KICK-OFF

by Nick Croshaw

Welcome to Redding Way

Since stepping down as Chairman at the start of last season, I haven't had the pleasure of writing for the Knappers Matchday programme. However with Bryan Freeman away, I have been asked to pen a few words. Firstly I would like to welcome the Officials, Management, Players & Supporters of Molesey FC who are playing Knaphill in a competitive match for the first time.

Our Premier Division opponents have had a mixed start to their league season with four home wins, but only one point picked up away from their Walton Road ground.

Their cup form however has seen an early exit to fellow CCL team Hartley Wintney in the FA Cup Extra Preliminary Round, but in the FA Vase wins against Dorking (CCL) & Brockenhurst (Wessex) see an away tie with Egham Town (CCL) on 2nd October in the First round proper, in which we wish them good luck.

Knaphill's form in the Premier Challenge Cup has never been earth shattering with exits to Dorking, Mole Valley SCR & Ash United all at the first time of asking over the last three years. So this year let's hope the footballing gods will be on our side.

I have been trying to get to see as many midweek games as I can this season and a trip out to Binfield last week saw the future of Knaphill FC as our new Youth team recorded their first result in competitive football with a confident and composed 6-0 win.

Some of these boys are already making a mark in the 1st and Reserve teams and I feel the club has taken a huge step forwards securing a ready supply of talent for the future. The Youth team play in the Allied Counties League, which is a midweek league playing under floodlights.

This leads onto the long running saga of the lights and stand at Knaphill, let me give you the latest information. I have spoken to The Football Foundation and they have confirmed that they are awaiting some final information from the club and Woking Borough Council. Once this information has been sent, then the grant can then be signed off immediately and the works be instructed to commence. We hope to have this info with the FF by the end of the month and Woking Borough Council have confirmed that the contractors are poised to begin the work as soon as they are given the go ahead. This is excellent news for the club and will give us some of the best facilities in the Borough, all we need to do now is prove we are the best team in the Borough on the field!

Hopefully Bryan Freeman will be back for the next home game and I will be put out to pasture once more.

COME ON YOU KNAPPERS!

A Date For Your Diaries

A VIEW FROM BATESY

THE LATEST FROM THE FIRST TEAM WITH
ASSISTANT MANAGER SIMON BATES

I've taken the reigns for the last three games whilst Bob has been sunning himself and partying in Ibiza.

We are dissapointed to have lost at home to Hartley Wintney 2-0 having created so many goalscoring chances in the first half to have been out of sight. We again dominated the first half of the match and end up chasing a goal deficit into the second half, leaving ourselves vulnerable and conceding a late second goal.

We then travelled to Frimley for a cup match on the Tuesday night with a much changed team due to availability. Frimley started the stronger and went a goal up after 20 minutes. I made changes at half time and in Andy Pym we have found an excellent fullback. This was again a game on paper we should win and started to open Frimley up in the second half but with a mix up at the back conceded an embarrassing second goal after 80 minutes which ended the contest.

Last Saturday we played away at Eversley who started the game in fourth position in the table. With Matt Baker and Chris Fox back from holiday to strengthen a injury hit squad i decided to change the formation.

This turned out to be our best performance of the season. We came back from being behind twice to win 3-2 with goals from Fox, Hodgson & Ball on a excellent playing surface. Richard Shelley made a great save late on to secure the points.

We played some excellent football at Eversley and the management team was especially pleased with our attitude and showed great spirit after a poor start to the season.

I hope we can carry that display on today on what will be a tough test against Molesey

The players are learning and after taking a step back i think we can now start to push on. We are still looking to strengthen the squad especially with Nathan Miles who faces a lengthy spell on the sidelines after fracturing his ankle and influential midfielder Nick Darnell set to miss most of October due to his forthcoming marriage.

Two of our youth team players have been drafted in the first team picture. Jack Ball has a fantastic attitude and is a great prospect to establish himself in the team, Joe Turner has featured in the last three games and again will improve with being involved with the step up.

On a personal note as this is my first season with the club i have been impressed with the organisation of the club and support i have received from the committee and Bob. The club is very well run and extremely professional, let's hope the players can respond with the results it deserves and get itself into the Combined Counties Premier Division!

TODAY'S VISITORS

MOLESEY F.C

Molesey is both a village and a club steeped in history stemming back as far as the late 1800's and a Molesey side won the Surrey Junior Cup in 1913; it was in 1953 that the senior club was officially formed when Molesey St Pauls Utd joined forces with another Molesey village side to become Molesey F.C. The club spent its' early years in the Surrey Senior League with some degree of success in both league and cup competitions.

It was back in 1958 that the club last enjoyed a major honour when they won the Surrey Senior League just five years after their formation. Whilst they have sampled life in the Isthmian Premier Division it was all too brief and the club have ambitions to climb the pyramid once again and hopefully return to the Premier Division and maybe beyond. Molesey FC enjoyed halcyon days in the early 60's with three appearances in the Spartan League Cup final and Jack Anders' Easter tournaments which featured both local and German sides were always both well supported and financially rewarding but there was little to cheer again until 1972 when the club reached the Spartan League final once again but lost to Bracknell Town at Egham Town FC.

John Sullivan was the man who changed the direction of Molesey F.C when he took over following the club's election to the Athenian League. A host of star names appeared for the club over the next few years including Cyrille Regis who later went on to England honours. Regis netted 27 goals in a very short time here before departing suddenly and unexpectedly to Hayes who quickly benefitted when they sold him for £5000 to West Bromwich Albion. During Sullivan's reign Molesey enjoyed a fantastic record breaking season in the Premier Midweek Floodlit League in 1976/77.

The club won 9 out of 10 group matches, broke the aggregate goalscoring record and when Chris Proctor netted five times against Hayes it was an individual scoring record. Despite Sullivan's obvious eye for good players and some

excellent runs in the F.A. Vase Molesey failed to win a trophy during his time in charge although they did progress to the new Isthmian League set-up in 1977. They finished in in the top half for the first four seasons and only missed out on promotion to Division One in 1978 when they drew 1-1 at home to Camberley in their final game which they needed to win.

After Sullivan's departure a yo-yo existence followed for many years and the club almost went out of business during the mid 80's under the chairmanship of Graham Pearce; his untimely but ultimately necessary departure forced three long serving members to take over and those three gentlemen with the backing of the members saw the club through a tough period; what they did not know was how inspirational their decision to appoint Martin Eede was to prove.

Eede arrived in 1987 and helped turned the club around. Together with right hand man Ray Best, Eede was responsible for a gradual improvement in the clubs playing fortunes and that improvement reaped its' due reward when Molesey were runners-up to Yeading in 1990 and gained promotion to division one.

Eede stepped aside to become football chairman and Tony Dunne joined the club to lead them through an incredible spell; again with Ray Best in the backroom staff alongside Richard Higgs the club earned two Southern Combination Cup successes, promotion into the Premier and runners-up in the league cup final in 1993. This was the clubs best ever season and included a club record 11 straight league victories. This was also the season in which the club made its' only foray into the 1st round proper of the FA Cup but they were beaten here by Bath City after a glorious run.

Off the field Eede became the principal figure in cajoling the clubs members and supporters through hours of hard work as they carried out the necessary ground improvements required for our promotion to the Premier Division. Dunne eventually left due to business pressures but former Sutton United defender John Rains kept the momentum going and in what was an exciting season the club finished 8th in the Premier, their best ever league placing at the end of 1994/95.

Sadly Molesey lost the services of both Rains and Eede and two relegations in just three years saw them back where they were ten years earlier. South African businessman Clark joined the club in 1997 but departed in January 2004 after seven somewhat controversial years. Ray Best returned to the club during the ex-Football chairman's early years and his influence was again obvious as he took the side into the top half of Division One before a somewhat surprising departure, one which Molesey supporters found difficult to comprehend given the sides position at the time.

Several managers came and went during Clark's tenure at the club as Molesey fought to gain promotion once again and Pete Johnson was appointed as manager in May 2002; under his command the club enjoyed their best F.A. Cup run for ten years ; by mid October they had already beaten Hassocks, Fisher Athletic, Hitchin Town and Chertsey Town scoring 12 goals and conceding just 2

defeats in their last 14 matches he walked away when he seemed set to lead us into the new campaign while Steve Moss's rein was brief and his departure both acrimonious and very public.

Everton and Wales legend Neville Southall took the reins on a caretaker basis, before the club appointed Steve Beeks as boss in October 2003. However, the club was shrouded in off-pitch problems, and following a long term investigation by the Football Association, who insisted the club hold an EGM, Norman Clark resigned as Club & Football chairman in January 2004. Southall case is still on going. Beeks and his backroom team stayed on with the full backing of the new committee and he became the clubs longest serving manager since Martin Eede and was greatly admired around the club .

Off the field, there was tremendous progress around the ground, by some amazing people and club volunteers. The much needed new clubhouse, driven by Chairman John Nunn, was finally opened in April 2006.

However the ongoing legal battles took their toll, with the club being forced to significantly reduce its playing budget for the 2007/08 season, resulting in the resignation of Beeks, who felt he had taken the club as far as he could.

Sadly, the club struggled both on and off the pitch; key off-field personnel left during the summer and relegation seemed inevitable from an early stage, as the team begun the new year on a torrid run that saw them amass just 4 points from 16 games, culminating in relegation to the Combined Counties Leagues, a very hard pill for all to swallow after 30 years as an Isthmian League Club.

Webb continued as manager in 2008/09, once again assembling a squad virtually from scratch. His new-look side took time to adjust to life in the CCL, although a fine run either side of Christmas took the club to the outskirts of the promotion race, before injuries and loss of form took their toll, resulting in a mid table finish. The club enjoyed moderate success in cup competitions, reaching the semi finals of the League Cup, and bowing out of the FA Vase at the Third Round after a long trip into Norfolk to face Dereham Town.

2009/10 With Webb continuing as manager, the Moles began the season with a settled side, a top 6 finish being the aim. After a dreadful start the ship appears to have been steadied, with the management and committee looking to set the foundations for a return to the Isthmian League, as well as establishing greater links to the community.

THE STORY SO FAR...

HISTORY OF THE

KNAPPERS

Knaphill Football Club began its life in 1924 at Waterer's Park. Waterer's Park was left to Woking Urban District Council in 1924 by Mr Anthony Waterer of Knaphill Nursery. The Recreation Ground was originally part of the nursery called "Blue Gates Field" and the park was laid out by Woking Council between 1924 and 1928 - the task taking so long as the bottom part of the field was very "soggy", whilst the rest was uneven and infested with moles. And these conditions can still be seen over 70 years later!

Very little history is known about the Club between 1924 and 1980, although we do know that the team colours were originally red and white.

In 1980 Knaphill were represented in the Old Woking and District League (now Guildford and Woking Alliance League) in Division 3 under Manager Dave Holloway. Dave took them from Division 3 through promotion to the Surrey Intermediate League. Dave then left Knaphill to take over Conference side Woking's reserve and youth teams.

The late Andy Westcott took over the Manager's position at Knaphill in 1984. Andy successfully took the Club from Division 3 to the Premier Division 1, at the same time Clive Howes was running the Reserve Team, who also won promotion from Division 3 to the Reserves Premier Division 1. Geoff Poulton was to go on to take over the running of the Reserve Team from Clive Howes.

In 1990, Mick Garbutt became the Manager of Knaphill and Paul Bambini was running the Reserve Team. Mick Garbutt left the Club in 1994 to join up with Colin Lippiatt and Geoff Chapple at Woking. After this time the club went into decline and was struggling for players for both the First and Reserve Teams. The decision was taken by then Senior Secretary, Sean Carrigy, to approach local team Heathlands, who were playing in the Guildford and Woking Alliance League. Heathlands found themselves struggling for facilities but not players; this gave the two teams the opportunity to amalgamate.

Season 1995/96 saw the arrival of Greg Anderson as Manager, with Sean Carrigy running the Reserve Team. In 1996 Dave Freeman took over from Greg as First Team Manager. The Reserve Team Manager's position was handed over to Noff Diliberto in 1997; he left the Club a year later, when Carl Barker took over. Season 2002/03 saw 2 new men at the helm with Mick Garbutt in charge of the 1st Team and Frank Walters in charge of the Reserves. Paul Bailey took over midway through 2002/2003; Carl Barker then had a second spell as Reserve Team Manager with Danny James as Reserve Team Coach and Dave Freeman as 1st team coach.

At the start of the 2003/2004 season the club formed a third team named KNAPHILL 'A' to play in the Guildford & Woking Alliance League due to volume of players at the club. Carl Barker took over as A Team Manager with Danny James in charge of the Reserves. The 2004/2005 season brought about further changes at team management level seeing Dave Freeman retiring from playing due to injuries and being appointed as 1st Team Manager with Mick Garbutt stepping down to Assistant Manager. There was also a new man at the helm for the A Team with Kevin Fletcher taking over from Carl Barker who had taken up the Chairman role. The club also moved into their new ground at Redding Way and the re-development of the Waterers Park ground, due to finished by April 2005, giving Knaphill Football Club some of the best facilities in the Surrey area.

Season 2005/2006 was destined to be a big season for the club with the club established at its new ground at Redding Way and the A Team reverting back to Waterers Park having had the facilities rebuilt. 1st Team Manager Dave Freeman continued in charge for the 2005/2006 campaign and appointed former professional with Bristol City, Bob Pritchard, who has also managed at senior level with Chertsey Town, amongst others, as 1st Team Coach. Kevin Fletcher was appointed Reserve Team Manager having impressed by running the A Team the previous season. The 2005/2006 season did prove successful as we won the Division One title on the last day of the season against nearest rivals Virginia Water and gained promotion to the Premier Division.

2006/2007 continued with Dave Freeman in charge of the 1st Team and Paul Bailey re-appointed as Reserve Team Manager. The A Team management was split during the season. Martin Hobson took charge during the first few months but had to resign due to work and family commitments. Gavin Wilcox and Tim Handley then took over until the end of the season.

The 1st Team claimed back to back titles by winning the Premier Division Championship which resulted in us achieving promotion to the Combined Counties Football League, the most successful period in the clubs history up to then. Bob Pritchard took over from Dave Freeman as Manager who became Bob's assistant during September 2007.

The 2007/08 season was the busiest the club has ever endured. Over 45 matches were played at Redding Way and the pitch was still the best in the league at the end of the season. Bob Pritchard and Dave Freeman led the club to a very commendable 7th place in the CCL, our first in senior football. The early season had seen Knaphill pushing for a top 5 position, but poor runs over the Christmas & Easter periods saw the clubs performances drop off the leading runners; still 7th place was an excellent result considering the circumstances. Steve Hutton led the Reserves campaign, a massive 40 games with a mixture of good and bad results, beating the leaders of the league on at least two occasions, but dropping too many points by conceding late goals.

The 2008/09 season started with a most welcome new face, the former Bisley and Farnborough Assistant Manager, Ian Savage. Ian joined us as player/coach and with his experience and knowledge this club has the right to feel proud that he chose to join Knaphill after receiving many other offers from teams at higher levels.

With a reduction in League games in Division One to 34 from 38 in 2007/08, Knaphill entered two new Cup competitions. the Anagram Trophy and the Southern Combination Cup, both of which saw an early exit. However, the team kept a high profile in the League staying in the top half of the table all season, eventually finishing in fifth place. They could have become champions had they won their last game of the season when, in a tightly bunched set of teams in the top six. Knaphill on 69pts needed to win at Farleigh to pip Staines Lammas to the title. Disappointingly they lost 3-2, so near yet so far.

The Reserves finished ninth in their Division with the second half of the season providing a 17 match sequence losing just two games. Adie Wilson having taken over in November from Graham Pope gelled well his players and together that was shown with the results. In the close season Terry Chapman was voted in as the new Chairman, replacing Nick Croshaw who stood down after two seasons. The newly formed Ladies side will also come under the senior banner and once again enhance on the size of the football club. Plans for floodlights and hard standing alongwith a 100 seated stand at Redding way are moving forward with the help of Woking Borough Council who continue as in recent years to support the football club.

The 2009/10 season saw the team finish third in Division One, their best placing in the three seasons in the Combined Counties League. The previous two seasons the Club finished in seventh and fifth positions. Third would normally have gained the Club promotion, but due to the proposed floodlights installation being delayed, Knaphill have to make another challenge for promotion in 2010/11. The team won 26 out of their 40 league games, losing 10 with 4 drawn, scoring 98 goals and finishing with 82 points. Season 2010/11 is the first for a Youth team at the Club, with Knaphill Youth U.18's playing in the Allied Counties League.

Welcome Three Points

Eversley 2 Knaphill 3

Saturday 18th September 2010
Combined Counties League Division One

Despite trailing twice, Knaphill produced an end product which some of their performances this season have warranted but failed to produce as they ran out 3-2 winners at Fox Lane last Saturday.

A bright opening and five corners in three minutes it was our host's who took the lead after some poor play on the halfway line by Knaphill which led to Eversley's Sam Scully opening the scoring on 15 minutes. However Knaphill responded well with efforts from Ricky Hogsden and Chris Fox.

Knaphill deservedly drew level on 56 minutes after some good build up play saw Chris Fox (pictured right) clinically finish from inside the penalty area. Both sides created half chances as the half wore on but it was Eversley who looked to have taken all three points when Stephen Taylor bursted into the penalty area and slotted the ball under the advancing Richard Shelley in the Knaphill goal on 79 minutes.

However all was not lost as after picking the ball up just inside the Eversley half, Ricky Hogsden (pictured below right) advanced towards the Eversley goal and with defenders backing off him, Hogsden unleashed a fantastic 25 yard strike which hit the underside of the crossbar and went in on 83 minutes.

Two minutes later and Knaphill went in front for the first time in the match. After Matt Baker was sent clear he was upended 20 yards out and from the resulting free kick Baker hit an unstoppable strike which cannoned off the crossbar and rebounded out only for Jack Ball who was the only player from both sides to react, slotted the ball in from close range much to the delight of the Knaphill bench.

WE'VE GOT YOUTH ON OUR SIDE

Youth Team News
with Andy Martin

Allied Counties Youth League Southern Division
Thursday 16th September 2010

Binfield U18's 0 Knaphill U18's 6

Knaphill Under 18's produced a stunning performance as they demolished Binfield Under 18's 6-0 in their first ever competitive game in the Allied Counties Youth Football League.

Knaphill dominated proceedings from start to finish with a combination of fine passing, quick attacking football and some solid defending to ensure a great start to the season for Andy Martin's exciting young side.

Goals came from courtesy of a hat-trick from the impressive Joe Turner (pictured below), Jack Ball, Bradley Fraser and Louis Sanders.

Joe Turner

Grant McCellan Cup 1st Round
Monday 20th September 2010

Knaphill U18's 1 Colliers Wood Utd U18's 0

With Bradley Frazer not available we had to make some changes in line up. The versatile Sam Wilson moved into a more forward role giving a chance for an exciting 15 year old talent, Kalipi, to come in on the right side of midfield.

We stuttered a bit through the first period but credit to the opposition who's pace and direct style gave us some real problems. In parts our football was good and after 20 mins Joe Turner delivered a free kick with quality for Jack Ball to rise above the keeper and power home to give us the lead.

Kalipi almost doubled the score with a crashing diving header but was denied by the crossbar, then Jack Ball worked a good opening to see his shot rebound from the post. The game continued at a frantic pace, the visitors were a constant danger, and half time gave us a welcome breather. A forced change saw Jonny Phillips replaced by Frazer Welsh.

Half time gave us a chance to work on some areas and after the restart the opposition continued to look very dangerous but we defended well to keep their efforts away from our keeper and with Frazer Welsh in turbo charge down the left we caused them problems going forward.

Kalipi was replaced after 70 minutes for a well deserved early shower by Matt Lawrence who showed some nice touches almost opening up the defence with good set up play. This was a very different game to last week and we were pleased that when we were up against it we showed character and dug in for the win.

Next game is away to Ascot United Youth on Tue 28th September. Ascot have made a good start and this will be another tough test.

LADIES ROUND UP

Ladies Latest with Nick Croshaw

Knaphill Ladies, the season so far...

After the euphoria of the Ladies first season promotion in winning the League & the double with the League Cup, the start of the 10/11 season has proved to be a tough challenge to overcome. The squad itself is largely intact from last season although some of the more experienced girls have moved on to pastures new. Some new faces have arrived, one being Kirsty Gibson pictured right, who scored last Sunday in the 4-1 home defeat by Kent Magpies.

After a shortened pre-season, whose highlight was a 3-0 away win at Farnham Town Ladies, the opening game of the season saw a hard fought 0-0 at home against MSA Ladies. This gave great expectations for the coming matches in The London & SE Regional Women's League; however this is a big step for a new team like Knaphill and this season was always going to be a steep learning curve and so it has proved to be. An exciting 3-2 win over the very promising Knaphill U16 girls was followed by the second league match which saw a 4-1 defeat at K.I.K.K. Utd from Central London. With the home loss to Kent Magpies last Sunday, The Ladies now find themselves in 8th place in the league of 10 teams, but with an away game at Tower Hamlets Ladies, who are currently bottom of the league without a point, on Sunday; this gives Knaphill the opportunity of their first competitive win of the season.

The County Cup is a competition in which the Ladies performed very well last year by making the quarter-finals and their first round tie is at home to Epsom Eagles Ladies on Sunday 17th October (1.45pm KO), make a date in your diaries for that one. The Ladies play their league fixtures on a Sunday at Brookwood Country Park (Home of Knaphill FC) with 1.45pm KO's. They are always looking for all the support that they can get, so come along and show the girls just that.

They are also on the look-out for talented players to bolster the squad. All contact details, match times and dates can be found on the Knaphill FC website and look under the Ladies section.

YESTERDAY

LOOKING BACK AT EACH OF OUR GAMES AT THIS TIME OF THE

29th September 2007

Knaphill 4 Hartley Wintney 1

Our first meeting between the two clubs in the division one cup saw us run out comfortable 4-1 winners with a hat-trick from Matt Baker and one from Darren Rivers.

TODAY

SEASON SINCE OUR ARRIVAL IN THE COMBINED COUNTIES LEAGUE

27th September 2008

Staines Lammas 5 Knaphill 2

A poor first half set the tone for the day with three goals conceded in 15 minutes. A better second half followed however the game was over already over despite two goals from Matt Edwards and Orando Pike.

26th September 2009

Knaphill 3 Ash Utd 4

We were knocked out of the EL Records Premier Challenge Cup by Premier Division side Ash Utd in a seven goal thriller at Redding Way.

In fact the scoreline could have been greater as both sides created and wasted a number of chances, in particular the Knappers who had they put away their chances, they should have wrapped up the cup tie up by half time!

However Ash ran out 4-3 winners with Knaphill's goals coming from Ricky Hogsden(2) and Chris Fox.

The Final Word

Well have we turned the corner yet?

Over the last few days we have had some very encouraging results. The first team managed a very creditable win away at Eversley 3-2. The Reserves fixture at home against Eversley Rereserves ended in a 2-2 draw. This was a good result but our very young side came within a minute of winning the game.

I was present at this game and if we continue with the youth policy our future is very bright. Talking of future if you get chance to come and watch our newly formed Under 18's you are in for a real treat.

I have watched them demolish a very good Binfield side 6-0 and on Monday beat Colliers Wood 1-0 in the 1st Round of The Grant McLellan Youth Cup. Colliers Wood are a very good team and were expecting to beat us. A run in this cup would be marvellous for the whole club. Next round we host Guildford City. The date is going to be 20th October. We are drawn at home but as you all know this has to be under floodlights. We are negotiating a venue as I write this, so watch this space.

Our nomadic life will come to an end shortly. I haven't got a date for our floodlights installation but I can tell you an announcement is imminent.

I can't wait for the first game under lights at Redding Way. I would love to invite all those people to the game that have cast doubt on this development. We are 7/8ths of the way to our goal. We can finally then get all those doubters and jealous individuals off our back.

We will really **STICK IT UP THEM ALL** on that day.

Training got underway this Tuesday at The Surrey Sports Park. I have tried without success to obtain the 3G pitch. I am still trying but so far I have not managed to pull it off. I hope by using the all weather pitch at Guildford it might give us a chance to move on to the better facilities when they come available. The facility we have now is costing £60.00 a session and I will be looking for a donation of £1.00 per player per session. This will not cover the cost but it will help.

Players who sign on for Knaphill Football Club need to realise that we are offering 1st class facilities, training, treatment of injuries, great kit and second to non management and organisation. Many clubs perhaps do offer the same as us but no club does it for the price we charge.

One of my aims as you all know is to make all this free. We are not there yet so please continue to help this club financially in anyway you feel fit.

What can I do?

- Buy a Bonus Ball £2.00
- Join in Last Man Standing £10.00 with a possibility to win up to £200.00.
- Buy a square on the Football Card £1.00
- Contribute to the Training cost. £1.00 per session.
- Get yourself sponsored. £50.00 per season.
- Pay your Membership Fee. £50.00 per season. Juniors £25.00

Last Man Standing Game 1 was a real success apart from the winner!. Dave Freeman out judged us all to win £180.00. Well done Dave, if any of you are wondering why Dave hasn't got the beers in yet, well he hasn't been paid yet. I am still chasing the money for playing!.

Game 2 has started and we have 28 members this time. Again it is the same old faces that join in. We have only 2 football players that have registered for this game. May I suggest to the players that you watch out for Game 3 and join in on mass? Remember the money raised goes straight in the pot to benefit the club and the players.

Remember our Club motto "From Possibility to Actuality". In other words join in with the club and we will move forward. Helping this Club does not always involve finance.

Thoughts for the week

"The more we help others, the more we help ourselves"

"Better be wise by the misfortunes of others than by your own"

Good Luck to all our teams this week.
