## **Photography Policy**

From 1<sup>st</sup> Sept 2005, Photography of games and training matches on the field of play will be allowed with the agreement of the opposition sides. Video and still photo's are extremely useful for training and analysis purposes and will benefit the team and the way it plays.

Any parent that disapproves of this policy should raise the matter immediately with the appropriate age group coach or write to [withchips@chipstead.co.uk](mailto:withchips@chipstead.co.uk) detailing your concerns.

Video photography will not be released for public viewing and still photo's will only be published on the club web site with the parent consent.
