

Club statement – early finish to the 2019/20 season

Important information for parents and carers

Date of statement: 02/04/2020

Dear Parents & Carers,

Our leagues, the Hunts Youth League and the Cambs League, have announced that the season is over and no further matches will be played; this means no cup finals, trophies, promotion or relegation. This is sad but understandable news.

Godmanchester Rovers Youth F.C. now looks to do two things:

First, recognising these challenging times we will reduce the cost for the season and refund the difference where more than that has already been paid. Parents/guardians should now cancel their Direct Debits for full player subs (£15 per month) and training only subs (£7.50 per month). The season effectively finished in mid-March as opposed to mid-May.

Second, we'll make arrangements for this years player-trophies to get to the teams/managers and start thinking of next season. More on that another time.

HOW TO CLAIM YOUR REFUND

The direct debits by which you pay your fees for player subscription are managed by a third party, Pitchero. We do not and nor would you want us to hold individual's bank details. Therefore, we'll ask you to complete the table attached/below and send the information by email to our Treasurer Jonathan Forster, copying our Secretary & Child Welfare Officer Julie Gee.

jonforster999@gmail.com and cdclsecretary@gmail.com

YOUR NAME
CHILDS NAME
TEAM
BANK ACCOUNT NAME
BANK ACCOUNT NUMBER
SORT CODE

The amount of the refund will vary depending on when you signed up for the current season - since that's when the direct debits begin. It'll be pro-rated on an approximate reduction on the whole season playing fee from a total of £155 down to £120 to take account of the early finish to the season.

Please note:

- Send your refund request before **31 May 2020**.
- We will aim to have all refunds completed by **30 June 2020**.
- Unclaimed refunds will be applied to team-pots for the teams to spend next season or on presentation events. And we'll hold team-pots for as long as is needed for those teams folding but want to arrange a get together.
- In line with GDPR your details will not be held on file and destroyed after payment is complete.

Please bear with us as this will be a manual effort and, like you, we're spinning more than one plate.

If you've any questions please contact Jonathan or Vice Chair David (d_dunkerley@yahoo.com)

Kind regards

Godmanchester Rovers Youth FC Committee 2 April 2020
