KNAPPERS MATTERS

Club Secretary Bryan Freeman writes on all matters involving the Knappers.

Good afternoon everyone and a welcome to the players, officials and supporters from Farleigh Rovers, also to the three match officials for this Division 1 encounter today. Our last meeting against Farleigh was at the end of August when we secured maximum points with a 2-1 win, Nick Darnell and Chris Fox the goalscorers.

This season, Farleigh are riding higher in the league than they were at this stage last year and are currently fifth in the table with 45 points from 24 games, whilst Knaphill have, after holding around a midtable position for a while, moved up the table with five wins and a draw from the last seven league games and are now on 42 points from 25 games and in seventh place. This included a draw at South Park, wins over Warlingham, Cobham, Croydon Municipal, Westfield and Hartley Wintney.

Looking back on our three recent games, the last one at home two weeks ago, saw a 2-1 win over Croydon Municipal, with both goals coming from Gavin Brainch, and it could have been a bigger margin with one effort striking the bar from Nick Darnell, and the other a post from Matt Baker.

Then came the local derby at Westfield producing a display from Knaphill which Woking News & Mail Sports Editor Clive Youlton described as "simply scintillating as they tore Westfield apart in the second half". Knaphill led by a Craig Parrington goal on the stroke of halftime, with second half goals from Matt Baker(2) and Ricky Hogsden, to make it 4-0. With some better finishing, we could have scored even more !

Westfield team boss Dave Robson praised Knaphill's performance by saying "I couldn't fault my lads commitment, but the difference was in their quality. They outplayed us in the second half, and are a much

better team than Staines Lammas who beat us on Saturday, and their back four was on a different level to the one we faced earlier in the season".

Last Saturday it was a trip to third placed Hartley Wintney, a side who had beaten us in Cup competition earlier in the season, and inflicted a 5-3 defeat in the league at Redding Way. What a great result though came from that game !

Knaphill's commitment, desire, determination, and good defending, overcame the loss of Ricky Hogsden, who was sent off after just 12 minutes. But to play for nearly 80 minutes with 10 men, one couldn't praise those players enough as they went on to gain the three points in the 1-0 win, the goal coming from a well struck, typical trademark free kick from Matt Baker after 83 minutes. That result put Knaphill just four points behind 3rd place Hartley Wintney in Division One.

Looking ahead to fixtures coming up, starting with next Saturday 27 February away to Farnham Town (3pm) followed by two home games, Saturday 6 March, CB Hounslow are the visitors, and on Saturday 13 March, Knaphill, play hosts to Coulsdon United. All home and away league games have now reverted back to 3.00pm kick-offs. Fixture wise after today, Knaphill have 14 games remaining.

So, that's about it from Knappers Matters for this week, more news, views and match reports elsewhere in the programme.....

Enjoy the game....

touchline talk

with manager
Bob Pritchard

I have said for a long time that consistency plays a big part in a team's progress and the season is proving to be a tale of two halves. The second half of our season is certainly more productive than the first when we struggled to regain the form of the previous season and we could not get a run of results together. However, since January the situation has changed considerably and apart from the two blips against Met Police and Feltham, we are at long last playing something close to our full potential.

The turning point came at South Park back in January and although we did not win the game, we earned a credible draw which was achieved by an all round team performance full of commitment. This against a side that was a good vein of form at the time and who confidently beat us here at Redding Way earlier on in the season.

Some people will have their own theories as to what changed that day but one thing is for sure it was definitely the turning point of our season so far. Craig Parrington would have you believe it was his signing that made the real difference (lol), I'll let others make their own judgement, but looking back, I believe there are a number of reasons which made a significant difference.

I think the players realized that were not doing themselves or the club justice with their indifferent performances and lack of application which was probably our major downfall. Also, we had this air of invincibility about us, probably a hangover from last season, definitely a mistake because we had to learn all over again that we had to buckle down and work harder if we wanted to get anything out of the remainder of the season.

Of course confidence plays a big part and winning breed's confidence, some players were struggling for form which every player suffers at some point during the season, but judging by current performances we are truly back to playing some of our best football. Everyone must take credit for the change that has taken place not least the players themselves for waking up at long last to reality; we have now pulled together and are well and truly back in the groove.

Looking back on recent events I always find it interesting reading other people's comments after games especially Dave Robsons when we convincingly beat his side 4-0 on their own turf and he seems bemused as to how we could get such a side together. Not sure what the inference is, but make of this what you will, but surely it cannot be that difficult for him to see what the difference is and why we have got such a good side together. If he cares to call me I'll let him know!

Looking ahead we have some interesting games coming up, and today's game against Farley is no exception and although we have only lost the once in the last five outings, they are having a good season and will no doubt prove to be a good test for us today, but I am confident we can maintain our current good form and continue our climb up the table.

Enjoy today's game.

KNAPHILL F.C AGAINST RACISM

AWAY DAY MATCH REPORT

Combined Counties League Division One
Wednesday February 3 2010
Feltham 1 Knaphill 0

A disappointing night for Knaphill with the 1-0 defeat by Feltham on Wednesday night from a game that was played on a poor pitch, making it impossible to play good, if any football on for both teams. However, despite the conditions, Knaphill were unable to capitalise on the chances they had from which with better finishing could have secured at least a point.

Knaphill went into the game off the back of two good wins from their previous two League games against Warlingham and Cobham. They had an opportunity to open the scoring in this game after 21 minutes when Ricky Hogsden tried to work his way round the keeper, but left himself a tight angle and shot wide of goal. Although both sides were creating opportunities, Feltham had a slight edge and took the lead in the 23rd minute.

On the half hour, Knaphill defender Dan Cox delivered a fine cross which zapped across the face of goal, but no Knaphill player was close enough to connect with a shot on goal. The hosts seemed quicker to the ball, and although Knaphill did create chances, the final delivery and cutting edge was missing. Shortly before the break Matt Edwards layed the ball off to Hogsden whose effort went agonisingly wide of the far post.

In the second half, Hogsden had a chance to score but with too much lift on the ball, shot over the bar. The Knaphill goal had a couple of lucky escapes as Feltham were looking for a second, and Richard Shelley denied the home side twice, the second was a tip over the bar following a fierce effort from Luke Craig.

It was not a night for skilful football with the condition of the pitch, but there was the opportunity late in the second half for Knaphill to equalise, but two opportunities, the best one from Chris Fox, were not capitalised on and went wide of the post.

Team: Shelley, Cox, Miles, Greene, Burns, Fox, Darnell, Edwards, Parrington (Baker), Murrells, Hogsden

Chairmans Chatter

WITH TERRY CHAPMAN

It seems to have been a while since I can honestly say I think we might just have turned the corner. The result at Hartley Wintney was incredible. We won 1-0 away from home with 10 men. The team we beat managed to beat us quite easily at the beginning of the season. If anything, they boasted at being a stronger side than when we played them previously. The whole squad deserve a massive pat on the back. They chased, fought and played some very good football. I think that was the best team performance I have seen since joining the club.

We were down to 10 men very early in the first half after Ricky Hodgson was sent off for so called kicking out at an opponent. Ricky was, in my opinion, badly treated and had to withstand a lot of abuse before the incident. Bob Pritchard re-organised the team and got the success he deserved. Of course the winning goal came from a trademark free kick by Matt Baker. Can I also thank the Chairman and his committee at Hartley Wintney for their hospitality and welcome.

If my understanding of statistics is correct we now have won 5 of the last 7 fixtures. One of these fixtures was away at our local rivals Westfield. I cannot put into words any better than the way Clive Youlton of the Woking News and Mail described it: "ANYBODY watching Knaphill on Tuesday night will be wondering just how they have managed to be so below-par with such quality."

Bob Pritchard's men were simply scintillating as they tore Westfield apart in the second half, having led through Craig Parrington's goal on the stroke of half time.

Knaphill had the game wrapped up 15 minutes into that second period, with Ricky Hogsden and the superb Matt Baker on target, before a Baker penalty made it 4. Frankly, it could have been 8 and both strikers were guilty of poor finishing.

"Westfield were gone after quarter of an hour of the first half and couldn't cope with our football even though our first goal came at a good time for us," said Knaphill boss Pritchard. "The scoreline was a better reflection of the play later on."

Westfield boss Dave Robson, who gave a debut to Adam Yates, mused: "We hung on well in the first half despite their possession. "I couldn't fault my lads' commitment but the difference was in their quality. They outplayed us in the second half and it makes you wonder how they have got a team like that together....They are a much better team than Staines Lammas who beat us on Saturday. And their back four was on a different level to the one we faced earlier this season."

After the game I did a collection for the girl who broke a leg during the ladies fixture, Knaphill v Westfield last Sunday. We managed to raise a very creditable £100.00.

This week has been a very busy week with W.B.C, The Football Foundation and with the Finance Committee
Information for you is that the Grant from the Football Foundation towards the development of the

ground will be in place in early June. It takes between 10 to 12 weeks to get this approved. All the information for this application will be completed by this weekend and the application will be submitted by Friday 26th February. This will lead to work being carried out by the middle to end of July. This is all good news and will take us a step nearer our goals.

On the finance side, we simply need to make more money. We need to get more people to spectate and more people to spend at the snack bar. We have a few fund raising ideas coming through at present so do try to join in.

Also very important is the end of season 'do'. This will need your support. We will be discussing this at the committee meeting on Monday. I will be proposing that it is compulsory to attend and that all defaulters will pay a fine!

We will also shortly be introducing an appeal for the money needed to pay our part of the cost of the ground developments. We are going to need to raise upwards of £6000.00 so let's have your help and ideas. Do not leave it to the few of us to pay for this bill.

Chairmans thought

Cheers for now

Knaphill 2 (Darnell, Fox)

last time we met here

Combined Counties League Division One Saturday April 25 2009 Knaphill 3 Farleigh Rovers 1

Knaphill followed up their midweek win over local rivals Sheerwater, with three more points in the 3-1 win against Farleigh Rovers at Redding Way on Saturday, as the challenge for the title remains on course. Despite a first half of missed chances and an early strike against the post, it was the second half that Knaphill showed the better football blitzing Farleigh with three goals in a five minute spell.

Although the game opened at a fast pace, the early effort from Michael Pym whose shot came back off the post, and further opportunities, were not strong enough to give them the advantage as the half wore on. Chris Fox, who was proving instrumental when Knaphill went on the attack, had a shot cleared by the outstretched leg of keeper Ollie Waiton, whilst at the other end, Richard Shelley was forced into his first serious save from Paul Spencer after 32 minutes.

Chances fell to Knaphill when David Stevens sent a perfect cross into the 18 yard box, but two players failed to get a touch on the ball. Then after 36 minutes, a good cross from Fox was met by Ricky Hogsden whose shot was scooped out by the keeper, only as far as Pym who was too slow to react and the chance had gone. Shortly before the break, a header from Pym went close, but was tipped over by Waiton.

The second half produced a much more positive and livelier display from Knaphill as they were driving forward with confidence, and in a five minute spell early in the half, stormed to a 3-0 lead. In the 50th minute, Pym's pass found Baker who turned for goal, and rifled the ball past the keeper from 15 yards. It was the leading goalscorer's 25th goal of the season.

After 52 minutes, Chris Fox made a brilliant solo run weaving past defenders to finish in style and make it 2-0. Knaphill were now moving into top gear with some neat one touch football and pressure on the visitors defence. In the 54th minute they increased their lead when Ricky Hogsden, with time and space, unleashed the perfect shot and into the far corner of goal. Three well taken goals that had rocked Farleigh as the home side's pressure continued.

However, Farleigh did break through reduce the deficit after 65 minutes when Chris Gedman found room in Knaphill's back four, to fire past Shelley, who had just got a hand to the ball as it flew into goal. In search of a fourth goal, Edwards fired just wide on 72 minutes, and a Pym shot was blocked by the keeper.

Knaphill Football Club began its life in 1924 at Waterer's Park. Waterer's Park was left to Woking Urban District Council in 1924 by Mr Anthony Waterer of Knaphill Nursery. The Recreation Ground was originally part of the nursery called "Blue Gates Field" and the park was laid out by Woking Council between 1924 and 1928 - the task taking so long as the bottom part of the field was very "soggy", whilst the rest was uneven and infested with moles. And these conditions can still be seen over 70 years later!

Very little history is known about the Club between 1924 and 1980, although we do know that the team colours were originally red and white.

In 1980 Knaphill were represented in the Old Woking and District League (now Guildford and Woking Alliance League) in Division 3 under Manager Dave Holloway. Dave took them from Division 3 through promotion to the Surrey Intermediate League. Dave then left Knaphill to take over Conference side Woking's reserve and youth teams.

The late Andy Westcott took over the Manager's position at Knaphill in 1984. Andy successfully took the Club from Division 3 to the Premier Division 1, at the same time Clive Howes was running the Reserve Team, who also won promotion from Division 3 to the Reserves Premier Division 1. Geoff Poulton was to go on to take over the running of the Reserve Team from Clive Howes.

In 1990, Mick Garbutt became the Manager of Knaphill and Paul Bambini was running the Reserve Team. Mick Garbutt left the Club in 1994 to join up with Colin Lippiatt and Geoff Chapple at Woking. After this time the club went into decline and was struggling for players for both the First and Reserve Teams. The decision was taken by then Senior Secretary, Sean Carrigy, to approach local team Heathlands, who were playing in the Guildford and Woking Alliance League. Heathlands found themselves struggling for facilities but not players; this gave the two teams the opportunity to amalgamate.

Season 1995/96 saw the arrival of Greg Anderson as Manager, with Sean Carrigy running the Reserve Team.

In 1996 Dave Freeman took over from Greg as First Team Manager. The Reserve Team Manager's position was handed over to Noff Diliberto in 1997; he left the Club a year later, when Carl Barker took over.

Season 2002/03 saw 2 new men at the helm with Mick Garbutt in charge of the 1st Team and Frank Walters in charge of the Reserves. Paul Bailey took over midway through 2002/2003; Carl Barker then had a second spell as Reserve Team Manager with Danny James as Reserve Team Coach and Dave Freeman as 1st team coach.

At the start of the 2003/2004 season the club formed a third team named KNAPHILL 'A' to play in the Guildford & Woking Alliance League due to volume of players at the club. Carl Barker took over as A Team Manager with Danny James in charge of the Reserves.

The 2004/2005 season brought about further changes at team management level seeing Dave Freeman retiring from playing due to injuries and being appointed as 1st Team Manager with Mick Garbutt stepping down to Assistant Manager. There was also a new man at the helm for the A Team with Kevin Fletcher taking over from Carl Barker who had taken up the Chairman role. The club also moved into their new ground at Redding Way and the re-development of the Waterers Park ground, due to be finished by April 2005, giving Knaphill Football Club some of the best facilities in the Surrey area.

In the 2004/2005 season the Reserves finished Runners Up to Old Rutlishians and the A Team were beaten by a last gasp winner in the Junior Cup Semi-Final against Shepperton FB with 1st Team finishing 7th in their respective division.

Season 2005/2006 was destined to be a big season for the club with the club established at its new ground at Redding Way and the A Team reverting back to Waterers Park having had the facilities rebuilt. 1st Team Manager Dave Freeman continued in charge for the 2005/2006 campaign and appointed former professional with Bristol City, Bob Pritchard, who has also managed at senior level with Chertsey Town, amongst others, as 1st Team Coach. Kevin Fletcher was appointed Reserve Team Manager having impressed by running the A Team the previous season. The 2005/2006 season did prove successful as we won the Division One title on the last day of the season against nearest rivals Virginia Water and gained promotion to the Premier Division. Season 2006/2007 continued with Dave Freeman in charge of the 1st Team and Paul Bailey re-appointed as Reserve Team Manager. The A Team management was split during the season. Martin Hobson took charge during the first few months but had to resign due to work and family commitments. Gavin Wilcox and Tim Handley then took over until the end of the season.

The 1st Team claimed back to back titles by winning the Premier Division Championship which resulted in us achieving promotion to the Combined Counties Football League, the most successful period in the club's history up to then. Bob Pritchard took over from Dave Freeman as Manager who became Bob's assistant during September 2007.

historyofknaphillfootballclub

The 2007/08 season was the busiest the club has ever endured. Over 45 matches were played at Redding Way and the pitch was still the best in the league at the end of the season. Bob Pritchard and Dave Freeman led the club to a very commendable 7th place in the CCL, our first in senior football. The early season had seen Knaphill pushing for a top 5 position, but poor runs over the Christmas & Easter periods saw the clubs performances drop off the leading runners; still 7th place was an excellent result considering the circumstances. Steve Hutton led the Reserves campaign, a massive 40 games with a mixture of good and bad results, beating the leaders of the league on at least two occasions, but dropping too many points by conceding late goals. The A Team had an up and down season eventually finishing in 7th place in the GWAL 3rd Division table.

The closed season also saw the amalgamation of Knaphill FC and Knaphill Wanderers (the junior sides) at long last under the Knaphill FC banner. The Wanderers will keep their identity for the coming season and plans to achieve the highly sought after FA Community Charter status will continue in earnest.

The 2008/09 season started with a most welcome new face, the former Bisley and Farnborough Assistant Manager, Ian Savage. Ian joined us as player/coach and with his experience and knowledge this club has the right to feel proud that he chose to join Knaphill after receiving many other offers from teams at higher levels. Steve Hutton has left his post as Reserve Team manager for pastures new in the summer and was replaced by the very experienced Graham Pope, however Graham left the club in November due to personal reasons and side is now run by Adie Wilson and Lee Cook.

The A Team is now under the control of James Taylor and Brendan Baker who received the good news at the GWAL AGM that their team is to play in the 2nd Division last season after wholesale changes in the leagues constitution. With a reduction in League games in Division One to 34 from 38 in 2007/08, Knaphill entered two new Cup competitions. the Anagram Trophy and the Southern Combination Cup, both of which saw an early exit. However, the team kept a high profile in the League staying in the top half of the table all season, eventually finishing in fifth place. They could have become champions had they won their last game of the season when, in a tightly bunched set of teams in the top six. Knaphill on 69pts needed to win at Farleigh to pip Staines Lammas to the title. Disappointingly they lost 3-2, so near yet so far.

The Reserves finished ninth in their Division with the second half of the season providing a 17 match sequence losing just two games. Adie Wilson having taken over in November from Graham Pope gelled well his players and together that was shown with the results. The A team won promotion to Division 2 of the GWAL, their second move up the ladder having been promoted from Division 3 to Division 2 the previous season. The new season sees a B team starting their first season in Division 4(North).

In the close season Terry Chapman was voted in as the new Chairman, replacing Nick Croshaw who stood down after two seasons. The newly formed Ladies side will also come under the senior banner and once again enhance on the size of the football club. Plans for floodlights and hard standing alongwith a 100 seated stand at Redding way are moving forward with the help of Woking Borough Council who continue as in recent years to support the football club.

So, a challenge ahead for individuals, players and management combined for the new season 2009/10.

AWAY DAY MATCH REPORT

Combined Counties League Division One

Tuesday February 9 2010

Westfield 0 Knaphill 4

(Match report courtesy of Westfield FC)

It's hard to write a report just after you've been hammered at home by your local rivals. So I've left this over 24 hours to try and work out what went wrong. First and foremost Knaphill were superb. Bob Pritchard's men from 20 minutes onwards looked the only side in the game and Westfield would have done well to see out the half 0-0. Sion Gallent had to make two fine saves and Baker should have done better twice. The visitors scored on the stroke of half time when Parrington arrived in the box to smash home into the roof of the net. If it had stayed level at the break would we have seen a different game? I seriously doubt it but you never know.

If Westfield thought Knaphill would pay for their slender lead they were wrong, Baker and Hodgson although again missing a good chance each were gradually becoming unplayable with touch and movement drawing out the Westfield centre half's and creating space for the midfield runners. On that subject both Lee Mason and debutant Adam Watts had good games and without some last ditch tackles the score could have been more.

Two quick goals from Hodgson and Baker around the hour mark settled the game and it wasn't until the returning Joe Taylor was brought on with 25 minutes left that Westfield regained composure in midfield and started to pass the ball. Knaphill added a 4th through a Baker penalty with 5 minutes to go and it wasn't until the 85th minute that Westfield threatened the visitors goal, both efforts were cleared off the line however.

So a convincing win for Knaphill who produced some of the best football seen in this division for years. The challenge for them is to surely play like this every week rather than just local games. As for Westfield as manager Robson said the commitment can't be faulted. However this is a senior level of football and effort alone isn't good enough. A number of players need to have a serious look at themselves and their ability with the ball at their feet. Westfield will be looking to bounce back at home to Crescent Rovers this weekend.

LATEST MATCH REPORT

Combined Counties League Division One
Saturday February 13 2010
Hartley Wintney 0 Knaphill 1

To visit third place Hartley Wintney and hope to continue their revived league form with a win, would have been pleasing for Knaphill with eleven men, but after the dismissal of Ricky Hogsden, just 12 minutes into the game, it made Knaphill's outstanding performance with ten men, an even better achievement in the 1-0 win. They showed great character, commitment and good defending against a Hartley Wintney side who could not breakdown their visitors, despite producing several goal scoring opportunities throughout the game.

In the first ten minutes, there were not too many early chances for either side, before a clash between Hartley's John Rimmer and Knaphill's Ricky Hogsden, resulted in the Knaphill striker being shown the red card and Rimmer a yellow, leaving the visitors the task of playing nearly 80 minutes with ten men. But as the half progressed, and more so in the second period, Knaphill showed great battling spirit as they contained the home side.

Hartley had a chance on 26 minutes, but Richard Shelley made a timely save from a close range effort, whilst their keeper was not too seriously tested by the visitors. Shelley was to make an instinctive save with his legs from Bevins, after 36 minutes, then Hartley had a header that struck the post shortly before the break.

In the second half, Craig Parrington fired in a shot on goal on 58 minutes, but with too little power, made it easy for the keeper to save. Matt Baker went close with a goal opportunity in the 63rd minute in a one on one with the Hartley keeper who saved his oncoming effort. Knaphill continued to defend well, and Warnick's effort for Hartley after 76 minutes, brought out a fine save from Shelley.

Knaphill were creating openings for goal scoring opportunities as they strived to break the deadlock with more pressure on the home goal. It was in the 83rd minute that they got their just reward for their determination, when Matt Baker's free kick from just outside the 18 yard box had his trademark stamped on it and was delivered with perfection beating the defensive wall and keeper. All credit to a Knaphill side gaining a deserved win, and who have now gained sixteen points from seven games over the past six weeks.

INSIDE TALK

**BOOTROOM
BANTER**
nathan miles

This week Bryan Freeman gets the Inside Talk fromdefender Nathan Miles

Nathan Miles, now in his second season with Knaphill, has recently been given the opportunity of becoming captain in the first team and with this responsibility, he feels that it's injected more life and inspiration in his defensive role within the team. But being captain of a team would have been furthest from his thoughts as Nathan started out playing football when he was just six years old !

From that age, Nathan donned the kit and joined the Juniors set up at Meadow Sports, where he stayed until he was fifteen. During that spell he was involved with teams that won two league titles and he became a long serving member in the many age groups that Meadow Sports produced. At the age of 15, Nathan joined Cobham Youth and went on to progress to playing in the Reserves and also a place in the first team squad. Nathan was in the Reserve team that won the League Cup in 2006, and in the same season won the Players Player of the Year award.

Moving on, Nathan was at Hellinic League side Bisley for the 2007/08 season in their Reserve team. After the one season at Bisley, he signed for Farnborough, but it was to be a short stay, as he had loan spells with Godalming Town and Burnham until around mid-season of 2008/09. But the short stay at Farnborough via loan spells, was to become their loss and Knaphill's gain when Bob Pritchard signed him for Knaphill.

Nathan's first games for Knaphill were in late December 2008 against Staines Lammas in the 1-0 defeat and the 5-1 win at Westfield, and he went on playing regularly until April, when he sustained a hamstring injury at Warlingham, which put him out of action from those last few weeks of the season. He was unable to start playing again until just after the new season 2009/10 got underway, 13 weeks since his last game.

When 23 year old Nathan signed for Knaphill, he obviously knew that it was a drop in League status from his previous clubs, but he expected the League(CCL) to be a tough one. Nathan believes it is even tougher this season, with those clubs coming down from the Premier, Cobham and Hartley Wintney, and some of last seasons clubs in Division 1 like Worcester Park and Farleigh Rovers becoming stronger and a bigger challenge in the Division.

“Bearing that in mind, we’ve had to raise our game, I believe we are performing better now than last year, and especially since the beginning of this year” said Nathan. How’s being captain playing a part of your season now ? ” I feel the role is improving my playing and the responsibility that goes with the captain’s role is helping towards us getting the best results over the recent games and the feeling of confidence”.

A difficult final question to fire at Nathan, but does he feel that gaining say a 3rd place finish, a possible reality ? Nathan said “It’s a tall order, but have no doubt at all, we are capable of a winning streak to obtain that”.

Yes, a tall order indeed, and with consistency also being an important factor as part of that possibility, Knaphill, will need to show a strong challenge between now and May.

UNSUNG HERO'S...

Spotlight on...

CARL BARKER

Carl Barker: Knaphill Vice-President

Age: 48

Childhood hero: Peter Osgood

Favourite Team: Chelsea

Favourite player currently at club: For all the fantastic years as a Knaphill player, Matt Baker. But I also think Nick Darnell is outstanding in the current team.

Favourite moment at the club: The successful bid for our home ground at Redding way.

Hopes for this season: Completion of the ground development, floodlights, Stand etc.

Carl Barker has been a member of Knaphill Football Club for 13 years and has covered many roles within the Club from a player to Vice-President. A good clubman with the full interest of the club both on and off the pitch. Carl moved to Knaphill in 1997 when he was 36 years old and it was his intention to find a local club to play out a couple of years in the reserves before he retired.

After talking to then Knaphill Manager Dave Freeman, Carl got his first game in the reserves and was then selected for the first team. After a few games he became captain and enjoyed a couple of seasons in the first team before taking over as player Manager for the reserves, winning promotion in his first season. During this time Carl was working closely with Kevin Barkham and Sean Carrigy from the Juniors section to develop the new Waterers Park facility as a home for the club.

In 2003 a new challenge he set up the 'A' team as a link for the junior section to help integrate our youth into senior football. Although no one from the junior section took up this initiative the 'A' team continues to thrive under the current management and due to its popularity has also expanded to include a new 'B' team. Knaphill F.C. now runs 4 adult sides.

Carl's positions at Knaphill have been as player, Manager, Committee member, Chairman and now Vice-President. Retiring from playing football at 42, He did at least get his couple of years in the reserves!

Carl is also helping the club on matchdays and is involved in the on-going plans regarding ground development which is now coming to fruition. Thank you to Carl for all the time and effort he has put into Knaphill Football Club over the years, on and off the pitch.
