Good afternoon and a warm welcome to this afternoon's visitors Balham and their management team.

It was great to have supporters new and old and sponsors back to Redding way Tuesday night under the lights and this afternoon for our first home league game since December 2020 vs Guildford City over 8 months ago!!

So Tuesdays roller coaster fa cup win at home to Lordswood was a very entertaining nights football for the fans and the neutral and I can certainly say I'm sure everyone got there moneys worth!

It was a game of 2 half's! I thought we was very good 1st half and was first to everything, passing the ball about really well with plenty of chances created and lots of possession and should of been 3 or 4 Infront at the break instead of 2.0 up.

That said it was great to see Danny Taylor back in the starting line up who caused the visitors endless problems and coming through 120 minutes of football.

Nice to see Timmy back amongst the squad and around the boys again for his first outing this season aswell.

Great for Harrison to open his tally and scoring on his home debut and linking up well with dt.

The second half as expected the visitors come out all guns blazing and put us under some early pressure and eventually breaking the deadlock in the 70th minute via a penalty, and 2 minutes later scoring another to make it 2.2 and take us into extra time.

Extra time both sides didn't really create to much to be honest, so it was decided on a penalty shootout with the Knappers winning!

All in all over the 2 games I think we just edged it if I'm honest.

Disappointing part was conceding the 2 goals in quick concession and being pegged back after a superb 1st half, but the boys and management will learn a lot from that and the first game away from home aswell.

Most important part is we are through to the next round and that's all that matters in cup football.

Next round of the fa cup we face tough opponents Ashford Town away who play in the league above.

The one other disappointing part from the 2 fa cup games is we have picked up 3 or 4 more injuries along the way which hopefully are not to serious.

So we will be adding 1 or 2 new faces over the coming weeks to the squad to give us a bit more depth to the current squad due to the many injuries picked up.

I'm sure we are not the only side and there will be many in the same boat.

We hope you all enjoy the game this afternoon.

We hope to see some travelling supporters next Tuesday also away to Cobham FC.

Safe journey back this evening for our opponents.

DALTS & GOOKIES VIEWS

THE AWAY END

Balham FC senior side was formed in 2011 in order to provide player progression into open age football for the hugely talented, high achieving age group teams of Balham Blazers FC, which was founded by Greg Cruttwell in 2001.

Having won back-to-back promotions in 2011/12 and 2012/13 Balham did the league and cup double in the Surrey South Eastern Combination in 2013/14.

In 2014/15 Balham finished in a promotion position again, in the Surrey Elite Intermediate Football League, however promotion was denied due to Combined Counties League facility requirements not being met.

Having moved to ground share with Cobham FC, in order to meet the facility requirements, Balham finished as runners up in the SEIFL in 2015/16 and as a result were promoted to Division One of the Combined Counties League for the 2016/17 season.

The club had an exceptional first league campaign at Step 6, finishing in a promotion position for the sixth consecu-

tive season and winning the London Senior Trophy.

In 2017/18 the club had an equally exceptional season, finishing 5th at Step 5 in the Premier Division of the CCL and winning the London Senior Cup.

2020/21 will be the club's fourth season at this level after flirting with relegation in 2018/19 and then having a null and void season in 2019/20 due to COVID-19.

Having begun on Wimbledon Extension, before moving to Cobham and then to the Wibbandune Stadium, where the club ground shared with Colliers Wood Utd, Balham have been on the move again in 2020, this time to the Mayfield Stadium, where the club has embarked on a two year ground share agreement with AFC Croydon Athletic.

Moving location has meant that The FA have moved Balham sideways from the Premier Division of the CCL into the Premier Division of the SCEFL (South East Counties Football League).

A new season, a new adventure.
