Formed as Yiewsley FC in 1872 by 8 local businessmen the formative years were spent in various local junior leagues where the club enjoyed successes in the Middlesex Senior Leagues. After the Second World War the clubs senior team competed in the Spartan League playing their home games at Evelyngs, Falling Lane and became a dominant force in the west division, winning the league and promotion in the 1949/50 season and securing the championship the season after. Further success was achieved throughout the 50s in the newly formed Delphian League and increasing spectator interest meant there was need for improved facilities and so work began on a new stadium nearby. In the summer of 1964 following the formation of the London Boroughs, Yiewsley FC became Hillingdon Borough FC and adopted the London Borough of Hillingdon's coat of arms as its badge. The following season Hillingdon achieved promotion into the Southern League Premier and in the following season consolidated their position.

The arrival of Jim Langley in 1967 would herald the start of the most successful period in the club's history. Despite encouraging Southern League Cup runs, the clubs league fortunes would deteriorate in the coming years. When the Southern League lost thirteen of its members in the early 80s the league was forced to abandon its Premier Division and form regional divisions meaning inevitable cutbacks at the club and the departure of several key players. A new group of directors succeeded in reviving the club for a further two seasons, Boro would push for promotion in both but narrowly miss out and in the 1985 the club played its last game at The Leas ground before it was demolished. A merger with Spartan League club Burham for the start of the 85/86 season would form Burham & Hillingdon Borough FC but this was not to succeed and the name of Hillingdon was dropped at the end of that season.

## **Reformation**

In 1990 the club was reformed by four directors of the former club and the existing club Bromley Park Rangers, based within The Middlesex Stadium, Ruislip. The club entered the Spartan Premier League which later joined with the South Midlands League. The Boro lifted their first silverware as a newly formed club in 1997 winning the Spartan League Cup then continuing to be a dominant force in the league for nearly a decade more until achieving promotion to the Southern League in 2006. The 2005/06 season became the most memorable in the reformed club's history, well-adjusted back in the Southern League, after only two seasons, won the Southern League Trophy.

The following season saw the club finish bottom of the Ryman Division One north then return to the Spartan League. A League Cup final was reached in this time but last season saw the club finish in the bottom place at the end of the season then slip down to the Division One of the Spartan South Midlands. This season we appointed a new committee, including our first female chairperson, Dee.

Since 2009 the club has remained in the Spartan South Midlands League, reaching a cup final in 2012. For the 2019-20 season the club competes in the Spartan South Midlands Division One under the new management team of Ciprian Pintilie and Benjamin Imre.

So we are back in Spartan League action tonight after the Euphoria of our Friday night FA Vase win over Tower Hamlets.

Tonight we start a run of 8 games in a month vs Hillingdon Borough FC who we started the season against, winning 7-2 at the Middlesex Stadium back in August. It seems so long ago now.

Hillingdon have not had the best of starts to the season, and as we know only too well, their season has to start somewhere, and we have been stung a couple of times already this season.

We really are looking forward to another game under the lights at the QEII.

The Fa Vase saw us make the first round proper for the first time and our reward is another home tie vs Premier Division Eynesbury Rovers. Its a tough draw and one we will embrace.

Back to tonight and 3 points are up for grabs and after a stuttering start to our season we need to get focused and play from the start at our tempo and make sure we get the result we want.

Come on you REDS !

## **Match Day 9 Match Report :**

### **FA Vase 2nd Qualifying Round**

**Friday the 13th September 2019**

### **Match Day 9 Result : New Salamis 2 - 0 Tower Hamlets**

Friday night football, but what a game for the masses. FA Vase 2nd Qualifying Round vs Essex Senior League Tower Hamlets. Tower Hamlets started very strong and had a lot of the ball, and very early on hit the crossbar from a fantastic shot by the number 9, that beat Tyler Forde in goal.

Whilst they started well, this just woke the reds into action. All of a sudden gaps started opening and we were getting more of the ball. We then won a free kick out on the left side of the area. Sean Johnson took the kick which smashed into the wall, it rebounded out to him, he dummied before chipping the ball to the far post into Irnti Rapai's feet. He cut inside and hit a low shot into the goal for 1-0 to Salamina.

The game was end to end and anything that was sent at the Reds, Luke Durning marshalling the defence and Andy Anastasiou repelled. When a shot did get past them Tyler stopped everything.

Half time 1-0 to Salamina

The second half saw Tower Hamlets re-shuffle and this gave Salamina more space. George Lutaaya and Deniz Mehmet now getting more space in attack. The game was pulling more towards the reds and we were in the ascendancy. Deniz was replaced by Josh Grantham and then Irnti was replaced by Courtney Austin.

It was not long before these two replacements made their mark on the game. The second and decisive goal came in the 73rd minute. Lee White took a throw on the left hand side and found Courtney's feet in the box, his delicate touch found Josh Grantham he took one touch and curled a magnificent shot around the defender and into the corner of the net 2-0.

Salamina saw out the last 20 minutes with comfort, Ryan Havel marshalling his team, and anything that came at the defence was stopped, John Kyriacou have an inspired match.

Salamina into the First Round of the FA VASE coming through two Qualifying rounds. Monday's draw is highly anticipated.
