# viewfromthechair

with the chairman david freeman

Too say the last few weeks have been tough for everyone involved at the club is a massive understatement however, my view there is always someone worse off than you so sometimes you just have to get on with things in life and our current situation is one of them.

This is the first time I have had the chance to write some programme notes since my appointment as Chairman of Knaphill Football Club which for me is a great honour and privilege. I have been at the club since 1996 as a player, coach, manager and not once did I think I would ever get the chance to be Chairman, to be honest the thought had not even crossed my mind even when Terry Chapman resigned recently. However, after a committee meeting my name was put forward and I was asked to take the job on. To be fair I did take a few days to think about it but after much thinking and talking to one or two people I decided that I would give it a go.

One is for sure and anyone who knows me well enough I will put every effort into getting this club where we want to be both on and off the pitch but I cannot do it on my own which is why I know I can rely on the club's executive management committee to help me achieve mine and the club's ambitions.

As I'm sure most of you will know Adie Wilson resigned as first team manager on Monday. The results have not been going to plan and the situation has not been helped with some of our better players leaving for various reasons and I think any team who loses such quality as Richard Shelley, Matt Baker, Nick Darnell and Joe Turner to them a few will struggle. It was not long ago that I was with Adie in the dug out and the club's start to the season then was not good and it pains me to say that we are currently on our worst run in over ten years. There is no individual to blame for the run of bad results but I do think the current and those who have left us players have to take a big share of the responsibility in the situation we find ourselves in.

With this in mind we are now seeking a new first team manager and I have to say the response has been very good. As of today we have had over ten applicants for the job and having spoken to and read their CV's the quality to choose from is very high. Although we will not rush into making an appointment I am keen to appoint someone as soon as possible so please keep an eye on the website for any breaking news. In the meantime I have asked our Reserve Team Manager Andy Martin to look after first team affairs alongside Tom Davis and Matt Edwards.

On a brighter note I'm pleased our young reserve side are now putting a run together despite a set back last week against half the Farnham Town first team! however, I believe our reserves will be up there challenging for the title come the end of the season but face a tough trip to Warlingham Reserves this afternoon.

Our youth team are also putting together a good run and I watched them on Monday night as they dispatched Horley Town U18's 4-0 in the Surrey County Floodlit Cup and on Wednesday hit six against Guildford City U18's in a 6-3 win the Grant McCellan Cup. If you can please try and get down to support the youngsters as like last year we have some real quality amongst the ranks.

Both ladies sides season have been hit and miss. The Ladies first team have struggled slightly although some of their defeats have been close encounters however, our U18's girls side keep marching on with only one defeat in their opening five matches, the rest are all wins!

Lastly a warm welcome to Warlingham Football Club, the players, management and supporters. A familiar face will return again today, Woody Cardona recently joined our visitors but also recently played against us in the cup fixture...and scored...! which Warlingham won 3-0. Let's hope he does not have that success again today!, Sorry Woody!

Hopefully we can get back on track today by collecting all three points and put a much needed smile on faces around Redding Way.

Come on You Knappers!

# the news in red and black

all the latest news from redding way

Good afternoon everyone. Today we welcome Warlingham, their players and officials, for this second visit to Redding Way this season having played us in the Division One Challenge Cup only 11 days ago, which they won 3-0. The League encounter this afternoon makes it another crucial game in an attempt kick start our season again and break the disappointing sequence of results.

Last weekend's results involving both of today's teams, saw Warlingham lose 3-2 to Staines Lammas in the Premier Challenge Cup, whilst Knaphill suffered a 6-0 defeat by Cobham. Earlier this week, Knaphill team manager Adie Wilson resigned his position at the Club.

It's not nice to look at statistics, but the Cobham game was the ninth successive loss in League and Cup games between 10th September and 15th October with 40 goals conceded during that spell, our worst ever sequence over a five week period. Player wise, just two of the team that played in the last meeting with Cobham back in February, were in Saturday's starting line-up. The match saw some woeful defending by Knaphill as they found themselves trailing 4-0 after 28 minutes, with two more scored in the second half.

The Club are currently in their lowest League position since joining the Combined Counties League in 2007. Unfortunately some players have left, there's been an influx of new players over a period, and what's needed from the current squad, is to obtain an injection of more urgency, endeavour and skill into their game. Overall this is a good Club which has brought us good recognition on the pitch in the past and we would like to rekindle that high standard.

With a third of the league programme now past – another 22 games remaining. there's only one way the team should be heading, and that's onwards and upwards. Let's prove just that on the pitch. Knaphill have just one Cup competition remaining this season, the Surrey Premier Cup in November. But at this stage that's not so important as our League programme and is by far the most urgent to focus on.

Brighter news from our Youth U18s who on Monday cruised to a comfortable 4-0 win over Horley Town Youth U18s in the Midweek Floodlit Cup, with goals from Harry Maynard, Lloyd Pearman, Harrison Deacon, and Josh Hughes. Knaphill will be away to Walton and Hersham in the next round.

The team were in action again on Wednesday night, this time in the 1<sup>st</sup> round of the Grant McLellan Youth Cup. Another good performance in an entertaining game with Knaphill having a 6-3 win over Guildford City Youth U18s. Trailing 1-0 after 15 minutes, Knaphill battled back and equalised through Liam Welch after 32 minutes, and on the stroke of halftime, Welch added a second. Dominating a vast amount of the second half, Knaphill stormed to a 6-1 lead with goals from Harrison Deacon, Jonny Philips and two from Josh Hughes in a 17 minute spell. Guildford City reduced the arrears with two goals, but the night belonged to Knaphill ending up 6-3 winners.

Today is the last home fixture at Redding Way until we play Bookham on Tuesday 22nd November. Next Saturday(29th) Knaphill are away to League newcomers South Kilburn. Looking ahead, there are five away fixtures in November: Horley Town Res. (Tues. 2 Nov.) Spelthorne Sports(Sat.5 Nov.) Bedfont Sports (Sat.12 Nov.) CB Hounslow(Sat.19 Nov.) and Sheerwater(Sat.26 Nov).

The home game against Guernsey which was scheduled for Saturday 10 December, has now been brought forward to the Friday night, 9th December kick-off 7.30pm.

Well that's it for now.....Enjoy the game.....

*Bryan*

**Knaphill 0 Cobham 6**

Combined Counties League Division One

What a difference the last time these two teams met back in February, when Knaphill, in the middle of a 16 match unbeaten run, were comfortable 3-1 winners. But at Redding Way on Saturday, it was Knaphill that contributed to make it a comfortable win for their opponents as the home defence gave Cobham an easy passage to waltz through, the visitors scoring four goals in the first twenty eight minutes of the first half. Two more goals completed the rout in the second half. From that previous meeting eight months ago, Ricky Hogsden and Chris Fox were the only Knaphill players to feature in this game.

Cobham took a two goal lead within the first 11 minutes, Pat Kirby given plenty of space to score from 20 yards in the ninth minute, then Jake Baxter made it 2-0 from just outside the 18 yard box two minutes later. Kirby was the provider for Baxter to net the third goal in the 18th minute, and got his hat trick from the edge of the six yard box into the far corner to make it 4-0 after 28 minutes.

Knaphill were finding it difficult to recover from this early blitz, which was making it difficult to battle back into the game with limited chances up front. Paul Wetherall had two late in the half, one that went wide of the far post and the other over the bar.

Again in the second half, Knaphill had limited chances to reduce the arrears, whilst Cobham, with further goals in the 57th minute from Baxter scoring his fourth, and Scott Day rounding off the scoring with the sixth after 70 minutes.

Not a good afternoon in any way shape or form for Knaphill, and with a third of the League programme behind them, now face a crucial few weeks of the need to recover from their recent string of results and start turning their season around, having gone nine league and cup games without a win. An unusual scenario for Knaphill during the time since they joined the Combined Counties League back in 2007.

## Warlingham F.C – A Brief History

Warlingham F.C was founded in 1896 and is affiliated to the Surrey F.A. The clubs base is at Church Lane, Warlingham where they moved in the early twenties. At this time they amalgamated with Warlingham C.C to form Warlingham Sports Club.

In the early years the team played at various local venues including Blanchman's field (now a nature reserve), the School field just past the green, and what are now allotments off Hillbury Road. The current Church Lane site was left to the people of Warlingham for the pursuit of sport and is now used to support our 13 junior teams and our "A", "B", and 2 Veterans teams.

For the coming season 2011-2012 we have again entered into a ground sharing agreement with Ryman South team Whyteleafe having spent an enjoyable year there last season. This allows us to retain our position in the Combined Counties league and pursue promotion to the CCL premier division. We will continue to look for alternative local sites to build our own facility to meet the ever increasing demands of the Football Association.

Our reserve team and new "C" team will play at Verdayne (Hamsey Green Playing Field), which was leased, from Tandridge District Council in March 2004 specifically to allow us to gain promotion to the Cherry Red Records Combined Counties league.

In our long history we have gained virtually every honour available in Intermediate football and also achieved success at the next level having won the Combined Counties Div 1 title in season 05/06 and the Reserve section in both 04/05 and 06/07. Last season we entered the FA Vase for the first time and embarked on another exciting chapter in our history, reaching the 2<sup>nd</sup> round proper and finally losing 1-0 to Reading Town F.C. This year we will make history again with our first entry into the FA Cup.

In September 2008 we completed work on a new floodlit Astro training facility which has improved what we can offer our members in both our adult and colts sections.

Season 10/11 was a disappointing year for our adult teams with them all closing the year in strong positions in their respective leagues and then falling away in the New Year.

Our Colts section continues to go from strength to strength and we are beginning to see the very real benefit of players coming through into the senior teams. Last year we ran 13 Colts teams and the U11's B won the Tandridge South Division. The U12's A won the Tandridge League Cup. The U13's won the Epsom Premier Division and the U14's won the Epsom League Division 1 with the U15's gaining promotion to the Epsom League Division 1. Our Soccer School has also proved successful and has already created new teams in Mini Soccer for the Colts section.

We ran 6 senior teams during season 2010-11 and will add another team for 2011-2012. With our Colts section running 13 teams we will start the season bigger than we have ever been in our history – again!

Warlingham F.C. is a "community" club providing football for local people from age 4 through to Veterans and look forward to the future with excitement and determination as we strive for further success across all our teams.

This season we will be working hard to achieve the FA's Charter Standard accreditation.

## Farnham Town Reserves 5 Knaphill Reserves 0

Our good recent form that saw us climb to 2<sup>nd</sup> in the league was abruptly ended by a Farnham side strengthened by their 1<sup>st</sup> team not having a fixture.

We came up short in most areas, 2-0 down at half time and never really able to cause the home side any problems.

Gary and I will also look at the game and probably should have made some tactical changes earlier to counteract their full backs and a long ball game into a lively forward pair.

There was no lack of effort from our players but on a small, rutted pitch we will have to learn to adapt away from our preferred passing game.

On paper a terrible result but I am sure we as managers and players will take learning from this experience and look to bounce back with a performance against league leaders Warlingham in our next game.

For the last few weeks we have been in the fortunate position to have experience and talented younger players to give us an ideal balance.

Of course there is a big difference to reserves and first team football. Adie Wilson and I will work carefully to promote players at the right time to ensure they are equipped to add value and importantly that they enjoy their football still. One of our aims is to build a reserve side that all players have the potential to move up, I believe we now have that.

Jimmy Edwick, our recent signing from Hanworth Villa, has come in, performed well in goal, giving us a winning mentality on and off the pitch. In front of him Sean Harvey and Mark Harding are building a very solid partnership in the middle of our defence and Saturday we had the luxury of playing George Pearce, ex Chertsey Town, alongside the highly rated youth player Johnny Philips in midfield. With all these players six foot plus it was no surprise that we scored twice against Sheerwater from corners and always looked a threat from set pieces. Full back Lloyd Greenfield and youth lad Ross Greaney both added to a solid defensive unit.

In midfield Lennie Harding has been very consistent, scoring important goals and he adds quality to complement his fully committed approach. Perry Coles, another new signing this season, is a player blessed with genuine natural ability and was involved in all four goals in our last game. Up front Shane Cummins gives us pace and aggression. As he develops he will be an even greater threat and should be able to push onto the next level. His strike partner on Saturday was 16 year old Josh Hughes who has scored four goals in the last five youth games and two goals in two games in the reserves. Another player with pace and aggression who at 16 years old is physically able to compete at senior level.

Lloyd Pearman, Callum Slattery, Sean Smith all youth players gave us strong options on the bench and while we have to balance their youth football to ensure we don't overplay them we have the luxury of players that have, this season, already travelled to difficult places like Alton Town and come away with great victories.

# ladiesandgirls

with nick croshaw

Knaphill Ladies have played some very good football so far this season and with a little more luck, especially with on the field injuries, should have picked up more than the 3 points they have won so far. Even the trip down to Bexhill Ladies in their first ever Women's FA Cup tie ended in a 2-1 defeat after having the majority of the play.

Now that goalkeeper, Jenna Morris has returned from suspension and influential captain Leanne Sands recovered from her early season injury, the team are full strength. The addition of Emma Lawrence from Chelsea Ladies has strengthened the team overall, but at the end of the day it is results that count and this is where the Ladies have been caught short.

The league campaign started in the best possible way with a 4-1 home win over Garston Ladies from Watford to top the table at the end of the opening day, Since then home defeats to MSA Ladies (0-6), Hampstead Ladies (1-5) and Carshalton Athletic Ladies (1-3) as well as a narrow 2-3 defeat at Brentford Ladies has seen the team slip down to 9<sup>th</sup> out of a division of 11.

However, no-one is down hearted and the mood around the team is still very positive, always looking forward to the next game. This is an away match at currently undefeated K.I.K.K.; this is one game they are going to want to win against last season's league runners-up as they did the double over Knaphill last season.

Meanwhile Adie Wilson's U18 Girls have had a great start to their season with 3 wins and just 1 defeat so far in the league, including a 16-0 win over Epsom Eagles and a 9-0 win over Abbey Rangers. The same team has just been dispatched 5-0 in the County Cup which sees the girls entertain Fulham Compton Ladies whilst the senior squad take on local rivals Westfield, hoping to avenge the 0-5 home defeat in the quarter-finals two years ago.

The club has high hopes for the U18's team, as they have been very successful in the rise up the age groups and have also represented Surrey in national competitions. Both teams play on Sundays, so come on down and support this important part of the club and see the quality play on offer.
