

100 CLUB - 2023

Like most amateur sport clubs, we are reliant on fund raising to help us improve our facilities and to keep the club moving forwards. Sileby Town Cricket Club 100 Club now has over 500 numbers and is one of our most successful ways of fundraising.

Each number costs £1 per month, with 50% of the money raised each month going to the prize pool and the remainder to the club. You can pay by BACS, cash, cheque, monthly or annual standing order. From the 50% prize pool, six prizes are currently awarded. Prizes now depend on if it is a quarterly super draw month or a normal month. There are no restrictions on how many numbers can be held.

One of the benefits of being a member of the 100 club is that you are automatically considered to be an Associate Member of the club, meaning that you are free to use any of the facilities at Mill Lane.

If you would like to have a number or numbers then please contact the 100-club co-ordinator **Jane Sharman** by email at 100club@silebytown.co.uk

Details of each monthly draw can be found on the club website at www.silebytown.co.uk where you can also find full details of the 100 Club Rules and the new member application form. We also announce all winners names and amounts won each month on Social Media.

Although the 100 club runs from July to June each year, you can add further numbers at any time and the more numbers that are sold, the bigger the prize pool and the bigger the benefit to the club.

GOOD LUCK
