KICK-OFF

with Bryan Freeman

Welcome to Redding Way

Good evening everyone, and welcome to the players and officials from Warlingham, also tonight's three officials and all supporters for this our penultimate home league game of the season. Our previous meeting with Warlingham was back at the beginning of September, the game finishing in a 2-2 draw, our goals coming from Jack Ball and Ricky Hogsden.

Reflecting on the past week's football, has seen our tremendous sixteen match unbeaten run halted by Hartley Wintney last Friday night at the Memorial Ground where we lost 2-1, our first defeat since the end of November. The unbeaten run reached a club record which included thirteen wins and three draws. Our previous unbeaten sequence came in the early months of last year when we had twelve successive wins. But the recent run has been a credit to the team and for the joint team managers of David Freeman and Adie Wilson, who took over the managerial reins from Bob Pritchard following his resignation after the Farnham game last November.

In last Friday's game, Knaphill conceded a goal after only six minutes, but battled back for Joe Turner to score the equaliser in the 20th minute. Prior to that we lost Chris Fox with a hamstring injury as play in the first half continued with both sides expressing attacking football.

Knaphill showed a lot of commitment and created a number of goal scoring chances in the second half, and at least three efforts should have brought some reward. Despite all those efforts though, it was to remain all square at 1-1 until the 77th minute. But it was not Knaphill's fortune, but that of Hartley Wintney who were the beneficiary of a second goal for what proved to be the winner that brought our unbeaten run to an end.

Three days previously Chobham were the visitors to Redding Way, and for Knaphill's fourth successive home game it was another three points in the 3-1 win. Chobham took the lead shortly before halftime, but Knaphill's equaliser came on 57 minutes with a terrific strike from Ed Cardona, and they went onto seal the game with two goals from Ricky Hogsden in the 88th and 90th minutes, to move into fifth place in the table. Match reports on both the Chobham and Hartley Wintney games elsewhere in the programme.

Two of our other teams were in action last week, the Youth U18s booked a place in the final of the Grant McLellan Cup with a 3-1 semi-final win over Cobham with goals from Dan Kelly, Sam Wilson and Bradley Fraser. Knaphill now meet Bedfont Sports in the final at Ashford Town FC on Thursday 28th April. Our Reserves were in action last Thursday and Saturday, losing 3-2 at home to Farnham Town Reserves, and held to a goalless draw at home to CB Hounslow respectively.

Now we go into the final two weeks of the 2010/11 season, and after tonight we have three more games to play. This Saturday Knaphill are away to one of the season's league newcomers, Hayes Gate (playing at Hanwell Town FC) kick-off 3pm, and is followed by our last away fixture in the visit to Worcester Park on Easter Monday 25th April kick off 1130am, with the final game of the season taking place at Redding Way on Tuesday 3rd May when the visitors will be Farnborough North End Kick off 7.30pm.

Back to tonight, as we look for to an entertaining encounter.

Enjoy the game....

TOUCHLINE TALK

With Joint Manager David Freeman

The old saying all good things have to come to an end sometime became true last Friday night as we lost our fantastic sixteen match unbeaten run to Hartley Wintney. Without doubt we are all disappointed with the run coming to an end especially in the manner in which we lost. Both Adie and myself could not of ask for anymore from the players during the run and on Friday night they gave their all in trying to maintain it. Despite trailing to an early goal we responded superbly and got ourselves back on level terms through Joe Turner and apart from one or two scares, our second half performance especially was brilliant and there looked like only one winner but unfortunately despite throwing everything but the kitchen sink at Hartley we were hit with a sucker punch late on and our host's eventually held on for the win.

Both Adie and I had nothing but praise for the players despite the result. It was a good team performance, we played some wonderful stuff, missed some great chances and should of got something from the game. I think Hartley will look at the game and agree they were fortunate.

Friday's defeat also came with an additional cost when Chris Fox broke down with a hamstring injury which could rule him out for the rest of the season, just when Foxy was getting back to his best!

Prior to the visit to Hartley we entertained local rivals Chobham last Tuesday. Our visitor's dominated the first half and deservedly went in front just before half time. A few choice words from myself, Adie and Neil seem to do the trick and we got ourselves level through a superb strike from Woody Cardona. Events then changed in our favour as Chobham lost all self control and had three players sent off which enabled us to put them under immense pressure which resulted in Ricky Hogsden grabbing a brace and earn us all three points. You could say we were fortunate which may be the case however, the difference on the night was our discipline. Like most teams that come here and especially our local rivals they all want to beat us which is only natural but the manner in which Chobham went about there business was disgraceful and their after match antics just about summed up why they are where they are, bottom!

Tonight we welcome Chris Tucker and his Warlingham side to Redding Way. Like us, Warlingham had high hopes of promotion this season however, those hopes have not worked out and we will be competing with them again next season. For now I think we will be competing against each other to finish in the top five.

There will be one or two familiar faces in the Warlingham line up tonight most notably Nathan Miles. Milesy who was here for just over two seasons, captained the side last season and helped us finish third in the division one, our highest position in senior football and he was very much the backbone of our success. He started this season with the club but unfortunately fractured his ankle back in August against Cobham which ruled him out for four months. Since his recovery Milesey joined Warlingham due to the fact he moved to the area and it was easier for him to commute to work and he now he lines up against us tonight. It will be good to see him and I wish him all the best for the future but not tonight, sorry Nath!

It's been another long season once again with many ups and downs at the club but thankfully the second half of the campaign we have shown the division what we are all about and hopefully we can now carry on and push for promotion next season. The players have been brilliant and there attitude has been spot on. We still have four games to play which will all be tough but once thing is for sure we will not let our standards drop and we will look to go on another unbeaten run.

Enjoy the game and thanks for your support.

Under 18's Progress To Cup Final

Knaphill U18's overcame Cobham U18's in semi final of Grant McLellen Youth Cup and will now face Bedford Sports U18's in the final on Thursday 28th April at Ashford Town FC. Knaphill dominated large spells of the game and went in front in the second half through Dan Kelly. Sam Wilson added a second soon after however Cobham pulled a goal back to leave a tense final quarter but Bradley Fraser sealed the win to book their place in the final in the teams and club's first season at Under 18 level.

Ground Development Update

We have had confirmation that contractors will be looking to commence work on the new access road and additional parking space on the 26th April. This work will mean the residents of Strathcona Gardens will no longer have to put up with any traffic as the current access will be permanently closed off. The additional parking spaces (31) will be in addition to the current 40 available and will make busy matchdays easier to handle.

Contractors are also visiting Redding Way in the next week to look at the addition of hard standing down at least one length of the pitch, thus completing our requirements to play in the FA Vase next season, the first time Knaphill FC have played in one of the FA's premier nationwide competitions. Further news will be made on the further developments in the near future.

End Of Season Presentation Day 2011

Knaphill Football Club are pleased to announce that the annual end of season presentation event will be held on Saturday 14th May at Redding Way. Breaking away from the traditional shirt and tie evening, the club have decided to hold an in-house football tournament involving the first, reserves, youth and a vets team.

The days events will also include a BBQ and presentation of trophies.

Tickets are selling fast, please see Carl Barker on matchdays.

IN RESERVE

with Andy Martin

With 6 changes from the start line up Bedfont Sports game to Farnham on Thursday and then 5 changes from the Farnham game to CB Hounslow on Saturday it is a bit difficult to build consistency.

The Farnham game was decent in that they are a strong reserve side and they left knowing they had got out of jail a bit. Then Saturday CB Hounslow celebrated the 0-0 score line while our players sat in the dressing room feeling deflated because they knew we should have enjoyed a victory.

We know that having a bit more experience in the side will turn these results into victories and the best of the youth players will come through to give us a stronger reserve set up in the future.

We had the majority of possession in the first half and created 2 clear cut chances but failed to convert. The second half was similar with us having a good amount of the play without converting. The height and physical advantage of Hounslow offered a threat, mainly from set pieces. The best move of the match followed some aggressive running from Fraser Welsh and a good ball inside. Unfortunately the away keeper made a good save from Sam Wilson to keep us at bay and the game finished goal-less.

The visitors took the lead after 25 mins but we hit back with goals from James Wills and Halona Masemba to go in 2-1 up at half time. The second half saw Farnham push for an equaliser without creating any clear cut chances and we looked dangerous on the break. With 10 mins to go it looked like we had a clear penalty turned down and before we could recover Farnham capitalised with 2 goals in 2 mins.

Friday nights game I thought we all put in a good performance and should of come away with all three points but unfortunately our hosts Hartley Whitney had other ideas and picked up all three points. On the night we were outstanding and worked very hard for each another and I'm sure it hurt us all to see are sixteen game unbeaten run come to an end but we are all still in good spirits and tonight we will be looking to get back to winning ways against Warlingham side who we drew with earlier in the season.

Tonight we welcome back to Redding Way Nathan Miles who was a big part of Knaphill when he was here and of course skippered the side here last season. Matt Brunt will also be returning back here for the first time since he left us in the early stages of the season. As captain I think we have achieved so much since January from the clubhouse staff, the committee members, the managers, the players and the chairman and with the facilities in place now all the lads are playing passion and belief and we are all looking forward to playing our remaining games and hopefully finish the season on a high.

WELCOMING

WARLINGHAM F.C

Warlingham F.C – A Brief History

Warlingham F.C was founded in 1896 and is affiliated to the Surrey F.A. The clubs base is at Church Lane, Warlingham where they moved in the early twenties. At this time they amalgamated with Warlingham C.C to form Warlingham Sports Club.

In the early years the team played at various local venues. The current Church Lane site was left to the people of Warlingham for the pursuit of sport and is now used to support our 16 junior teams and our "A", "B" and 2 Veterans teams.

For the coming season 2010-2011 we have entered into a ground sharing agreement with Ryman South team Whyteleafe having spent an enjoyable year at Merstham last season. This allows us to retain our position in the Combined Counties league and pursue promotion to the CCL premier division. It will allow us to move closer to our real home at Warlingham and hopefully boost our support. We will continue to look for alternative local sites to build our own facility to meet the ever increasing demands of the Football Association.

Our reserve team will continue to play at Verdayne (Hamsey Green Playing Field), which was leased, from Tandridge District Council in March 2004 specifically to allow us to gain promotion to the Cherry Red Records Combined Counties league.

In our long history we have gained virtually every honour available in Intermediate football and also achieved success at the next level having won the Combined Counties Div 1 title in season 05/06 and the Reserve section in both 04/05 and 06/07. This season we have entered the FA Vase for the first time and embarked on another exciting chapter in our history, reaching the 2nd round proper and finally losing 1-0 to Reading Town F.C.

In September 2008 we completed work on a new floodlit Astro training facility which has improved what we can offer our members in both our adult and colts sections.

Season 09/10 was a successful year with 3 of our adult teams winning the league ("B" Team/Vets "A" & Vets "B"). We also had some near misses with the Reserves losing on penalties in the Challenge Cup and the Vets "A" losing in the Sutton Vets Cup final. However, they did win the Vets Charity Cup.

Our Colts section goes from strength to strength and we are beginning to see the very real benefit of players coming through into the senior teams. Last year we ran 11 Colts teams and 3 had successful cup runs which ended in victory (U18/U11/U10). Our Soccer School has also proved successful and has started to feed the Colts section with new teams at 7x7 level.

We ran 6 senior teams during season 2009-10 and are doing so again during 2010-2011. Our Colts section has grown again to 13 teams which means that yet again we will start a season bigger than we have ever been in our history.

Warlingham F.C. is a "community" club providing football for local people from age 6 through to Veterans and look forward to the future with excitement and determination as we strive for further success across all our teams.

LAST SEASON HERE

Remember the football song 'Football's Coming Home'? Well, football certainly did at Redding Way the last time the two sides met here when Knaphill returned to their home ground for the first time in 11 weeks, and marked the 'homecoming' with a convincing win. Following a goalless first forty five minutes, four goals in the second half, completed a league double over visitors Warlingham this season.

A bit of a frustrating first half for Knaphill, who created a number of chances, several of which were thwarted, not only in the first, but second period too, by goalkeeper Daniel Eaton. First scoring opportunity for the home side came in the fourth minute when Craig Parrington's 25 yard effort was tipped over by the keeper. Then three minutes later, Matt Baker's free kick was spilled by Eaton, who quickly retrieved the ball to deny the striker.

The opening spell produced some fast pace football from both sides. Tom Davis fired in a Knaphill effort from 18 yards, which was well covered by the keeper. Although Knaphill were creating some good openings and opportunities, Warlingham also produced a few anxious moments for the home defence as the half wore on. Nick Darnell's header for Knaphill, was gathered just short of dipping under the bar, before Ricky Hogsden saw his blistering shot parried away after 25 minutes.

In the 27th minute, Warlingham were reduced to ten men when James Ang was sent off for a foul on home defender Nathan Miles. Knaphill keeper Richard Shelley was well tested by the visitors after 34 minutes, having to tip away a goalbound effort. Knaphill, who continued to press for an opening goal, were still unable to find a way past the visitors keeper as the first half ended goalless.

The deadlock was broken in the 58th minute when Daniel Cox threaded the perfect pass through to Darnell who took his chance well to fire into the far corner of goal to give Knaphill the lead. Following another effort on goal from Davis, Knaphill increased their lead as Baker worked his way into space, and from the edge of the 18 yard box drilled home to make it 2-0.

Two minutes later, Parrington's seering drive from 25 yards was pushed over by Eaton as Knaphill entered the last twenty minutes, their play flowing well. But despite Knaphill looking comfortable with their two goal lead, a couple of good chances were spurned by Warlingham, as the visitors were looking to pull a goal back.

But extended pressure paid off for Knaphill, and near the end of the game, two goals came in time added on, when Baker's shot was partially saved by Eaton, leaving Hogsden to glide the ball home from close range, then Parrington finished off the scoring with a well flighted lobbed effort that beat the keeper from 35 yards to seal the win for Knaphill, in only their second league game in the space of six weeks.

MATCH REPORT

Friday April 15th 2011 Hartley Wintney 2 Knaphill 1 Combined Counties Division One

All Good Things Have To Come To An End...Sometime!

Knaphill's sixteen match unbeaten run came to an end with a 2-1 defeat by Hartley Wintney at the Memorial Ground on Friday night. The excellent run, which had included 13 wins and 3 draws, reaped forty two points from a possible forty eight. It was Knaphill's first defeat since the end of November last year.

Knaphill had to battle back from going a goal down after only six minutes when Jermaine Hamilton's shot from across the 18 yard box, nestled into the far corner of goal, as the home side made early attacks on the visitors goal. But Knaphill, who lost Chris Fox with a hamstring injury after sixteen minutes, started to force their way back, and went close to scoring in the 18th minute when Matt Baker's shot was saved low down at the keeper's near post and away for a corner.

Two minutes later, Nick Darnell slipped the ball through to Joe Turner who, from 18 yards, found a gap in defence to drive the ball into the corner of goal for the equaliser. It certainly gave the visitors a lift, and Ricky Hogsden had a chance blocked with the follow up by Darnell fired over the bar as Knaphill livened up.

Substitute James Wills saw his effort fly over the bar, and in the 29th minute, Baker's free kick failed to dip enough, also going over. Both sides were in attacking mode and creating chances for the remainder of the half, and Hartley Wintney went close after 36 minutes with a free kick that zipped past the far post.

Neither side were able to provide too much danger in the opening minutes of the second half, but Knaphill soon began to dominate with some good football and commitment, creating numerous chances. Ed Cardona's shot in the 59th minute veered past the post, but the striker missed a sitter when from just a few yards out and an open goal, ballooned over after 68 minutes.

Whilst defending well, Knaphill continued to press home their attacking quality, but it was the end product that proved their misfortune. It was a quick break from the home side in the 77th minute that saw Hamilton burst down the middle with defender Gavin Brainch on his heels, but as Shelley advanced, the striker side stepped round him to slot home his and Hartley Wintney's second goal.

Six minutes later, Shelley made a fine save to deny Williams free kick, whilst in the final five minutes of the game, Knaphill pushed everyone forward to press hard for an equaliser, but despite their efforts, Knaphill's unbeaten run had been halted by the Hampshire side. Knaphill now face Warlingham at home next Tuesday in their penultimate home league game of the season.

Since joining Knaphill in season 2009/10, Chris Fox has featured in the majority of matches over the past two seasons, which has seen him make thirty seven appearances for the first team and scoring fifteen goals in season 2009/10, whilst to date this season, has made thirty appearances with seven goals.

Chris, a Carpenter by trade, was born in Frimley on 1st June 1985, and like a few other Knaphill players, started playing football at a very early age. In Chris's case, it was seven years old, when he joined one of the top local Junior clubs Meadow Sports, a club that he stayed with right through to the under 15s. During that time, Chris was involved with various age groups that had won four League titles, League Cup and County Cup. Chris started his playing position at right back on joining Meadow Sports, but in future clubs he moved into midfield from his first season with Ockham, and has been a midfield player ever since.

After his nine years with Meadow Sports, Chris missed one season of football before joining Ockham who were playing in the Surrey Intermediate League, and was there for two years from 2004.

GETTING TO KNOW...

CHRIS FOX

Staying with local clubs, the next move saw Chris staying with Surrey Intermediate League football by moving onto to play for Woking and Horsell joining them in the 2006/07 season for two years, one of those seasons saw the team win the League Cup. Stepping up another level, Chris joined Farnborough Town for one season in 2008/09.

Chris has been enjoying his football at Knaphill over the past two seasons, the first of which saw the team finish in third place last season. When asked what he thought went wrong in the first part of this season up to the end of November with the team form and results, he thought the players were feeling under pressure from Assistant manager Simon Bates, and Manager Bob Pritchard was possibly losing interest in the way the results had been going.

But since David Freeman and Adie Wilson had taken over the Managerial reins, together with coach Neil Woodyer, it's been more relaxed with everyone enjoying their football again throughout the team. That has certainly shown with the results the team have produced since the beginning of this year, going sixteen matches unbeaten, before they suffered their first defeat since the end of November 2010, losing 2-1 at Hartley Wintney last Friday.

Outside football, Chris has other sporting interests with some Golf and Sailing, whilst back on the football front here at Knaphill, Chris says the team are going in the right direction, and enhanced by the installation of the floodlights, they can be looking forward to being a strong force to be challenging for a promotion place in the 2011/12 season, which he hopes the current squad can all look forward to.

FIXTURE COMBINED COUNTIES LEAGUE DIVISION ONE

RESULT WARLINGHAM 2 KNAPHILL 2

Knaphill, who played forty minutes of the second half after the dismissal of keeper Richard Shelley, and the last fifteen minutes with nine men as substitute Michael Pym sustained a knee injury, finished the game with a creditable 2-2 draw and a deserved point against Warlingham on Saturday.

The game started at a fast pace, with both teams looking to make their mark, and it was Warlingham that put their shout in first when Shelley made an excellent save to thwart the home side from taking the lead after just three minutes.

With Nathan Miles and Nick Darnell still out through injuries, and Burns and Greene also out, there was a reshuffle in the Knaphill team. Defender Dan Cox returned to the side, whilst 17year old Jack Ball was in the starting line-up, with last season's top goalscorer Ricky Hogsden on the bench. It was the lively teenage striker that almost seized upon the opportunity to steer Knaphill into the lead in the 12th minute, but his seering run into the box was halted by a swift tackle from a defender.

Knaphill were attacking well in those opening stages, and after 18 minutes took the lead when Ball got into a good position just eight yards out, and on the end of a cross from Bennett and firmly plant a header into the back of the net to make it 1-0.

Although Knaphill were showing more determination in their play, it was Warlingham who fired a warning shot on 25 minutes with an effort over the bar. Some good runs from Chris Fox, faltered when he failed to cross early enough to cause a problem in the home defence.

Warlingham equalised after 37 minutes when Gareth Graeme got past Cox to beat Shelley with a close range header, the scoreline remaining that way in a fairly even first half. But it was the second half that proved the more eventful. In the 50th minute Shelley was sent off for a foul in the box, with Cox taking over in goal to face the spot kick from Martin Bugden who skied it over the bar. Shortly before that, Knaphill had an escape when Bennett cleared off the line at the near post.

With ten men, Knaphill still battled away with both sides were creating goal scoring opportunities. The Referee, who did not book anyone in the first half, dealt out three yellows to Warlingham, and a red and four yellow to Knaphill in the second. Play became a bit erratic for while before Warlingham took the lead through James Cecil after 70 minutes.

Six minutes later Knaphill equalised. Michael Pym was upended in the 18 yard box and Ricky Hogsden drilled home with ease. It gave the visitors that extra spur to try and snatch a lead, but in the end had to settle for a deserved point.

FIXTURE COMBINED COUNTIES LEAGUE DIVISION ONE

RESULT KNAPHILL 4 SHEERWATER 0

Knaphill bounced back from the defeat by Mole Valley, which ended their 12 match winning run, and soon got back on track with a comfortable 4-0 win over local rivals Sheerwater at Redding Way this time last season.

Knaphill got off to a flying start after just three minutes, when Dan Cox finished off one of his dazzling runs down the right flank and delivered an effort that flew into goal to make it 1-0. Early pressure came from the home side as Ed Cardona fired just over the bar, and two minutes later Ricky Hogsden brought out a quick reflex save from Nick Rogers who turned his effort away for a corner by his near post.

Sheerwater could have equalised after 10 minutes as a slip by defender Stephen Greene, let through Matt Charker, but keeper Richard Shelley came out to dive at the feet of the striker to deny the goal scoring opportunity.

Jack Ball was making his first team debut for Knaphill, in place of Matt Baker, and showed his early confidence, and following a move between Cox and Cardona, finished with Ball firing just wide of the post. Knaphill were creating a number of chances in the first part of the half, but the tempo slowed down as the half wore on, as they took their foot off the pedal, with Sheerwater able to contain the home side from increasing their lead, whilst seeking to get back on level terms themselves.

Knaphill's start to the second half was virtually a repeat of the first, at a swift pace, when in the 48th minute, Ed Cardona headed home from eight yards for a two goal lead. Sheerwater's attempt at reducing the deficit, brought Shelley back in action to save well from Sheerwater's Jerome Smart after 56 minutes.

Cardona was well placed to put Knaphill further ahead in the 67th minute, but volleyed his effort over the bar from just inside the 18 yard box. Sheerwater were reduced to ten men for the last 20 minutes of the game as Knaphill continued to create more chances from which they added two more goals late in the half.

After Gavin Brainch had his fierce drive blocked, Cardona got his second and Knaphill's third after 81 minutes, with Ricky Hogsden unleashing an excellent strike a couple of minutes later to wrap up the three points, and back on the winning track.

Knappers Make Hard Work In Local Derby

Another two goals from leading goalscorer Ricky Hogsden gave Knaphill their 13th win from their 16 unbeaten games, and put them up to fifth in the table. But the first half performance did not see the form that Knaphill, had shown from their previous games against Eversley and Bedfont Sports, often finding themselves second best.

The game started off at a fast pace with the visitors taking an early initiative with pace when attacking. Chobham dominated a fair amount of the first half and had threatened a goal on a few occasions with Andy Carr looking dangerous up front. They hit the bar after 38 minutes, before taking the lead through Andy Carr two minutes before halftime.

Knaphill did not have too much to offer as goal attempts were concerned, Baker did slip the ball home early on but was offside. But it was the second half that the team stepped up a gear and seek an equaliser. Earlier, Ed Cardona had shot wide, and Chris Fox, homing in on goal, was to be denied by the keeper.

Knaphill's equaliser came after 57 minutes when Ed Cardona unleashed a strike from 25 yards that went in off the underside of the crossbar to make it 1-1. Despite Knaphill's push to take the lead, Chobham also tested the home defence as the half wore, but had a player sent off after 65 minutes, and another two players in the last fifteen minutes.

It was then Knaphill's final push for the lead in the last ten minutes that came to fruition when Ricky Hogsden took his goal tally this season to eighteen, with two late goals coming in the 88th and 90th minutes, to seal the match and keep the 16 match unbeaten run going, which has now accumulated 42 points from a possible forty-eight.

Despite dominating for most of the match, Knaphill failed to find the back of the net for the first time this season with a 0-0 draw to league new boys Farnborough North End back in August.

On a difficult pitch Knaphill did have the the ball in the net, however this was ruled out for offside and the Knappers had a stone wall penalty turned down by referee Phil Nash when Chris Fox (pictured) was bundled over in the penalty area. A host of chances came and went and our hosts held out to pick up their first point of the season.

Despite a good first half and a cracking 20 yard strike from Ricky Hogsden, (pictured) Knaphill's poor second half display saw them concede three soft goals to league new boys Hayes Gate at Redding Way on the opening day of the season.

Knaphill were very much dominant in the opening forty five minutes however an air of complacency set in and for the first time since the clubs arrival in the Combined Counties, The Knappers tasted defeat on the opening day.

THE FINAL WORD

Well all good things must come to an end and it did on Friday night at Hartley Wintney. We lost 2-1 but by all accounts we were unlucky not to get something out of the game. I couldn't be at the game because of a prior commitment but whether I would have made a difference we will never know.

So our dreams of promotion are now finished having only 4 games left and a possible points total of 66. Third and fourth already have 67 points. So our poor start to the season has cost us in the end. Still we can look back and be proud of what we have achieved since the new management structure was put in place. I would hope we play up to standard tonight and in the other remaining fixtures to get as high up the table as possible.

We will re group for the big push next season so watch out the rest of the teams in this league!. Next season will be interesting as it looks like Guernsey Football Club will be entering our league. That means a very interesting visit to the Channel Islands. We will be allowed 22 free passes to fly to Guernsey to take them on. They are a good side and could be favourites to win Division 1. We can all see a few pitfalls with this arrangement but we voted for the motion to include them in.

We welcome Warlingham to Redding Way tonight. We are hopeful of a good game and to see a few ex Knaphill players. Warlingham also have failed in their bid to finish in the top 3 this year. Even though there is nothing at stake tonight I do expect both teams will be playing for pride. We drew 2-2 back in September and we will be looking for 3 points tonight. Tonight should attract a good crowd. We need to work on getting increasing our crowds at Redding Way. I am not sure what we can do but our crowds seem to be a little up and down. I suppose the more games we win the better the crowds will be. Perhaps we do need to do more on promoting our club locally.

Facilities at Redding Way will once again be on the up. The 26th April will be the start date for our new entrance and additional car parking. This will be a vast improvement and should make the residents very happy. The entrance now is through the estate, this will be blocked off and the new entrance will come off the main road.

We will also be pushing for a proper facility that will be licensed. It would be great if we could have this facility in place for the start of next season. We have made the first move by getting a temporary license for our club day on the 14th May.

We are patient at Knaphill Football Club but it will be a necessary part of our improvement to be able to serve alcohol. We are always looking for ways of making money. If we did get a proper bar it would certainly take the pressure off. It would only be open match and training nights so hopefully wouldn't cause any problems locally. I am looking forward to the club day on the 14th May so make sure you attend and try to bring a friend. Contact Carl Barker for tickets. I would really like to play some sort of cameo role during the football. It is really difficult to watch football when you have played it for as long as I have. I am due a new hip so perhaps I should not even try. But you never know.

Gossip

Striker Diego Forlan could make a sensational return to Manchester United after signalling his desire to leave Atletico Madrid. The 31-year-old striker has been involved in a bust-up with his manager, Quique Sanchez Flores, and the Spanish club are prepared to entertain offers of about £9m for the player, who left Old Trafford for Villarreal in 2004. Arsenal manager Arsene Wenger will conduct a drastic clear-out of players this summer as he looks to make way for new additions. The likes of midfielders Abou Diaby, Tomas Rosicky and Denilson, plus strikers Carlos Vela and Nicklas Bendtner are all at risk of being sold. Good luck to the boys tonight and don't forget the 28th April when our Under 18s play Bedfont Sports in the final of the Grant Mclellan Cup
