## Welcome to Redding Way

Good evening everyone, and welcome to the players, and officials from Farnborough North End, and tonight's match officials, for our last match of the season. A season which has been a contrasting one for Knaphill which you could use as a cliché of 'a season of two halves', prominently relating to our results in the league programme for 2010/11. But before talking more about that, we start with tonight's final game which for our visitors sees the end of a tough first season for them in the Combined Counties League.

Farnborough North End are at the foot of the table, having played their penultimate game last Saturday with a 4-1 defeat against Westfield, which sees them with 19 points from 35 games, having won five, and lost twenty six, conceding 101 goals, and have been unable to use their home ground during the second half of the season, playing home games at neutral venues. The meeting between tonight's teams back in August, resulted in a goalless draw, a game that saw Knaphill create so many goal scoring chances, but only came away with a point.

Back to my point at the beginning of my column regarding a season of two halves. It relates to the disappointing part of the 2010/11 season from August through to the end of November when the team reaped just twelve points from fifteen games. But after that came the dramatic change in results with a 16 match unbeaten run, and together with the new management duo of David Freeman and Adie Wilson, it was to produce 13 wins and 3 draws, to lift us up to fifth place in the table by the middle of April.

But suddenly that came to an end on a Friday evening at Hartley Wintney with a 2-1 defeat, a game where we had enough second half chances to get at least a point from. Since then, three successive defeats against Warlingham, Hayes Gate and Worcester Park has set the question – how have we lost four on the trot after an excellent run of sixteen unbeaten games?

Well, from the last three games, two we didn't play well enough, whereas our most recent game at Worcester Park on Easter Monday should have seen the team come away with at least a worthy point. Trailing by two early goals, the lads battled back to reduce the deficit with a Joe Turner first half strike, and a second half which saw us dominate a lot of the game, brought a deserved equaliser from Ricky Hogsden on 81 minutes. But unfortunately we had nothing to show for it as we were caught out in the 90th minute with a breakaway goal from Worcester Park to give them a 3-2 win. Fortunate for them, unlucky for us! So as you can see, a lot can happen in football in less than three weeks!

Our Reserves finished their season last Saturday with a 5-2 win over Farleigh Rovers at Redding Way, which made it ten points from a possible twelve in their last four games of the season, which has also brought maximum points against Sheerwater 2-0, and the Reserves Division champions Mole Valley 3-2, whilst sharing the points in a 1-1 draw against Bookham.

Knaphill's Youth U18s team have now finished their season, the first in the Allied Counties League, and their very last match came in Cup competition last Thursday in the final of the Grant McLellan Youth Cup. But unfortunately, they could not turn on the form shown in the previous four rounds and lost 2-0 to Bedfont Sports U18s in the final played at Bedfont Town FC. Credit though to the team for reaching the final of the Youth Cup in their very first season. More news on the Reserve and Youth teams, elsewhere in the programme.

Back to this evening, and we look forward to an entertaining final match of the season here at Redding Way as the 2010/11 season draws to a close.

As we bring the curtain down on our season we have two mascots for Knaphill this evening. They are Jack Freeman and Thomas Eliot. Jack is a Nottingham Forest fan and his favourite Knaphill player is Matt Baker and Thomas Eliot is a Manchester United fan.

Thank you for your support, see you in August!  
Enjoy the game.....

# TOUCHLINE TALK

With Joint Manager David Freeman

So here we are, the last game of the season in what has been another rollercoaster ride for the club. We've had our disappointments but we've come through them to put ourselves in a respectable finish in this tough division.

After our brilliant unbeaten run of sixteen games with thirteen of them being wins, we have found ourselves losing the last four games and a run we are hoping to end today and to finish the campaign on a high. It's been a long, hard season with highs and lows, we've endured the injuries and suspensions that you always get and we've got on with the job of trying to reach a target that everyone connected with life at Redding Way sees before them.

For some weeks now it has been a case of battling through the changes that have been forced upon us but we're in a position now that indicates to me that somewhere along the line we must have done something right.

If ever you can take positives from defeat the time to do it was a week ago at Worcester Park when I defy anyone present to say we did not deserve something from the game. It was a decent match but we left - not for the first time in recent weeks - feeling a little aggrieved at having to face a journey home with nothing to show for our considerable efforts.

They say that good fortune, luck or whatever you want to call it, always evens itself out over the course of a long, hard football season. I'm not certain about that but there is another theory that you get out of the game and life in general what you put into it. And on that score we are certainly due one or two breaks.

I simply cannot fault this squad of players since Adie and myself took over and apart from one or two games I believe they have all given there all in order to try and turn around the clubs poor start to the season.

However, the last two games we have seen two sides to the group of players. Our match against Hayes Gates was one of the worst experiences I have been involved with in my time at this club and as you can expect myself and Adie made our feelings known.

After a few changes, some forced due to holiday and injury, we shuffled the pack and brought in some of the younger players and I am pleased to say that they and the other players involved did not let themselves down and they put in a performance that everyone can be rightly proud off despite the result. To come back from conceding two early goals and drawing level against the title bound favourites Worcester Park showed great team spirit however, we maybe showed a bit of naivety at the death and allowed our hosts to snatch a win they did not deserve.

Back to tonight and we will look to return to winning ways and finish the season on a happy note. Not only would a win be nice but I will expect the players to put in a decent performance and to remind people what we are capable of.

I would like to take this opportunity to thank the wonderful people we have at this football club. A big thank you to the chairman Terry Chapman and his hard working committee, to Peter and Joan and to everyone that has supported us this season.

Before I sign off I would like to welcome Paul Xiberras, his players and all those connected with Farnborough North End Football Club to Redding Way and hopefully despite some recent troubled months they will remain in the league and they visit us again.

Enjoy the summer and hopefully see you all again next season!

## Knappers Suffer Another Set Back

Following their unbeaten run of sixteen matches, Knaphill suffered a second defeat in the space of four days, when they lost 2-0 to visiting Warlingham at Redding Way on Tuesday night. It was their first home defeat since the end of last November. Enforced changes in the team saw regulars Chris Fox and Alex Lumley missing from the line-up through injury and illness respectively.

It was Warlingham who made a quick brisk start in the opening spell with some early pressure, and after 12 minutes went close to scoring. Fortunately for the home side, Nick Darnell was in the right place to clear a goal bound effort off the line. But the visitors struck one minute later as Knaphill's defence failed to clear their lines allowing James Ang to fire home past Richard Shelley.

Knaphill were unable to put enough pressure or threat on the visitors goal in the first half, although a dazzling run down the left by Jack Ball ending with a fine pass across the 18 yard area, was unable to have anyone up front make a decisive contact.

The visitors went close on the half hour to increasing their lead, but Knaphill were able to deny them any further opportunities to add to the one goal lead in the last fifteen minutes of the half, whilst the home side were missing the influential midfielder Chris Fox who could have proved more of a danger with his penetrating runs into the visitors defence.

Although not making much of an impact in the first half, Knaphill showed a much better and improved display in the second period, with more pressure, and creating more opportunities as the half wore on. Brian Murphy's free kick on 48 minutes was met by a Matt Baker header which went just over the bar, and later Murphy delivered a driving shot from 25 yards which forced the keeper into saving at the foot of the near post.

In the 74th minute Darnell's effort flashed just wide, and minutes later Ricky Hogsden had a shot blocked and turned away for a corner as Knaphill stepped up their work rate. But as the match entered its final stages, the chance of an equaliser for the home side appeared to be slipping away. Hogsden was unlucky with an effort just wide of the far post in the 87th minute.

Within two minutes, Knaphill had a free kick on the edge of the 18 yard area, which resulted in a wasted chance for any Knaphill player to get on the end of, and from that, Warlingham made a swift break downfield and former Knaphill midfielder Matt Brunt was given the freedom of Redding Way to score the visitors second goal, and leave Knaphill with nothing to show from their second half display.

[www.circleexpress.co.uk](http://www.circleexpress.co.uk)

With this the last of our featured 'Getting to Know' series for this season, it falls appropriately on the 2010/11 season's top goalscorer Ricky Hogsden, who was also top scorer (by one goal over Matt Baker) for 2009/10 season. Prior to the last game of the season, Ricky has scored 18 goals, and made 35 appearances (3 as substitute). Eleven of those goals came from late January through to 25<sup>th</sup> April, and he could still add to this season's total by scoring in the last match tonight!

Born in Guildford on 15<sup>th</sup> July 1984, Ricky started playing football a bit later than some of his current Knaphill team mates, when at 10 years old he joined Sheer Tigers, but not in his now familiar role of striker – but as a goalkeeper, and was in the team that won the League title. From that position he started to move 'upfield' and had a midfield role when he moved on to play for Onslow Boys for two years, and gained a Cup Finalists medal with the club. Eager to play more football, Ricky also turned out to play for Cranleigh Youth in evening games.

At the age of 15 years, Ricky was moving up a gear as far as Leagues were concerned when he joined Shalford then in the Guildford & Woking Alliance, and stayed there for seven years. His commitment to that club was rewarded with four League winners medals, a League Cup winners medal, and County Cup runners-up medal.

## GETTING TO KNOW...

# RICKY HOGSDEN

Ricky was still with Shalford when they gained promotion to the Surrey Intermediate League and throughout all the time he was with the Club, Ricky was top goalscorer. At Shalford, Ricky was also voted Manager's Player of the Year twice, Players Player of the Year twice, plus the Surrey Advertiser Player of the Year award. But the medals and awards didn't stop there for Ricky.

In season 2007/08 he left Shalford and went up a League level by joining Westfield in the Combined Counties where in his first season Ricky became – top goalscorer. Probably no surprise there following his track record with Shalford.

The stay at Westfield was for just one season as the team began to split up after the end of the 2007/08 season which led to Ricky making the move to Knaphill for the 2008/09 season.

In his first season with Knaphill he didn't make the top goalscorer, but that was only a 'one off' as the last two seasons have shown, Ricky has got to number one, or in other words – top goalscorer! Although he just pipped Matt Baker for the top spot last season, after the latter had achieved that award for several seasons before, Matt has still become part of the strikers 'double act' as he has scored 13 goals this season.

Well done Ricky for your goals tally, in this your third season with the Club, and we look forward to season 2011/12 when not only you, but also Matt will be scoring even more goals for Knaphill in what we hope will spearhead the bid for promotion to the Premier Division.

**WELCOMING**

# **FARNBOROUGH NORTH END F.C**

## **Club History:**

Farnborough North End came into existence on 11th May 1998 when Covies F.C. changed their name in order to avoid any confusion with the youth organisation of the same name and to identify themselves with the area they were about to move into in Farnborough (the 'north end' of Farnborough).

Originally formed as Farnborough Covenanters F.C. in 1967 by Keith Elliott of the Church of the Good Shepherd, Sand Hill, Hawley Estate, the club was entered into the Woking and District League. By 1981 the team had become two teams and had progressed through to the top division winning the Southern Railwayman's Orphanage Cup on the way.

The club's current President, Chairman and Secretary joined in 1974/75. At the end of this period the club became separate from the Church Youth Group it came from and changed its name to its nickname "Covies". The need to progress took the club into the next league up where they went into the Surrey Intermediate League (Western) where they competed for nine years gaining promotion to the top division of both the first and reserve sections and coming runners up in three cups.

The club has lead a bit of a nomadic existence. In their early years they played at Knellwood, known better by some as King George V playing fields. In their Surrey Intermediate days the club played at Cove Green and then at Queens Road in North Camp for around 10 years, the former home of Farnborough Town FC. The club joined the Hampshire League in 1991 and after an initial period of struggle we established ourselves as a County League side. Farnborough Gate, Ringwood Road was the next home from 1998 till early 2005 and this venue served the club well over its most successful period.

We moved to our present home the Cody Sports & Social Club, Farnborough on 11th February 2005 and look forward to developing this new home to meet the demands of senior football.

After several very successful seasons in the Hampshire League, in 2004 the Hampshire League merged with the Wessex League and North End moved over from Hampshire League Division 1 to the newly formed Wessex League Division 3. In 2005 North End gained promotion to Division 2 of the Wessex League, Step 6 in the National Pyramid and the season culminated in us winning the 'elusive' Hampshire Intermediate Cup against fellow Division 3 side Otterbourne.

In the 2007-08 season the club finished in its highest position (third) in Division 1, scoring 101 goals, conceding 30, losing only five times and missed out on automatic promotion, decided on the last game of the season. After a couple of tough seasons in the Wessex League, the club decided to join the Combined Counties League Division One for the 2010/11 season.

# THE LAST TIME WE MET

**DATE TUESDAY 17TH AUGUST 2010**

**FIXTURE COMBINED COUNTIES LEAGUE DIVISION ONE**

**RESULT FARNBOROUGH NORTH END 0 KNAPHILL 0**

Knaphill, who dominated long periods of this game, especially in the second half when opportunities were in abundance, had to settle for a point in a goalless draw. They were denied what was a clear cut penalty when Chris Fox was bundled over in the six yard box, in a game produced the first point of the season for the league newcomers, and produced Knaphill's first goalless game since October 2007.

The match started at a fast pace with both sides creating early chances. After 15 minutes a misclearance in the home defence, led to Ricky Hogsden hooking the ball goalwards, but the keeper parried the ball away for a corner, and Farnborough went close when Richards fired wide of the far post as both sides were seeking an early opener,

Knaphill had two one on one situations when Hogsden and Baker went close to a goal scoring chance by denied by the keeper. On the stroke of halftime, Michael Pym swung over a perfect cross which fell to Fox whose shot was saved by Price.

The second half saw Knaphill dominate, yet gained no reward for their pressure and perseverance. Both keepers were in action early in the half when a neat Knaphill build up saw Fox denied by the keeper, whilst at the other end, Richard Shelley thwarted the home side.

On 52 minutes, Hogsden had the ball in the net after Fox's cross, but was ruled offside. Three minutes later Hogsden was in the action again when he had a shot deflected over the bar as Knaphill continued to try and break the deadlock. In the 58th minute, should have had a penalty when Chris Fox was fouled in the 6 yard box, but was not given by the referee.

Knaphill were having so much of the territorial play with opportunities to score, including two efforts from Gavin Brainch that went wide of the far post, then a cracking drive from Nathan Miles after 84 minutes that skimmed just over the bar. Boro also went close on a couple of occasions, but it was Knaphill who were pushing right to the end with Hogsden having the last opportunity which veered wide of the far post.

Team: Shelley, Pym, (Brainch 53), Burns, Miles, Gamble, Greene, Darnell, Brunt, Hogsden, Baker, Fox.

Bookings: Darnell, Hogsden, Miles

## Not Good Enough!

After three successive defeats in the space of eight days, a question must be asked, how has Knaphill's form dipped so dramatically, when it was preceded by a sixteen match unbeaten record? Saturday's team was the nucleus of that unbeaten run, but the result away to Hayes Gate showed a failure to score in their last two games, a rarity in its own right, and below par performances by some of the team.

A failure up front to incur very little danger to the home goal showed in the first half when there was just one direct shot on goal from Matt Baker's free kick, which was tipped over the bar by the keeper, which outlined the lack of fire power and sharpness. There were also some uncomfortable moments in the visitors defence which allowed the home side to expose some indecisive defending at the back.

Hayes Gate broke through with ease as early as the seventh minute when Richard Shelley had to be alert to deny them a goal scoring chance. They even missed an open goal from six yards after fifteen minutes and were able to carve other openings in their attacks, one of which did eventually break the deadlock after 32 minutes when Edghill burst through to slot home past Shelley.

Five minutes later, the lead was increased, as Shelley fouled Sargeant in the 18 yard box and from the resultant penalty, Lewis made it 2-0 from the spot kick. In the 41st minute Knaphill had a free kick and Matt Baker's strike from 20 yards was tipped over the bar by the keeper.

The second half was not a great deal better than the first, but despite a small margin of goal scoring opportunities, Knaphill were still lacking any real sharpness and cutting edge in their play, although there was an odd flash of a goal chance, Baker had a shot deflected for a corner, and a effort from Hogsden went wide.

The remainder of the half saw very little to offer in the way of Knaphill clawing their way back into the game. After Shelley had denied Edghill from increasing the scoreline, Knaphill did have opportunities when Chris Fox headed over, and one effort straight at the keeper, whilst Joe Turner saw his shot turned over by the keeper in the dying minutes of the game.

But overall, it was a rather lack lustre, and disappointing performance from Knaphill and probably their worst one since joint managers David Freeman and Adie Wilson together with coach Neil Woodyer came together at the start of the unbeaten run. Two more games now remain for Knaphill to rekindle a final push for points to finish their fourth season in the Combined Counties League.

Knaphill: Shelley, Willams (Lofflar 76) Brainch (Harvey 46), Chisholm, Gamble, Ball, Fox, Turner, Hogsden, Baker, Wills (Garston 59).

# MATCH REPORT

Monday April 25th 2011  
Worcester Park 3 Knaphill 2  
Combined Counties Division One

## Last Minute Heartache

Knaphill's visit to Worcester Park on Easter Monday, less than 48 hours after the defeat at Hayes Gate at the weekend, brought about a much better spirited, hard working display from a team that showed enforced changes to the side which included five teenagers in the starting line-up, with first team debuts for keeper Louis Martin and defender Jack Bishop, plus positional changes from the previous league game against Hayes Gate.

After a shaky start, which saw Knaphill trailing by two soft goals in the first fifteen minutes, and having to deal with the long ball pumped down the middle by the home side, the tide was turning for the visitors from the moment they reduced the deficit after 25 minutes, and having steered away from further danger of conceding another goal.

Knaphill began to look stronger in the latter stages of the first half, and it was Joe Turner's strike from the edge of the 18yard area that pulled the visitors back into the game as they began to respond to that early setback. Nick Darnell's header flashed wide of the far post from Sam Wilson's cross, and Gavin Brainch showed his intent with a shot just wide of the post before halftime.

But it was the second half that really began to show Knaphill's true grit and determination which grew in stature as the half progressed, with the defence stemming their hosts attacks, whilst turning more pressure on the home side in search of a second goal.

After 55 minutes, Joe Turner's shot looked as if it would get through the defenders and into goal, but the effort was blocked and cleared to safety. Perseverance and possession had Knaphill show a spell of dominating as more chances were created especially in the last ten minutes.

Knaphill got the equaliser they richly deserved when Ricky Hogsden steered the ball home after 81 minutes to make it 2-2. Just when it was looking as if Knaphill's workrate in the second half would seal a worthy point, their hopes were cruelly dashed in the 90th minute when, from a quick break Worcester Park striker Steve Marples got a fortunate rebound off the oncoming Knaphill keeper, and was able to slot home for what proved to be the winning goal.

## Signing off with a victory

In a decent last 4 games we have recorded 2 excellent wins, including one against a strong Mole Valley side, and 2 draws that we were disappointed not to take all the points. The young lad Halona Masemba, who is still at school, has started the last 5 games and has given some experienced defenders a really hard time. Off the pitch he is level headed plus importantly he is a good communicator which fits the profile of players we are looking to develop.

He is also able to play youth football for the next 2 seasons and looks to have a bright future.

In my previous post match notes I said I thought that as our balance with more senior experience gets better we would continue to improve. Our last game against Farleigh Rovers was about perfect with 4 or 5 players that would be considered 1st team 'ready', a few senior youth lads and two 16 year olds who are still at school.

The result was a commanding performance and victory (aside from 2 moments of inexperience). With a similar side week in week out in the CCL reserve division I would expect us to win or go very close to winning the league plus we would continue to play an exciting brand of football.

We also had at least 10 players from our youth and reserve squad that were not able to be included in the final game which highlights the depth of the squad we have developed. With 3 wins and 2 draws in the last 5 games and the manner of our final game victory there is a lot of reason to be optimistic that we will be strong next season in terms of results and more importantly we will be able to support the 1st team with options all over the park.

### **Knaphill Reserves 1 Bookham Reserves 1**

In a scrappy game we started brightly and with 20 minutes gone look to be in control. The visitors reacted well and dominated as the half went on. They could have taken the lead if it wasn't for some decent defending. We made some changes and the second half was evenly contested. It looked to be heading for a goalless end when Jack Bishop finished with a powerful drive in the last minute. Unfortunately for us Bookham drove at us straight from the restart to equalise with 10 seconds to go.

### **Knaphill Reserves 3 Mole Valley SCR Reserves 2**

The league and cup champions, Mole Valley, opened the scoring after 25 minutes but we struck back well through a Harry Maynard header to go in equal at half time. The visitors went ahead again, a bit against the run of play, but we again came back strong with a second goal from Maynard and a great move/finish by Lloyd Greenfield to secure an impressive win.

Team: Martin, Greenfield, Kipping, Lawrence, Greaney, Cook, Bishop, Maynard, Welsh, Tancock, Masemba. Subs. Carolin (60) Slattery (65) Bowers (75)

### Knaphill Reserves 5 Farleigh Rovers Reserves 2

In our final game of the season we started well and camped in the visitors half for the first 10 minutes, creating some good chances. The game evened out a bit but great finishes from James Wills and Halona Masemba put us in the driving seat. Farleigh pulled one back just before half time and it ended 2-1. In the second period we continued to play some good football and had chances to extend the lead but got caught on the break for Farleigh to make it 2-2 with 20 minutes to go.

With 15 mins to go a great move saw Wills get his second and a few mins later Masemba also got his second to make it 4-2. Alex Lumley, returning from a few weeks out with illness, finished off an impressive personal display with a well deserved goal to make it 5-2.

Team: Taylor, Greenfield, Pearce, Ford, Bishop, Harvey, Chisholm, Wilson, Lumley, Masemba, Wills. Subs Slattery (45) Kipping (50) Philips (55)

# 'THIS TIME LAST YEAR

Combined Counties League – Division 1  
Monday May 3rd 2010

Farnham Town 2 Knaphill 3

Knaphill came out on top of Monday's game away at Farnham Town, and despite a first half that failed to deliver any goals and a mediocre performance, Knaphill's second half showing moved up a gear and tempo as they scored three goals and cruising, before their hosts pulled two goals back deep into injury time.

It was almost a disastrous start for the visitors in the first minute when a header from Nathan Miles back to his keeper almost sneaked over the line before Shelley gratefully pounced on the ball in time. Neither side were showing any clear cut chances early in the game with neither keeper seriously tested for long spells of the half. One effort from Ricky Hogsden from the edge of the 18 yard area after 20 minutes, was to be a rare threat on the home goal, with play becoming a bit scrappy as the first half remained goalless by halftime.

Certainly there was more urgency in the second half from Knaphill as they upped the tempo and showed more creativity in their play. Within two minutes of the half, Jack Ball's effort had the keeper pushing his shot away for a corner, then Richard Shelley denied Farnham with a fine save in the 50<sup>th</sup> minute. Two minutes later Knaphill took the lead when Chris Fox had his effort blocked, but then Ricky Hogsden, closely marked by a Farnham defender, scrambled the ball home from close range.

On the hour a Matt Burns cross saw Ball put his header wide. Knaphill's sharper on the ball approach was paying dividends, and in the 68<sup>th</sup> minute Fox went close with a header that was pushed over the bar by the keeper.

Five minutes after coming on as substitute, Gavin Brainch was instrumental in Knaphill's second goal as his precision cross from the left, was met by Fox, whose well struck shot from 18 yards made it 2-0. It was a poor clearance by Greg Archer, the Farnham keeper that led to Knaphill increasing their lead, and substitute Tom Davis seized the opportunity of the keeper's mistake, by drilling home from 25 yards after 82 minutes. It was Knaphill's 96<sup>th</sup> league goal of the season.

Knaphill were in control with a healthy lead and looked to be heading for a 3-0 win with a clean sheet, but then deep into time added on, Farnham were awarded a penalty for apparent shirt tugging in the box. John Lancashire made no mistake from the spot kick, and 90 seconds later, the same player netted from a direct free kick to make it 3-2.

# THE UNDER 18S

with Dougie Ford

It has been a very quick 10 months since approx 30 U18 lads joining the senior squad for pre season back in June 2010. For many it was their first taste of a senior set up. For some it was a challenge to far, but for the majority it was right up their street. As they competed for everything, attempting to win every sprint, coming first in every long distance run, the senior lads just smiled as they remembered the fable about the "Tortoise and the Hare".

It was great to be welcomed into the club's pre-season plans and as some of the boys impressed at training they were given a chance in the senior pre-season games. This gave them a massive confidence boost and made them stronger both mentally and physically.

We quickly established ourselves in the ACYL with 6-0 win against Binfield. As the season progressed we have competed well against so called larger, senior clubs and have used all the squad available. It was always our intention to allow senior boys develop into the senior sides which gives the other boys a chance to see what they can do. We will finish mid table which I am very satisfied with and can look forward to progressing further up the table next season.

Our CCL Youth Cup run ended in disappointment last Thursday when we went down 2-0 to a strong, well organised, physical and determined Bedfont Sports side. We should hold our heads high as we dispatched Colliers Wood, Guildford, Camberley and Cobham along the way, scoring 9 and conceding only 1 goal. A tremendous achievement by everyone who played.

I have to say I am very proud of all the lads who have played this year, they have worked hard at training, applied what we have taught them and have matured both in terms of their football and also as young men. We have had success but we have also had a lot of fun along the way.

I want to publically offer a massive thanks to the many people who make this season possible:

The players, without them we have no side, for their commitment and enthusiasm

The parents, without them the boys don't get to games or training, for their support

Mark Dawber, who has been fantastic as a coach and friend throughout

Andy (Tog) Martin, stated the season as manager and has remained closely involved

Ivor Connolly, for the training facility, turning on the lights and unlocking the goals etc

My wife Joan, for her continued support and for doing the kit every week

Terry and the entire committee for everything they have done (too much to mention)

As we look to build for the coming season I will be attending several other clubs trials to attract the right boys to Knaphill FC. I will also welcome any player who comes with a recommendation from a current senior or youth team player. They should contact me on [dougie@ossc.co.uk](mailto:dougie@ossc.co.uk) or via my mobile on 07817 835519 and we can discuss the way forward. If you know of any boy born after 31st August 1993 who is currently playing in the highest division of their Sunday league who wishes the chance to come to Knaphill then please ask them to contact me on the details above.

We will use our pre season to select the squad for next year. We anticipate a great standard of opposition in those games with approaches being made to clubs like Farnborough, Woking, Fleet, Ashford Town and Harefield who we played last year and it was probably the best game of the season. We are also playing in the Arsenal International Soccer Festival week between the 23rd and 31st July at Egham. This is a fantastic tournament and one the boys love.

I wish you all a very good summer, all be a short one before we start pre season again at the end of June. Enjoy tonight's game.

# THE FINAL WORD

Well we made it to the end of the season. A season which started with renewed hope of promotion, ended with us missing out because of a very poor start. Perhaps our expectations were too high. The team were very much the same players but the will to win and the team spirit seemed to have gone.

This poor start meant that our long serving Manager Bob Pritchard decided to call it a day. Some say it was one season too many but I think deep down Bob just could not get any luck and perhaps the players were not responding to him as they had in the past. I do know that the departure of Ian Savage to Eversley Football Club did have an effect on Bob.

Bob made the decision to step down and I thank him for making my job easier. We remain personal friends and meet for a beer or on the golf course as much as time allows. Bob is always welcome as a guest at this club and I look forward to the day he comes to visit. Bobs resignation left me with two decisions, do not rush into appointing a permanent manager and try to find a safe pair of hands.

This in my opinion was the correct thing to do so I approached Adie Wilson and Dave Freeman. Two Managers that know the ropes and are Knaphill Football Club through and through. They have got together and pulled this club from possible relegation to a very healthy league position.

Adie and Dave called upon Neil Woodyer to help coach the side. This was a stroke of genius and on a par with the many good decisions they have made. I do hope the three of them can stay together and bring this club the success it now deserves.

You all know that we have brought in a very successful youth side this season and also transformed the reserves.

Andy Martin and Gary Taylor have done a marvellous job with the reserves. Their enthusiasm and commitment to their players is second to none and one which they should be very proud of. The work is on going and changes will be needed next year but the ethos is if you do not want to progress to the first team then don't bother to play for the reserves. They should take note of the team we put out for the first team against Worcester Park. I couldn't count how many of the boys that have come through the youth and reserve set up but by the end of the game I reckon it was 9. A great achievement!

Dougie and Mark Dawber have been brilliant this season. Our first season in the Allied Counties League. We have shown with their effort and undivided commitment to the cause that mountains can be climbed and conquered.

**Well Done to all of the Management and players this season.**

Early in February saw the erection of our Stand and Floodlights. What an achievement by a small club. This was the culmination of four years of very hard negotiating and masterful commitment from the committee. Everybody has played their part but I must single out Nick Croshaw for his skills with Woking Borough Council and the drive shown by Carl Barker and Dave Freeman. A great effort and a marvellous legacy for the local community and for Knaphill Football Club.

Work goes on and we will be working on the hard standing around the pitch in the close season and making movements towards a proper bar facility. These needs are a must if we are to progress financially and into the FA Vase and F.A.Cup.

We have dreams but we have to be realistic. The approach has been softly softly so far and this is working.

I have much to tell you about this club and its future. Most of this will be told at the AGM so why not for a change come along and support the club and join in. The date will be announced shortly.

Finally players can only perform with self belief and good direction, the club can only progress with proper commitment to the cause. For this I must thank my very hard working committee. You know who they are so I won't mention them individually.

THANK YOU ONE AND ALL.

Next season is to be the biggest one for this club ever. I will be at the helm if voted in at the AGM. I give you all an open invitation to progress this club. What ever your financial clout, what ever your title, what ever your knowledge, what ever your energy and what ever your job, join me in making this club one to be very proud of.
