Managers Notes

Welcome to todays opponents Rayners Lane..

First of all I would like to express my gratitude to the New Salamina FC committee, their supporters and everyone associated with this fantastic community club. It was an easy decision for Terry and I to accept the managers post and we are confident in achieving the targets we have set. We are under no illusions about the opportunity we have been given and difficult work ahead. Special mention to the committee and Andrew Koroushi for giving us the opportunity to be part of the Salamina family. We have continued where Andrew left off and some changes have already taken place, slowly but surely we will continue to do so, all in order to give this club the opportunity to compete and become a successful non-league team.

Everyone is aware of the success this team has had over the years in the KOPA and amateur leagues; it is time we make the same positive impressions to our new audiences around the semi-professional game and beyond.

We have had two good wins against tough opponents and I'm pleased to say that the boys have deserved it, not because we were better individually but because we worked harder than the opposition.

Squad wise we haven't changed much from the boys which have been here before and we are not looking to do so as every single one of them is good enough for this level and above. We are lucky to have these boys and they all know the club's expectations.

Today it's just another important league game for us and everyone knows that we will go second with a win; apart from Terry as he never ever looks at the table (must be a winner's mentality).

I would like to finish with a quote by one of my favourite managers I've played under.. "there are hundreds of teams, & thousands of good players but there are only a handful of good teams around". Looking at the people involved at the club I can only see positive future.. "the club is only as good as the quality of people in it", I'm pleased to say that we definitely are one of the good teams!

Enjoy the game..... Gaz

Today's Visitors - Rayners Lane FC

The club was formed in the 1933/34 season and played in the Harrow, Wembley and District League. The Tithe Farm Social Club was formed, and the football club absorbed into it, where it's remained ever since. The 'Lane' enjoyed early success, winning three league titles and three league cups in the late 30's and early 40's and lifted the Middlesex Junior Cup in 1942/43. Season 1945/46 saw election into the Parthenon League and more success, with three league cup wins and a league title during the next decade.

Spartan League football followed from 1957/56 but a step up was one too far and failure to gain re-election in 1970/71 forced a drop to the Middlesex League. Fortunes changed with a league cup win in the second season, runners-up a year later and a return to the Spartan League, but league amalgamation forced a withdrawal and a return to the Middlesex League. Looking for a new challenge the 'Lane' joined the Hellenic League in season 1978/79. Two years later the club were Division 1 Cup winners and, a year later, won promotion to the Premier Division, followed by a win in the Middlesex Premier Cup.

Over a decade of enjoyable football in the Premier Division of the Hellenic League followed, but without honours. Imposition of standards demanded by the Pyramid forced demotion to Div 1 of the League for season 1994/95. After a further two seasons, the 'Lane' resigned from the Hellenic League, to re-join the Middlesex County League and re-group. This return to the Club's roots was a real benefit, with the side becoming Premier Division Champions, reaching the semi-final of the Alec Smith Cup and winning the Charity Shield in the first season and in 1997/98 runners-up positions in both League and Cup were achieved.

Attempts to transfer to the Chiltonian League were made at the end of these two seasons, finally successful at the end of season 1997/98. Fourth, third and sixth place were achieved in the league in the first three seasons, plus the major success of winning the Middlesex Premier Cup in season 2000/01, last achieved 17 years ago. Efforts by the Chiltonian League to achieve a merger with another league eventually came to fruition with, surprise, surprise, the Hellenic League to form an Eastern Division 1.

Fluctuating fortunes in the league were combined with some success in the County Intermediate Cup, being losing finalists in 2005 and winners in season 2006/07, combined with fifth place in the league. The 2nd XI became divisional champions in season 2006/07 and 2008/09. A 12th place finish followed in the 2009/2010 season and a slightly better season followed in 2010/2011 where they finished mid table in 7th place.

The 2011/12 season saw the team finish 3rd and this was eclipsed the following season 2012/13 where the team topped the league and were crowned champions. However, the first place did not guarantee promotion as the necessary ground grading for the next level was not achieved. Season 2013/14 saw the team start to rebuild for the future and they finished ninth in Division 1.

The last five seasons has seen an influx of younger players, mainly from the local area and they have represented the club with some credit, but lacking experience have not really challenged for any honours. Having decided to operate without a Reserve team three seasons ago a Development X1 was established in 2016/17 season and participated in the Amateur Football Alliance. The venture proved successful and a Reserve team was entered in the Herts Senior County Division 1 in 2017/18 season.

The 1st team have been under the management of Dave Fox for the past two seasons in the South Midlands Spartan League. He has established a good squad of players and it will be interesting to see if they can show more consistency and push on this season as they have finished in the lower half of the table in the past two seasons. The club will also be looking for a vast improvement in the Respect Table.

Development off the pitch has also accelerated. It started with the erection of floodlights and the ground finally meeting Step 6 criteria. This season the club not only has a 3G pitch but a brand-new clubhouse and as the season progresses it will have a floodlit MUGA and a car park to cater for all spectators and the increase in members joining the club.

Assistants : Mark Fox & Jim Mckay

Match Day 13 Report

Bedford 1 - 7 New Salamis

Saturday 5th October

Salamina were on their travels again this time away to Bedford. It's been a hectic week, with three matches. The Reds beset with injuries to the squad following a tough month.

Following on from their impressive 4-1 cup win over Shefford Town on Wednesday night, the start of this game was almost identical. A goal in the 1st and 5th Minutes.

On Wednesday we went 2-0 up within the first 5 minutes through Antonio and Xavier, today we did exactly the same through Deniz and Courtney. Courtney scoring a beautiful curled shot.

From there we were just majestic, breaking up play, pressing when we needed to and creating chances.

Goal 3 came in the 32nd minute, Ryan intercepted play fed Antonio the ball he hit a wicked shot that was saved on the line and Deniz followed up to make it 3-0.

Half time score 3-0.

The second half started in the same manner, Courtney scoring another delicious curling shot for his second of the game and making it 4-0. Luke Durnin then got in on the act bursting through the Bedford defence then lobbing the keeper got 5-0.

6-0 then followed when Courtney fired home for his Hat-trick and his 5th in two games after scoring a late brace on Wednesday.

Bedford then scored a consolation for 6-1 before George Lutaaya made it 7 for the Reds when Antonio squared for him in the box.

A comprehensive win for Salamina 7-1 away from home which gives them 3 vital points.

Goalscorers : Courtney Austin 3, Deniz Mehmet 2, Luke Durnin 1, George Lutaaya 1

Team: Beattie, Chambi, Foster, Herval, White, Rose, Michael, Durnin, Austin, Mehmet, Lutaaya. Subs : Plowright, Xiouri

From the Sidelines

By Andrew Kouroushi

So after an exciting busy period, its now great to get back to normality of playing, matches. Two wins from two for Gaz & Terry, which now takes us to up into the top five and pitting us against Rayners Lane in 4th place today. With Wodson Park folding it really puts us both in 2nd and 3rd.

Rayners Lane have had a very good start and we will be in for a very difficult match today. We performed brilliantly in the first half of wednesday nights game and could have been five goals up at half time, but we played out the game very well, and ended up winning 2-1.

We have a busy period of games coming up so the squad will be tested, but the boys are playing with belief and a great deal of energy.

In other news, the reserves continue to do well in the Herts County League sitting in 3rd place, today they play leaders Oracle Components in a very tough game lets hope they continue their great start to the season.

This week we announced that we will be starting a Youth Section next season with Peter Xiouri brother of Club Captain Chris, heading this section up. Soccer schools will start in November, and we hope to have 3- 4 teams next season.

Exciting times at the club. Back to tonights game and we welcome Rayners Lane, another tough matach as they all are in the SSMFL as we look for another 3 Points.

Lets get behind Gaz and the team.

Come on you REDS !

Match Day 15 Result :

Saturday 19th October 2019

London Lions 0 - 2 New Salamis

Salamina kept up their impressive away form with a comfortable win at London Lions. The Lions had the share of the play in the first 15 minutes but then it was all Salamina. New Manager Gaz Dauti and Terry Spillane had picked a new side, bringing in two new centre backs, and had the returning Charlie Georgiou in the Side.

Salamina's chances flowed George Lutaaya was inspired on the right and brought out a great save from the Lions keeper. Luke Foster then hit the post from a curling free kick.

The deadlock was broken when Charlie Georgiou was brought down, he was very impressive causing the Lions defence no end of problems and when he won the penalty in the 40th minute. Skipper Ryan Havel stepped up and fired into the corner. 1 - 0

The second half saw the lions reduced to 10 men early on and Salamina were unlucky not to go further ahead when John Kyriacou's diving header from a Deniz Mehmet cross was ruled out for offside.

Lions were then reduced to 9 men when the keeper crudely took out Deniz. Courtney Austin stepped up to take the spot kick and made it 2-0.

The reds cruised home and took 3 valuable points.
