

# RISK ASSESSMENT

## Basics

Anybody showing symptoms of COVID-19 should not attend any form of training or matches and should seek to get a test **ASAP**.

## Travel

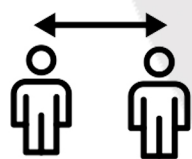

When travelling to the club, you should only travel with people in your bubbles. If this cannot be done then make sure extra precautions are taken (i.e. good hygiene, masks, open windows).

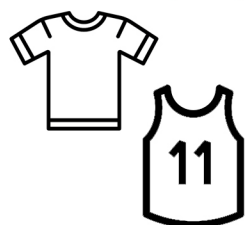

## Facilities & Attendance

- **NO** changing or shower facilities will be available.
- Hand washing and toilet facilities are available at the pavilion, **if essential**.
- Each manager/coach should record player attendance for track & trace reasons.
- When in attendance, managers/coaches, substitutes and supporters should observe social distancing.

## Equipment

- Players are to wear clean kit at each session.
- Bibs should be washed after each session and not shared during the session.
- Match footballs should be cleaned at half time and full time of each match.
