# News Pitch

Good afternoon and welcome to the Surrey Hire Stadium. A warm welcome to our visitors Hanworth Villa, the players, management, committee, today's match officials and our own supporters.

Another season, another challenge. Quite a bit has happened at the club over the summer. The club have appointed a new manager in Luke Tuffs and we are delighted to have Tuffs onboard. Although this is his first managerial job, his reputation as a fantastic coach where he enjoyed a successful period at Hartley Wintney will hopefully put him in good stead ahead of the season.

Tuffs has put together a good calibre of players and our pre-season preparations have gone very well.

Tuffs has brought in coaches Lee Collier and James Shannon and retained Dean Greenwood as assistant manager and Martin Cook as goalkeeper coach. All good individuals who will each bring a lot to our club.

Speaking of the players I would like to welcome all of the players that have signed with us and I look forward to watching them in action over the course of the season.

You may have heard but we have a new ground sponsor. I'm delighted that Surrey Hire have agreed to sponsor the ground which will now be known as the Surrey Hire Stadium. A big thank you to Vice Chairman Steve Dormer for agreeing and organising it. Not many changes in and around the ground during the summer however a big thank you to everyone that helped in preparing the ground for the new season especially Paul Hopkins. We have a number of unsung heroes at the club and Paul is certainly one of them.

Thinking ahead we are planning some social and fundraising events at the club so everyone's support is most welcome. Please keep an eye on social media and posters in and around the club.

On Saturday 10th August we embark on our FA Cup journey away to Shaftesbury in Dorset. We have a coach organised and seats are available for £20.00 per person, you can book your seats at the bar on matchdays. We will be doing the same again on Saturday 31st August as we begin our FA Vase campaign away at Storrington in Sussex.

The U18's are back in action already as they prepare for the new season and we will be competing in the Combined Counties U18s

league this year following a few years in the Allied Counties League. We have switched leagues as we were moved into the north division from the south which meant a lot of travelling for our youngsters.

Today will be a good test for us against an always strong Hanworth Villa side. We then travel to Spelthorne Sports on Tuesday night. Lets get behind the lads and start the season with three points.

Enjoy the game and thank you for your support.

# The View From The Dugout

Luke Tuffs - First Team Manager

Dear all,

We are at the start of an exciting journey. A journey that could end anywhere. The one thing I'm sure of is we have the player group, the management group, and the people at the club to make it a very exciting one.

One of the reasons we enjoyed so much success at my previous club wasn't just because of the player group, or the management group, it was the club as the whole.

It's everyone, from people working in the bar making it a welcoming place for everyone to visit, to the Kitman, to the countless volunteers that give up their time to make everything work.

That's what attracted me to Knaphill, I can see the similarities and in the short time I've been here I've already met so many wonderful people that make it a special place to

be.

People already going that extra mile to make sure the club gets where it wants to be.

Caroline Hills, Ray Coombs and Steve Pearman working tirelessly to find a way of providing hot food for the players after games for the first time, again improving the experience of the club as a whole.

Brett, Charlotte and Sorcha behind the bar and in the kitchen, making sure everyone is happy and has what they need. These things are so important. Matthew & Michael Fance on the turnstile and Golden Goal as well as other bits and pieces they do at the club.

Paul & Rob - Helping round the ground - countless times I've turned up and seen Paul or Rob giving up their Saturday mornings with the Chairman to make

sure the ground is at its best for everyone to enjoy. The value of this is just huge.

I've missed so many as I'm short on time and space, but what you do is noticed and of real value and the only way this club will grow and thrive in the community.

As for the management and player group? Well we are very much a collective. This is by no means a dictatorship, it's ideas that rule and the most important thing when you are somewhat democratic in your approach is to make sure your surrounded by the right people - both management and players.

So who is who? Dean Greenwood you will be familiar with from being at the club last season. Dean has good football knowledge and has been there and done it. He's very popular among the group and is an absolute asset to us.

Lee Collier is our lead coach. Lee is looking to begin his UEFA Pro Licence soon and works full time for Reading FC in their Academy. His football brain is levels above my own and spending time with Lee is always a learning experience that we all will benefit from.

James Shannon is another of our coaches. He is an old friend of mine (despite the fact he looks about 15 still) and has spent the last few years at Abbey Rangers as a player where he got Manager and Players player of

the year. James is out injured for the season, and with his keen eye it made absolute sense to bring him in to work with us!

'Cooky' is our goalkeeping coach. Popular among the players, he is a calming influence that with the others calms me down when I'm having a moment. Even though he is a goalkeeper coach, Cooky has a football brain for the whole pitch and is great at solving problems for us. He also works tirelessly for the group and is very important to us.

I'm also very lucky to have Steve Dormer, Steve Pearson and Keith Hills to guide me and steer us in the right direction in times of need. We are all very close and even though would hate me saying it, are a huge part of any success we may see as a group this year.

And what about the most important bit of it all? The player group of course. We have the most exciting collective of players you could ever wish to have. What is so special about this group, is not just their talents, but how hard they work and how humble they are.

I said when we first got

together we have one of the most talented groups you could wish to hope for at the level, but our season will be dictated by the answer to 3 questions. Do we gel on the field? Do we gel off the field? And are we hungrier than the opposition.

The answer to these questions will dictate how our season unfolds, but so far we couldn't be happier with everything we've seen.

Anyways, thank you for reading my waffle if you've got this far in. If you haven't, then I don't blame you at all :)

Let's grow this club together and continue to make it the most welcoming club you could wish for. We will look after each other, work hard for each other, and enjoy many good times together.

Up the Knappers!

### Club Profile

**Full Name:** Hanworth Villa Football Club

**Nickname:** The Villains

**Founded:** 1976

**Ground:** Rectory Meadow

**Capacity:** 1,000 (100 Seated)

**Manager:** Louis Carder-Walcott

**2018/19:** 15th out of 20 (Combined Counties Premier)

The club was established in 1976 and initially played in the Hounslow & District League. They later transferred to the West Middlesex League before joining the Middlesex County League in 1984. League restructuring in 1991 saw Division One reduced from 22 to 12 clubs and renamed the Premier Division, with Hanworth relegated to the renamed Division One. However, a third-place finish in 1991/92 saw them promoted to the Premier Division. In 1993/94 the club were relegated to Division One despite finishing eighth. The following season they finished third in Division One, earning another immediate promotion back to the Premier Division.

In 2002/03 Hanworth were Premier Division champions, also winning the Premier Division Cup with a 3-1 against Stonewall in the final. They were champions again in 2004/05, after which they were promoted to Division One of the Combined Counties League. They won the Division One Challenge Cup in 2006/07 and retained it the following season which also saw them end the season as Division One runners-up. However, they were denied promotion due to their ground failing to meet the necessary criteria. After completing the work during the 2008/09 season, they were promoted at the end of the season after finishing as runners-up again.

In 2011/12 Hanworth won the Southern Combination Challenge Cup and retained the trophy the following season. In 2013/14 they won the Southern Combination Challenge Cup for a second time, as well as winning the Combined Counties League Premier Challenge Cup, beating Spelthorne Sports in the final. The 2015/16 season saw them win the Middlesex Charity Cup for the first time, beating Cockfosters 2-0 in the final. They won the cup again in 2017/18 with a 3-2 win over Spelthorne Sports in the final.

# PLAYER

Richard Ossai - A fine keeper signed from Camberley Town FC that is a dependable and comforting figure behind any defence.

Sean Fallon - The only remaining 'Knapper' from last seasons squad, Sean is a great shot stopper that is thought of highly by everyone at the club.

Les Sacky - Les has joined us from Marlow FC where he was a big part of their Step 4 Play off campaign last season. Les was formally a pro with Scunthorpe United and his technical ability is a testament to this.

Josh Francis - Josh is quick and has a fantastic range of passing. Excellent 1 v 1 defender. Josh joins us from Badshot Lea.

Aaron Jewell - Aaron is very much a Jewell and is a solid centre back with great communication skills. Aaron is 1st team captain this season and joins us from Step 4 side Thame United.

Dale Burnham - Knappers supporters will recognise Dale as an enemy of bygone times after many successful seasons at local rivals Westfield where he won this league. Strong and dependable, Dale is a great signing!

Dennis Gorman - Dennis is the youngest in our squad and we are sure will go onto great things. A great range of passing complimented with good awareness, Dennis is also a very solid CB and excellent in the air.

George Spires - George is a former Portsmouth youngster that spent last season at Hayes & Yeading. George has great game understanding, excellent feet and is a superb late addition to the squad.

Owen Davies - Owen has impressed since joining and will be a big part of our season. Strong, intelligent and an absolute winner. Owen has previously been with SCR & Ashford Town.

James Vass - Vass was part of Tuffs' Hampshire Youth Cup winning squad a few years ago. Important around the dressing room, a great left foot but unfortunately an even greater turning circle, Vass joins us from Frimley Green FC.

Sam Bangora - Sam is as technically excellent as he is intuitive. Sam joins us from Marlow FC, and has an honour that not many can claim - Sam has won the FA Youth Cup whilst being a part of the Chelsea FC academy!

# PROFILES

Carlo Santora - Carlo joins us from Binfield FC where he was a fans favourite. Still only 20, Carlo has a fantastic change of pace, good feet and is well on his way up in the world.

Kane Fitzgerald - Watching Kane play is like watch a Swan on a lake - The ball glued to his feet Kane can change direction like the wind and open games up. Still only 20, Kane joins us from Bostick Div 1 Play off finalists Bracknell Town.

Sam Bello-Ballogun - Sam is energy personified and has great feet to match. A great guy & a great catch, Sam joins us from Camberley Town FC.

Jay Welch - Jay is another former professional in our ranks having signed for Aldershot Town from the Academy in 2014. Jay has a superb range of passing and dances elegantly around the field with the ball at his feet. Jay joins us from Marlow FC.

Dan Band - Bandy is a very important member of the team that joins us from Guildford City. Good in the air, loves a challenge and an absolute winner that will be a big part of us.

Nathan Mampono - Nathan is one of the youngest members of the team and joins us from Welling Utd Academy.

Good feet, good trickery and a good game understanding, he is one for the future!

Dan Taylor-Roberts - Is he Dan Taylor or is he Dan Roberts? We aren't actually sure who we've signed here. The one thing we are sure of is he's got an excellent cross and will link very well with the strikers.

Connor Blanchard - Connor returns to Knaphill after stints at a number of clubs including Badshot Lea with Keith Hills and Steve Pearman. Connor is absolute lightning, exciting to watch, and a good finisher.

Marcus Mealing - One we worked hard to get over the line, we beat off interest from a number of Step 3 & 4 clubs for his signature. Great technique, great game understanding and a lethal finisher. 'Mealo' signs from Marlow and has over 300 Southern League appearances to his name.

Matt Bunyan - 'Bunners' is well known in the local circuit and is seen as one of the best strikers in the area. A big part of the successful Camberley side of a few years ago, he is hard working, a natural leader, and a fantastic aerial presence to name but just a few of his many attributes.
