New Salamis Football Club History

New Salamis FC were formed in 1971 by fans of Cypriot club Nea Salamis Famagusta, with the Cypriot based club acting as a parent club to their fans in the UK. Playing in the KOPA (Cypriot Football League) a British League set-up for Cypriots in London, the club won countless honours and left the league in season 2017/18 as the leagues most successful team, winning 12 League Titles. The club also won a record 7 London County Cups.

In the 2015/16 season the club won the FA Sunday Cup, following a 1-1 draw with Barnes at Selhurst Park and winning on penalties. In 2016/17 the club lost to Hardwick Social Club on penalties again following a 1-1 draw, at Brammall Lane. Many of the players still play for the team today.

In 2018/19 we moved into the Herts County Senior League, playing our matches at Enfield Town FC. In our first season we won the prestigious Aubrey Cup Final, and also achieved promotion to the Spartan South Midlands League, after finishing runners up.

Season 2019/20 saw us participate in the Spartan South Midlands League Division One at Step 6, our ambition to achieve promotion to Step 5.

In March 2020 when the Covid-19 pandemic hit, we sat top of the certain of a top four finish and promotion. We also were the top scorers in all top 10 Divisions as the season was null and voided.

Last season saw the team reach the first round of the FA Cup, in our first season, and when the season was curtailed in November, we had managed to amass enough points to be promoted to the Premier Division on points per game over two seasons, this season sees a new chapter.

Dunstable Town FC

Dunstable Town FC are now in their 138th year. A former home to George Best, Jeff Astle, Kerry Dixon, and more recently, Peter Kioso, the Club can boast a rich heritage, a proud past and nowadays the honour of being only the 46th club in the UK to be a completely fan owned club run by its fans as a Community Benefit Society (CBS)

The Club is a legal entity & is regulated by the Financial Conduct Authority and supported as a CBS by the Football Supporters' Association.

The Club now operates as a social enterprise. Between Monday and Friday we run three different groups for people in our local community who want to improve their levels of fitness, increase their social support networks and enjoy a safe space while in recovery from mental ill-health.

The Club is now in its fourth year of supporting the work of Mind BLMK (Beds, Luton & Milton Keynes) as well as now promoting CALM (Campaign Against Living Miserably) and a local peer support group, Minds2gether.

The Club has a specialist Mental Health Advocate who works with local mental health services and charities.

The move to become a CBS was necessary to ensure the Club survived. The financial effects of Covid saw the Club's income halved and the difficult decision taken to fold the U23's Development Team at the end of the 2019 – 20 season.

With no matchday income from the bar or food sales and no clubhouse to hire out, the Club relies almost totally on gate receipts, sponsorship, fundraising and prize money for its income.

The running of the Club was passed to the fans in 2017 after the wholesale departure of the Board, coaching staff and all but two of the players. A consortium of three local businessmen offered to save the Club, but on condition they would seek voluntary relegation from the Premier Division of the Southern League.

A group of 15 fans took over the running of the Club in order to keep it in the Premier Division of the Southern League and despite successive relegations the model of being a members' run Club proved sufficiently popular for the decision to become a CBS to be backed unanimously by the fans.

Fans now have the opportunity to become owners of the Club & buy a single share in the Club and receive exclusive discounts with local traders under the Blue Card scheme.

This model of Fan Ownership ensures that the Club will always stay in the hands of its supporters and cannot be taken over by one single investor determined to ride the non-league financial rollercoaster.

The Club appointed Joe Deeney as Head Coach in early October. Joe had managed at Step 2 with Hemel Hempstead Town FC and brought with him an experienced back room team made up of Kyle Durcan as his number 2.

The Club established a partnership with Pro:Direct Academy Luton to enter an U18's side in the SCFYL and an U19's in the Tactic League.

The aim is to bring the good times back to Creasey Park. Despite disappointing results average attendances have hovered around 120 for the past couple of seasons.

The Club is ambitious and wants to play at the highest level of football it is prudent and sustainable to do so.
