# WELCOME

A very warm welcome to today's match officials, the players, committee & supporters of Berkhamsted Raiders Football Club, who currently remain unbeaten with a 100% record in the League, this promises to be a very good game of football, and our first taste of Cup football for the week.

Last weekend saw us win an entertaining game vs Winslow United winning 8-2 and giving us back to back wins in the League.

This weekend sees us at home again in the FA Vase vs Codicote and our first adventure into this competition.

Back to tonight's game and away tie in the second round awaits the victors at Winslow United on the 29th October.

Let's hope this evening game lives up to its billing, and everyone leaves praising both sets of players for a fantastic match.

## **Managers Thoughts By George Georgiou**

**Good Afternoon -**

**It has been a great few weeks since all players are back from their holiday and changing their mindset from the summer breaks to playing two games a week, we have gathered a great squad to challenge on all fronts for this season and started off as one of the favourite to be promoted and hopefully with no injuries and a few more additions on the way we should be strong throughout the season.**

**The FA Vase will be something special for us, it's is a magical competition and one that if we account ourselves to the level of when we won the FA Sunday Cup as a club in the 2015/16 season I'm sure the players will thrive after having that experience to be a part of a FA competition, this afternoon and hopefully we can make a good account of ourselves and take advantage of the home draw.**

**I would like to welcome Codicote FC to Queen Elizabeth Stadium , I know it will be a difficult game for us as they are doing really well this season, in their league and have got a fantastic Management team, with a quality group of players which will test us today. I hope we can be at hospitable as possible on and off the pitch.**

**Manager New Salamis FC  
George Georgiou**

# **Today's Visitors : CODICOTE FC**

**Manager : James Tizard**

**Assistant : Carl Smith**

**Coaches : Christian Lett & Rob Yates.**

**Our earliest records date back to the season 1913/14 when Codicote joined the Hertfordshire County League Eastern division, where we remained until the league was reorganised in 1921 moving Codicote into the North & East division. In 1923 the league was reduced to a single league and at the end of 1924/25 season the Herts League was disbanded. The league reformed once again but only for one season in 1926/27 before disbanding again. Codicote then joined the North Herts League and remained there until 1993 when the present Chairman Jim Bundy and then Manager took Codicote once again back into the Herts Senior County League.**

**At the end of 2009 after promotion to the Herts Premier League (03) and winning the Herts Centenary Trophy (06) Jim moved upstairs and handed the reins over, with the aim to progress the side into the Spartan South Midlands League. The Club invested in two ground sharing agreements firstly 2 seasons at Hertford Town and a further 3 seasons at Gosling Sports Park in WGC enabling the Club to achieve the facilities required by Step 6 clubs. Subsequent Managers Dan Kennoy (ex Bedford Town) and Adam Fisher (now Welwyn Gdn City, Baldock) just failed in getting the club promoted but in 2011/12 under the management of Liam Errington and Jim Mullen the Club finally saw the team achieve promotion to the Spartan League.**

**The club extending the ground share at Gosling and in the Clubs first season in the Spartan South Midlands League they reach the Challenge Cup Final and virtue of their League position gained entry into the Herts Charity Cup and the FA Cup.**

**2013/14-15 Liam remained in charge once again pushing the Club toward those Promotion spots. Liam retired from management at the end of 2015 and the Club brought in Steve Young, Hendy Manning and Roy Ryall (ex Stotfold). The club pulled itself away from relegation into a top 10 position whilst reaching the Challenge Cup semi-final. The club made the final steps in moving back to the village with £110K ground improvements with new floodlight and a new spectators stand all in keeping with the £500,000 new Club house for the 2016/17 season.**

**The first season back was a major success off the field and we increased our home support by over 70% unfortunately on the park we failed to achieve what we were capable of and work commitments meant an end to the reign of Youngie, Hendy and Roy. Codicote then were delighted to introduce the management of James Tizard and ex Watford, Burnley and Stoke Pro Gifton Noel-Williams for 2017/18.**

**Gifton a UEFA A coach will look to blend those current players with an influx of new whilst also overseeing the development of the Youth coaches at Codicote. The team were soon joined by Jimmy Martin a UEFA B coach from Stevenage FC whilst James Tizard left to rekindle his playing career. Codicote's introduced a new U18 side in the Southern Counties Floodlit League giving those players a direct link into first team football.**

**In Nov Codicote parted company with Gifton Noel Williams after only 1 win and introduced a new management Team of Finlay Jonson and Chas Roberts. Fin and Chas guided the Club away from a relegation spot s with the introduction of several players from Step 4 and 5. Fin and Chas then decided not to continue at Codicote as Fin moved to Hendon and now Chalfont St. Peter while Chas took up private coaching opportunities. Codicote then approached Elliot Smith, James Smithson and Kevin Cahill previously with London Colney and Harpenden Town to take up the position at Codicote.**

**Once again, an influx of players begun with the return of some of Codicote's old favourites and new enthusiasm for the game finally returning to Codicote. Unfortunately for Elliot's and his team things didn't work out as Codicote found themselves in a relegation spot that saw the club and Elliot part ways. In stepped ex player James Tazard but relegation to Spartan Div 2 was confirmed. Tiz was named manager for 2019/20 and introduced his back room staff of Carl Smith, Rob Yates, Christian Lett, Tom Butler and new physio Sophie Pyle with the aim of promotion back to Step 6 Football.**

**Andrew Kouroushi**  
Assistant Manager

When we started the season the fixture we were most looking forward to was today's. The FA Vase. We have a great affinity with FA Competitions as FA Sunday Cup Winners and Runners up, and a chance to play in the Vase was one that we are so looking forward to.

As a Step 6 side it shows how far we have come in such a short space of time. Today we welcome Codicote FC in the first qualifying round of the FA Vase for another first for our team.

Codicote who are re-grouping after last season's relegation have put together a great backroom team who are clearly focused in getting back into Division One with a large squad desperate to do well.

James and his players will also want to progress well in the Cups and in recent weeks beat high flying Premier Division Aylesbury Vale Dynamos in the League Challenge Trophy. So today will be a tough game for all.

So lets hope for a great game of Cup football with the winners at home in the Second Qualifying Round to Tower Hamlets and prize money available both teams will be wanting the win today.

"Its the FA VASE, its a prestigious game our first, we welcome our opponents & the opportunity to progress into the next round, its going to be a tough game. "

Today's game if drawn at the end of extra time should it go that far will go straight to penalties.

Come on you REDS !

## **MATCH DAY 5 RESULT : NEW SALAMIS 8 - 2 WINSLOW UNITED**

**Salamina Smash Eight past Winslow  
Match Day 5 Result : Saturday 24th August 2019**

### **New Salamis 8 - 2 Winslow United**

Well where do we start, from kick off Salamina were rampant. We went into a 1-0 lead after 2 minutes, Andy Anastasiou played a through ball, Charlie Georgiou beat the high line of the Winslow defence and raced the whole half before slotting the ball home passed the Winslow keeper. 1-0.

Winslow unbeaten with a 100% record in the League and had finished 3rd in the previous two seasons came with a high reputation. Salamina have their own reputation and standards and today's were of the highest. Goal number two came on 12 minutes, Xavier Plowright put in a great cross and the returning Deniz Mehmet was on hand at the far post to score. 2-0.

Winslow then had a chance to score, when the referee harshly adjudged Lee White brilliant tackle to award a penalty. However Bobby Smith made a great save to keep the score at 2-0. Then Deniz Mehmet scored a great goal 33 minutes in the ball was played into Charlie Georgiou's feet he laid the ball off to Deniz on the left edge of the Winslow area and he delightfully chipped the ball into the far corner, for 3-0 keeper had no chance.

Winslow got a goal back just before half time when the forward intercepted a back header to place the ball passed Bobby in goal 3-1.

Then from nothing Andreas Chambi and the Winslow captain clashed in the Winslow area, and both players were red carded. both teams down to 10 men at half time, and Salamina 3-1 up.

The second half started like the first half, a goal 2 minutes in, John Kyriacou put in a low cross, the Winslow left back stuck out a hand and penalty awarded. As usual Richard Georgiou stepped up and sent the keeper the wrong way for 4-1.

If Deniz Mehmet goal was a contender for goal of the season the goal number 5 from Charlie Georgiou was a contender to. He jinked passed the Winslow Centre back cut inside and unleashed a rocket into the top corner. 5-1.

6-1 followed another penalty and another finish from Richard Georgiou for his second go the game. Then debutant Courtney Austin made it 7-1 out pacing the Winslow defence who had been run ragged all game, and lobbing the keeper. Winslow then got a second from scrappy defending, and Andreas Cumunaj made it 8-2 following good work by Antonio Michael.

Full Time 8-2 a great performance from the boys today, beating a very good Winslow side who we never let breathe.
