Good afternoon and a warm welcome to today's visitors Camberley Town and their management team.

Today's opponents will prove to be a tough encounter with a side mixed with youth and experience along with a few players on dual reg from step 4 and 3.

I know Turks and Sam really well and they will be organised and well drilled tactically.

We have had a few tough away days the last couple of weeks with Banstead away where we deservedly took the 3 points with a professional display all round which was very pleasing.

Last Saturday was a tough away fixture to Frimley Green under the circumstances with the weather and the tragic news they had that week.

1st half I thought we were the better side with Finley scoring a great solo goal.

2nd half we come out a different side and stopped playing our way which was very frustrating, but credit to Frimley as they pegged us back and got the equaliser with 25mins left to play.

In fairness we were probably lucky to gain a point, but the pleasing thing was we dug in and held on for the point.

We need to kick on now and find a way to turn the draws in to wins starting with today!

We're now 5 unbeaten in the league campaign which is always a positive and a platform to build on.

It comes with no surprise that we are now starting to be a tough side to beat with players now coming back from injury and holidays which has been a big problem for us in the first 7 or 8 games of the season with 8 or 9 missing week in week out.

Danny Taylor should be back with us in the next couple of weeks, Timmy Taylor is now back in training following his injury.

We are also unbeaten at home so far this season in 90 minutes so long may that continue.

We will be starting our Knappers bonus ball today so anyone who hasn't been aware of your chance to opt in.

We also have our quiz night tonight so speak to one of the committee members to see if there are any spaces left!

We hope you enjoy the game this afternoon and the season ahead.

Safe journey back today for our opponents and officials.

# THE AWAY END

The club was established in 1895 after a discussion at St Michael's church, and was originally named St Michael's Football Club, although they became known as St Michael's, Camberley. The first match, a friendly, was played on 16 October against D Company from the Royal Military College in nearby Sandhurst; St Michael's won 4-2. In January 1896 they joined the Surrey County Football Association, entering and winning the Surrey Junior Cup in 1897-98; the club's first competitive game was played on 16 October 1897, a Junior Cup first round match against Farncombe which St Michael's won 5-2. After winning the cup, the club joined the East & West Surrey League for the 1898-99 season.

In January 1901 a public meeting was held, at which it was decided to establish a new club that would absorb both St Michael's and Camberley Magpies. The name Camberley & Yorktown was adopted and the club took St Michael's place in the East & West Surrey League. However, they dropped into the Aldershot Combination in 1902, before switching to the Ascot & District League in 1903. The club finished as runners-up in their first season and went on to win the league in 1904-05. They were runners-up again in 1905-06, before winning a hat-trick of successive titles in 1907-08, 1908-09 and 1909-10, remaining unbeaten throughout the third of the title-winning seasons. The season also saw them win the Surrey Junior Cup for a second time, beating Sutton United 2-0 in the final. In 1910 Camberley & Yorktown returned to the East & West Surrey League, which had been renamed the West Surrey League. In 1912-13 the club also entered the three-club Aldershot Senior Civilian League, which they won. They went on to win the West Surrey League the following season.

In 1922 Camberley & Yorktown were founder members of the Surrey Senior League. They won three successive titles in 1930-31, 1931-32 and 1932-33 and were runners-up in 1938-39. After World War II the club was renamed Camberley, and were Surrey Senior League runners-up in 1946-47, before winning the league's Charity Cup in 1951-52 with a 4-3 win over Chertsey Town. The club were league runners-up again in 1961-62, and adopted their current name on 2 June 1967 after merging with former Parthenon League club Camberley Wanderers. In 1973 they joined the Spartan League, but left to join Division Two of the Athenian League in 1975. In 1977 they switched to Division Two of the Isthmian League, and were promoted to Division One after finishing as Division Two runners-up in 1978-79. Two seasons later they were relegated, and after a single season back in Division Two, they rejoined the Athenian League, which now had a single division.

In 1983 Rick Wakeman became the club's chairman while he was living in Camberley. He remained in this post until 1986 when he was elected Vice-President, and left the club when he moved to the Isle of Man in 1988. In 1984 the Athenian League disbanded; Camberley rejoined the Isthmian League and were placed in Division Two South, where they remained until being placed in Division Three following league reorganisation in 1991. In 1998-99 the club reached the first round of the FA Cup for the first time. Drawn against away to Third Division Brentford, they lost 5-0. Division Three became Division Two in 2002, and Camberley remained members until the end of the 2005-06 season, when they dropped into the Premier Division of the Combined Counties League. They were runners-up in the division in 2013-14 and 2014-15.
