CLUB HISTORY

The formation of Kennington Football Club dates back to before 1890. The Kent County Football Association records show our existence in 1888, however The Football Association put our birth in 1885. What is not in dispute was that Kennington Football Club was the oldest junior club in Kent. Both the associations marked the fact and presented the club with illuminated addresses to mark the achievement in 1988.

Throughout most of the last century the club competed in the local Ashford and District League where the opposition was mainly drawn from village sides, together with a large number of military teams along with sides representing strong railway connections. The advent of the company sponsored teams began to emerge around the seventies. The Club has fixture cards and photographs dating back to the 1900's.

The Club took the decision to step up the pyramid into the prestigious Kent County League in the 1980's. This was an attempt to mix with stronger opposition, better playing conditions, and in turn, a higher standard of officialdom both on and off the pitch.

The Club currently fields one senior team on a Saturday and one playing in the Premier Division of the local Sunday League.

Kennington Football Club has a long established and well respected Junior Section from where many of today's squad began their playing careers.

Our step up into the Southern Counties East Football League is the result of our success in winning the Kent County Premier League. The Club entered an exciting new phase of its history for the 2018/19 campaign, ground sharing at Ashford United's Homelands Stadium, with Dan Scorer's side finishing a highly creditable third in their inaugural season at Step 6.

Kennington's growth continues into 2019/20, with the senior side gaining entry into the FA Vase for the first time in its history.

SCORER

FROM THE SIDELINES

'Ton Manager
Dan Scorer
sponsored by Barry
Fuller Football Academy

Wow! Here we go! A very warm welcome to you all this afternoon in what is set to become the biggest game in the club's 120 year history.

I hope all the players, staff and supporters of Crowborough Athletic have had a safe journey over from East Sussex, and that they all enjoy their short stay here at Homelands, and experience of the FA Vase.

The Vase is a competition I have very few but fond memories of as a player, being involved in the competition with Ashford United. It's a proud moment as a player the first time you compete in a competition like this, and it's just as exciting as a manager.

The committee, the players and management have all worked tirelessly in my time here to drive the club forward, and so it's occasions like today that make it all worthwhile.

All I ask from my players and staff today is to just enjoy the occasion, and be proud of how far we have taken the club.

It's a welcome distraction from league football for both sides today. Our recent form has been poor - but not helped by the lack of fixtures.

St Peter's withdrawal in the Kent Senior Trophy followed by a free has seen us go the last two weekends without a competitive fixture, while Wednesday's game against Snodland Town was our first league game at Homelands in six weeks! There's been some testing away days too—including our 3-3 draw in the local derby at Lydd Town.

Crowborough have had a difficult start to their league campaign in the SCEFL Premier, but do come into today's tie off the back of a 2-1 win over Erith & Belvedere.

Confidence in the group has been high ahead of today's anticipated game, and the players have every right to be as we've shown on several occasions our ability to compete with sides in the league above.

Whatever the outcome today, it has been a brilliant journey so far and I've been extremely proud to have guided the club this far.

I hope we can provide you all with an entertaining encounter, and that we can all enjoy a drink in the bar after.

Dan

CHAIRMAN'S CHAT

Chairman **Jon Lancaster**

Today sees us play the biggest game in the history of Kennington Football Club.

Whilst having enjoyed continuous success over the years in the local County Leagues, our recent rise into senior football has proved a huge success for everybody involved.

After just missing out on promotion to Step 5 last season, we have recruited well in the summer and are looking ahead to what we hope will be another successful season.

Home fixtures haven't been too kind to us, but

the next few weeks sees a run of games back at Homelands including today's FA Vase tie against Crowborough Athletic.

The game is a testament to the hard work behind the scenes at the Football Club - the enthusiasm and dedication of a select few has enabled us to compete at this level, and from a personal point of view, I would like to thank them all for their continued support.

Thanks also for your support this afternoon - it really is appreciated.

Jon

Crowborough Athletic FC

RECENT CLUB HISTORY

With Crowborough Athletic FC were formed in 1894 and played in various leagues around the area for many years.

The highlight of the Crows recent membership of the SCFL though came in the 2007/08 season as the Division 1 title was won for the first and only time so far in the clubs history which meant it could apply to join the Ryman Isthmian League, which it duly did.

The 2008/09 season is the only season the club has spent outside of the SCFL since it joined back in 1974/75 however the club had some success within the SCFL during the 2008/09 season as the Youth Section, East title was won. The stay in the Ryman Isthmian League, South Division, was short lived and not a particularly happy one as the club were relegated after just one season so it was back to the SCFL Division 1 for the 2009/10 season and it's where the Crows have remained ever since.

The club have also moved on off the pitch as well due to investment in the facilities at the Alderbrook, which now houses the ground the club plays in and which is called the Crowborough Community Stadium. The pitch is in the same place, however, this has had new drainage put in over the last 10 years and is far better than it was because any rain would get a game called off before the drainage was put in.

The rest of the facilities are unrecognisable, gone are the old dressing rooms and the rope walk-way which used to protect the players from traffic and fans alike as they entered and exited the pitch and in their place is now a fully enclosed ground with excellent dressing rooms, kitchen, bar and tea area, two new stands and even the old stand has been modernised and now houses seating for over 100 people.

All this work was completed in October 2007 and makes the Crows ground one of the best in the SCFL. After the end of the 2013/14 season, in which the club finished 6th in the league and reached the John O'Hara League Challenge Cup Final, losing 1-0 to league champions, EastvPreston FC, the FA League Committee decided to carry out a lateral move within the Step 5 level and this saw the club move from the Sussex County Football League and join the Southern Counties East League.

Another club, Lingfield FC, were also moved to the SCEL, as were Croydon FC from the Combined Counties League. Therefore, the 2014/15 season started off with the club in a new league and a new era dawning. Season 2014/15 proved to be a journey of ups and downs and both the club, and players, learnt about playing in the Southern Counties East Football League, which is more demanding than the league we had come from.

However, everyone adapted very well and a mid-table 10th place was achieved come the end of the season, it's where the club hoped and expected to finish in their first season in the league, so it was handshakes all round.

The club wanted to build on the 2014/15 season as they embarked on the 2015/16 campaign, a similar finish as the previous season would've not been a disaster and as the season kicked off, there were new clubs to play in the shape of Hollands & Blair and AFC Croydon Athletic, which the fans could look forward to.

In the end the club exceeded their expectations and finished the 2015/16 season in 7th place, a very credible performance when

you consider that due to some long-term injuries, suspensions and absenteeism, the squad was very thin and quite a few young players from the reserve side were bloodied in the final three months of the campaign.

For the 2016/17 the Crows found themselves with stronger squad than the season before, it had plenty of experience and talent and the competition for places in the starting eleven was fierce indeed. With the players brought in, added to the ability already there, the club had a great season, doing well in all cup competitions, had a 32 game unbeaten run and finished runners up to SCEFL winners, Ashford United, therefore, promotion was missed by just two points, Crows with 90, Ashford with 92.

Another frustratingly close Season was to come in 2017-18 as Crowborough finished in 3rd place with the top two teams both getting promoted! Behind the scenes their were many hurdles to overcome in the 2018/19 Season but the club were never in danger before sealing a mid-table finish.

THE RISE OF NON-LEAGUE DAY

By Matt Badcock
Editor-At-Large
The Non League Paper

Non-league day celebrates its tenth edition today—a simple idea from founder James Doe has mushroomed into an established part of the calendar.

James—a QPR fan—came up with the concept when he visited Tavistock Town in a pre-season game in 2010 and that led to him visiting local club Harrow Borough.

So each season during an international break, NLD encourages fans down to their local team. From there it has grown and grown. In the build-up to this weekend, Premier League clubs were tweeting about their local clubs and Prostate Cancer UK and Kick It Out continue to show their support each year.

Perhaps you're reading this today at your first Non-League game—we're sure you will enjoy the experience.

Many clubs have benefited from the extra publicity and media spotlight the day brings and that is something to be welcomed. It's not easy when the game at the highest level is everywhere. Finding column inches or air time often needs an angle and NLD is just that.

Of course, we can trot out many clichés about Non-League football. The players don't dive—some do—that clubs are more welcoming—most are—and you can speak to the players in the bar after the game. And it's affordable!

Non-League football will mean different things to different people but there's no doubting it is at the heart of the game in this country.

Where else would four-figure crowds watch a game in the eighth tier? Sometimes even lower.

Non-League football is to be celebrated and treasured. But we shouldn't be blind to the fact a number of clubs are struggling to make ends meet. That getting through the season is an achievement. Costs are high and it is hard to compete. For those that have the resources, there are more that don't.

A particular issue facing these levels is volunteering. There aren't enough of them!

Giving up your time can be a rewarding experience and the more savvy clubs are making better use of people's skills. Look around you in the crowd today, there are people from all backgrounds, industries and trades. Look at yourself, you will have skills that are invaluable to a Non-League club even if you don't realise it.

It doesn't have to be all the hours under the sun. Just putting up posters to advertise games or delivering leaflets in the local area can make a big difference. And that all makes for a healthy, thriving Non-League.

Enjoy the day!

TOM SCORER

Tom Scorer is proudly
sponsored by
M Scorer Building Services

Name: Tommy Scorer

Date of Birth: 23/05/1993

Birthplace: Ashford, Kent

Position: Attacking midfield – or wherever my brother puts me!

Best Trainer: Clarke – when he actually turns up!

And the worst? Erm, myself! It's all about the games....!!!

Most Skilful: Ads (Adam Phillips) – baller.

Hard Man: Clarke – man's made of rubber.

The Joker: Joe Fisher – strange bloke, but very funny at the same time!!

Bookworm/ Teachers Pet: Sammy Conlon – how he still gets a game is beyond me....!!!

Least intelligent?! Too many to choose from, but if I had to pick one, it would be Harry Goddard – the boy struggles writing his own name.

Biggest Moaner: Ads – can be like a little baby on the pitch!

Fashion Fail: Sammy Conlon – enough said!

Most Vain: Barno (Tom Barnes), would spend all day looking at himself in the mirror, if he could!

Music Man: Joe Fisher or Tad (Greenfield). Fish has some awful tunes, though.

Phone Fanatic: Sam Fisher! Loves a call to Shirley before the game!

Future Gaffer: Lukey (Hughes) – had to get him in somewhere!
