THE VIEW FROM THE DUGOUT

JAMIE DALTRY // JOINT FIRST TEAM MANAGER

Good evening and a warm welcome to today's visitors Deal Town and their management team.

So we finally get our first competitive fixture for nearly six months and there's no better way to start with the FA Cup.

We have been pretty pleased with how pre season has been this year, getting out of the games what we intended on doing, especially with a complete rebuild to the squad.

The new signings have fitted in really well to the group and we also brought in from Frimley Green.

We feel we have a competitive squad available to us with a few headaches along the way!

We will be a very young side full of energy with players that want to be here for the right reasons.

Training has been excellent under the new look coaching staff of Roland Baker, Marc Gorman, Steve Cavey and goalkeeper coach Steve Lynch.

We look forward to the season ahead which I feel will be really competitive this year. We welcome all the new supporters, look

forward to meeting the new sponsors and hope you enjoy the game and the season ahead.

Hope to see you all back for our first home league game against Spelthorne Sports a week tonight.

Safe journey back tonight for our opponents.

WORDS FROM THE SKIPPER

JAMES DINSDALE // FIRST TEAM CAPTAIN

After a long time coming, we finally get football at Redding Way back up at running! Myself and the team are over the moon and excited to welcome everyone back this evening and we can't wait to get started!

I also would like to welcome fans, players and staff from Deal town this evening. I hope you all enjoy your time with us.

Onto the Knappers....

With effectively a whole new team coming in during pre season, we knew it was going to be a challenge getting to know new players on and off the pitch. However, with the group of boys we have, it hasn't taken long for us all to settle in nicely.

Although people might look at our pre season results and worry, I certainly haven't. I have said many times, pre season has never been about getting results. For me, it's all about working hard, showing improvements each week and becoming fitter.

I am please to say each week we have continued to get better, fitter and show

signs of great improvement all round. Huge credit must go to the excellent coaches and guidance from Jamie & John.

I must also thank all our volunteers who have worked exceptionally hard over the last couple of months to get everything ready with what has been an incredibly stressful time for all. Massive thanks to all!

I would like to finish by saying that Knaphill is never about the 11 players on the pitch. It's all the support we have behind the players that will make us the team we will become. So please get behind the boys this evening and in the future and hopefully, we all can bring this club success in games to come.

All the best,

Dins

CHAIRMAN'S NOTES

DAVID FREEMAN // CHAIRMAN

Good evening and welcome back to Redding Way. A warm welcome to our visitors Deal Town, their players, management, committee and supporters for this Emirates FA Cup clash.

It's been a long time since we have been able to say that, our last match here was 7th March before Coronavirus struck and certainly has been a trying and testing time for everyone. Never would anyone imagined that this would happen and I said from the start it's almost like we are all part of a movie. Now things are starting to return to normal albeit having to adjust to various requirements at football and away from football we can look forward to the season ahead.

As most of you are aware there has been a number of changes notably a new first team management team. I am delighted we have acquired the services of Jamie Daltrey and John Cook, both of whom I and a number of people at the club know very well. Both Dalts and Cookie come as a joint management team and have had great

success at their previous jobs at Bedfont & Feltham and more recently Frimley Green. So it's a complete rebuild and I'm delighted to say they have recruited well in the summer with a young and talented group of players. Dalts and Cookie have brought in a superb coaching staff which is always important at this level.

I wish Dalts, Cookie there staff all our new signings the very best for the season ahead.

Continuing on the pitch we have started back up the U23's. This will be managed by Matt Cronan who also manages our U18s, Matt will be supported by Gareth Price and Dave McHugh. It will be important to strengthen the link between the U18s, U23s and first team as we look to develop players and pathway for youngsters to progress through to our senior side.

Off the pitch and due to the COVID-19 situation we have had to put a number of measures in place not only so we can operate but to make us safe. This has come at a great expense and a lot of hard work, however needs must if we are to stay safe and follow guidelines. You will see in and around the ground what has been done and we ask everyone to co-operate and bear with us in testing times. Every club has to do it and we all have to get used to it... for now anyway.

Continuing off the pitch the committee has been restructured and I'm delighted to have people onboard who really care about the club, proper Knaphill people who want what is best for this great club and people that have made great commitments to Knaphill over the years.

As expected sponsorship has been hard to come by due to current situation however we have some past sponsors return and a few new ones. We have new first team shirt sponsor in the name of Complete Sealants. The new home strip will be worn for the first time tonight and I would like to thank Pete

Matthews for agreeing to sponsor our first team.

We are always looking for sponsors and we offer a number of packages to suit every budget. Brochures can be found at the bar or you can view it on our website.

There will be a number of social events coming up over the coming months so all support would be appreciated.

Let's get behind the boys this evening and what better way to kick off season with a win in the FA Cup.

Thank you for your continued support.

DEAL TOWN

Deal Town FC were formed in 1921 taking over from the Deal Discharged Sailors and Soldiers FC who had replaced the Deal Cinque Ports FC in 1920. The Cinque Ports Club had been in existence since the early 1900s.

For the first 50 years or so of their existence the Hoops played at various times in the old Kent League or Kent Amateur League and in the 1950s they enjoyed one of their most successful periods, winning the Kent League title in 1954 and the Kent League Cup in 1958, when they beat Margate 3-0 in the final, before the KL was disbanded the following year.

Deal then become one of the founder members of the Aetolian League in 1959, where they finished runners-up in their first season, before leaving the AL to join the Southern League in 1963. But after enduring three torrid seasons in the SL Deal switched leagues again in 1966 when they joined the Greater London League.

Deal spent five seasons in the GLL, with the highlight coming in 1968 when they won

the League Cup by beating East Ham Utd 2-1 after extra-time. But when the GLL merged with the Spartan League at the end of the 1970-71 season Deal's first team opted not to join the merged league and instead took over from their reserve side in the newly-reborn Kent League.

The club's next trophy success came 11 years later when they won the Kent League Cup by defeating Erith & Belvedere in the 1982 final, but trophies again proved hard to come by in the ensuing years. That was all to change however after Roy Smith took over as chairman in 1997, and his ambitions both on and off the field quickly lifted the club. Smith appointed a full-time manager in Tommy Sampson for the beginning of the 1998-99 season, which ended with the club winning the Kent League Cup by beating VCD Athletic in the final, and the Hoops then enjoyed the greatest season in their history the following year. Deal became the first team from Kent to lift the FA Vase with their 1-0 victory at Wembley Stadium against Chippenham Town thanks to Roly Graham's superb late volley, and for good measure they also won the Kent League title.

However, the Hoops' fortunes quickly went downhill after Smith and Sampson left the Charles Ground before the start of the 2000-01 season. Dave Dadd took over as manager for that campaign and then became assistant manager when Simon Bryant took charge the following year. Bryant led the team to creditable third and fourth place finishes in his two seasons as manager before taking over at Herne Bay. With the majority of Bryant's players also leaving it was again a case of having to rebuild and this time the task fell to Derek Hares, who had

enjoyed two successful seasons as the Hoops reserve team manager. And, apart from a couple of years from 2013-15 when he became chairman, Hares has been in charge of the first team until the present day.

The 2018-19 campaign saw Deal again spend virtually all of the season in the top half of the table only to lose three of their last four games which meant the Hoops eventually finished in 11th place, and Hares and head coach Steve King were certainly hoping to improve on that position last season only for it to be terminated early due to the Covid situation. They did enjoy a very good run in the FA Vase before losing out away at Durham side, Consett. They are hoping this season will show an improvement in their League position.

Our main honours are:-

FA Vase winners 1999/2000

Kent League winners 1953/54, 1999/2000

Kent League runners-up 1988/89, 1998/99

Kent League Cup winners 1957/58, 1981/82, 1998/99

Kent League Cup runners-up 1993/94

Kent Senior Trophy winners 1994/95, 1999/2000

Kent Senior Trophy runners-up 1982/83, 1990/91

U-23S & U-18s REPORT

Matt Cronan // Under-23s & Under-18s Manager

We had a fantastic turnout to our trials for both U18's and our reformed U23's which made it challenging with all the new guidelines due to covid and but we all handled it and with brilliant effect.

Unfortunately we had to reduce numbers to a manageable squad size. We started pre season friendlies beginning of August for both teams and have seen a remarkable improvement over the last month while also working out our final squads. We are very excited to start the season and are preparing for our first game of the season in the FA youth cup away to Bognor Regis Town This will be the 1st time in the 20 man squad that 16 have played in the FA Youth Cup so they are naive which can also be a good thing.

We have had some outstanding performances and some that need work but that's what pre season is for, noticing weakness and improving before the start of the season.
