## OPPOSITION

## REDHILL

---

The club was formed in 1894. Redhill only played friendly matches for their first four seasons but in the 1898–99 season they competed in the South Suburban League, finishing 6th. Then followed another three seasons of playing in other local leagues before they were admitted to the East & West Surrey League, which they won in their first season. Two seasons later they reached the final of the Surrey Senior Cup final.

Redhill were accepted into the South Eastern League Division Two in 1906 and played in this division for three seasons, finishing fourth in 1908–09. They also finished 2nd in the Mid Surrey League during the same season. Following that they were 3rd in Section A of the Spartan League in 1909–10. They then finished 3rd in the South Suburban West League in 1910–11, before becoming South Suburban Champions in the 1911–12 season.

Redhill F.C. became London League members from 1921 to 1923, and finished runners up in their division at the end of the 1922–23 season. For the 1923–24 season they joined the Athenian League

Redhill spent many years in the old Athenian League with such clubs as Barnet, Bromley, Sutton United and Grays Athletic. Fortunes were very mixed over the years, with Championships in 1924–25 and 1983–84. However, they also finished bottom of the league on several occasions: 1945–46, 1952–53, 1958–59, 1962–63, 1964–65 and 1977–78. The club also won the Surrey Senior Cup in the 1928–29 season, defeating Epsom Town 3-2 at Guildford City's Josephs Road ground.

During their time in the Athenian League, the club enjoyed its best performance in the FA Cup. They reached the First Round proper for the only time in 1957 and took several thousand fans with them to Division Three (South) leaders Norwich City. They lost 6–1 but the Redhill team won great praise in the national press for a brave performance. A copy of the match day programme and an admission ticket are on display in the Clubhouse, along with other historic photographs of this game.

They won the last ever Athenian League championship in 1983–84 and were due to gain promotion. However, after being given notice to vacate their Memorial Sports Ground in the centre of the town, they were moved to Kiln Brow, situated about 2 miles to the south of the town. Without the required facilities, the club actually moved sideways in the pyramid into the London Spartan League. At the start of the 1987–88 season, after resigning from the London Spartan League, they joined the Sussex County League Division One. They were relegated to Division Two after two seasons. In 1996–97 they won promotion to Division One again by finishing third. They finished fifth in their first season back in Division One, yet all subsequent positions have hovered around mid-table.

In July 2007, Tommy Sampson was appointed manager with former Kingstonian and Bromley manager Stuart McIntyre becoming first team coach.

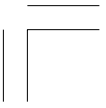

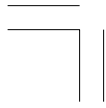

Sampson suffered a stroke in December 2007 and was replaced by McIntyre, who took the team to the semi-finals of the Sussex RUR Cup and the Surrey Senior Cup, and also finished the season in eighth place. The club's first top ten finish since 1997–98. McIntyre stepped down early the following season due to other commitments and former Brighton & Hove Albion player John Crumplin took charge, only to walk out on the club in the summer after only reaching 7th place.

Dean Forbes then took over but struggled to commit due to business reasons and Marcus Alcindor, who was Forbes' assistant, took charge in December 2009. However, the start to this season was disappointing, having fallen at the first hurdle of both the FA Cup and FA Vase competitions, and the league campaign hadn't begun the way the club's board hoped it would. After a 1–1 draw away from home on 9 October at bottom of the table Eastbourne United, Redhill parted company with Alcindor and Steve Johnson was named his replacement.

On 18 April 2011 Redhill announced that Johnson had left the club by mutual agreement, leaving director of football Nigel Abbott to take over for the remaining four matches. In June 2011 the club appointed Simon Colbran, formerly of Worthing and Crowborough Athletic, where he won all three Sussex County League divisions, including the Division One championship.

In February 2012 Simon Colbran resigned to join Horsham, and was replaced by youth team manager Michael Maher. The following seasons saw the club gain promotion to Division One South of the Isthmian league when they finished as runners-up behind Peacehaven & Telscombe.

In 2014–15 Redhill finished 23rd out of 24 teams in Division One South and were relegated to the Combined Counties League.

# U23s REPORT

**SUBURBAN  
FOOTBALL LEAGUE**  
FOUNDED 1971 - SANCTIONED BY THE SURREY FOOTBALL ASSOCIATION

Following a poor start to 2019 the development team have managed a turnaround with a draw and a win in their last two games, albeit with nearly a five week gap between the two fixtures.

On 28th January we travelled to Binfield on a cold Monday evening. With a number of players with first team experience in the squad we were able to compete with a team that had won their previous four games, scoring at least six goals in each of them.

With the game 0-0 at half time after an even half of football, some adjustments to our attacking play saw us come out and score a goal soon after the break through Harry Rapley. As the game wore on the conditions worsened as the temperature continued to drop. Both sets of players struggled to play on what effectively became a concrete pitch. Binfield applied a lot of pressure following our goal but our defence held firm for all but one chance that saw them equalise.

Against a free scoring team in freezing conditions our players knew they had put a good shift in and had turned the tide of defeats against a side in great form.

Without a game in February, we welcomed Corinthian to Redding Way last Saturday concerned that those lack of games may play a factor. We brought in new club signing Owen Roberts who needed game time at centre back and showed why he has previously played at a higher level. His technical and organisational skills brought a much needed calmness to the back line and it was clear that the younger players around him were benefiting from his performance.

Corinthian however applied early pressure and should have capitalised on a mistake at the back that saw their striker miss a clear opportunity from six yards. We took that warning to get hold of the ball and start using our strengths of passing thorough the midfield to the pace we had up top and out wide. Before the break Hans Schranz finished well worked build up play to see us 1-0 up at half time.

Corinthian came at us again as expected and we rode our luck a little at times but again we saw through the pressure to extend our lead through Hans then an excellent finish in to the top corner from Sam Donachie. Sam had done the same for the U18 team earlier in the week so it came as no real surprise, a moment of real quality.

What really pleased me about this result is that despite Owen coming off with half an hour to go the defence continued the good work from earlier in the game. All five subs were brought on and all played their part. It was an excellent squad performance and one that we hope to replicate until the rest of the season.

# IN YOUTH WE TRUST

Abbey Rangers were the next opponents for Knaphill U18 and we know that Abbey always bring a tough and physical team that would be hard to beat.

With the game staying level at 2-2 Abbey Rangers were pushing for a winner which left gaps for our forwards to get into and score a quick two goals and with the game being dead and gone for Abbey Knaphill got a fifth making the final score 5-2.

Sam Donachie with another couple of goals with some tidy finishes with missing a key chance earlier in the match so he did not let his head drop and he got his reward.

Stephen Gray coming into the side and being the man up top got two goals and put in a great performance despite not being in the squad much this season.

Back to the league for Knaphill was Fleet Spurs who beat us at home with the last kick of the game which meant the Knappers were looking for revenge.

With Fleet Spurs having lovely management made us feel welcome and ready for the game.

With Knaphill playing some great football we managed to get the one and only goal of the game from a corner which is ironic with the style of play that we were playing.
