CLUB HISTORY

The formation of Kennington Football Club dates back to before 1890. The Kent County Football Association records show our existence in 1888, however The Football Association put our birth in 1885. What is not in dispute was that Kennington Football Club was the oldest junior club in Kent. Both the associations marked the fact and presented the club with illuminated addresses to mark the achievement in 1888.

Throughout most of the last century the club competed in the local Ashford and District League where the opposition was mainly drawn from village sides, together with a large number of military teams along with sides representing strong railway connections. The advent of the company sponsored teams began to emerge around the seventies. The Club has fixture cards and photographs dating back to the 1900's.

The Club took the decision to step up the pyramid into the prestigious Kent County League in the 1980's. This was an attempt to mix with stronger opposition, better playing conditions, and in turn, a higher standard of officialdom both on and off the pitch.

The Club currently fields one senior team on a Saturday and one playing in the Premier Division of the local Sunday League.

Kennington Football Club has a long established and well respected Junior Section from where many of today's squad began their playing careers.

Our step up into the Southern Counties East Football League is the result of our success in winning the Kent County Premier League. The Club entered an exciting new phase of its history for the 2018/19 campaign, ground sharing at Ashford United's Homelands Stadium, with Dan Scorer's side finishing a highly creditable third in their inaugural season at Step 6.

Kennington's growth continues into 2019/20, with the senior side gaining entry into the FA Vase for the first time in its history.

SCORER FROM THE SIDELINES

'Ton Manager
Dan Scorer
sponsored by Barry
Fuller Football Academy

A very warm welcome to today's visitors Snodland Town and also to our own supporters, who have had to wait over a month for a home game.

We've had a stop-start few weeks but look forward to our first home match under the lights this season, and we have fantastic footballing side here to help provide the entertainment.

Our last encounter here with Snodland ended in a 2-1 defeat - in what was to be only our second and final home loss of all last season.

However, since then a new management team has been introduced and they seem to have a fairly new look side.

A couple of early defeats has recently been turned

around, and they have also enjoyed a decent run in the FA Vase like ourselves.

We come into today's game following a difficult trip to Lydd Town last Wednesday, whilst Snodland came from two down to take a point against title favourites Holmesdale.

The early stages of the season have seen a lot of ups and downs for all clubs so far but we still remain in a strong position and could see ourselves rise to second if we're able to win our games in hand.

I hope today's fixture is an entertaining encounter and hope both sets of players can come through the game with no issues as we both approach our big FA Vase first round fixtures at the weekend.

VISITORS GUIDE

Snodland Town FC

CLUB HISTORY

With the momentous decision in 2012 to amalgamate all the main adult and youth teams in the town under one club name – Snodland Town Football Club – football in Snodland has moved forward at a faster pace than at any time in its long and eventful past.

In 2012 the club acquired a lease from the local Town Council to enable development of its own ground. An ambitious development plan has since seen the ground transformed to meet Southern Counties East Football League standards including floodlighting and a 100-seat spectator stand. With new dressing rooms and hospitality facilities planned, the ground will become the focal point for all the club's community activities.

During this time, new pitches have become available at the club's Potyns Sports Field and the majority of our youth and junior teams will be playing there along with the adult teams. A new 3G facility is also now available to the club for training and small sided games.

Back in the late 1940's, when Snodland first began playing matches at the Recreation Ground as Snodland Minors FC, such facilities would, of course, never have been in anyone's mind. However, the founders of the Boys' club were ambitious and by 1955 had purchased land adjacent to the Rec and constructed modest changing facilities.

The Snodland Minors were established in 1948 by John Morhen and Tom Freeman. The boys' team enjoyed considerable success: in 1954-55 Snodland won the Medway Minor League Cup, the League Challenge Cup, the Maidstone Minor League Cup.

In the 1956-57 season the boys' team evolved to a men's team and entered Division 3B of the Maidstone and District Football League. The club immediately struck gold and won the division without losing a game. The following season brought further success, with Snodland completing a double by winning division 2A and the League's Challenge Cup "B" competition. The club came runners up in Division 1 in 1958-59, and then won the newly christened "Maidstone Premier Division" in 1959-60 after a close fight against local rivals Wouldham FC.

Snodland also won the Kent Junior Cup "A" in 1961-62 and enjoyed further cup success in 1963-64 when the club won the Rochester League's Quarter Century Cup. In the

mid 1960s Snodland spent five seasons in the Rochester League, with their best finish being runners-up in 1963-64. The Club returned to the Maidstone League in 1968-69, playing in Division 1. This was a period of rebuilding for the club and it took until 1973-74 for Snodland to win the Division and return to the Premier Division.

The 1983-84 season saw Snodland complete a triple. After a wait of 23 years the club won the Maidstone Premier League, along with the Challenge Cup "A" and the Sittingbourne and Milton Charity Cup. In recognition of this achievement the Parish Council presented a silver salver to Snodland that was accepted on behalf of the club by Bill Wells, a longstanding player and manager.

At the beginning of the 1986-87 season Snodland moved its home ground to Potyns Sports Ground at the Community Centre. The new venue had much improved facilities and marks the beginning of the club's transformation from village team to non-league football.

The club's journey through the Kent County League started in the 1992-3 season and promotion to the Premier Division was won in 1998. Snodland's most successful season came a year later when the Premier Division title was won in front of a 300 strong crowd at home to eventual runners up, Bearsted.

In 2016 the club staged its first match in the Southern Counties East Football League, Division One, the highest level of football ever played in Snodland.

Snodland Town junior and youth teams have enjoyed success at every level, with a new girls' team launched, and reserve and Sunday teams established in the Kent County League and Maidstone Sunday League, respectively.

The club continues to push forward off the pitch too, having received an FA Football Stadia Improvement grant to help fund new changing rooms and hospitality facilities, work of which commenced in May.

THE 100 CLUB

RAISING MONEY FOR THE TON!

WHAT IS THE 100 CLUB?

The 100 club is a prize draw run along the lines of the National Lottery. The prizes are more modest, but the chances of winning are far greater!

The shares are entered into a monthly draw where 50% of the income each month is returned in prizes and the remaining 50% is used to provide additional resources for the club.

HOW DOES IT WORK?

A modest subscription of £5 entitles a member's share number to be entered in the regular monthly draw. The prize is 50% of the total income. Draws are held in the clubhouse at the beginning of each month (for the preceding month's income).

HOW MUCH DOES IT COST?

£5 per month per share. You may buy as many shares as you wish. Payment can be made on a regular basis by standing order (preferred method), or alternatively by cash or cheque annually in advance. You may cancel standing orders at anytime.

Look out for monthly winners names printed above in every programme, and announced on the website and across our social media.
