NEW SALAMIS

New Salamis Football Club History

New Salamis FC was formed in 1974 by fans of Cypriot club Nea Salamis Famagusta, with the Cypriot-based club acting as a parent club to their fans in the UK. Playing in the KOPA (Cypriot Football League) a British League set-up for Cypriots in London, the club won countless honours and left the league in season 2017/18 as the league's most successful team, winning 12 League Titles.

The club also won a record 7 London County Cups.

In the 2015/16 season, the club won the FA Sunday Cup, following a 1-1 draw with Barnes at Selhurst Park and winning on penalties. In 2016/17 the club lost to Hardwick Social Club on penalties again following a 1-1 draw, at Brammall Lane. Many of the players still play for the team today.

In 2018/19 we moved into the Herts County Senior League, playing our matches at Enfield Town FC. In our first season we won the prestigious Aubrey Cup Final, and also achieved promotion to the Spartan South Midlands League, after finishing runners up.

Season 2019/20 saw us participate in the Spartan South Midlands League Division One at Step 6, our ambition to achieve promotion to Step 5.

In March 2020 when the Covid-19 pandemic hit, we sat top of the certain of a top-four finish and promotion. We also were the top scorers in all top 10 Divisions as the season was null and voided.

Season 2020-21 saw the club enter the FA Cup for the first time and reach the first round proper of the FA Cup, after beating, Colney Heath 1-0, West Essex 5-1 and losing in the First round to Brentwood Town FC. When the season was curtailed in November, we managed to amass enough points to be promoted to the Premier Division on points per game over two seasons.

Champions of the Spartan Premier Division, in Season 2021-22, winning the league on the last day of the season 2-0 at Risborough Rangers, would see the club achieve its 3rd promotion in 4 seasons, and we now play in the Isthmian North Division in 2022-23.

BASILDON UNITED

Nicknamed 'The Bees', Basildon United came into being in 1967, having previously been known as Armada Sports; a junior club who were formed four years earlier.

In 1967/68 the renamed club joined the Grays and Thurrock League, moving into the Greater London League the following season.

The first major step forward came in 1970 when the Essex County FA granted the club senior status and it became a founder member of the Essex Senior League.

It was not long before The Bees got amongst the honours recording four consecutive championships from 1977 until 1980, which stands as a league record to this day.

In addition, Basildon finished runners-up in 1973 and 1975, whilst the League Cup was won in 1978 to complete that season's double. The following season the club were winners of the Essex Senior Trophy.

The Bees successfully applied for promotion to the Athenian League in 1980, but membership only lasted one season, as they finished runners up to Windsor and Eton and earned promotion to the Isthmian League Division 2. In this season, Basildon also progressed to the quarter finals of the FA Vase, before Irtlingborough Diamonds brought an end to progress in the competition with a 6-4 victory in a sixth-round replay.

After three seasons in the Isthmian League Division 2, Basildon achieved promotion as champions in 1984, pipping St Albans City by one point on the last day of the season. This season additionally saw the club reach the finals of both the Essex Senior Trophy and the Eastern Floodlight Competition.

Basildon found life a lot harder in the first division and eventually lost the struggle against relegation in 1989, dropping into the Isthmian League Division 2 North. This was the first time that the club had suffered relegation in their history.

Two further seasons were spent in Division 2 North before the decision to de-regionalise the division led to the club resigning from the league, the club considering that an excess of travelling in the Isthmian League was not viable at that point.

The Bees re-joined the Essex Senior League in 1991/92 and quickly regrouped both on and off the pitch. It was not long before the successes of the late seventies were emulated, as The Bees finished in the top six in both 1991/92 and 1992/93 and made a League Cup final appearance in 1992.

A superb 1993/94 season saw Basildon again win the Essex Senior League double, with the championship being won for a record fifth time. The following season, 1994/95, the club battled through to the FA Vase quarter final for the second time in its history, before losing out to Raunds Town.

During 1997/98, The Bees equalled Brentwood's record of three Essex Senior League Cup wins by beating Burnham Ramblers 1-0 in the final. It was the club's sixth appearance in the final of this competition, which also remains a record. In the league, Basildon finished runners up to Concord Rangers.

1999/2000 saw Basildon finish 13th, which was the club's worst league finish at the time and although a reasonable 8th position was achieved in 2000/01, two bottom half finishes followed for the next two seasons.

The club finished 7th in both 2003/04 and 2004/05.

John Higley was The Bees manager at the start of the 2007/08 season, but he was replaced by Jason Emery in October. The club struggled for form all season and used 72 players, only to finish in 16th position, just one place off the bottom.

A new management team of Colin Cook and Gary Morris was announced for the 2008/09 season and the club won its first six matches, whilst reaching the second-round proper of the FA Vase. However, by December the management team had left the club and ex reserve coach, Jody Prewell, was appointed manager, with Basildon eventually finishing the season in 8th place.

Prewell left the club by mutual consent in April 2010 and was replaced by Sean Merchant as caretaker manager. The Bees suffered the heaviest defeat to date on 24 April, losing 10-0 at Witham Town. The club eventually finished the season in 12th place.

In May 2010, John Doyle returned to the club as manager, bringing in former Romford boss, Mark Reed as his assistant and Paul Rogan as coach.

After a 12th place finish, John Doyle decided to step down at the end of the 2010/11 season. The club advertised for a new manager and in excess of 30 hopefuls applied, with Paul Larke being appointed manager in June 2011.

After a poor start to the season, Larke resigned following a 9-1 defeat at Witham Town, with John Doyle returning to oversee the forthcoming FA Vase match against Ampthill Town.

The following week, Chris Wood was appointed permanent manager, but unfortunately no improvement was seen in results and The Bees finished bottom of the Essex Senior League for the first time in the club's history.

Former Ramsden boss, Bobby Barnes, was appointed manager in May 2012 and at just 27 was one of the youngest managers in non-league football. After Barnes decided to resign due to work commitments, John Higley returned to the club and was assisted by Steve Brown senior.

BASILDON UNITED

After a number of managerial changes, the club ended the 2012/13 season with Bertie Brayley as player/manager and the club finished the season in 13th position. Laurie Carter was appointed manager for the 2013/14 season and the club finished in 8th position.

In May 2014 Colin Cook returned to the club for a second spell as manager and he was assisted by Craig Gillam. Cook left during September being replaced by his assistant, who guided The Bees to a creditable 12th place finish.

Ahead of the 2015/16 season, Lee Connor was appointed as assistant to Gillam and the club enjoyed its best season for many years winning the League Challenge Cup and finishing runners up in the league. Additionally, Brad Warner won the league's Golden Boot award.

With Gillam opting not to remain with the club for the 2016/17 season, the club appointed Aaron Bloxham as manager, who had previously enjoyed success with White Ensign in the Essex Olympian League. A mid-table finish was achieved in the league as well as notable success in the Essex Senior Cup where the club reached the last eight before bowing out against Heybridge Swifts in the quarter finals.

In May 2017 the club parted ways with Bloxham and Marc Harrison joined the club as manager, with Liam Wallace also joining as his assistant. Harrison and Wallace both joined the club from neighbours Basildon Town, where they had achieved considerable success winning Essex Olympian League Division One the previous season.

In their first season in charge, Harrison and Wallace enjoyed tremendous success leading the club to the runners-up spot in the league and with it promotion back to the Isthmian League for the first time in 27 years. Following a club reorganisation, Harrison and Wallace left the club in November 2018 and after a brief spell as Joint Manager with former Barkingside manager, Michael Walther, Lee Connor took temporary charge of team affairs. Subsequently, former Enfield 1893 and Laindon Orient manager, Neil Blackburn, took on the role as first team manager.

Blackburn stepped down as manager before the end of the 2018/19 season to be replaced by John Sussex who re-joined the club from Witham Town, having previously been a coach at the club. Sussex departed the club in November 2019 and after two short term caretaker appointments, Burnham Ramblers manager Alex Salmon was brought in to the role with a view to building a new side focussed on much needed stability.

Respect

“The Isthmian Football League strongly supports the FA statement that there should be a zero-tolerance approach against racism and all forms of discrimination.

Accordingly, any form of discriminatory abuse whether it by reason of age, disability, gender reassignment, race, religion and belief, marriage and civil partnership, pregnancy and maternity, sex and sexual orientation or any other form of abuse will be reported to The Football Association for action by that Association.”

(The FA 0800 085 0508 – Kick it Out 020 7253 0162).

The Isthmian League and all Member Clubs in the League are committed to promoting equality by treating people fairly and with respect, by recognising that inequalities may exist, by taking steps to address them and providing access and opportunities for all members of the community.”
