

# Parking at and usage of Rowley Lane

**Sundays at Rowley Lane can be very busy – please note the updated parking policies issued by Maccabi London.**

- Please come in as few cars as possible. **Car Pooling** with other family members and team mates will be a great help.
- **Security Guards** and **Parking Attendants** will patrol the grounds and Rowley Lane to improve safety for visitors and reduce congestion.
- When our car parks are full, visitors will be directed to alternative parking outside the grounds (see map below)
- A **One Way System** is in operation in the car parks at Rowley Lane. Please observe the directions.
- There is **free unrestricted parking** in and around Tempsford Avenue (WD6 2NT), which is also just a few hundred metres away.
- We do not recommend you park on Rowley Lane outside the ground. Parking is at your own risk and Traffic Wardens do operate at Weekends and outside of working hours.
- A limited number of Disabled parking spaces were available on site for Blue Badge holders on a 1st come 1st served basis.
- Please be kind and courteous to staff at all times.
- Visitors will be removed from site if they disobey the site rules, are abusive or exhibit antisocial behaviour.
- **No dogs are allowed anywhere on site.**
- **No Smoking anywhere on site.**
