## Welcome to Redding Way

Good afternoon everyone. We welcome to Redding Way the players and officials from South Park, also today's three match officials for this Division One encounter. The last meeting between South Park and Knaphill was in the away game back in October, a poor month for any decent results for us, as Knaphill suffered a 6-2 defeat. Neither of the teams played last weekend due to waterlogged pitches, but the two clubs were not alone with postponements, as a total of seven matches were called off in Division One, the same number also in the Premier, with just two games surviving in each Division.

So our last match played was two weeks ago, on a day that Knaphill's rich vein of form continued in the visit to Chobham where the team recorded their seventh successive win to make it a haul of 21 points gained since the beginning of the year. Some contrast to what was gained in the first four months of the season, which was just 12 points from fifteen matches.

The winning sequence in January, has continued into this month with two more wins. In our last home game against Cobham here three weeks ago, Knaphill reversed the away result of a 1-0 defeat back in August, as the return fixture at Redding Way, saw a 3-1 win for Knaphill with goals from Alex Lumley, Ricky Hogsden and Ed Cardona, producing a sixth consecutive win and another step up the table.

Away at Chobham two weeks ago, maximum points came in the 4-2 win against a side who had a rare success over us in a League Cup tie at the Recreation Ground. In this encounter, confidence, commitment and quality again became the theme as the winning run continued. Knaphill took the lead after 17 minutes when a cross from James Wills was met with a header by Ricky Hogsden to make the early breakthrough. It was 2-0 in the 24th minute when Matt Baker slotted home a penalty, after Chris Fox had been fouled in the box, and Knaphill went close to a third goal ten minutes before halftime when Fox's effort hit the post.

Three minutes into the second half, Chris Fox made it 3-0, and a few minutes later, Richard Shelley denied the home side with a fine save from Carr. Substitute Jack Ball was only on the pitch for a minute and with his first touch slotted home Knaphill's fourth after 73 minutes. Chobham got two goals in the last fifteen minutes, but the result was never in doubt. Knaphill ran out worthy winners and secured the slot behind 10th place Eversley who were also on 33 points, although the Hampshire side added another three more to that total last weekend from one of only two games played in Division One.

Our Reserves have had their last two games, against Farleigh Rovers and Mole Valley postponed, and face a third blank Saturday today with no fixture allocated. They will be hoping to resume next week in the home match against Sheerwater Reserves, with 11 games of their 26 match league programme still to play.

Knaphill Youth U18s were in action last week, and completed a league double over Cove U18s with a 5-2 win in the Allied Counties League, with goals from Sam Wilson(2) Dan Kelly(2) and Fraser Wilsh. The previous week produced an excellent result in the Quarter-final of the Grant McLellan Cup, the Youth team defeating Camberley Youth 2-0, with goals from Liam Welch and Bradley Fraser to reach the semi-final of the competition. Well done lads. Their semi-final opponents are not yet known.

As you can see around the Ground, our 50 seater stand is now installed, and work is getting underway on the preparation for the installation of the floodlights. With rearranged fixtures now being put into place, we'll be looking ahead to a busy couple of months of the season, and after today's match, we still have 13 games to play between now and the end of season. Eight of the games will be played in April. Just as well our 2010/11 programme consists of 36 league games as opposed to 40 last season. Next Saturday 5th March, Knaphill are away to Sheerwater, followed by a fixture away to CB Hounslow on Thursday 10th March, which will be played at Bedfont Sports FC kick-off 7.30pm. At the moment there is no fixture allocated for Saturday 12 March, so the next home match will be on Saturday 19 March, when there's a quick return fixture against CB Hounslow who will be the visitors to Redding Way kick-off 3pm.

# TOUCHLINE TALK

With Joint Managers Adie Wilson & Dave Freeman

These are my first programme notes since taking charge of the first team along with Dave and I have to say that things could not have gone better. We have resigned Matt Baker, Woody Cardona and Bryan Murphy, along with new signing Jack Williams but I think probably the best signing Dave and myself have made in the short time we have been in charge would be Neil Woodyer who has bought his great coaching and knowledge of the game to Knaphill.

This is something that the lads have really bought in to along with the belief and great team spirit that Dave and myself have put back in the dressing room. Simple things like music on match days and the pa system all give the whole club a simple lift and make the club a happier place to be and of course winning is a huge boost. We seem to be doing very well on that front, infact we have managed seven wins from seven games so far and going into today's game hope to make this eight in eight. Joe Turner and Jack Ball are regular first team players and this is also a huge step forward for the club, these lads are still playing regularly for the youth team who beat Camberley Town convincingly in the Grant McCellan Youth cup recently.

Andy 'Tog' Martin is doing a great job with the reserves and also has a very young team who seem to be heading in the right direction, So can things get any better ? YES is the answer as a 50 seater stand was delivered to Redding Way last Friday and the floodlights delivered on Monday. Yes the club is moving forward at a great pace. The work has started on the lights and we have been told three weeks to completion.

Several people have worked amazingly hard to get the club this far and Dave and I have to make sure the players keep moving in the same direction. The lads have responded very well to the changes on and off the field and we are very happy with the way everything is moving.

Welcome to our visitors today South Park, the players, management and supporters and I hope your short stay here at Redding Way, although not too enjoyable!. To our regular visitors and supporters enjoy today's game and help this club by spending some money in the clubroom as every penny helps.

*Adie*

Since our last home game here where I thought we thoroughly deserved the three points in the 3-1 against high flying Cobham, we have continued our winning run since Adie and I took over in December. The Cobham game I believed would be our toughest test to date however the players applied themselves very well and although we were under the cosh in the second half partly due to windy conditions I felt we defend well and took our chances when they came to us.

Our last fixture we faced a tricky local derby against Chobham. Those of you that know the pitch at Chobham know it to be an awful playing surface and we were not disappointed. It was a case of missing the grass out instead of trying to play football and although we started slowly once we took the lead through Chris Fox we never looked back and we tried to play football albeit in short spells. Also on the scoresheet was Ricky Hogsden and Matt Baker who seem to have got their shooting boots back and it was pleasing to see Jack Ball come off the bench and score with his first touch. Jack has been very patient and he has shown great maturity for a youngster since his arrival at Knaphill.

On the injury front Nick Darnell, Dan Cox, Mike Ford are still all sidelined with no return date set yet alongwith long term injury victim Tom Davis who always has a smile on his face despite the serious injury he picked up against Staines Lammas recently. Today's visitors South Park are once again proving they are promotion candidates and will be a tough side to breakdown so will have to be at our best if we want to pick up maximum points this afternoon.

# WELCOMING SOUTH PARK F.C

## SOUTH PARK FOOTBALL CLUB A BRIEF HISTORY

South Park Football Club was formed in 1897 and immediately became founder members of the Redhill & District Football League along with other local clubs Godstone, Meadvale and Reigate Priory Reserves. The club remain members of the league today.

Although the facilities were basic the early matches were played in the original sports field which was in upper South Park between Crescent Road and Church Road. In 1925 under the direction of Canon Gregory from the local church, the football club together with the village cricket club formed the South Park Sports Association with the aim of the Association to provide sport and sporting facilities for the people of South Park.

Within a few years it was realised that this new concept would be better served by an improvement in facilities and playing conditions. Fortunately for both club's suitable land existed in Whitehall Lane, the clubs current home and with the co-operation of the public spirited landowner, Harold Swannack, four acres of ground were purchased there. Always strapped for cash in these early years, the money was raised for the field largely by public subscription, which included door to door collections.

In order to preserve the land as a permanent sports ground, great foresight was exercised in vesting the land and subsequent purchases of further lots of two acres and four acres making ten acres in all in the National Playing Fields Association, now known as Fields in trust. The land became known as the 'King Georges Field' from 1935. The changing rooms were located on the far side of the field from Whitehall Lane at the bottom of the number two football pitch. Although the facilities were an improvement on their previous home they remained basic.

The football club flourished in the years leading to the Second Great War but obviously declined during and immediately after it. A handful of stewards rallied to the cause however and quickly resurrected its fortunes. One legacy of the hostilities, the air raid shelter, became the focus of attention when it became clear that further improvements were needed to the facilities if sporting aspirations were to be advanced.

Thus it was that a shower room and toilet block and a modest clubhouse were attached to this building. Funding for this was achieved through the tireless efforts of the 'Friends of South Park Sports Association' organisation. Despite these commendable efforts, the Association lived for many years on a hand to mouth basis with the management all too frequently having to put their hands into their own pockets to ensure its survival.

During this period the playing side of the football club flourished with numerous honours won in the local leagues and cups together with appearances in County Cup finals. The club were also honoured in the fact that a number of players progressed to senior football with clubs such as Redhill and Eastbourne Town in the fifties and sixties, the heyday of non league football.

The seventies and eighties brought further improvements to the changing facilities and clubroom and the purchase of the land that is now our main pitch were made. In the early seventies the football club started the junior's section. Over the years the number of teams has increased on a regular basis and today we have boy's teams from under eight's through to under sixteen's.

In 1997 the football club celebrated its Centenary year, the highlight of which was a celebratory dinner held at Reigate Manor Hotel at which over 150 people attended. Many players both past and present attended along with guests from The Football Association and Surrey County Football Association.

The club was presented with its own unique framed certificate from the Football Association to mark this occasion. The club was once again celebrating in 1998 when Geoff Thatcher was awarded a Gold Medal by the Football Association to commemorate over 50 years service to football, the whole period with our club dating back to the war years when the club only played friendly matches as there was no competitive football during the war.

2001 saw Reigate Town Football Club move to South Park and the club became known as South Park & Reigate Town Football Club. In 2002 the club saw the formation of the first girl's team to play under the club's name and we now have four girl's teams. The following year saw the introduction of the youth team who are currently playing in the Southern Youth Floodlight League. The youth team played their home matches at Merstham Football Club from 2003–2007 as at the time we did not have floodlights.

For the 2003/04 season the club reverted back to its original name of South Park Football Club. In February 2004 the club became only the fifth in Surrey to be awarded the status of 'FA Charter Standard Community Club'. In 2006 the first team were promoted to the Combined Counties Football League and as our new changing facilities were being built played their home matches at Cranleigh. In their first season in the Combined Counties League the team finished in seventh place in the league. 2007 saw the completion of our new changing rooms and the erection of floodlights around our main pitch. This ensured that our first and youth teams could now play their home matches in South Park.

The 2008/09 season saw another landmark in the history of the club when we hosted Shoreham in our first ever FA Vase game. The 2009/10 season saw the club finish in their highest position (6th) since joining the Combined Counties League. The club has continued to progress and in August 2010 our stand will be erected which will give us the ground grading required for the first team to gain promotion.

The 2010/11 season will see the club participate in the FA Cup for the time with an away tie against Greenwich Borough.

It must also be noted that without the tireless efforts of the late Fred Dearmun, Geoff Thatcher, Ray Wilson and Geoff Arnold to name but a few, the club would not be in the position it is today.

# WHAT HAPPENED HERE

On their current form, Knaphill's better football it seems comes away from home, having won all five league games on their travels so far this season, – but at home, well it's almost like Redding Way is becoming more advantageous to the away team than Knaphill. Saturday's 5-3 defeat by their opponents South Park emphasising that point, as Knaphill have registered just one home win so far this season.

Knaphill had won their previous four meetings against South Park, but after starting brightly with early pressure on their opponents, South Park burst upon the scene to disrupt that spell by scoring two goals in the space of three minutes. The first after 14 minutes, saw Mottram weave his way towards the six yard box and slip the ball past Nash, then in the 17<sup>th</sup> minute the visitors increased their lead after Parker's first effort was blocked by the feet of Knaphill keeper Richard Nash, but only straight into the path of the striker to slot home. Nash was making his first team debut, with Knaphill's other two keepers, Shelley and Rogers, both sidelined through injury.

The visitors took the initiative following the quick smash and grab of the two goals as Knaphill's early spark was defused and they struggled to find their shape and cutting edge. A couple of chances did come Knaphill's way, a Ricky Hogsden shot which was deflected for a corner inches from the post, and Gavin Brainch delivered the ball across the face of goal which failed to find a Knaphill player who could latch onto.

South Park nearly extended their lead on 36 minutes when Mottram's shot with little pace on it, was heading towards goal leaving Nathan Miles to desperately scramble the ball away with Nash stranded in front of him. Like the first two goals, the build up to the third was similar when after 42 minutes Mottram hooked the ball home from close range to give the visitors a

a commanding halftime lead.

Two instant substitutions were made at the start of the second half with Matt Baker and Gary Campbell replacing Vic Flynn and Micky Walter, and with Brainch dropping back into his regular defensive role. In the first fifteen minutes of the half, Knaphill began to show a bit more bite and vigour in their play after coming off from the first half second best. The first warning sign came when Chris Fox was unlucky when a cracking shot cannoned off the crossbar. Then in the 56<sup>th</sup> minute, Knaphill were awarded a free kick 22 yards out from which Baker glided round the defensive wall to reduce the arrears.

The comeback appeared to be taking shape as after 59 minutes, an outstretched tap on from Baker reached Hogsden who slid the ball past Roberts from six yards for Knaphill's second goal. Knaphill went close to equalising on 68 minutes when Baker's effort was pushed away by the keeper, before Hogsden drove a shot inches wide of the post soon after. Following Knaphill's second goal, South Park were getting to grips with the game again and in the 74<sup>th</sup> minute made it 4-2 when Mellows planted his header inside the near post.

# LAST SEASON...

**SAT OCT 10  
K.O. 3PM  
REDDING WAY**

At the other end, the visitors keeper was then to foil a Hogsden effort, but South Park were to dash any hopes of Knaphill getting any further back into the game, making it 5-2 through a well worked goal from Mellows after 80 minutes. Although Knaphill did get a third goal when Baker netted in the 88<sup>th</sup> minute, the main damage had been done in the first half as Knaphill were left to reflect on another disappointing home performance which has seen them gain just one win from seven league games and one Cup match at home so far this season and an even grimmer statistic of conceding 24 goals in those eight matches.

Jack Williams, who joined Knaphill from Premier Division side Cove in late January, is settling in well and although having only played a limited number of games since joining, Jack is enjoying his football with Knaphill. I caught up with Jack earlier this week and one of the first questions I put to him was about how and when did he first get interested in playing football.

Like other youngsters, it was an early age for Jack, playing in the Under 7s for Onslow Village and progressing through with other age groups, he also played for Meadow Sports during those early years.

By the time Jack was in his mid-teens, he had joined Merrow, a Club who prior to playing in the Combined Counties League had played in the Surrey Intermediate League. Encouragement for playing football came from his Dad, who had played for Merrow, and was to see his son also play for the Club, who were to pull out of the CCL after the 2007/08 season and return to the Surrey Intermediate League.

Following his spell at Merrow, Jack went on to University at Brighton for three years, and was in the University team that also included England Schoolboy players. Jack said -"The University were in a top League for that level of football, the League had high standards, it involved a lot of travelling, and at 19 years of age I was playing in a good team with some very good players."

## GETTING TO KNOW...

# JACK WILLIAMS

After University, Jack then joined Cove in the Premier Division of the Combined Counties, and was with the club for 18 months before making the move to Knaphill. Although having been at Knaphill for only a few weeks, I asked Jack how is he finding the level of football in Division One as opposed to the time he was playing in the Premier. "I believe the Premier sides are defensive, cagey and faster, whereas in Division One, the level of football flows with the emphasis on attacking football".

Although football appears to be Jack's number one sport at the moment, he has shared interests in other sports, having played Rugby for Guildford and Godalming, and been involved in Hockey and Cricket. In Hockey, Jack has also been on a Club tour to Singapore and Malaysia but could not continue to be involved in all the sports, so mainly it's filtered

it's filtered down to football at this present time. Jack's other interests outside sport, has included Music, playing the Guitar, having played in a local Band and been a DJ.

Early days, but after a month Jack has found himself settling in at Knaphill very quickly. "Everyone's so friendly and makes you welcome, and with what is happening at the Club at present, exciting times ahead for Knaphill" said Jack. Whilst at Cove, he played in many positions in the team, and with his starting role in defence for Knaphill, Jack made an impressive debut for the Club in the 4-3 win against Westfield last month. He now looks forward to the rest of the season and help Knaphill with their winning ways and continuing progress up the league table.

# LATEST MATCH REPORT

## Saturday February 12th 2011 Chobham 2 Knaphill 4 Combined Counties Division One

### Moving On Up!

The previous meeting between these two clubs back in October saw Chobham chalk up a rare win over Knaphill in the League Cup. It came during a barren spell of results for Knaphill who recorded just three wins in 15 games in seeing out 2010. But how times and fortunes have changed! Saturday's visit to the Recreation Ground was a different story as the visitors continued their points haul, defeating Chobham 4-2, to make it a maximum 21 points from seven games since the turn of the year, blended with a theme of confidence, commitment, and quality adding to their recent form.

The local derby, which had early exchanges of creating chances for both sides, saw Knaphill take the initiative as they opened the scoring proceedings after 17 minutes, when a cross from James Wills was met by a Ricky Hogsden header to put the visitors 1-0 up. Seven minutes later, they increased that lead when, following a foul on Chris Fox in the box, Matt Baker stepped up to plant the spot kick past James Shaw with aplomb to make it 2-0.

Knaphill, although beginning to take control, had their opponents creating some opportunities which lacked a finishing touch, failing to cause any real trouble for the Knaphill defence. On 35 minutes, Fox had a chance to strengthen Knaphill's lead, but he saw his effort come back off the foot of the far post, their closest effort in the remainder of the half.

Chobham were given very little time to settle down at the start of the second half when Knaphill made it 3-0, Chris Fox hooking the ball home from just inside the 18 yard area after 48 minutes. Chobham then had an opportunity to reduce the arrears in the 53rd minute, Andy Carr's drilled effort pulling out a fine save from Richard Shelley.

Knaphill defended well to deny any chance the home side had, although Rocha and Anonam both miscued worthy chances. After 72 minutes, Knaphill sub Jack Ball replaced Ricky Hogsden, and within a minute of coming on, received a threaded pass across goal from Wills, and Jack was on the ball with his first touch to steer home Knaphill's fourth.

Chobham's closest effort came in the 75th minute when a Bloxam free kick was tipped over the bar by Shelley. But a minute later, they had the opportunity to reduced the arrears when awarded a penalty, from which Roche slotted home the spot kick. A defensive lapse in Knaphill's defence allowed Carr to shoot past Shelley after 83 minutes.

But despite conceding two goals in the last 15 minutes, the result was never in doubt as another accomplished Knaphill performance pushed them up the table, and having scored 23 goals from the last seven games, are now on 33 points, the same as 10th place Eversley, whose goal difference is better than Knaphill's.

Two home league games now await Knaphill, next Saturday 19 February they play hosts to League newcomers Farnborough North End, and the following week South Park are the visitors to Redding Way.

Team: Shelley, Williams, Lumley, Murphy (Harvey), Gamble, Brainch, Fox, Turner, Hogsden (Ball), Baker, Wills (Wilson).

## **CB HOUSLOW UTD**

This will be the second meeting with Hounslow inside ten days, see *opposite* as we welcome the Middlesex based club to Redding Way. Our record against them has seen us pick up maximum points in all their visits since 2007. Last season we ran comfortable 3-0 winners courtesy of goals from Dan Cox, Gavin Brainch and Tom Davis

## **FRIMLEY GREEN**

**SAT APR 2  
K.O 3PM**

This will be our third encounter with Frimley having met in the Southern Combination Cup earlier in the season in which we lost 2-0 and more recently we met in the league where we ran out 4-0 winners at the recreation ground courtesy of goals from Chris Fox, Joe Turner *pictured*, Matt Baker and Ricky Hogsden.

The last time Frimley visited Redding Way was the second game of last season when they cruised to a 3-1 win.

Last season we ran out 4-2 winners with goals from Matt Baker (2) *pictured right*, Ricky Hogsden and James Wills.

# RESERVES YOUTH

with Andy Martin

Reflecting on the first three games managing the reserves Gary and I couldn't be more happy with the potential we have. Last week's squad for the game against Farleigh Rovers included 14 players 18 years old or under but we were confident that we would have given a good account and achieved a positive result had the game not been postponed.

I was asked if I was concerned playing against some of the more physical sides with so many young players and my answer was I don't think talented players who 'have a bit about them' worry about this at all. In fact they thrive on it even if that means some negative results. I watched our youth side beat Camberley 2-0 last week. It was a very fast and physical game with both sides full of players who have the ability to move on in their football careers.

Of course it will be nice to have some of the experienced first team squad players available as they recover from injury as they will help with 'on the field' player development but in the meantime we have no desire to sign players unless they have the potential/ability to push for a first team place. The gap from reserves to first team is very wide and one of the things we reiterate to the reserve squad is our job is to help any first team players to get ready for their return upwards and for the youth lads to develop them into first team players as soon as their ability and attitude allows.

Aside from all the talk about developing players it is important the players enjoy their game time in the reserves and that means winning games is important.

Good players want to win games and we only want winners in our side no matter what age they are. We are realistic in that games like this week against league leaders Mole Valley we are very much the underdogs but that is a challenge we look forward to.

# YOUTH RESERVES

with Doug Ford

## Youth go from Strength to Strength

February has been good for the U18's and has seen almost every player who was available in the active squad get game time.

Our first venture was to Winchester City, a big physical and well drilled academy side who were in essence Salisbury City Youth last year. The boys produced a well disciplined and high energy performance competing both tactically and physically. Harry Maynard opened the scoring on 54 minutes with a well struck shot but we leaked a soft goal on 64 minutes. The game finished 1-1 and I am happy to take a point from a side that will be pushing for top 3 slot at the end of the season.

Next we played in the quarter final of the Grant McClellan Youth Cup run by the Combined Counties League, against Camberley Town, a side full of confidence, having had only three defeats in 14 games this season.

We started by playing down the infamous Krooner Park slope and after an unremarkable opening twenty minutes, we started to take control. Unfortunately a mixture of wayward finishing and good goalkeeping meant that we failed to take advantage of the slope before half time.

With rain starting to fall, the second half began much more brightly with both sides eager to take the initiative and after 63 minutes, in a well worked move down the right hand side, the ball ended up at the feet of Liam Welsh who took his opportunity to deliver a clinical finish. With 2 minutes over the ninety gone and with Camberley pushing everyone forward, a long ball from the Knaphill goalkeeper, Louis Martin, found Bradley Fraser in acres of space. He then ran on into the box and calmly slotted past the onrushing keeper which sparked wild celebrations from our players.

The boys can be very proud of their 2-0 performance against one of the strongest sides in the area.

Our game last week saw us play Cove at home, (Hanworth Villa). We had the opportunity to leave out senior players and give several younger boys a start and they did themselves proud.

We started brightly and were playing with purpose, passing the ball quickly and dominating a game which, could so easily have been a banana skin after the Camberley result. 2 goals in quick succession from Sam Wilson saw Knaphill maximise our dominance. We did lose concentration for a moment (and in football that is all that it takes) conceding a sloppy goal against the run of play. Almost as quickly, we replied to make it 3-1 at half time with a well taken goal from the strong and efficient Dan Kelly.

The second half saw 3 changes in personnel and almost immediately Frazer Welsh skipped past his defender and slotted the ball with the outside of his foot past the Cove keeper to go 4-1 up. We conceded a second goal before Dan Kelly got his second and Knaphill's 5th wrapping up the game. Dawbs and I were pleased with the youngster's performances and are confident we are building a solid squad for next season.

Our next game sees us play Camberley in our home league fixture, on Wednesday 2nd March at Hanworth Villa FC. This promises to be a superb game, with history between the two teams and Knaphill with a point to prove that we are the leading side in this area, ensuring it will live up to its billing. Please come and support the boys, they do appreciate playing in front of a crowd.

# MATCH REPORT

## Saturday January 29th 2011 Frimley Green 0 Knaphill 4 Combined Counties Division One

### Keeping It Going!

On a freezing cold afternoon at The Recreation Ground, Knaphill warmed the cockles of their hardy supporters hearts with a comfortable 4-0 win. Missing influential players Dan Cox, Nick Darnell & Tom Davis the squad included Bryan Murphy starting and Sean Harvey on the bench.

With Knaphill playing at a high tempo the first exchanges were end to end with no real threat to either goal. As things settled down a short throw was lifted high into the box by Ricky Hogsden to Matt Baker, who as the keeper came out to challenge, cushioned the ball into the path of Chris Fox who shot into an empty net. 1-0 Knappers.

Another Baker header found Hogsden on the far post and his snap shot was well saved by the Frimley 'keeper who forced the ball over the bar. Frimley started to come back into the game with some long range shots and balls over the top, but Richard Shelley looked comfortable as he dealt with Frimley's long balls over the top. As the half progressed Knaphill pressed further and Woody Cardona had a good shot saved by the keeper for a corner which resulted in a cross and a Jack Williams header tipped over the bar. Half-time came with Knaphill in the ascendance and the crowd eager for more.

Hardly had the second half started when a Knaphill corner was half cleared to the edge of the box where young Joe Turner hit a cracking volley bouncing in front of the keeper and into the back of the net! 2-0 Knappers.

This second goal took some of the wind out of Frimley's sails and gave Knaphill clear water with 40 minutes to go. The midfield was ably run by Brian Murphy with Joe Turners confidence boosted by his goal. Baker, Hogsden, Fox & Cardona were running the Frimley defence ragged as crosses and shots came forth regularly.

Frimley still didn't give up and a corner produced some anxiety in the Knaphill box, the bouncing ball was quickly cleared down field. A ball over the top found Hogsden who chipped the keeper only to see the assistant referee raise his flag for off-side. Another long ball found Baker who was beaten to the ball by the keeper, the ball rebounding to Cardona whose shoot was blocked and the follow-up from Joe Turner struck a defender and went away for a throw. Turner and Fox played some neat passing to allow a high ball through to Baker who's first touch was excellent, he then cushioned the ball on his thigh and with the onrushing keeper lifted a delightful loft shot that went in off the underside of the bar. 3-0 Knappers.

With Frimley firmly on the back foot, Turner sent in another volley that just cleared the bar and shortly afterwards another long ball from the ever impressive Turner found Hogsden on the edge of the box whose first time chip found the net and this time no sign of off-side! 4-0 Knappers.

This was a thoroughly accomplished performance from a Knaphill team growing in ever increasing confidence and a squad that can call on both youth and experience when key players are injured.

Team: Shelley, Williams, Gamble, Brainch, Lummers, Cardona(Wills 83mins), Murphy(Harvey 83mins), Turner, Fox, Hogsden, Baker(Ball 83mins)

Scorers: Fox 12mins, Turner 60mins, Baker 74mins, Hogsden 80mins

# THE FINAL WORD

I really hope we play this game today. South Park will be a big test and one I know we are ready for.  
One of our ongoing problems is the pitch at Redding Way. The drainage has partially collapsed and needs massive work. Woking Borough Council probably have spent their budget this year but it does need sorting. Work is being carried out in the summer which will hopefully solve some of the problems we have here in winter.

You will have noticed the stand is in place and the floodlights have been delivered. The work on the lights should have started last week. Unfortunately the weather has delayed the start. This is very worrying, we are all praying for dry weather. At present the heavy lifting gear cannot get into place as the surface is too soft due to all the recent wet weather and we do not want it ruining the spectator areas and more importantly the pitch. This is worrying because to be able to pursue a late-promotion push and to enter the FA.Vase we need to have the correct ground grade by the end of March. This catch 22 will only be sorted if we get dry weather.

Also we need to be able to play our youth games at home so we can make some serious money. At present we are losing up to £150.00 a game by playing our fixtures at Hanworth Villa Football Club. So we not only need to win games we also need to make some money.

I have asked the Knaphill players to try to achieve a total donation to the club of £1000.00. This should be achieved quite easily with a little effort from you all. The first instalment of this will be the Race Night on Saturday 5th March. I really like the idea of non attendance costing any individuals money.

We are looking for sponsors for the stand. I am not sure yet if we can even name the stand but if we can we will raffle it as part of the seat sponsorship. Each seat will be sponsored for a minimum of £50.00. If you put your name to a seat you will go in the draw to have your name (that is with the approval of W.B.C.) or company sponsoring the stand for the whole of next season.

Please could you make an effort to promote this? All money collected will be for your benefit and ploughed directly into the club.

We are still no nearer getting a Commercial Manager. Can you suggest anyone? This is a job which needs to be filled to promote this club in and around Knaphill. We may even pay money to the right person. Obviously that will be on a commission basis.

Last Man Standing is going well Game 6 has reached Week 4 so far. Out of the 20 that entered we only have 5 left.

| LAST MAN STAND-<br>ING |           |          |         |                   |
|------------------------|-----------|----------|---------|-------------------|
| GAME 6                 | WEEK 1    | WEEK 2   | WEEK 3  | WEEK 4            |
| Nick Croshaw           | Spurs     | Man City | Arsenal | Man Utd           |
| Andy Martin            | Bolton    | Man City | Arsenal | Newcastle         |
| Malcolm Denham         | Bolton    | Man City | Arsenal | Man Utd           |
| Brian Freeman          | Liverpool | Man City | Arsenal | <b>Stoke v WB</b> |
| Trevor Winham          | Man Utd   | Man City | Arsenal | <b>Stoke v WB</b> |

This makes money for the club so why not join in Game 7. It costs £10.00 with a chance to make around £200.00 for your investment. It is also good fun. Contact the Chairman if you are interested.

**Thought of the day from the chair;** It looks like we (Sheffield United) could miss West Ham next season if we go down. If we stay up we should get 6 easy points off Nottingham Forest, if they don't go up!
