4-3-3. We introduced Joe Turner who had an immediate impact on the game.

After a sustained Knaphill attack, the ball fell to skipper Jack Ball on the edge of the box who powered an unstoppable shot into the top corner for the equaliser. Camberley were stunned again a few minutes later as a high ball found the ever willing Bradley Fraser who raced on and skilfully lobbed the onrushing keeper for 2-1 to Knaphill.

This galvanised Camberley into a fight back and after a number of corners, a goalmouth scramble resulted in an equaliser. With 15 minutes to go, Knaphill pressed the hardest for the winner with a number of opportunities to get the winner going begging. Camberley threatened briefly, but with Knaphill still in the ascendancy the referee blew for fulltime.

So a point each, only the 4<sup>th</sup> dropped by the league leaders this season. On a positive note we held our heads high in the knowledge we can play better and that gives Mark and I something to aim for when we work with the boys over the coming weeks.

Next up was the away league fixture at Krooner Park. We again fielded a strong side but it was clear playing each other 3 times in 4 weeks had taken the edge off the game. Neither side played to their normal high standard. Unfortunately we went in at half time 1-0 down following a breakaway goal from Kyle Wilkie, the SYL player who appears to only play the big games for the ACYL side. We changed our shape and introduced several players in the second half and for long periods we had Camberley on the back foot but disappointingly we could not make the pressure tell.

Last Wednesday we played Bracknell at larges Lane and showed tremendous battling qualities and team spirit coming from 1-0 down to win 2-1. Most pleasing was that we fielded a side with only 6 senior players in the squad of 16, against a predominantly senior Bracknell side. Our goals came from Josh Farmer and Liam Welch. This again bodes well for the future, supporting Dawber's and my belief that we have got a superb platform on which to build a great side for next year. We have the confidence in the younger players and will utilise them in the 3 remaining league fixtures.

We are all looking forward to playing the semi final of the CCL Grant McClellan Youth Cup, against Cobham FC U18's, which will be played at home on 13th April. Come along and support the future stars of Knaphill FC.

League Division One  
Saturday February 26 2011  
Kick off 3pm  
Redding Way

**KNAPHILL 1**

Baker

**SOUTH PARK 1**

Smith

Despite Knaphill's seven match winning sequence being halted against South Park at Redding Way on Saturday, the unbeaten run stayed intact when a late equaliser from Matt Baker gave the home side a deserved point. It was a hard fought game with fourth placed South Park having the better of the first half, but with an equally matched second period of goal scoring opportunities for both sides.

The first half got off to a bad start for Knaphill who conceded a soft goal after just two minutes when they were caught out from a quick break by the visitors to give Chris Smith an easy opportunity to score from eight yards. Knaphill did have their early chance as well when Baker had his effort saved by the keeper in the seventh minute.

Then Richard Shelley, who was to deny South Park several times throughout the match, was in action deny David Smith's shot at his near post. A few minutes later Knaphill made a quick break, Ricky Hogsden slipping the ball through to Joe Turner who fired past the post. Just before the half hour mark, Baker had another shot that was pushed away by James Wastell.

In the 30th minute South Park were awarded a penalty, a rather harsh decision, but Shelley produced his answer to that, with an excellent save at the near post to deny Park's scorer of the first goal, from increasing their lead. Another couple of chances fell to the home side before halftime, Ed Cardona firing wide, and just before the break, Hogsden shot straight at the keeper.

The second half was evenly matched with both sides having goal scoring opportunities, and as far as the visitors were concerned, their chances denied several times with some fine saves from Knaphill's man of the match Richard Shelley. Knaphill were putting plenty of effort into their bid for an equaliser. On 64 minutes, Chris Fox had a shot blocked, the ball went loose to Hogsden whose shot was over the bar, then Hogsden provide the cross for Baker who went close with his header.

Soon after Knaphill's chances, Shelley was to deny visitors substitute Lavery a goal, whilst the home side continued to force their way through seek an equaliser. With time running out, Knaphill were awarded a free kick in the 88th minute, which saw Matt Baker deliver his shot from 20 yards through a packed defensive wall and into the back of the net. Then with a few minutes still remaining Knaphill had one last chance to snatch a winner, but Baker's effort was saved by the keeper.

Knaphill: Shelley, Williams, Lumley(Wills 46), Murphy, Gamble, Brainch, Fox, Turner(Ball 70), Hogsden, Baker, Cardona (S.Wilson 81).

Subs Not Used: C.Taylor, Harvey

Scorer:Baker 88mins

Booked:Fox

# LADIES NEWS

with Pam Lawrence

## Knaphill Ladies - The Season So Far

After winning the League and Cup double whilst playing in the Surrey County Womens and Girls League last season, we felt the girls needed a much bigger challenge for the seasons ahead and Manager Roy Lawrence chose to enter the London League at the highest possible level. This meant a jump of four divisions into London Division 1. We knew this season would be a steep learning curve and we were hopeful of a mid-table finish and possibly a good cup run.

We are currently lying 9th in the league table, but with games in hand over the teams above us; including fixtures against Enfield and Brentford who are currently occupying 7th and 8th, we are hoping to move up the table in the remaining weeks of the season. Our main problem this season has been scoring goals, but everyone involved with the team has been impressed by the way the girls have moved onto the higher level of women's football and the quality of the football they have displayed - with just a clinical finish in front of goal being the one big missing piece to the jigsaw. We have new players joining next season and with an already strong squad we are aiming for a top 3 finish next season and an increase in the number of League goals scored, which is currently standing at 17.

However, we are doing well in the League Cup and a victory at the weekend over Northwood Ladies has seen the Ladies progress into the quarter-finals. After a 3-1 extra time win in the last round against Newham Ladies, hopes were high for another victory in the Cup. The most pleasing thing about Sunday's cup win was the all round team effort shown by the girls, a clean sheet due to a great display by the defence and an outstanding performance from Goalkeeper Jenna Morris who pulled off a series of great saves. We went into a 1-0 lead after a very brave header from Jade Barclay, and Abi Ribton-Turner made it 2-0 before half time with a superb strike from the edge of the box. This was the final score, the Ladies deserved the win and are looking forward to finding out who our opposition will be in the quarter finals.

This is a very exciting time for the Ladies team who will be joining the Senior section of the club next season. We have high hopes for next season both on and off the pitch. We have been very lucky to have had a new coach this season in Chris Ludlow and Rob our new goalkeeping coach. The Ladies train twice a week on Monday and Wednesday evenings and are fortunate to play their home matches at Brookwood Country Park on the excellent playing surface. To keep the girls fit over the Summer a number of tournaments have already been entered and pre-season will start in early August. We will lose a few players to University this season, but we are keeping a very strong squad and with the addition of some new players we are already looking forward to the possibilities for next season.

# THE FINAL WORD

I have not got a date yet for our first floodlit game however it is more than likely going to be the first team's clash with Eversley on Tuesday 5th April. I spoke with contractors and they have assured me that if the weather holds the floodlights installation will be completed early next week.

This is a momentous occasion for Knaphill Football Club and one which the committee can be proud of. I personally have only been involved for a couple of years but Nick Croshaw and David Freeman have steered this for quite a few years.

We obviously need all the paperwork to be in order and all the tests completed before we can officially have a game here. The managers of all our teams have already put a game forward for our first game under floodlights. Watch this space!!! Plans for an official opening may be part of our pre-season plans for the 2011/2012. We will definitely have a big named team and have a very big night.

Congratulations must go to the youth team. We have drawn Cobham in the semi-final of the Grant Mclellan Cup. Having already knocked the favourites out (Camberley) we must have a good chance of making the final. This fixture will take place here on Wednesday 13th April, kick off 7.30pm. Please come down and support the boys as we aim to get to our first cup final at youth level in our first season in the Allied Counties League. Just remember boys we have done really well so far and nobody remembers the team that loses in the semi final. So a big effort is needed. Good Luck we will all be there cheering you all on.

Can I also thank Hodgy and Coxy for the work they put in for the Race Night. It was a really good night and made some good money. If you remember I have asked the players to try to make £1000.00 towards this season's budget. So we do need another function. So get your thinking caps on boys. But well done so far. The end of season get together and presentation will be held at Redding Way. Please check the website for the dates. We are looking to have a small sided football competition, B.B.Q and Presentation. This will involve the 1st team, Reserves and Youth Teams. Please try to make this function as it can be a really good money earner for the club. Can I also say how pleased I am with the general uplift this club has had since the Youth team came on board and the new management took over. I think this turnaround is not just the good results but it is the hard work that has gone into it.

Can we now keep on getting good results. It is still possible for the 1st Team to get promotion. So lets keep on with that belief. We have entered the F.A.Vase for next year. This has been one of my dreams since becoming chairman of this club. Again if we get the draw we want it can only be good for the club. We will have in place all the necessary ground improvements by then. One issue which is pending is the hard standing that will go around the pitch. To get into the Vase one side has to be completed by July. We are looking for funding. If we can't raise the money we are going to have to do it ourselves. This will require man power so be prepared to come to the club ready to dig and make and lay concrete. If any one knows a company that might help let me know.

Good Luck to all our teams this weekend.

Terry Chapman  
Chairman

## A FEW BITS OF FOOTBALL GOSSIP

Can you believe that The chairman of Fulham Football Club is about to erect a statue of Michael Jackson at Craven Cottage. Has he gone mad!!!

Barcelona are planning on hijacking Inter Milan's attempts to sign Tottenham's Gareth Bale in the summer by offering £40m for the flying winger.

Sir Alex Ferguson is said to be "spitting mad" at his five-match touchline ban for comments about referee Martin Atkinson.

Finally the sooner we get rid of Capello the sooner England progress. He just does not make the correct decisions.
