WELCOME

A very warm welcome to today's match officials, the players, committee & supporters of Milton Keynes Robins Football Club, for our very first home game in the Spartan South Midlands Football League. A very special day for our club and we are pleased that you are here to share it with us in what promises to be a fascinating match.

Last weekend saw us record a 7-2 away win at Hillingdon Borough in our first game of the season and record 3 pts. On Tuesday evening we travelled the short distance to Enfield Borough, and after an enthralling game finished honours even and the points were shared at 1-1.

The season promises to be an exciting one for our club following last season's promotion and we hope we can perform to the levels we have come to expect from our team, only time will tell.

The club were established as Buckingham Town in 1883, playing their first match against Banbury United.. They won the Aylesbury & District League in 1902–03 and 1936–37 and the North Bucks League in 1924–25, 1928–29, 1933–34, 1935–36, 1936–37, 1938–39, 1948–49 and 1949–50. They were founder members of the Hellenic League in 1953, but left after only four seasons. They won the Aylesbury & District League again in 1967–68.

Buckingham joined Division One of the South Midlands League in 1971, where they played until joining Division Two of the United Counties League in 1974. Their first season in the league saw them finish second, earning promotion to Division One. After finishing as Division One runners-up in 1975–76, the club secured a second successive promotion, moving up to the Premier Division. They were Premier Division champions and Knockout Cup winners in 1983–84, and the following season they reached the first round of the FA Cup for the first (and to date only) time in their history, losing 2–0 at home to Orient.

In 1985–86 Buckingham won the Premier Division again and were promoted to the Midland Division of the Southern League. After being transferred to the Southern Division in 1988, they won the division in 1990–91, but were not promoted as their ground failed to meet the standards required. They were moved back to the Midland Division in 1994, but returned to the Southern Division in 1996. However, after finishing bottom of the division in 1996–97, they were relegated back to the Premier Division of the United Counties League. The 2006–07 season saw them finish bottom of the Premier Division, resulting in relegation to Division One. The club announced that they were folding at the end of the 2017–18 season. However, the decision was later reversed.

In January 2019 the club was renamed Milton Keynes Robins.

Managers Thoughts

By George Georgiou

It's been a great pre-season as we have included several new members to our coaching staff and playing squad from the previous season which have seen us look more stronger in a short space of time.

We are extremely happy to have been accepted to be a part of Spartan South Midlands League Division One where we will be playing team at the same level as us then previous years where we was always favourite which will be a challenge in it self, also being involved for the first time in the FA Vase only reflects how far we have come.

The end of last season was a difficult time for the club due to the tragic loss of our Chairman Kyri Spyrou, our driving force in senior football the last few year can only enhance our determination to achieve.

Our goals for this season is to be promoted at the end of the 38 games and a run in the FA Vase.

So let's stick together and see where it takes us.

Skippers Notes

Skippers notes - First and foremost it is with great pride and pleasure to be leading this great club into a brand new exciting chapter in its history.

This season will be completely dedicated to our amazing chairman Kyri Spyri who sadly passed away at the end of last season. His love, passion and determination for this club will live through us and will fuel us to be as successful as possible going into the new season. Kyri will forever be in our hearts.

Going into the new season we are by no means underestimating the league and standard of other teams we will be competing against but after having a very successful pre season and with our team spirit as high as ever we strongly believe we have a great opportunity to be successful and are setting our sights on being on top of the league come May and securing promotion to the Spartan Premier Division. We know this will be no easy feat but as a squad and club we feel we are ready for the challenge and are prepared to give everything we have for the badge. I'm personally looking forward to the challenges that lay ahead.

Come on you Reds!!

AUBREY CUP FINAL 2018/19

New Salamis cup winners

New Salamis Cup winners

Oxhey Jets Reserves 1 – 2 New Salamis FC

Their first Cup Final in Saturday football, was the Prestigious Aubrey Cup Final. The opponents were giant killers Oxhey Jets Reserves.

The boys were determined to win for their Chairman Kyri Spyri who is extremely ill and was watching from his bed via the live feed of Hellenic TV.

To the shock of the large crowd Oxhey Jets took the lead in the

39th minute, a flowing breakaway found the impressive left winger who expertly fired home for 1 – 0 to Oxhey. Salamina shaken and Oxhey were buoyed and pressurised the reds through to half time.

The second half saw two quick changes, Nicholas Kouroushi and Charlie Georgiou both brought on, and both had immediate impacts. Nicholas cool passing and Charlie's tenacity brought Salamina level. Charlie won the ball on

the right and cleverly reversed passed to Leon Mckenzie who scored a great goal from just inside the penalty area 1 – 1.

Charlie continued to terrorise the Oxhey defence and won a penalty when he was felled in the area. Richard Georgiou stepped up and dispatched the penalty home for 1 – 2 and Salamina moved into the lead.

The reds then had a further great chance to go further ahead, when Richard Georgiou was

brought down in the area, but his spot kick went wide. Oxhey piled on the pressure toward the end of the game, but Salamina stood strong and to win the Aubrey Cup.
