# THE VIEW FROM THE DUGOUT

JAMIE DALTRY // JOINT FIRST TEAM MANAGER

Good afternoon and a warm welcome to today's visitors CB Hounslow Utd, their players, management, committee and supporters.

So it's back to league action this afternoon after our loss on penalties to Stansfeld away in the FA Vase last Saturday.

To be honest we deserved nothing from the game so we cant have any complaints! Best wishes to Stansfeld in the next round.

We had a great result away to a strong and physical Egham Town side prior to the Vase match with some good football being played at times.

It will be a tough place to visit and pick up 3 points at Egham for any side in the league this season.

Todays visitors are a rejuvenated Hounslow side compared to last season.

Their management team are a great bunch and have them playing the right way this season and playing for the badge and the management which is great to see.

We will need to be at our best this afternoon to take the 3 points.

We welcome back 4 or 5 players that have been out suffering from injuries over the last few games so its nearly a full squad to choose from.

There is also a new face who has come in to boost the squad and competition for places in Usman so a big warm welcome to Knaphill.

Hope you enjoy the game and the season ahead.

Safe journey back this afternoon for our opponents.

# WORDS FROM THE SKIPPER

JAMES DINSDALE // FIRST TEAM CAPTAIN

Welcome back to Redding way. Please join me in welcoming all players, fans and management from CB Hounslow this afternoon. We hope you enjoy your stay with us.

It feels like such a long time since we last played at home after our flurry of home games. However, with games over the last couple of weeks, coming thick and fast we can't complain to much.

Top of the league after 4 games doesn't sound like a bad start to me. Players, management and everyone at the club, has all been working exceptionally hard to get us to this stage already. I know it's early days, but we all feel like we could and have what it takes to push for the top spot this year. That's our aim and always has been.

The boys are all flying high with confidence and our performance on the pitch, is showing just that.

As we look forward to today's game, the boys are excited to have more and more support each week. It makes such a difference so please, as always, give us that support as we tackle yet another battling fixture.

All the best

## PAYING US A VISIT...

### CB Hounslow United

CB Hounslow United F.C is a Football club based in the London Borough of Hounslow. The team was originally named Richmond Rangers, and was a collection of friends and local troubled youth.

In season 1987/88 it was disbanded and reformed in 1988/89 under the name of CB United.

CB stands for 'Cater Bank' which was the company co-owned by the late father of our chairman Frank James.

CB Hounslow played in the Hounslow & District Football League with some distinction, and after 5 successful years we were promoted to the Middlesex County Football League (MCFL) in 1994/95 .

That's when we then took our present name CB Hounslow United.

CB Hounslow United played for 11 years in the MCFL before being promoted to the Combined Counties in 2005/6 season.

The club is now affiliated to the Combined Counties League, Middlesex County FL, West Middlesex Sunday League, Allied Counties Youth League, Surrey Youth League, West Middlesex Youth League and Harrow Youth League and CGL.

The club this year is in a good position with 22 sides across its youth & adult sections.

The club this season will be competing in The FA Cup, The FA Vase, The FA Youth Cup and The MCFA Senior Charity Cup, Southern Combination Cup amongst many other Cups.

As always, I would like to thank our numerous sponsors, who donate to the youth teams and the main body of the club and also help greatly with the fundraising for the club.

The club continues to grow its partnership with DNATA, United Airlines, Mohan Caterers, Tarmac, Surrey Hire, Biffa and many others

Like to wish all our opponents an

unchallenging season in what is always problematic in football in this day and age. Good success and continuity to all.

Finally, we have over 50 volunteers who make up our management, coaching and secretarial staff who without them the club wouldn't be where it is now.

# THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

FOOTBALL hangs in the balance following the latest tightening of restrictions by the government which could last for six months in an attempt to limit the rise of coronavirus cases.

No sooner had the 2020-21 season kicked off at Steps 3 and 4 last weekend in front of limited crowds, did it look like it may be nearing its suspension.

The National League campaign had been scheduled to start on October 3 with the intention of fans being allowed back in grounds at Steps 1 and 2 but Prime Minister Boris Johnson confirmed on Tuesday (22nd) this would not be allowed to happen. It is believed the division will not start without fans.

Four test events had been scheduled to take place involving National League clubs in front of 1,000 fans and three of the friendly fixtures went ahead on Tuesday. Notts County against York City, scheduled for Saturday (26th), suspended ticket sales following the new restrictions pending further updates from the government and football authorities.

This is an ever-changing scenario and at the time of writing it is impossible to say what will happen next.

Local lockdowns in north England shows crowds in football grounds are on a knife edge.

At midnight last Thursday (17th), restrictions were introduced in the north-east aimed at halting the rise in coronavirus cases.

Then, the next day, similar measures were announced for large parts of Lancashire while Yorkshire and the Midlands were also seeing restrictions.

The responsibility lies with local authorities meaning there can be inconsistencies in different regions.

A joint-statement from the Northumberland FA and the Durham FA confirmed football below Step 6 in the Sunderland, Gateshead and South Tyneside areas is not allowed, but said clubs at Step 6 and above can play on for now although there is a possibility the 30 per cent capacities could be reduced back to 15 per cent.

As part of the measures, people are “advised not to attend amateur or semi-professional sporting events as a spectator”, which has only added to a confusing picture.

Where the latest restrictions leaves football remains to be seen but never has it been more important for clubs and particularly fans from Step 3 and below to follow the rules and protocols in order to keep stadiums open.

Fans must cooperate with social distancing at games – clubs do not have the finance to deploy an army of stewards to make sure they are doing so at all times during games.
