IN AND AROUND THE GROUND

The latest news from in and around Redding Way...

Good afternoon everyone and welcome to Redding Way for this much anticipated clash between us and our local neighbours Westfield.

Belated seasons greetings to the match officials, the players, officials and supporters of both clubs.

Most importantly we are delighted to welcome representatives and guests from Woking Hospice as there is a trophy at stake today. A bucket collection will be taking place for a very worthy cause.

Our great run in the FA Vase continues following our wonderful win down in Kent against Canterbury City courtesy of goals from Jack Mazzone and two from this seasons FA Vase hero, Danny Taylor. A very tough tie pits us against Kidlington FC of the Hellenic League Premier Division. A coach or coaches will be running to Kidlington at a cost of £10 per seat so please see Caroline behind the bar for details.

We came back down to earth with a bump on December 19th suffering a 5-2 defeat at Colliers Wood United. Jack Mazzone and Charlie Postance were our scorers.

The Reserves have seen some action lately with a League Cup victory away to Molesey Reserves 3-1 and last Saturday a convincing 4-0 home win against Crowborough Athletic with Aron Pucci scoring a first half hat trick and Harry Chew scoring the other. They are well placed in the league and will definitely be looking to push for the title.

The youth team have taken four points from two games in December, drawing 2-2 with Hartley Wintney and winning 3-2 at Tadley Calleva. Harry Chew and Rory Kilcoyne with two got the goals in the latter game.

Finally to our sponsors here's to a Happy and Prosperous 2016.

Enjoy the game.
Micky

REPORTING BACK...

Saturday 12th December 2015
Canterbury City 1 Knaphill 3
FA Vase 3rd Round

Match report taken from Kent Sports News

With both sides making their debut at this stage of the competition and having similar record in their respective leagues, a tight game was expected. Canterbury came into the game in 8th within the Southern Counties East Football League with 23 points from 16 games, whilst the Knappers had 26 points from 17 games in the Combined Counties Premier Division.

There were three changes from the City side who won 3-2 against Raynes Park Vale in their last game, Sam Staunton, Matthew Martin and Chevan Xavier took the places of Adam Woolcott, who fell to the bench, Ryan Philpott and Jordan Casey.

After a scrappy start with both sides looking to take control of the game it was the hosts who had the first real chance of the game after thirteen minutes. David Pilcher's free kick was dropped by Richard Shelley to the feet of Rob Lawrence who attempted to stab the ball in, only for it to roll past the wrong side of the post from four yards out.

Knaphill soon worked their way into the game and they should have taken the lead less than ten minutes later. An impressive run from Jack Mazzone gave the attacker space to put a low cross towards Charlie Postance, but he couldn't get a clean touch on the ball, meaning he couldn't simply stroke the ball into the open goal.

With time running out in the first half the visitors were able to take the lead, Josh Watkins saw Shannon Harris off his line and took a chance from 40 yards. Harris was able to claw the ball off the line, only for the ball to fall to the feet of Mazzone who was able to score with a simple tap in from close range, meaning his side were able to go in to half time with a lead.

Looking for an equaliser, Canterbury started the second half in control. After ten minutes a well worked corner allowed Danny Lawrence a chance at the near post, but the midfielder was only able to hit the side netting. Only three minutes later they were able to find the elusive goal. Sam Staunton's pass forward came perfectly into the feet of David Pilcher who did well to turn past Matt Morris and fire a shot in at the near post. Knaphill looked to restore their lead and from the

first attack Robbie Kersley placed a shot wide after some impressive build up play, but it was their next attack which gave them their second goal. A long ball forward fell perfectly into the path of Danny Taylor, allowing the substitute to chip Shannon Harris, allowing Knaphill to reinforce their lead. However, with the hosts' time running out they were given a lifeline when the referee believed Matt Morris threw an elbow at David Pilcher during a battle for possession, leaving Knaphill with ten men for the remainder of the game.

This didn't worry the visitors however, as with only fourteen minutes remaining Danny Taylor scored his second of the afternoon from close range, securing the win for Knaphill as they looked certain to progress to the fourth round. They still weren't happy with a two goal lead though, and after Arafat Kabuye came on as a substitute he had two fantastic chances to score. After beating the offside trap moments after coming on he looked to chip Shannon Harris, but the goalkeeper was able to hold the shot.

With the final attack of the game a counter attack was collected by Harris, only for Kabuye to dispossess him, but the substitute's effort was bravely cleared off the line by the head of Oliver Lee, meaning the game ended with a two goal margin.

Canterbury City: Harris, Webber, Bosio, Staunton (S Hallett), Gorham, Lee, Pilcher, D Lawrence, R Lawrence (Woollcott), Martin, Xavier

FROM THE DUGOUT

This issue assistant manager David Johnston gives his account from the dug out.

Merry Christmas Everyone

I hope you have all had a wonderful Christmas.

Last Saturday the lads underperformed and came back to earth with a bump. The 5-2 defeat to Colliers Wood Utd was hard to swallow, but proved as a welcome wake up call for not only the players but the management too. In recent months, confidence has been high and we have been riding on a crest of a wave. Nicely positioned in the league with multiple games in hand, coupled with a County cup 3rd round and League cup 3rd round to look forward to, plus progress in to the last 32 of the FA Vase.

Having said that, the players and management are at fault for last weeks result, probably due to complacency thinking that all we needed to do was to turn up, play football, and the result would come. We scored two wonderfully worked goals but conceded five very sloppy ones caused by individual errors and slack defending as a whole team. Charlie Postance and Jack Mazzone were the only players that escaped with some credibility to their names! Keith and I both take responsibility as tactically we got it wrong and should have also sensed the player's complacency.

On a good note, the Saturday previous was another milestone for the club by beating Canterbury City 3-1 in the 3rd Round of the Fa Vase to reach the last 32. The lads adapted well to the rather bumpy 3g surface and the blustery conditions and deservedly won through with Matt Morris' unfortunate dismissal the only disappointment. A very workman like performance was in truth the difference between the two teams and even when down to ten men, we looked fitter, hungrier and sharper. We look forward to Kidlington away in the next round, and will train and work hard and certainly do our homework on them as they will do on us. There are no poor teams in the last 32 and we must be on it and in good form if we have any desire to progress.

Our last home game we faced a very up and down team in Raynes Park Vale. Very windy conditions were not conducive to good flowing football and a very scrappy affair was won by the Knappers 3-2. A game like this last season would almost certainly have seen us lose, but we have definitely learnt to be patient and adapt to the conditions and the situation, and the players must take full credit for battling their way to victory.

FROM THE DUGOUT

On the injury front, midfielder Steve Brown is now back training after his broken leg and even got a surprising 90 minutes last week against Colliers Wood Utd. Jimmy Norman (ankle) made an appearance against Ashford in the Surrey Senior Cup but unfortunately has had a set back with his injury and is therefore side-lined for a little longer. Scott Costello (ankle) has also returned from injury but he is also still undergoing treatment and therefore is not yet fully fit. Yassa (knee) is now fully fit and will be pushing for that starting place. As for Dan Thorogood, a mild hamstring strain thought to be a 3-4 week lay off back in August, has turned into 3-4 months!! The boy is made of china!

All of these injuries came pretty much at the same time and although we struggled at times to fill the bench, the players rallied and continued getting the results under extremely testing circumstances.

With nearly everyone fit, it will be very hard for Keith and I to not only select the best starting 11, but to select the best 16 players on match day. Inevitably three to four 1st team players will have to get game time with the reserves to keep them sharp and I know Simon and Keown will have them drilled and ready for when they are called back for 1st team duty. Unfortunately we are missing Matt Morris today and for the following two matches due to his Red card against Canterbury City. Big boots to fill but some young blood under the age of 30 should help. Connor Close is also serving out his suspension and is unavailable today.

Keith and I are happy with the quality of the 1st team but we would be foolish to settle with what we've got currently. Knaphill are emerging as a fantastic club to be at and we get daily calls from players wishing to join the team. We hope to improve the squad in the New Year and push to the next level and aim for that top 6 spot in the Premier division.

I hope you enjoy today's match against local rivals Westfield. I'm confident you will see some excellent football and two teams battling it out for bragging rights. Whatever the outcome, a Christmas beer will certainly be shared after the match.

I'd like to take this opportunity to wish you all a Happy New Year and a prosperous 2016.

The Club was formed in 1953 as Westfield Boys Club playing in the Woking and District League and also running a youth team. From the start the Club had success in the competitions entered. Among the trophy's won in the early years were the Surrey Youth Invitation Cup in 1953/54, the Surrey Junior Charity Cup in 1954/55 and 1955/56, the Surrey Junior Cup at the first attempt in 1955/56 and the Surrey Youth Cup in 1956/57.

Following several seasons in local league football the Club made the break into Surrey Intermediate Football using the present ground at Woking Park, Kingfield. Successes soon came and, after becoming League Champions and League Cup winners on several occasions in the subsequent seasons, the Club decided to apply for senior status.

The application was accepted in 1964 and after one season in the Parthenon League, Westfield met the necessary ground grading requirements and joined the Surrey Senior League.

Westfield's future success in senior football sprang from their ability to attract the best local youngsters and they were successful in winning the Surrey Youth Cup again in 1966/67 and 1969/70 and the Surrey Youth Shield in 1969/70 and 1970/71. This talent matured and there followed three tremendous seasons for the senior side when they won the Surrey Senior League Cup in 1971/72, followed by the League and Cup double in 1972/73 and the League Championship again in 1973/74.

The Surrey Senior League was disbanded and reformed as the Combined Counties Football League in 1978 and Westfield became founder members and retained membership to date. Success, however, has been more difficult to achieve and in recent times the closest the senior team has come to honours was in 1989/90 when they lost the final of the Combined Counties League Cup to Hartley Wintney in extra time.

Season 2000/01 saw the Club enter the Carlsberg FA Vase for the first time, performing beyond expectations before losing in the Fourth Round to Ryman League Arlesey Town, on the way beating Wantage Town, Lewes and Bowers United.

Westfield continued to compete at youth level and they won the Combined Counties Youth League Cup in 1991/92 as well as being runners-up in the League.

Following the installation of floodlights in 1998 the U18 team joined the Southern Youth Floodlight League as members of the Western Division. The Club also run an U16 team playing in the West Surrey Youth League.

PLENTY IN RESERVE

SIMON MARTIN - MANAGER

Good afternoon, hope you all had a lovely Christmas and are looking forward to today's game.

The Reserves of late are in really good form winning our last 5 games and climbing up the table, plus we are still in all the cups we have entered. So 2016 is looking good in all fronts.

In what has been a stop start season with games being cancelled plus the 1st team progressing in the there cups, games have been very spaced out and been difficult to keep everyone motivated. But to be fair to the lads they have kept training hard and keeping fit so when the games have come they are ready and that's proving right by our results.

In our resenet games in the league we played our local rivals Westfield FC, which I'm happy to say we have now completed the double over them in the league winning 2-0 in our lasted encounter with goals from Nic Donaldson and Yassa. We also picked up another 3 points in a home win against Crowborough Ath FC which was 4-0 in the end, with a goal from Harry Chew and hat-trick from Aron Pucci.

In between those two league games we played Molesey FC away in the league cup which we won 3-1 with two goals from Nic Donaldson and one coming from Aron Pucci. This is a cup we got to the semi final in last year so would be nice to go that extra step and reach the final this season.

Overall 2015 has been a great year for us on the football front, and this now being my third season in charge of the Reserves I believe it's the strongest team I've had here and really starting to see good things happening.

We have a very strong core of players and competition is high which is good for everyone. Plus with the 1st team being very strong, players are

dropping down to get minutes which only makes us stronger.

There is also very strong youth players coming through and I'm working closely with them so we can progress them when the time right.

So all of this can only be good for the reserves with 1st team players dropping down and youth players stepping up we have a great balance across our squad.

Going into 2016, we have a few games in hand on the teams above us which if we win we go top of the league.

It's going to be a challenging 2016 but one were up for and targets are set for us, so it's down to us to complete them.

It would be great to get things in our hands but at the moment we can only take each game as its comes, and see where it takes us.

IN YOUTH- WE TRUST THROUGH THE RANKS

KNAPHILL FC U18'S
ARE PROUDLY SPONSORED BY

A very warm welcome to Knaphill today and to what promises to be a good local derby. Since my last notes the U18s have played 2 league matches, both of which have been away.

The first of which was a trip to Hartley Wintney. The match started well with Michael Chapman opening the scoring for us. As the first half progressed we seemed to lose control of the match and let Hartley equalise before half-time. The second half started the same way as the first finished, with Hartley being on top and deservedly going in front. As the half wore on we finally put some sustained pressure on the opposition defence and we were awarded a penalty for a handball on the goal line, which Harry Chew converted. We nearly bagged all 3 points near the end when Michael Chapman rounded the keeper only to see his shot hit the post, though in fairness to Hartley Wintney that would have been robbery on a grand scale as it was we nicked a draw away from home.

Hartley Wintney 2-2 Knaphill FC.

Our most recent match saw us visit Tadley Calleva and again was very much a game of two halves. On a very heavy pitch both sides struggled to find any momentum in the early stages but the lads tried to keep their passing game going and we got the breakthrough when Michael Chapman was upended in the penalty area and we were given a spot kick, again for the second match running Harry Chew converted the kick.

We settled down more and really passed the ball well and doubled our score when Rory Kilcoyne finished with a lovely chip over the keeper, we soon scored a third again through Rory. So 3-0 at half-time and we told the lads to keep playing the same way unfortunately we lost our way a little and let Tadley back in when we failed to clear a long punt up-field from them and they scored.

We lost one of our centre backs to injury and conceded another silly goal from a corner. From being very comfortable and in control we were now hanging on especially as we went down to 10 players when Harry got sent off for a second yellow card offence. We managed to hold on and in truth we could and should have scored a couple more including one that was missed from about 6 yards out.

Final score Tadley 2-3 Knaphill FC.

Our next match is also away to California and Eversley in the League on January 5th. In the meantime may I take this opportunity in wishing you all a very happy and prosperous New Year.

REPORTING BACK...

Saturday 19th December 2015
Colliers Wood Utd 5 Knaphill 2
Combined Counties Premier Division

Match report taken from Colliers Wood website.

Wood put in a tremendous shift to overcome Knaphill on the mildest December day I can remember. There was even a fan from The Kyle of Lochalsh in attendance as a crazy game got under way.

Postance chipped just over in the opening minute for The Knappers and Shelley was sharply off his line to deny Ogunseye as the pattern of the game established itself, rather like a basketball match, with both sides going at each other. And why not as both of the front two looked in scintillating form.

Wood went ahead on 6 minutes when Harding forced down a Mead free kick ahead of Shelley and Embalo had the simplest of tap ins. Some feisty tackles ensued from the visitors but there was no malice at all and it was 1-1 on 11 minutes when some rather shoddy defending saw the ball reach the unmarked Postance and he drilled home under Young from 12 yards.

Six minutes later, Knaphill went ahead when a loose pass from Embalo fell to Postance his ball wide right was crossed low to the far post and Mazzone slid in to net all too easily. Watkins shot over the bar with the outside of his right foot and the rampaging Taylor overhit a cross as Knaphill sensed blood. Ogunseye chested and volleyed a Mead free kick wide of the far post and Morris saw off a Djalo run before a foul on Snook saw Emery's free kick superbly tipped wide by Shelley with many wondering just how he saw it coming. It was 2-2 on 32 minutes when Snook did superbly on the left to get a shot away.

Shelley parried this straight to Harding who volleyed home sweetly from 15 yards. Boswell and debutant Marvell at the back were beginning to settle down now and Young blocked Watkins before a poor kick from Shelley to Taiwo saw the ex-Wood player robbed by Embalo. He found Mead who put Harding in but his toe poked effort found the side netting. A wonderful Snook pass, the midfielder clearly relishing this challenge, found Embalo who stayed on his feet honestly after a wild challenge but the chance came and went. Shelley blocked another Embalo chance as half time arrived for a deserved breather for all.

An outrageous Harding pass saw Ogunseye denied by Shelley and the visiting keeper saved well from Embalo before Taylor was spoken to by the referee. His mood did not improve on 57 minutes when Embalo was put in on goal. The assistant flagged for offside but Embalo netted anyway and consultation between the officials saw the goal awarded as Ogunseye was the offside culprit. Controversial, but correct and making a mockery of the offside rules. Rule 1, however, is play to the whistle! And two minutes later, it was 4-2 when Mead and Snook linked up well and Harding cleverly lobbed the advancing Shelley.

REPORTING BACK...

With Emery in front of a back four told to hold their ground, Knaphill tried to rally but numerous overhit passes fell easily for Young and when Mazzone was put in by Postance, Djalo was there to cover and clear.

More good play from Knaphill saw Snook, bravely, head back to Young and Costello and Kabuye replaced Oloyede and Lumley. Ogunseye beat Taiwo twice in the box, a warning of what was to follow, but he shot weakly and Embalo failed to pull the trigger with the goal gaping and a superb team move ended with Ogunseye skying the ball into the trees from an Embalo pull back.

On 74 minutes, Taiwo tripped Ogunseye in the box and Harding made it 5-2 from the spot kick to complete his thoroughly deserved hat trick. Smith replaced Brown and Williams replaced Djalo at right back before Young's fingertips denied Postance; his shot hitting an upright. Stevenson replaced Emery and Snook was booked as was Watkins to join an earlier card for Knaphill skipper, Dobie. More resolute defending from Hughes, Boswell and Marvell kept Knaphill at bay and, on another day, Wood may have added to their tally!

A very entertaining game with the visiting management most complimentary, especially about Harding and Snook! We wish Knaphill good luck for their FA Vase tie.
