KICK-OFF

with Bryan Freeman

Welcome to Redding Way

Good evening everyone, and a welcome to the players, officials and supporters from Eversley, also tonight's three match officials for this our first League game under Floodlights. First benefit of now having Lights is a 7.30pm kick off and no more early evening starts at this time of the year. In the Eversley squad tonight is former Knaphill player-coach Ian Savage, who makes his first return to Redding Way since joining the Hampshire club early on in the season.

The previous meeting between today's teams, was back in September when Knaphill secured a 3-2 win with goals from Ball, Hogsden and Fox. A result that was to be one of only three wins in a 15 match spell. How form and results have changed since then!

April is a busy month of fixtures, with Knaphill having eight matches scheduled, which includes four midweek matches, with our season is due to finish with a midweek fixture in the first week of May. The first of the month's eight games was last Saturday with the visit of Frimley Green and what a match that turned out to be!

Ten goals scored, eight coming in the second half – entertaining for the spectators, but maybe not for the Managers of both sides who saw their teams have lapses in defence leading to some of the goals. However, it was a first for Knaphill to have so many goals scored, not only since we've been at Redding Way, but in any match, home or away for years! With the final outcome of a 6-4 win for Knaphill, it was a roller coaster ride of scoring which showed its main impact in the second half.

Knaphill got off to a good start when Ricky Hogsden scored after just five minutes, but Frimley Green had an equaliser with an own goal just before the half hour mark. Five minutes into the second half the visitors took the lead, then Matt Baker equalised from a penalty, as further goals from Ed Cardona and Baker gave Knaphill a two goal cushion at 4-2.

But not for long, as Frimley bounced back scoring two more to make it all square at 4-4.

It was a final spell of pressure that secured victory with well taken goals from Cardona and Alex Lumley to round off the scoring spree. There is a full match report elsewhere in the programme. Well, we definitely needed to get back on the winning track following the previous draws against CB Hounslow and Feltham, both of which we really should have got more than a point from. But Knaphill now remain unbeaten in 13 games, so we hope the run can continue through April.

Looking back on some of the other results in Division One last weekend, our visitors for this Saturday, Bedfont Sports beat South Park 3-1 to take over as leaders, replacing Farnham Town, who were held to 1-1 draw at home to Hartley Wintney. Eversley had a 3-2 win against Feltham, Westfield won 4-1 away to Cobham, and Worcester Park beat CB Hounslow 2-1.

Looking ahead, this Saturday we are home to Bedfont Sports followed by our fourth successive home game next Tuesday 12th April when we play hosts to Chobham. Meanwhile, we look forward to an entertaining match tonight.

Bryan

TOUCHLINE TALK

With Joint Manager David Freeman

Well it been a long time coming and finally we have floodlights and tonight is our first league fixture for the first team under the new lights here at Redding Way. I have mentioned this before but there are a number of people out there that doubted this club would achieve our goal of a stand and floodlights but we have clearly proven thoughts doubters wrong.

In my time at Knaphill I have seen a lot of comings and goings, ups and downs but what I have seen is progression and although a number of people have credited myself with this there are also a lot of other 'unsung heroes' past and present who have brought this club to the level we are at and of course we will continue that trend with improvements on the playing and non playing side of the club. We will be entering into the FA Vase for the first time in our history and hopefully entering our Reserve side in the Suburban League next season under the guidance of Andy Martin. We will also aim to continue to improve the ground during the summer and make Redding Way one of the if not the best ground in division one ,certainly for next year anyway and after that who knows!

Our youth team has been a breath of fresh air and it seems such a long time ago since they played there first game at Binfield in an opening day 6-0 win. As a club we are extremely lucky to have the experience and knowledge of Dougie Ford and Mark Dawber and I can thank them for what they brought to the club this season alongwith Andy Martin who started the season as Youth team manager. Players who have blossomed in the youth team are now shining in the first team, notably Joe Turner and Jack Ball, two very good players who I'm sure if they continue the way they are going will play there football at a higher level but for now they are Knaphill players and we of course we are only too pleased to have turning out in the red and black of this club.

On Saturday we were involved in a 10 goal thriller as we finally overcame a stubborn Frimley Green side 6-4. A scoreline most people would associate with a Sunday morning league in what can only be described as some shambolic defending from both teams on the day. After the game both Adie and myself were feeling dizzy with what we just witnessed and to be honest it gave me a banging headache caused by the stress of it all, it almost did not feel like a win! Despite taking the lead we found ourselves 2-1 down early in the second half and after changing our shape we got ourselves level and then went onto score two further goals. Game over you would of thought but there is never a dull moment at Knaphill and with some suicidal defending allowed Frimley back into the game with two goals in three minutes however, we were not finished and to give credit to the players they showed great spirit to pick themselves up and add a further two goals and finally claim all three points, one is for sure the spectators certainly got there monies worth that afternoon.

Without doubt we as a team have to more disciplined in our play and I made a point of that to the players in the dressing room afterwards. Also the fact we need to concentrate at all times and learn to close games out when in control.

This evening we welcome Eversley to Redding Way and one person in particular being former player coach Ian Savage. Sav was part of the managerial team at this club at the start of this season and two seasons prior to that alongside Bob Pritchard and myself. In that time Sav brought a great deal of experience and knowledge of the game to this club and we were very lucky to secure his services. His training ideas were of the highest quality and he was not too bad on the pitch himself although I have heard he is retiring at the end of this season...I've heard that before! Sav helped this club finish third last season, the highest position this club has achieved in senior football and I know all the players enjoyed having him here and I have no doubt he will the same impact with tonight's visitors when he and Andy Clement take over next season.

Back to the game tonight and we will look to pick up maximum points and continue our unbeaten run and hopefully finish the season on a high something I know our players are more then capable of doing.

Enjoy the game.

End Of Season Presentation Day 2011

Knaphill Football Club are pleased to announce that the annual end of season presentation event will be held on Saturday 14th May at Redding Way. Breaking away from the traditional shirt and tie evening, the club have decided to hold an in-house football tournament involving the first, reserves, youth and a vets team. The days events will also include a BBQ and presentation of trophies.

Youth Cup Semi Final

Knaphill U18's will face Cobham U18's in the semi finals of the Grant McLellan Cup after Cobham's 6-3 win over Hanworth Villa U18's on Monday night. A date is yet to be confirmed however the tie will be played before 14th April and will be played here at Redding Way.

The winners of the tie will face either Hartley Wintney U18's or Bedfont Sports U18's at Ashford Town FC on Thursday 28th April.

WELCOMING EVERSLEY F.C

Club History

Eversley Football Club has roots dated as far back as 1910 and is one of Hampshire's oldest affiliated clubs. For a number of years the club was managed and administrated by members of the local community, including Tim Spencer, Gary Clarke & Dennis Lutley, who ran the club during the mid and late nineties. However, we have come a very long way in the last 10 years since the current committee took over control at the turn of the Millennium. After spending the majority of seasons lingering in the Aldershot & District League, with limited success and the occasional piece of silverware, our 1st XI and Reserves eventually progressed into the Surrey County Intermediate League Western in 2005 thanks to the work of our then 1st XI Manager, Richard Vangrove. Form was consistent and both teams finished in or around mid-table for 3 consecutive seasons, where we held our own but didn't really make any major impressions. However, despite the lack of successes the club has continued to aim high and has always been ambitious, and in 2008 our application to join the Surrey Elite Intermediate League for its inaugural season was accepted and the impact was instant. Under the control of a new management team our 1st XI went on to win an unforgettable League and Cup double.

In the same season our Reserves narrowly missed out on first place in the League after only losing once all season, but success for them came with a double Cup double triumph.

Our achievements in the 2008/09 season enabled us to gain promotion to the Combined Counties League Division One and be part of the National Football League System for the first time in our history. This was a fabulous accomplishment for a small village club but is certainly just reward for all the hard work that has gone on over the years behind the scenes by the various people involved.

Prior to 2009 the club had never really had a ground or a pitch that it could call its true 'home' and spent the previous 8-9 years flitting between various local authority owned pitches located away from the village. Prior to this, the home pitch, which was situated in Eversley, can only be described as a cow field with a shed for a changing room block with no running water; it really was that basic and we still have a number of players around today who started their careers on this ground!! In view of this homelessness situation, in 2002 we joined forces with California FC (a Junior Football Club) and Eversley Cricket Club (one of the oldest cricket clubs in the country) to form the Eversley Sports Association (ESA). The aim of the ESA was to plan and implement the development of additional sports facilities on land leased from RMC Aggregates (now Cemex), and provide common services to the participating three clubs. It was been a long time coming but the new ground and facilities were finally completed last July and are magnificent. Many years of hard work and effort now seem worthwhile and we are incredibly grateful to the ESA committee for all the time they have spent, and continue to spend, on this community project.

We now have a recognised ground to call 'home' and fantastic new changing room and clubhouse facilities all built to a high standard. Further expansion of the site is still in negotiation, and there are plans to install floodlights within the next 12 months and a 3G training facility is also in the pipeline for the near future. The project continues.....

The overall cost of this new sports development exceeded £2M, and includes a grant from the Football Foundation of £700k, which was the largest single award in Hampshire at the time. In 2006 Steve Coppell kindly came down to present us with the cheque, which was great experience for the whole community. The remaining money has come from various other local donors and contributors as well as annual fund-raising activities that the ESA and the 3 clubs have run over the years. Despite last seasons appalling winter weather conditions, which seriously disrupted the football calendar, our new pitch stood strong and was very well maintained by our dedicated groundsman. Even though we endured a torrid rainfall and below freezing temperatures, the pitch was only unplayable on just one occasion and that was when it snowed! We were encouraged with the many compliments received from opposing teams, match officials and supporters in respect of our playing surface and facilities, and further accolade came when we were then nominated for 'FA Ground of the Year' for Steps 5 and 6.

This meant that we had made the top 30 non-league grounds in the UK, at this level, and a formal FA inspection was arranged. Unfortunately we never won the top award.....but we did finish in the top 5 after the FA representatives had graded our pitch and facilities 'highly commendable'. Once again, this is another fantastic achievement for the club but is recognition of the excellent playing surface that we have available, and credit for this must obviously go to our committed grounds staff.

Having run two Saturday teams for over 9 years, in 2008 we were in a position to expand to three Saturday teams as well as being able to introduce a new Sunday team into the fold. This just proves the level of interest that there is in the club and we have now established ourselves as one of the largest non-league clubs in the area in respect of player base. We have the right people on board who are committed to running a successful football club, and we are certainly heading in the right direction. There are plans to start a Women's team in the next year or so, as well as an Under 18's team now that we have a formal connection with a California FC, our junior club partner who are aiming for FA Community Status at present. This synergy with CFC will ensure that talented young players continue to flow into our adult teams which in turn provides for a very bright and long-lasting future.

As mentioned above, last season was our first year playing in the Combined Counties Football League and competing at this level, and overall we felt that we did ourselves justice with our 1st XI finishing in a very commendable 8th place, and taking points off all 7 teams above us, plus reaching the semi-finals of the Division One League Challenge Cup. A large fixture backlog at the end of the season combined with injuries to key players and various suspensions resulted in a poor finish, when at one point in April after 5 wins on the trot, we were looking at a top 5 or 6 position.

Our Reserve Team did even better by finishing in 6th place and winning the Reserves Challenge Cup after defeating Warlingham in a penalty shoot-out after a thrilling encounter. This League Cup triumph means that our Reserves have now not lost a League Cup match of any kind in the last 3 years!!

Last year was tough, we played more games than ever before and we were coming up against better quality players and opposition as well as some good well established CCL teams. Whilst at times we performed well and played some good football, we also learnt a lot from our experiences which we hope to take into this season. We need to be more clinical, more consistent and probably more physical than last year if we want to improve ourselves. We are no longer the 'unknown' force and our opposition will now be only to aware of what to expect when they come up against us - a hard fought game, whether home or away, against a good footballing competitive side. This season we are mindful to the fact that Division One is going to be more competitive than ever before, with talk of 9 or 10 teams improving their sides and looking to push for a top 3 finish and consequentially promotion. Indeed we want to be considered as one of those teams, and in order for us to compete with the best we have felt the need to implement a number of changes during the summer and pre-season; most notably the affiliation which we recently announced with the John Madejski Academy (JMA) whereby young players released by professional clubs will have the opportunity of being introduced back in to senior football. This link-up will also include midweek training on the 3G pitch at the JMA as well the expert input on 1st XI affairs by new Uefa 'A' licence coach, Tristan Lewis, who has joined the management set-up which is also bolstered by the addition of experienced coach, Martin Elcox. We are now pleased to be able to boast a number of ex-Wycombe and Reading Academy players as well as capped England under 19 player, Jordan Lee-Brown, amongst our squad.

We have had a long but credible and productive pre-season, as we have tried to merge our new young players from the JMA with the existing personnel and other new acquisitions, and have tried to get them used to playing with one another – a big challenge when so many changes are made to the playing squad. In this respect, our pre-season training sessions commenced at the end of June, so there was barely any break, and from our 4 pre-season matches, all against opposition in higher leagues, we have managed two wins over local rivals Finchampsted (3-2) and Fleet Spurs (3-1), a 2-2 draw with CCL Premier Division favourites, Camberley Town, and also a 4-0 defeat to Thatcham Town from the Ryman Premier.

Similar to last year, we just don't really know what to expect this season; we believe we have made the necessary changes to improve our club and to allow us to compete with the top teams, but a number of other clubs have done the same, plus with the addition of Hayes Gate and Farnborough North End, it is impossible to predict the top 10 this year, let alone the top 3 at this stage. As the season progresses itself, things will begin to unfold and after a few months we will see teams begin to pull away I'm sure – but don't ever rule out a late surge by someone.....aka Knaphill last year who finished on excellent form with a tremendous run of results.

MATCH REPORT

Saturday April 2nd 2011 Knaphill 6 Frimley Green 4 Combined Counties Division One

Knaphill extended their unbeaten run to 13 games in an extraordinary scoreline against Frimley Green that produced ten goals, eight of them coming in the second half. When the two teams last met, Knaphill were comfortable 4-0 winners, but at Redding Way on Saturday it was not quite so easy, as Knaphill left it late to finish with a final flourish, scoring two late goals to record their tenth win in the unbeaten sequence.

Knaphill got off to a fine start with early pressure and penetrated the visitors defence when Ricky Hogsden received a through ball from Woody Cardona and the leading goalscorer drilled home to make it 1-0. Frimley gave the home side an early scare, but with play evenly balanced in the early stages, it was Knaphill who went close to scoring a second after 19 minutes when, following a dazzling run, Chris Fox was unlucky to see his shot come back off the post.

The visitors launched a quick break after 28 minutes, and in an effort to clear danger, Knaphill defender Alex Lumley could only divert the ball into the net.

Knaphill went close to regaining the lead on the half hour but Hogsden's shot was saved and diverted for a corner, and the first half finished without any further advantage for either side.

It was the second half that was to produce a glut of goals, but it could have been a clearer scoreline for Knaphill had their defence not been vulnerable to quick breaks from Frimley Green which at times produced some sloppy defending which was shown up with the visitors scoring three goals in the half. Some of their distribution was also letting them down. The visitors took the lead in the 50th minute through Michael Lacey, and it was only keeper Richard Shelley who denied them a third, making a fine save from Danny Fisher.

After 65 minutes, Knaphill were back on level terms from a penalty with Matt Baker coolly slotting the ball past the keeper. Soon after, Hogsden had a chance for his second, but his header flashed past the near post. Both sides were seeking to forge a lead, and it was Knaphill who did just that in the 75th minute, when Ed Cardona latched onto a through ball, burst into the 18 yard box to finish with quality to make it 3-2.

Five minutes later Chris Fox was upended on the edge of the 18 yard area, and free-kick specialist Matt Baker drove home to give Knaphill a two goal cushion at 4-2. It was short lived. Within two minutes Frimley Green netted a third goal through substitute Jordan Giddings, and with little time for the home defence to recover from conceding that goal, they were punished again when Giddings hit the equaliser to make it 4-4 after 85 minutes.

But there was another dramatic turn in this encounter when Knaphill piled on the pressure in the closing stages and in the 88th minute, Alex Lumley swung over a well flighted free kick that glided into the far corner of goal. Lead regained by Knaphill at 5-4, and with a well taken sixth goal from Cardona two minutes into stoppage time, the home side ended 6-4 winners. What a finish!

Woody, first joined Knaphill in March 2010 and it was a brief stay, but he was with the Club at the end of the season and in the team that picked up a point in the last game of the 2010/11 campaign to finish third in Division One. Having played for Cove from the beginning of this season until the New Year, Woody re-joined Knaphill in the latter half of January 2011.

Woody was born on the 28th February 1986 in Watford, and his occupation is in Investment Banking, and has been for the last four years. On the football scene his Clubs have included Fleet Youth, Farnham Town, Liss, Cove and currently Knaphill.

Like many other players, first started football at Junior level, and his first team was Grayshott Colts Under 8s and stayed with them until he was twelve, when he joined Onslow Boys for a couple of years in the Guildford & District League. A move to Fleet Town Youth where Ed played for the U14s, U15s and U16s, was suddenly halted at U16 level when he suffered a broken leg, putting him out of action for two years. Whilst at Fleet, one of the seasons brought him the Player of the Year award.

NAME - WOODY CARDONA
PLAYING POSITION - MIDFIELD
SIGNED FROM - COVE
KNAPHILL DEBUT - 22ND JANUARY

GETTING TO KNOW...

WOODY CARDONA

Still in his teens, and after recovery from the injury, he moved to Liss FC at 18 years old and was with the Wessex League side for two seasons, where he won the Most Improved Player Award. At the age of 20, Ed signed for Farnham Town in Division One of the Combined Counties League and played for the Surrey club for two and a half seasons.

After Farnham, came his first spell at Knaphill in 2010, joining in March until the end of the season. The start of the 2010/11 season began at Cove in the Premier Division of the CCL. But he became unsettled there and wasn't enjoying his football. Then came the return to Knaphill in January this year, where Ed said he's now enjoying his football immensely and has settled back into the team well and last weekend scored two of the six goals in Knaphill's 6-4 win against Frimley Green.

Other sports interests other than football ? A little bit of Golf, but football is the main sport, whilst other interests outside football includes Snowboarding like Music and Socialising.

THE LAST TIME

Five goals – and a five star showing as Knaphill demolished Eversley at Redding Way on Saturday with one of their best performances of the season.

Pressing right from the kick-off, Knaphill showed their intent as early as the fourth minute when Baker's pass found Chris Fox who delivered the perfect finish to make it 1-0. Plenty of initiative going forward, and as they did often during the match, penetrated the Eversley defence with conviction in their play.

The visitors failed to cause the home defence much trouble or threat on goal during the half, which had the home side on top. With some swift precision passing, Knaphill increased their lead on 33 minutes, when Edward Cardona found a gap in the Eversley defence and drill the perfect pass into the 18 yard box for Matt Baker to run onto and fire home.

Eversley did pull a goal back shortly before halftime from Daniel Taylor. But it was Knaphill who had the last say of the half when in the 44th minute, Chris Fox turned in the 18 yard box to make a fine strike, and a minute later, Richard Shelley made an excellent tip over the bar to deny Eversley on the stroke of halftime.

It didn't take Knaphill long to continue pressing home their advantage in the second half, when after 52 minutes Nick Darnell, struck a gem from a tight angle in the box for a 4-1 lead.

After 70 minutes, Knaphill brought on substitute Ricky Hogsden, back in the side following a three match suspension, and in the 77th minute, he followed up a fumbled save from the Eversley keeper, to glide in from close range for the fifth goal.

Still eager to increase the lead further. In the dying minutes of the game, Fox fired in a one final effort, but into the side netting as Knaphill finished on a high and a richly deserved win, which was their eighth consecutive victory, and their 10th from their last 12 league games.

**REDDING WAY
SAT APR 9
K.O 3.00PM**

BEDFONT SPORTS

Knaphill once again put another gutsy performance however came away with nothing to show for their efforts in the last meeting between the two sides.

Despite trailing 2-0 at half time, Ricky Hogsden pulled one back before Sports added a third however new signing James Wills, *pictured*, came off the bench to add a second for Knaphill who were denied a clear penalty towards the end.

Despite the result the Knappers are showing signs of what they are capable of and that elusive win they have been seeking for some time now is only around the corner.

**GETTING THE
WELCOME MAT
OUT FOR...**

**REDDING WAY
SAT APR 9
K.O 3.00PM**

CHOBHAM

We've already met our local rivals twice this season and twice at Station Road. Back in November we beaten 3-0 in the division one cup, our first defeat to our near neighbours for three years!

We soon put the record straight with a 4-2 win back in February with goals from Chris Fox, Matt Baker, Ricky Hogsden and Jack Ball, *pictured*.

This fixture is the rearranged game that Chobham failed to raise a side earlier in the season.

**FILLING
UP FOR...**

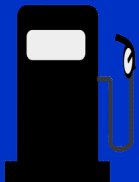

HARTLEY WITNEY

Knaphill's poor start to the season continued on with a 2-0 defeat to Hartley Wintney at Redding Way back in early September.

A bright opening from both sides but it was the visitors who took the lead with another calamity give away goal. Hartley added a second with two minutes remaining to leave the Knappers reflecting on chances missed and another poor second half display.

Last season saw lose 5-3 at Redding Way and claim a fantastic 1-0 win at the Memorial Ground despite palying with ten men for 80 minutes.

**GREEN LANE
FRI MAR 15
K.O 7.45PM**

**FILLING
UP FOR...**

HAYES GATE

Despite a good first half and a cracking 20 yard strike from Ricky Hogsden, (pictured) Knaphill's poor second half display saw them concede three soft goals to league new boys Hayes Gate at Redding Way on the opening day of the season.

Knaphill were very much dominant in the opening forty five minutes however an air of complacency set in and for the first time since the clubs arrival in the Combined Counties, The Knappers tasted defeat on the opening day.

**THE ORCHARD
SAT MAR 26
K.O 3.00PM**

RESERVES YOUTH

with Andy Martin

Defeat at league leaders was not a disgrace and the positives were in a number of individual performances. Also was the way we adapted in the second half away from our football principles go long from the back and squeezing our midfield to pick up the pieces.

For long periods we had Mole Valley on the back foot but couldn't pull back from 2-0 at half time. The last minute penalty for a bizarre bounce give Mole Valley a flattering score line but in fairness if the same 2 sides played next week it would be difficult to see us winning.

As we look towards next season we have some really strong young players and the best of these will, I am sure, figure strongly. We know we will attract the senior players we need to balance our squad and I would expect us to be able to have a number of players pushing for first team recognition. Hopefully we do this in the Suburban league and can look forward to venues more suited to playing good football.

Mole Valley Reserves 3 Knaphill Reserves 0

On a really very difficult pitch we started okay and matched a strong Mole Valley side for 30 mins. Trying to pall a passing game probably contributed to conceding 2 goals just before half time.

A change of shape with more of a physical presence and 3 up top, missing out our midfield allowed us to exert a lot of pressure without being able to finish. Mole Valley were awarded a penalty in the last minute when an uneven bounce hit George Pearce on the arm.

Team: Rogers, Kipping, Loffler, Philips, Pearce, Chisholm, Harvey, Slattery, Welsh, Bishop, Garston. Subs: Tancock (45), Bowers (55).

Remaining Fixtures

Sat 9th Bedfont Sports vs Knaphill
Thu 14th Knaphill vs Farnham Town
Sat 16th Knaphill vs CB Hounslow United
Wed 20th Sheerwater vs Knaphill
Sat 23rd Knaphill vs Mole Valley SCR
Tue 26th Knaphill vs Bookham
Sat 30th Knaphill vs Farleigh Rovers

YOUTH RESERVES

with Dougie Ford

Strong Foundations and a Bright Future

As the news of the floodlights having been installed reverberates around the ground, we can look forward in our planning and preparation for next season. We have a talented selection of 16 and 17 year olds currently performing well at the highest level, who will be eligible for next year so the foundations are strong and (not only the lights) but the Future is bright.

I am aware that several of our senior players will again feature in the Reserve and 1st Team sides next season, so I have to be comfortable that we have a large enough group of players who can compete in the competitive ACYL league and support both Tog and Dave in their quests next season.

As a result Mark and I have started networking with several key local clubs and are targeting specifically U15 and U 16 sides, to seek out the talented lads who we want for our next 2 years plans. We have had unsolicited approaches from several local boys who are interested in being involved next season.

In addition, I will watch local cup finals and attend other clubs trials to pick up on the better players who are not only talented footballers but who demonstrate the correct attitude. I believe we have a great balance in our current squad and we will only add players who fit in with the current boys. There is no room for Big Time Charlies at Knaphill. Team spirit is everything, we have had a great team spirit and character this year and we expect that to remain at the forefront of everything we do next season.

We have 2 league games left this season, both here at Redding Way and we look forward to getting familiar with our home pitch. We are excited about the prospects of playing 10+ games here next year. I believe this will give us a big advantage against the so called senior clubs who are in our league. We should not forget that we are playing teams whose senior sides are 2 or 3 levels above our 1st team.

We are all looking forward to playing the semi final of the CCL Grant McClellan Youth Cup, against Cobham FC U18's, which will be played at home on Wednesday 13th April. Come along and support the future stars of Knaphill FC.

If you know of a 15, 16 or 17 year old lad who is currently playing at the highest standard within their Sunday League structure and has the ability, attitude and the desire to make the transition from park football into the senior set up then please ask them to contact me on 07817 835519 or via email dougie@ossc.co.uk and I will happily have a chat to them and/or their parents.

Enjoy tonight's game.

KNAPHILL COMMUNITY NEWS

Around Knaphill Village...

Aid Worker from Knaphill - Inquest heard: A popular young British aid worker found dead in Afghanistan on 17 January last year was from Knaphill. Fay Martin *pictured left*, 24 died from carbon monoxide poisoning in the bathroom of her guesthouse, an inquest has heard. Fay, an agricultural research scientist and a member of the Baptist Mission Society had only arrived back in Afghanistan the same morning after spending Christmas and New Year at home with her family in the village. Fay had arranged to travel back to the northern community of Maimana in Afghanistan to continue her work before tragedy struck.

Estate Agents' crash motorist jailed: Luke Curtis, the 22 year old who crashed a stolen Mercedes into the Mann Countrywide estate agents premises in Knaphill after colliding with a Mazda has received a 17 month jail term at Guildford Crown Court. Curtis from Englefield Green had been carrying two young female passengers before he fled the scene in the early hours of 19 November 2010. Police have called his actions reckless and irresponsible. Repairs to the extensive damage at the frontage of the building were only completed at the beginning of March. 29/03

Girl's Night Out in Knaphill: Fame Academy's Carrie Grant and comedienne Jo Enright join forces to provide a Girl's Night Out in association with World Vision at Knaphill's Holy Trinity Church from 07.30pm on Friday 06 May. Carrie has also appeared on Pop Idol, as well as representing the UK in the 1983 Eurovision with the group Sweet Dreams. Jo Enright is an award-winning English stand-up comic who made her Edinburgh Festival debut in 1995. Her TV credits include 2008's Lab Rats and 2009's Ideal. Tickets are £8.00 in advance or £10.00 on the night.

Royal Wedding Day in Knaphill: There are a number of events planned in and around Knaphill for the big day on 29 April including big screen viewing and barbeques, bands and karaoke at a number of our local pubs. Some people are also thinking about their own private street parties. For details about road closures, licensing and insurance, residents must act quickly by contacting Woking Borough Council should they need advice and/or permission to go ahead with their plans. Point of contact for this at WBC is Geoff McManus who is their Head of Neighbourhood Services – email: geoff.mcmanus@woking.gov.uk 21/03

Knaphill Jam: Since 2009 the Knaphill Working Men's Club has been hosting a very successful Jam Night with many local musicians appearing. The evenings are held on the First Monday of each month from 8pm to 10pm and are open to non-members of the club with no charge for entry. Drinks at normal club prices.

THE FINAL WORD

I am really looking forward to tonight's game mainly because of it being our first senior game under our new floodlights but also to try to forget our last game. We did win our last game but we conceded four very poor goals. We also look forward to seeing Ian Savage back at Redding Way and of course the rest of the Eversley team and committee. We are hoping for a good crowd and a good game. Looking at the present league table it does look like we may not make a promotion spot this season. But it has been said before, never say never. The way this division is it is still possible. We are unbeaten now in 13 games of which 10 have been wins. All we can do is keep focused and keep winning. The teams above us will slip up so hang in there boys.

Can I also say very randomly that the after food of sausage and chips are going down a treat. We are getting good comments from the opposition and the officials. Our boys also are enjoying them, even to the extent of ordering some to take home. We take a pride in looking after everybody at this club and I am sure they all appreciate it. Hospitality at this club is second to none and it has been noted that we do not get this in return at some of our away fixtures. It is also important to note that the CCL representative who came to the Frimley Green game commented on our hospitality and on how well we were turned out. One of the hardest parts of looking after the opposition is actually finding out who they are. Many teams and managers plus committee turn up with no club attire at all. Mind you we as a committee go to away games in our club attire and still we don't even get asked if we want a cup of tea. In hear that in the Premier Division it is so much better. The sooner we get there the better.

The next few weeks are going to be hectic with so many games to play. At Redding Way it looks like 2 to 3 games a week until the end of the season. The next floodlit game after tonight is an Under 18's game v Alton Town. All these games will help to make this club a few pounds. I just hope the weather stays dry and the pitch can take the strain.

Make sure you all have the 14th May in your diaries. This will be our club day.

Detailed below is the what the club has decided to go with for this season's end of season do:

Saturday 14th May 2011

Club day for all players, officials, family and friends. Ticket price includes BBQ and 1 drink (served with BBQ).

FA Cup Final will be shown in clubhouse.

Mini 9-a-side tournament between the 1st team, Reserve team, U18's team and a vets team playing for the Vice-Presidents cup and bragging rights for the whole of next season.(11 players per squad).

Presentation of all club end of season awards and Vice-Presidents cup.

Ticket prices: £15 per player, £10 non player, £5 U16's, Free U6's.

Licensed snack bar will be open throughout the day selling beer, lager, tea, coffee, crisps, etc.

Children's penalty shoot-out

Timings: 11:00am - Doors open

12:00 Midday - 1st match kick-off

3:00pm - BBQ

4:00pm - Presentation of awards

6:00pm - Close

To purchase your tickets please speak to Carl Barker, Mick Garbutt, Bryan Freeman or Tom Davis on match days. So make sure you are present and bring friends. This will be a good day if you all pull your fingers out.

Good luck to the boys tonight and to the Under 18s on Thursday.

Testicular cancer is the most common cancer in men aged between 15 and 44.
If caught early enough it is 99% curable.
