## MANAGER'S NOTES:

# RICHARD KEOWN

---

Welcome to Redding Way Fleet Spurs FC. Hopefully tonight's game is a good one.

Before we take on Fleet Spurs tonight we had two very tough fixtures in the week.

Starting Tuesday night vs Kingstonian FC in the Surrey Senior Cup.

What an epic battle that game was. Obviously they made changes and could afford to being two leagues above us, having said that they started with 5 regulars.

Credit must go to my boys as they out played Kingstonian for large parts of the game. The game wasn't full of chances but some of the football being played was nice to watch. I've been extremely impressed with young George Frise who's only 18 and really growing in stature with every game. This is a kid to watch out for in future. It took us 80mins to break the deadlock with a good move down the right wing which ended in a goal mouth scramble but the first to poke home was Felix. 1 nil up. Kingstonian up the anti and brought the big boys on, unfortunately we couldn't hang on to a historic win against the big boys. They scored and we eventually lost 7-8 on penalties. A cruel way to lose but an experience in itself going to penalties and watching the boys growing in confidence.

Next up the local derby vs Guildford City away on the Saturday.

We went into this game with confidence after Tuesdays game. The only issue was I didn't have a striker. I had tough selections to make for that game but I'm glad to say the selection was spot on. Picking teams is hard when there's lots of competition for places,

with players injured or missing. We won 2-0, the game was scrappy and conditions made for a dog fight on pitch and in the dug outs. There was a real feel of a local derby in the air. Matt Kellet-Smith popping up with a trade mark goal at the back stick and Jack Collins shot what can only be described as a rocket. These were 3 massive points for us. Hopefully we can move onto tonight's game in the form we have had recently. I'd like to welcome my new no 2 Dean Greenwood who is going to play a big part in next few months. Dean has a wealth of experience and knowledge of the game.

Enjoy the game

Keown.

Collins & Kellet-Smith

Knaphill made the short trip to Wey Court, home of Godalming Town to face Guildford City at their temporary home.

Buoyed by their impressive showing against Kingstonian the previous Tuesday evening, The Knappers carried on in the same vein with a deserved 2-0 victory. They went into the game without a recognised striker in the line up but a very determined and hard working performance frustrated the home side. Guildford had won their previous three games and sat in 5th spot at the start of play. The Referee had to be replaced early in the first half due to an injury and was replaced by Assistant Referee, Dave Cooper. Luckily, a replacement Assistant was not too far away and the game continued after a short break. Kyan Nicholas carried Guildford's main threat on the day as the usual danger man, Eli Ogunseye was kept very quiet mainly due an outstanding performance from young left back, Carl Bower.

The opening goal arrived soon after the break in play when Matt Kellet-Smith timed his run to perfection to

guide the ball past Stuart Norman at the far post.

George Rowley and Jack Collins excelled at the back and George Frise again put in an all action display in centre midfield against more experienced opponents.

The second half was fairly contested as Guildford searched for an equaliser. Nicholas came close twice with shots from distance, one clipping the outside of the post. Adams had an effort blocked and Holt made a save from Webbes effort.

Knaphill also had chances with Norman keeping his side in it with vital saves to deny Ahorlu and McDonald. With the final whistle looming a three v two break saw Ahorlu upended by Sean Mason on the edge of the area. Jack Collins unleashed a thunderbolt that smashed into the roof of the net to seal the victory against his former club.

Overall, Knaphill worked hard all over the pitch frustrating a dangerous Guildford side and ending their impressive recent run. Never a dull moment when these two sides meet.

**Knaphill** - Holt, Kellet -Smith, Bower, El Amrani, Rowley, Collins, Ahorlu, Frise, McDonald, Costello, Hagen-Morgan.

# U23s REPORT

SUBURBAN  
FOOTBALL LEAGUE

FOUNDED 1971 - SANCTIONED BY THE SURREY FOOTBALL ASSOCIATION

The new year has continued with two disappointing results in the Suburban Shield, drawn in the group against Abbey Rangers and Flackwell Heath. On Monday we travelled to Abbey Rangers with a squad containing a handful of first team players needing minutes. With an onlooking first team manager in the crowd the early signs were positive as we pressed Rangers relentlessly and created several chances. However we were not clinical in front of goal and a misjudgement at the back allowed their attacker to control a ball on our by-line and put across our six yard box for his team mate an easy finish. Our pressing game ebbed away and we gave Abbey Rangers the confidence to complete a 4-0 victory, something that seemed impossible based on our good early start.

On Saturday we hosted Flackwell Heath in the next group game. This time we put out a very young squad. I had watched our U18 team defeat Guildford City 2-1 on Wednesday, this followed their impressive victory in the cup against Carshalton Athletic two days earlier. Matt Cronan and his team have been leading the boys well this season and I am pleased that Matt and I have been able to promote many of his players into the development team. There were six players in the development squad on Saturday that had played for the U18s earlier in the week. This included Mac Howieson who made his debut at half time in midfield and did not look out of place.

The development team are clearly suffering from a lack of confidence and this allowed Flackwell Heath much of the ball as we struggled to get out of our half. 3-0 down at half time and with few chances created we changed our shape at half time. A penalty early in the second half extended Flackwell's lead however what followed showed a lot of character on our behalf. The players suddenly showed the confidence and ability seen in previous games and in the last 20 mins grabbed two goals, including an excellent curled finish from the edge of the area by Elz Cibwabwa. We could and should of scored more and Flackwell Heath clearly felt relieved by the final whistle.

It has been a frustrating start to 2019 for the development team. We have a chance next Saturday to right some wrongs when we play Abbey Rangers at home in the next round of the Suburban Challenge Plate.

# IN YOUTH WE TRUST

Knaphill U18s played two tough games in three days, 7/1/19 v Carshalton in a tight cup match where we knew we were the underdogs, The Knappers turned up to a fantastic venue and lovely hosts. It was tough from the very start with Carshalton keeping the ball and making our players work. Knaphill were defending really well then from a corner a messy goal happened for Carshalton. We went in at halftime with our heads held high playing opposition that are top of the league above and only 1-0 down. Motivation to get the boys going was the plan and it worked a treat with us scoring straight from Kick Off. Game on 1-1, with around 10 minutes to go one of Knaphill's CB gets a straight red for a handball going away from goal and with a nudge from behind. Carshalton score against 10 men Knaphill and the game looks over and done with. The young Knappers did not give up and with Michael O'Connor jumping the highest to win a header which floated into the top corner and the game is 2-2 at full time. Luke Skinner the Knaphill Goalkeeper somehow save the first three penalties against him and with Knaphill scoring 3 out of 4 penalties meant Knaphill would go through. The second tough game came against Guildford City who were on fine form beating Fleet 4-0 we knew we had a challenge. Winning 2-1 on a cold night with the game at 1-1 until the last 5 minutes really showed how tight of a game it was. Mac Howieson being involved in the centre of the park for 7 games in a row really shows how crucial of a player he is.
