The first recorded football in the town was 1904, however it is certain that the game was played for a number of years before that. In those early 1900s, Stotfold sides played in the Biggleswade and District League. This was followed by a spell of nearly 30 years in North Herts Football. The first record of a trophy being won was 1911 when Pottton were beaten 1-0 in the Biggleswade and District Championship.

Stotfold FC was officially founded, with proper financing, stewardship and record-keeping, after WW2 in 1946. In 1951 we joined the South Midlands League Division 2 and in 1953 were promoted to Division 1. Our present ground, when it was just a meadow named 'Roker', had first been used in 1911 by Stotfold Athletic. So, we were delighted to move into the newly-developed 'Roker Park' ground in 1965, having played previously at the Hitchin Road Recreation Ground.

In 1955 we were promoted to the Premier Division, where we stayed for 30 years winning the championship in 1980 and were runners-up no fewer than 9 times. The club joined the United Counties League in 1984/85 season with our best placing as runners-up in 1993/94 and 1995/96 under the guidance of ex-Arsenal player Ian Allinson. During 1998-2000 the club won The Beds Senior and Premier Cups, UCL League Cup, and the Hinchingsbrooke Cup as well as being runners-up and finalists in two North Beds Charity Cups. The club also reached the last 32 of the FA Vase and the 3rd Qualifying Rd of the FA Cup in 2000 under Phil Pateman's management. Kenny Davidson took over the side in 2001, reaching the final of the Beds Senior Cup but resigned in Dec 2002.

Phil Pateman assumed charge of the side again and the team won the North Beds Charity Cup and were finalists in the Hunts Premier Cup. However, their most notable success came from being awarded national fair play team of the year by Ladbrokes in association with The Non League paper as well as the UCL fair play award. They finished a creditable 10th place from a previous 18th and retained the NBCC.

During the summer, Phil Pateman stepped down to concentrate solely on his chairman duties securing the services of ex-player and former St. Albans City and Baldock manager, Steve Cook for the 2004/05 season. Steve left the club for Borehamwood after one season, and Jim Benton, stepped forward to take charge for the 05/06 season. This saw many familiar faces drift away from the club and many new ones appear. Poor discipline and performances on and off the pitch resulted in a bad year all round for the club, and after Jim's departure, local manager Glen Clarke was handed the position, handing in his notice on the eve of the new season. Coach/physio Ian Williscroft took charge for the first 9 games before Mark Teeling took over midway through September. After gaining 11 points from 17 league games and some heavy defeats, Mark was replaced in December by the previously successful partnership of Ian Donnelly and Ian Allinson.

With the club staring relegation in the face, Ian recruited several senior players and combined these with the best of our young squad and the club hauled themselves out of the bottom two, winning 8 of our last 10 games. During the summer the squad was strengthened further, and this culminated in the most successful season in the clubs history. The first and second team squads won their respective league and county cup competitions, (the first club to do so), with the second team remaining unbeaten in the league. In addition the club were the only UCL club to reach the 3rd Qualifying Round of the FA Cup before losing to Tonbridge Angels. So it was a shock and bitter disappointment when the UCL decided against awarding Ian Allinson the Manager of the Year Award. During the summer Ian was offered the managers job at Ryman Premier League Borehamwood and this was an offer he could ill afford to miss. He has since given the opportunity to several of the successful side to play with him at that level. However he left a great legacy and we promoted Ian Donnelly to the position with reserve manager Terry Kitchener stepping up to assist him. Success continued, winning the UCL League Cup and North Beds Charity Cup and finishing League Runners Up. The Reserves and the Under 18 Academy continued to sweep all before them under Gordon Bickerstaff's management and after Ian Donnelly stepped down with Terry at the end of the previous season, it was easy to promote from within again, with Gordon bringing his Assistant Cecil Lee with him.

In what turned out to be the club's final season in the UCL, 2009/10 saw the first team produce a very creditable performance reaching the 4th round of the FA Vase and finishing 7th in the league.

Having finally been granted a move to the Molten Spartan South Midlands League in 2010/2011 the Eagles struggled to adapt until the new year and eventually finished mid-table. The first team reached the final of the NBCC, losing to Biggleswade Town 2-1. The reserves lost many of their players who needed a fresh challenge after being so successful, leaving Manager Malcolm Ward with a difficult task and they also finished in a respectable mid-table position.

The Academy continued to go from strength to strength with the U15 and U18 Academy teams winning the Beds County Cup. The U18s also won the County Floodlit Cup and the Ridgeon's League West title under Manager Ryan Brooke.

In season 2012-13 Gordon Bickerstaff stood down and Steve Young took charge of first team duties, supported by Roy Ryall. Gary Hoy took over the Reserves whilst continuing to run our Under 17 and 18 Academy teams. After another poor start the first team secured a respectable mid-table position whilst the Reserves, made up almost entirely of Academy players, won the Biggleswade KO Cup. Our Under 18s reached the first round of the FA Youth club for the very first time despite playing mostly 16-year-old players before going out to Leyton Orient. The U17s finished 2nd and U18s first in their respective leagues.

In 2013 the Academy again flourished, reaching the 3rd QR of the FA Youth Cup before losing to full-time Academy side Cambridge United on penalties. They also reached 2 semi-finals and finished 3rd in the league. The first team turned their season around from being 3rd from bottom of the SSML Premier Division with just 18 points at Xmas, to three cup finals and a semi-final place in another. They also moved away from the foot of the table with a further 29 points in the second half of the season.

During the close season the club reappointed Steve Young as Manager but were left stunned when Coach Tony Lamacraft collapsed after an abandoned first team friendly caused by the double leg fracture of one of the Stotfold players. Despite the valiant efforts of club officials and paramedics including an air ambulance crew Tony passed away. Over 500 attended his funeral and Tony is sadly missed not just by Stotfold but the whole of the local football community.

Steve promoted from within the club, Michael Parkin and Matt Endersby stepping up and the club also appointed Rob Bates as the Under 18 Academy Manager. Rob played professionally for Colchester United and was the Academy Manager for Biggleswade Town last season before resigning his position in the summer, most of that academy side following him to the club after a hugely successful 2013 season. The club also reformed the Reserve side after a traumatic 2013 season and Dave Elkin and Dave McCoy joined from Langford.

The 2014/15 season was once again a challenge. Steve Young decided to resign his position in January 2015 for personal reasons and we had no hesitation in appointing Rob Bates as the manager of the first eleven. During his 5 months in charge he managed to mould a team to stave off relegation from the Premier League and finish a creditable 16th with 44 points. We were narrowly beaten 2-1 in the North Beds Charity cup by Biggleswade United.

Rob Bates having brought his under 18 side from Biggleswade Town took them to second place in the Southern Counties Olympian Division and winners of the Colwyn Cup Final beating the league winners Cockfosters 3-2.

The last 2 seasons delivered stability with the first team following the trend of struggling in their league programme up to Xmas and then storming to mid table by the end of it. The reserves changed to position stability. We dropped the Reserve squad for an U21 side and then as U25s last year and won the Biggleswade KO in 2016, finishing top four in their leagues. The first team won the NBCC in May defeating Biggleswade United 2-0 in the final in what turned out to be the last game under Rob Bates and his management team who resigned shortly after.

Mick Reardon took over but lasted less than 2 months with the club losing all but a couple of the previous seasons team and suffered a humiliating 12-1 FA Cup loss to Berkhamsted. He was relieved of his duties and Michael Parkin stepped up. The club recycled most of the squad but struggled and despite a terrific run in at the end of the season we finished bottom of the league. However the FA reprieved us. Michael stepped down due to work commitments and the club appointed Julian Robinson. However Julian resigned after a poor start to the season and has been replaced by Mark Nervais who has worked with Kempston Rovers and Bedford FC. The management team have been refreshed and we have started to rebuild with almost a complete new squad. The club have entered a team in the U25 league and now have 4 EJA teams covering U13 to U16 as a full merger of the two clubs moves forward.

Work finally commences on our new facility in the autumn with this being our last season at Roker Park.

## **From the Sidelines**

**By Andrew Kouroushi**

The last few weeks have seen a lot of changes at the club. After a short stint as Caretaker manager, and four games of differing fortunes, we decided as a club that the need for change was very needed. The players gave us everything for us in those games, and showed how much their love for the club with their displays. Our aim was to get the three League games and the FA Vase fixture out of the way and evaluate where we were. Hence the decision for change.

So we are pleased to announce that Gaz Dauti has been appointed manager. Gaz is a tremendous coach & no mean player. His knowledge of the Non-League circuit is immense, playing for Wingate & Finchley, Braintree Town, and Aveley FC. Gaz brings with him Terry Spillane as his right hand man. Terry's CV is fantastic, having managed Aveley Fc, Redbridge, & Maldon & Tiptree to name a few. Saturday saw them take charge of their first match at London Lions and secure a 2-0 win.

The committee and I are delighted to have two men of great stature at the club who will help us move the club forward. Please help us make the arrival at the club a welcome one.

In other news, the reserves continue to do well in the Herts County League sitting in 3rd place, thats a great start for them. Panny and Chris are doing a great job, and have already provided paleyrs for the first team.

This week we announced that we will be starting a Youth Section next season with Peter Xiouri brother of Club Captain Chris, heading this section up. Soccer schools will start in November, and we hope to have 3- 4 teams next season.

Exciting times at the club. Back to tonights game and we welcome Stotfodl FC, another tough matak as they all are in the SSMFL as we look for another 3 Points.

Lets get behind Gaz and the team.

Come on you REDS !

## **Match Day 15 Result :**

**Saturday 19th October 2019**

### **London Lions 0 - 2 New Salamis**

Salamina kept up their impressive away form with a comfortable win at London Lions. The Lions had the share of the play in the first 15 minutes but then it was all Salamina. New Manager Gaz Dauti and Terry Spillane had picked a new side, bringing in two new centre backs, and had the returning Charlie Georgiou in the Side.

Salamina's chances flowed George Lutaaya was inspired on the right and brought out a great save from the Lions keeper. Luke Foster then hit the post from a curling free kick.

The deadlock was broken when Charlie Georgiou was brought down, he was very impressive causing the Lions defence no end of problems and when he won the penalty in the 40th minute. Skipper Ryan Havel stepped up and fired into the corner. 1 - 0

The second half saw the lions reduced to 10 men early on and Salamina were unlucky not to go further ahead when John Kyriacou's diving header from a Deniz Mehmet cross was ruled out for offside.

Lions were then reduced to 9 men when the keeper crudely took out Deniz. Courtney Austin stepped up to take the spot kick and made it 2-0.

The reds cruised home and took 3 valuable points.
